

**good evening 281**

**Chapter 281**

The man's brown pupil Mou takes a few warning, Shen Qi son sees his time, a little bit nervous.

As if she knew everything.

Now I look at myself like a clown.

At this time, Mrs. Lu came and saved her situation. She didn't know what to do and finally put it into her stomach.

Mrs. Lu is a strong woman. At least, on many occasions, Mrs. Lu is not very friendly to herself, and most of the Lu family are her masters.

Mr. Lu listened to her.

I don't know where I offended her, but her eyes were so terrible.

Today, she wears delicate hair and a smart suit. She is elegant and strong. She is well maintained. At least, she looks like she is in her thirties.

It doesn't look like a 50 year old at all.

"Mrs. Lu, you..." well, the word hasn't come out yet.

But I didn't expect Mrs. Lu to open her mouth and ignored her directly. "Go to see Tuanzi. I didn't even find her. I don't know if I'm angry with you again. I tell you, don't bring the unruly people into the house. Don't you turn a deaf ear to me when I speak, do you?"

Shen Qi'er was angry. For her, although she didn't say it to herself, the sound of the word was clear and she heard it.

"What do you mean, Mrs. Lu?"

"Literally." Mrs. Lu drags Lu Shimian and takes a look at Shen Qi'er. Her eyes are distant and indifferent. "You go to call Tuanzi quickly."

After Lu Shimian left, Mrs. Lu looked at her and said, "my son is simple and can't see through your true face, but Miss Shen, I learned your trick more than ten years ago."

"Mrs. Shen, if I hadn't saved your son, now your precious son would have been..."

"Miss Shen, whether you saved it or not remains to be proved."

"You..."

"You were there that day. You can say whatever you want, but Miss Shen, the people who fell into the water that day were not only you and Lu Shimian!"

Smell speech, Shen Qi son wring eyebrow tip, dead ground looking at her, she all knew?

That is to say, that day

Impossible, she has let people drag away Xia Xiyan, impossible to know.

She held her wrist tightly to calm herself.

With so many people here, she can't just lose face and let Mrs. Lu grasp the handle.

.....

Su Xiaowan didn't expect that Feng Yan would bring her to the banquet hall. It took several hours for them to come here. At first, she was still in a daze. After a long sleep, she opened her eyes in a strange place.

"Who's doing the wedding?"

It doesn't look like a banquet hall, but most of it is a castle, but the light outside is very bright, which can be regarded as the potential of upstarts.

"Get out of the car! I'm sure I'll be happy to see you! "

"You don't want me to be scared."

Su Xiaowan followed Feng Yan out of the car. Now she followed him, but she saw that she was familiar with the way. She hesitated, because several strangers were staring at her.

Maybe it's staring at Feng Yan.

After all, the scar on Feng Yan's face is very obvious.

To is she happily pulls the man's wrist, followed the man to walk in together.

As soon as I went in, I knew it was the Lu family.

Seeing Shen Qi'er at that end, Su Xiaowan frowned tightly, "how can Shen Qi'er be here? If you know she's coming, I won't come!"

But when I think about it, Shen Qi'er of the Lu family is here. Before Xia Xiyan called her and said that she wanted to make it clear to Lu Shimian, then

She pulled Feng Yan's hand, "don't tell me, today is Lu Shimian and Shen Qier's wedding banquet?"

Feng Yan smell speech, eyes drop Mou, stare at her to see, "you this brain inside, still can imagination in rich a bit?"

"... I misunderstood?" Su Xiaowan was immediately relieved. Although she said that she hoped Xia Xiyan would be happy, she also said that she liked Lu Shimian that day.

Since you like it, there will always be something to do for what you like.

Sometimes impulse said a break-up, other people seriously, it is really divided, to today is really a wedding, then Xia Xiyan must cry to death.

"No, why is Shen Qi'er here? Feng Yan, she didn't come here for you, did she? Why do you like her so much? She's haunted. "

inexorably hangs on?

She likes it.

Feng Yan listened and wanted to laugh.

"It's none of my business. I'm here to tell you."

Su Xiaowan pretended to think, "that is to say, Shen Qi'er came here for Lu Shimian, but..."

Before I finished, the disgusting man came.

"Feng Yan, why are you here?"

She didn't look at Su Xiaowan. She was all over Feng Yan.

