

Bloopers

Hi! So, as I said before, it was suggested that I do bloopers! I wasn't quite sure how to it, as this is the first I'm doing it, but I'm gonna try anyway! I don't actually know what the actors are like in real life so, in my mind, I was thinking that Kingo had hired the other Eternals to make a movie about their lives, because the documentary had become super popular, so here are some bloopers! I hope they'll make you laugh!

i — The beginning of the end: Bloopers

At the party, Sprite uses her powers to make a dragon for Pollo

Thena and Gilgamesh arrives to the little ground of Pollo, Sprite, Kingo and Phastos, who were previously talking about dragons.

"What are we talking about?" Enquires Thena.

"Pollo's love," sneers Kingo.

Gilgamesh looks around, trying to figure out who they're talking about, only seeming to understand when his eyes fall in Pollo. "Oh? Does this love have a name?"

Pollo is a bout to say his line, but Makkari pushes him out of the way. "Yes! It's Druig!

"Cut!"

Pollo goes to talk with Druig, who's sitting alone at the party

Pollo is sitting with Druig, explaining why he thinks the mind controller isn't having fun. "Because you're sitting alone in the corner of a party when you could just go to your room."

"I'll go if you come with me," flirts Druig, smirking.

Pollo smiles, standing up. "Okay!"

"Cut!"

ii — The nightmare that are names

Pollo tries to guess the other Eternal's mind.

He arrives in the room and stop everybody before they can talk to him. "Don't say anything, I've got this. This is Ajak, I already know that, but for the others... Uh, I remember that you made a dragon appear, so you must be Sprite, because that kind of sounds like the name of a magical creature, you're Druig, because that's the name of someone who doesn't smile that much and you've been pretty rude to me since we've met."

"Wait, Pollo, you got those two rights," interrupts Kingo.

He smiled, titling his head in confusion. "I know. Isn't that the point?"

"No!"

"Cut!"

v — The invention of hot chocolate

Pollo is helping heal humans

" Thank you" says the daughter of human Pollo just heals, tears in her eyes as she takes Pollo's hands in her own. " How could I ever repay you?

He smiles, tapping her hands so ly. "With a billion dollars."

"Goddamnit, Pollo!" Kingo shouts o -screen

"Cut!"

Pollo drinks hot chocolate for the first time

Pollo smiles before bringing the cup to his lips. He takes a sip and immediately spit it out back in the cup, gasping in pain as he puts a hand in front of his mouth.

"Oh, that's hot! That's so hot! I burnt my tongue!"

"Cut!"

vi — Guess who invented drunken one-night stands?

Kiss scene between drunk Pollo and Druig

Druig comes to sit with Pollo, the two of them of them looking at each other in silence for a second. Druig places his hand on Pollo's cheek and quickly pulls him closer, but as their lips are about to crash against each other, they both starts laughing, looking away and letting their hands fall to their side.

"Cut!"

Ajak mistakes a hickey on Pollo's neck for a bruise

The Prime Eternal frowns, looking at Pollo's neck. "Are you okay? You have a bruise on your neck. I could heal it, if you want."

He takes a few seconds to answer, but as soon as he open his mouth to say something, Ajak starts laughing, tears in her eyes as Pollo looks at the camera, a mildly annoyed look on his face.

"I'm sorry, I'm sorry, I've got this!" She claims as other Eternals start laughing as well.

"Cut!"

ix — The end

Pollo fights the last Deviants with the others

Pollo is in the middle of the decor, one of his ropes around his neck and on his arms, a bit like a snake. Behind him the song I'm A Slave 4 U by Britney Spears play on speakers from somewhere o -screen.

Gilgamesh and Makkari are dancing behind him while Thena laughs at them.

"What the funk are you doing, Pollo?" Asks Kingo o -screen.

Pollo dances a bit, shooting a dark look at someone behind the camera, presumably Kingo. "It's Britney, bitch."

"Cut!"

Pollo is hurt by Thena

Pollo is on the ground, badly hurt, and Druig is by his side, trying to stop the other Eternal from going back to battle. "Polly, please. You're injured. Don't make it worse."