Su Xiaowan doesn't like her anymore. She looks at Xia Xiyan and pats Feng Yan's hand. "I'll go to find Xiyan."

Before Feng Yan could say anything, she ran away.

Keep Feng Yan and Shen Qi'er.

Shen Qi'er is worried that she can't find an opportunity to talk to Feng Yan. Now she finally finds the

opportunity.

What she wanted to say was interrupted by Lu Shimian.

Then he watched the two men leave, stomping in anger.

Xia Xiyan stood there, she was not happy, even felt that this place was very different from her, she wanted to sleep.

I feel sleepy.

Now suddenly someone patted me on the back, "guess who I am!"

Looking back, it's su Xiaowan.

"Are you here?"

"Come to see you. I haven't seen you for several days. I miss you so much."

Xia Xiyan blocked up and said, "I thought you and your young master Feng were so tired of being together that you forgot me!"

"How can it be? Feng Yan and I miss you every night."

"You only miss me for one minute, and the rest of the time I miss your husband!"

When she met her best friend, she naturally said everything. Xia Xiyan looked at her appearance and said, "why isn't your face so good?"

"I'm here. I don't know what's going on. I have a stomachache. I've been lying at home for a day."

have a stomachache?

"It doesn't hurt now?"

"Well, Feng Yan was good at covering me all night last night, and it's much better today."

"... he's so good to you. No way." Xia Xiyan looked at her, "but he should be quite lost!"

"Lost? What is lost? "

"You're not pregnant!"

"... me and him..." Su Xiaowan's face turned red all of a sudden. It was very red.

"Don't you still have nothing to do with him?"

"Me and him... We are pure."

"I can't see that young master Feng is quite tolerant!"

"....."

At this moment, the door suddenly opened.

From the outside came a man in a stiff suit.

"Who is this?"

## **Chapter 282**

Xia Xiyan is also the first time to see this man, he looks strange and cold, Xia Xiyan in the Lu family for so many years, did not know that the Lu family has this relative.

"Maybe it's the son of a relative who can't hit the eight pole."

"Your mother-in-law is very nice to you."

"Is your mother-in-law good to you?"

"Feng Yan's people are good, very approachable and easy to get along with."

"In this family, Lu Shimian is difficult to get along with, and other people will treat me very well."

"What's the relationship between you and Master Lu now?"

"... couples who are not divorced."

"But your mother-in-law wants to introduce you to everyone."

"I have told Lu Shimian that I want a divorce."

"Can't you be angry because you are jealous of Shen Qi'er?"

"... No."

"I've known you for so long. Don't I know that you didn't lie? It's hard to say Su Xiaowan poked her face, Shen Qi'er has been here for so long, Master Lu didn't go to greet her, but he has been there all the time, looking at you!"

Along the line of sight, Lu Shimian stood beside Mrs. Lu and was staring at her.

Look, she's hairy.

She took Su Xiaowan to the corner.

Su Xiaowan looked at her red face, she leaned over, "are you shy?"

"No

"You see what I said, right and wrong."

It was quiet in the corner, but the voice of the people was clear at a glance. They listened to them talking over there, "look at that man, who is it?"

"Did you hear that? This is master Shen's adopted son! "

"An adopted child is an illegitimate child!"

"True or false?"

"Of course it's true. My friend saw this man in the hospital before and thought he was a star. As a result, you know, Shen Nanshan came out with him, who is now the leader of the Shen family." The man looked at the man at the other end and said, "do you know what they are doing? It's DNA identification. It's both of them. "

"But he looks like the Shen family. The young master of the Shen family was very handsome, but he turned Miss Feng around. Otherwise, there was a car accident. Now it's a good story."

"Well, it's a pity, but they all said that the accident of the young master of the Shen family had something to do with Shen Nanshan."

"True or false?"

"Who knows! But three people make a tiger. "

Xia Xiyao listen to muddle headed, how again with seal what relation up?

She heard Su Xiaowan say that Feng Yan had a sister.

But I really don't know there is such a thing in it.

Su Xiaowan was not surprised. The last time she went to Shen's, she heard the same version.

Now it seems that there must be some basis for them to say so.

Is that really the case? In order to fight for the right of inheritance, so the design of a car accident, so that two people in love, from Yin and Yang separated?

I don't know what happened to Feng Yan's sister.

Suddenly a valet accidentally spilled water on her clothes.

"I'm sorry." The waiter took the plate and apologized.

"Nothing." After all, it's not intentional. Su Xiaowan and Xia Xiyan are standing in the corner, but there are still people here and there.

She looked down at her skirt, and her chest was drenched. She immediately carried her back to prevent others from seeing her embarrassment.

"Shall I take you up to change?"

"No, you are the protagonist. You can't give Shen Qi'er a chance. I'll call Feng Yan and ask him to accompany me up."

"Then you go to the room on the left of the second floor. Xiao Chen, you take her to change. I have clean clothes in my room. We are similar in stature. Please wear mine!"

"Well."

At this time, Mrs. Lu wants to find Xia Xiyan. Xia Xiyan takes a look at Su Xiaowan, "call me if you can't find her."

"Well."

Su Xiaowan watched Xia Xiyan go, just ready to take his bag, but opened his handbag, did not take the mobile phone.

Where did this letter go after a while?

However, she can't always wear this dress. It's too wet and clings to her skin. There's air conditioning blowing here. Her two teeth are shivering.

"Your name is Xiao Chen, isn't it?"

The girl is in her twenties. She wears two pigtailed and looks lovely.

Smell speech, she nodded.

"I really can't wear this dress. Please take me to Xiyan's room. I'll change one."

"Good."

Su Xiaowan followed the maid and left directly.

Feng Yan came in with a heavy face, and his sister's mental state was good and bad.

Just now I scratched myself again. The Fengyi people have passed by. Fortunately, they are out of danger.

As soon as he entered the banquet hall, he searched for the person at the other end and watched her follow a woman up the stairs in a hurry and chase her.

Shen Qi'er looks at the man who appears. It's the first time for her to see this man, but she listens to those people talking, saying that this man is his father's illegitimate son.

In front of him, the man looked rebellious. He was wearing a baseball uniform, and he was out of place.

She seemed to understand why Lu Shimian called herself here.

Let her down.

Others are talking about their father's cheating, and she has no way to stop them.

I don't even feel like I can hang on to my face.

She looked at the culprit at the other end. He came up and said, "Kiel!"

Shen Qi'er looked at him scornfully, "don't call my name, I'm not familiar with you."

Shen Qi'er raises her eyes and doesn't want to get close to him at all. Looking at this person, she feels that she has been reminding herself that her father is cheating.

She is a public figure, but her father is more popular than her.

She thought of what her mother said.

The man in front of me.

It was born by his favorite woman!

Shen Nanshan has always been fond of boys. In the Shen family, there is a strong tradition of men inheriting the family business, passing on men rather than women.

That's why Shen Nanshan is looking for Xiao San outside to have a son.

Shen Qi'er has known since childhood that she was only in primary school at that time, but people in the class would point at her and say, "your father is on the news again. Your father is a scum man

She didn't know how many times she had heard such words.

When you grow up, everything becomes clear.

She is a girl.

Because she was a girl, her father cheated and hoped to have a son to inherit his family.

She is not without quarrel, but useless, father's traditional thinking, even if he dotes on himself, even if she has countless money.

Later, she may be numb, regardless of her mother, no matter how much she said, it was useless.

"Get out of the way!"

Shen Kan looked at her. If the flower was used to describe her, it was probably a rose with thorns, arrogant and inhuman.

"Do you want Fengyan?"

Shen's mouth moved.

### **Chapter 283**

The sound was light enough to be heard clearly.

At the mention of Fengyun, Shen Qi'er's face suddenly changed, "what do you mean?"

"Since I am a brother, I will definitely help my sister."

"Don't get involved with me, I don't have a brother!" It's impossible for Shen Qi'er to admit him.

At least, she would never regard the illegitimate son of little Sansheng as her brother.

Shen Qi'er takes a contemptuous look at Shen Zhen. Even his father has no way. What can he do for an illegitimate child.

But, at the moment, she looked around at the man who was standing, but she couldn't find him. She was so angry that she stamped her feet and scratched her eyes.

This damn bastard.

What to help her is to make a fool of her.

She didn't see Feng Yan. She only saw a couple of Bi people standing at that end. The man was slender, tall and straight, while the woman was a little bird.

I have to say that they are a good match to stand together.