"Druig, my love, I think this is the end for me," claims Pollo, acting exaggeratedly. "Kiss me before I go."

He closes his eyes, faking to cry as Druig starts getting into the game as well, exaggerating his sadness. He leans closer, kissing Pollo quickly, which makes Pollo laughs, stopping his act. Druig doesn't stop acting.

"Please, beloved, you can't leave me like this, I love you," he declares.

Pollo is still chuckling, a grin on his face as he fakes dying, sticking out his tongue as he does so. Druig continues sobbing humorously, looking up and shaking his fist at the sky.

"You will be avenged, my love! I will never forget you!"

Pollo's laugh can be heard faintly as the camera zooms on an annoyed Phastos. Behind, Makkari is clapping her hands.

"Cut!"

Pollo gets mad at Gilgamesh er Druig leaves

"You couldn't have said this earlier?" He snaps at Gilgamesh.

He tries to to walk closer to Gilgamesh, but Makkari stops him, her fingers brushing against his shirt.

"I wouldn't have stopped him from leaving, Pollo she tells him, trying to calm him down. " You know that.

He places a finger on his lips, an amused spark in his eyes. "Shh. This is my villain origin story."

"Cut!"

x — Toxic by Coral Snake (Feat. Druig)

Pollo meets Marco and tells him he's been beaten by a coral snake

" That's a coral snake!The child cries out. " Its venom is deadly!

" Well, fuck! Pollo gasps as he hear himself, approaching Marco. "Oh, shit, I'm sorry, you're a kid, I'm not supposed to swear in front of you. And I did it again. Fu— Nope, Not doing that again!Are his parents here? Are they going to kill me?"

" Who's this? Pollo asks the child sitting next to him.

For a few seconds, the child doesn't say anything. " My abulo Marco!

Pollo seems to space out as he hears the name, a surprised look on his face. Then, he frowns and look back at the child. " Who?

"Cut!"

Ikaris and Sersi comes to find Pollo

Pollo opens his door and sees the former couple. As soon as he makes eye contact with Ikaris, he slams the door in their faces. He turned towards the camera, a dead look in his eyes and shrug.

"Cut!"

xxii — Kingo, Sprite and some random dude

Kingo is introducing Pollo to the camera

"Let me introduce you to one of the Eternals I considered to be the worst asshole ever," started Kingo. "He's a little bitch who always ruins the scenes with his his boyfriend. Also, he randomly adopts flerkens."

"Fuck you too, Kingo!" Pollo shouts from behind the door.

Sersi nods from behind as Dragon meows once more, agreeing.

"Cut!"

xxv — Another reunion

Pollo is going to see Druig at the village.

He walks towards one of the villagers, sighing as he looks at Kingo and Karun.

"Seriously, fuck Druig," he says tiredly.

"You'd want that, wouldn't you?" Mocks Sprite next to them, startling Pollo, who hadn't realized she was here.

"He would," speaks Druig from behind the door of the public forum.

Pollo is startled at once, sending a death glare towards the door.

"Fuck you guys! I hate you all!"

He stomps away as Sprite and Kingo laugh.

"Cut!"

Pollo is fighting with a human controlled by Druig

"So go," orders Druig through the human. "Isn't that what you're good at, anyway? Listening to orders like the little soldier you are!"

Pollo looks at him blankly for a second before he chuckles. "Little? I'm taller than you!"

Druig can be heard grumbling as the human just smiles awkwardly, looking at the camera for help.

"Cut!"

Sesri's phone rings as they're talking with Druig

"Hey, what's your service?" Whispers Kingo, leaning towards Sersi as she managed to close the sound of her phone. "I'm not getting any bars."

Pollo doesn't look up, still patting Dragon. "It's pollo123ilovepollo45hesperfect678pollo910 all in lowercases."

Kingo shoots Pollo a strange look as Gilgamesh laughs at Druig's dumbfounded face.

Pollo nods, chuckling as he rubs the back of his head.

"Cut!"