In the banquet hall, at the moment when it was the most intense, Lu Shimian looked at the number plate on Xia Xiyan's hand, which was just given to her by her mother.

Xia Xiyan is holding the number plate. Just now, her mother introduced herself to the people at the party. Now everyone knows that Xia Xiyan is the daughter-in-law of the Lu family.

It wasn't the result she wanted.

Hands of the number card with flowers tied, Xia Xiyan absent-minded pinch in the hand, she went to the bathroom.

Blocked at the door by Shen Qi'er.

Xia Xiyan throws the number card on her hand to Shen Qier.

"What do you mean?"

Xia Xiyan doesn't beat around the bush. She doesn't have much patience to say much to her. She can't grasp the things before Shen Qi'er, so she can't do anything about it. But sooner or later, she will find all the evidence to expose the true face of this woman.

She said, "you're here because of him, aren't you?"

"I'm not for him." Shen Qi'er looks at Xia Xiyan with disdain.

Xia Xiyan stands there gracefully. As a child, Xia Xiyan gets good grades and looks excellent. In addition, she is a child of the Lu family. Everyone will be afraid of her.

God sometimes really unfair, since met this woman, all his light has been blocked by her.

In Lu Shimian's heart, there is only her.

Looking at the white dress, standing in the bright light, it looks a bit lazy and beautiful, Qianli's small face, as if I can't see anyone.

Proud and lonely.

They are the same kind of people.

So that we can get close to each other and take care of each other.

"Shen Qi'er, don't forget that Feng Yan already has a wife, and he doesn't look up to you at a glance. Don't be bored. You've been using Lu Shimian as a spare tire for so many years, so it's time to become a regular."

Shen Qi'er looks at Xia Xiyan. For so many years, she plays with the feelings of Mian when she lands. People with clear eyes don't know that the relationship between him and her is far away.

Lu Shimian has a habit of cleanliness. She can't get close to him. Except for many times, she can only stand beside him. Moreover, Lu Shimian is willing to stand in a man's heart

"It's none of your business how I treat Lu Shimian."

"Shen Qi'er, I always know that you are shameless, but sometimes, in fact, you are not good at fighting. The final result of stepping on two boats may be nothing? Don't you know the gains and losses of a smart man like you? Lu Shimian is such an infatuated species, but it is rare in the world. "

"Xia Xiyan, aren't you jealous? Jealous that I'm here, jealous that Lu Shimian likes me? "

Xia Xiyan disdained to smile, "Shen Qi'er, I never envy you. After all, Lu Shimian is the man I don't like."

"And don't think I'll forget what you've done."

With that, Xia Xiyan turned and left directly.

Shen Qi'er was almost angry.

"I didn't expect you to have a lot of enemies?" Shen Kan didn't know where he came from, and he didn't know how much he heard. Now Shen Qi'er glared at him fiercely.

"How can you help me?"

Shen Kan raised his eyebrows slightly. At the moment, the wine glass shaking in his hand shook and dried up.

"Wait for me to call."

Then he left.

Although Shen Qi'er is a little suspicious, she seems to have no other way except him. In order to avoid a long night's dream, she can't go on like this.

Xia Xiyan back to the banquet hall, Mrs. Lu is holding her hand, "where's your number card?"

She pretended to look down at her wrist. "I don't know where I left it just now. Mom, you don't know that I don't like dancing, and I can't dance either."

"Do you want your husband to dance with other fox spirits?"

Xia Xi Yan Ning Mei, Lu Shi Mian estimated that he would like it.

"Here you are. Don't lose it." Mrs. Lu didn't know where she took a number card and hung it on Xia Xiyan's hand.

She wanted to refuse, but looking at Mrs. Lu, she couldn't say it.

For Mrs. Lu, even if Mrs. Lu let her die, she had no complaints, but she had to marry that disgusting person.

In fact, she remembers that Lu Shimian was not very annoying when she was very early.

It seems that Shen Qi'er came to the Lu family.

"Tuanzi, the party is about to start. Come here quickly!"

Mrs. Lu pulls Xia Xiyan. Although Xia Xiyan is not happy, she can't help it.

But just now, the number on Lu Shimian's hand seems to be the one she lost.

Now, I'm sure I can't call myself.

At this time, the MC called the serial number, and Mrs. Lu pushed her, "Tuanzi, it's yours!"

88.

And the boy's serial number over there is also 88. Unfortunately, it's Lu Shimian.

Looking at Mrs. Lu's smiling face, it seems that everything has long been fixed.

"You're stupid. It must have been arranged by Mrs. Lu in advance. Besides, who just got in? Mrs. Lu has to kill her!"

Xia Xiyang was pushed to Lu Shimian's arms.

She frowned and the familiar smell cooled her face a lot.

"I can't see you want to dance with me!"

Just now I was standing beside Lu Shimian, so Lu Shimian knew the number of the sign she was holding. Now it's the number.

It happened to be the same as him.

Xia Xiyang can't explain clearly.

She lowered her eyes, "isn't it just taking advantage of your mind?"

"I'm very happy."

"What you're happy about is still to come."

"What?"

"If your Qi'er sees you dancing with me, she won't talk to you in the future. Besides, I can't dance. She should be happy to accompany you in such a thing"

This dead girl wants to push herself to Shen Qi'er.

Is he not obvious enough?

The man's wrist held her tightly. "You're my wife. Now you're gone, what does mom think?"

## **Chapter 284**

Mom, mom... That's very kind.

"I didn't know you were a dutiful son before!" Xia Xiyang sneers coldly. She likes to look at people coldly. She has a cold nature, especially the cold one.

As if no one could warm her.

When she was picked up by her mother from the orphanage, she didn't like to talk. Before, he thought she was a little mute, because every time he asked her, he either shook his head or nodded his head.

She will not easily trust a person, perhaps father and mother, is the only one to open her heart.

"There are so many things you don't know."

The corner of his mouth curved slightly and looked at her carefully.

It seems that Lu Shimian wants to see every inch of his skin. Like a psychopath, he is a young master. But he always does a lot of things that you can't understand. He feels that a man's hand is at his waist. She is wearing a skirt today. If she touches it a little, she can feel his hot palm.

"... Lu Shimian, take your hand away."

"Why should I take it away!"

His arrogant tone, all the time, this family, who dares to offend the devil.

"You..."

The man didn't wait for her to say anything, he pulled her close to the dance floor and couldn't let her say a word. He held her tightly around his waist and she couldn't move at all.

"Lu Shimian, you brutish bastard!"

"Lu Shimian, can you dance? You're stepping on my feet."

Lu Shimian put his hand around her waist, "Tuanzi, you are so lovely."

"Psycho."

He looked at that face, even more brilliant than before. In his clear eyes, with some warning, Lu Shimian was in a good mood.

Shen Qi'er stands there looking at the person at that end. Suddenly, a woman comes to her. She is Lu Shimian's cousin, Lu Yanran.

Look at her, look at the appearance of Lu Shimian.

I'm so crazy that I want to hang my eyes on that man.

"Do you like Lu Shimian?"

Lu Yanran's face was stiff for a moment, "no..."

"Originally, I wanted to help you do something to make people beautiful. Since you don't like it, forget

it!"

Lu Yanran is a collateral of the Lu family. She is also Lu Shimian's cousin.

She also met Lu once.

This is Lu Yanran.

Now I'm just a senior, and I look a little green. However, it's not Lu Shimian's cousin, but she was adopted from outside.

"Don't you like brother Shimian? Would you be kind enough to help me? "

"The person I like is Feng Yan."

"Really?"

"You can think I'm lying to you, but no one will help you except me!"

"How can you help me?"

"How about putting you in your cousin Lu's bed?"

Put... To bed?

Lu Yanran didn't dare to think about it. In Lu's family, people like them couldn't get close to each other, because this time it was Mrs. Lu's invitation. No family had a share, so she had a chance to come.

Lu Shimian, such a legendary man, even dreams about her. But for so many years, he has never been alone with her or talked to her. Every time he can only look at her from a distance, she is satisfied.

There was always a woman beside him. That woman was Xia Xiyan, the eldest miss of the Lu family. Every time I think of this man, I think of Xia Xiyan. I don't know why she can live so well.

She just came back from adoption. Like her, why did Lu Shimian marry her, but she didn't even know her name.

"Xia Xiyan, such a shameless person, dominates your cousin by her charming appearance, but you are no worse than her."

"Do you really think so?"

"Of course."

She said so, Lu Yanran Teng up a lot of hope, she also feel that he is not bad, must be Lu Shimian was seduced by her.

"Sister, can you really help me?"

"Of course, as long as you are shameless, your cousin must be yours!"

.....

Su Xiaowan followed the maid around for a while. The maid was sorry and said, "Miss Su, I'm sorry. This place is a little big. It's getting old. Are you a little tired?"

"No, isn't Xiyan in the room on the far left? This is the right side! "

The maid's expression hesitated, she turned back, "Miss Su, our Miss has been unable to distinguish between the southeast and northwest, you have known her for so long, you should know that she does not distinguish between the left and the right."

Su Xiaowan thought about it, indeed.

Xia Xiyan is left and right.

"Miss Su, this way, please."

After all, it's in the Lu family. Su Xiaowan knows about it, but she doesn't know that the room belongs to Xia Xiyan. Besides, she doesn't have a mobile phone, so she can only follow the maid at that end.

The maid led her to a bedroom, a woman's bedroom.

"Wait here. I'll get your clothes."

Su Xiaowan didn't notice the woman's feelings. She stood there waiting. The room was big, so the maid left. Su Xiaowan didn't know.

But, after waiting for a long time, she didn't hear anything. She turned to look for it, but looking at the open door, it was locked.

"Hello

She patted the door, but it was closed.

I can't open it.

"Sister --!"

A voice suddenly appeared in the room. Now Su Xiaowan turned around and saw her brother.

"Chen Chen, why are you here?"

Su Xiaowan looked at him, I don't know why he felt strange, maybe because of the sudden appearance, and his eyes with aggression.

"I asked her to bring you."

The man came up to her, "sister, did you get what you were asked to take last time?"

Referring to the last thing, Su Xiaowan shook her head, "No."

"It doesn't matter, sister..."

Su Xiaowan suddenly smelled a faint fragrance, in want to say what, people have fainted in the past.

Shen Jin knocked on the woman on the ground.

Only a sound was heard at the door.

Feng Yan just looked at Su Xiaowan's bedroom and knocked on the door, but no one answered. He picked up his cell phone and called, but he couldn't get through.

"Xiaowan --!"

That knock is very heavy, Feng Yan's heart is very empty, the door suddenly opened, at the moment inside smelled a light fragrance.

It's the smell of shower gel.

"Xiaowan --!"

Suddenly the door of the bathroom opened and a woman came out, Shen Qi'er.

Feng Yan knew that he was in the trap in the first moment.

Sipping the lips, the handsome eyebrows with a stream of strangers do not enter, "Su Xiaowan!"

Shen Qi'er's affectionate eyes, she has been stripped in the bathroom, just now she has some doubt about Shen Zhen's words, but looking at Feng Yan in front of her, she knows that he didn't cheat himself.

"Feng Yan, I'm here. Didn't you come to me?"

Feng Yan's face suddenly darkened. He walked directly to the door. Suddenly, the door was locked.

"Shen Qi Er!"

## **Chapter 285**

"Open the door."

This is the first time that Shen Qi'er and Feng Yan are in a sealed space. She is looking forward to this day. I don't know how long she has been looking forward to it.

She didn't think about it before, but she never got such an opportunity. As long as Fengyan was in the place, Fengyi would see it firmly, and would not let anyone move Fengyan's mind.

"Feng Yan, I was spilled wine at the party, so I came up. I don't have a key." Her voice is delicate. She always knows that men like cute. Her hot temper inevitably makes Feng Yan dislike it. She has heard Su Xiaowan talk with Feng Yan. Her tone is delicate and can make su bones crisp.

Feng Yan's fist fell on the door.

But the door didn't move. He reached for his mobile phone, but the information was jammed and the number couldn't be sent out.

The blue veins on the man's forehead are exposed, which can be detected from behind. Feng Yan's sullen smell.

He is such a person, no expression will be hidden.

He was arrogant and talented, and immediately occupied his heart. It can't be said that Lu Shimian was not good, but that she knew Feng Yan early, so she only had Feng Yan in her heart and couldn't see anyone else.

She wanted to be with Feng Yan. When she was very young, she thought so.

"Feng Yan, didn't you come to me?" She pretended to be innocent and looked at Feng Yan. Suddenly, she wanted to rush up and hold him. But before he met Feng Yan, he dodged directly.

Shen Qi'er hit the door directly.

"Ah, it hurts." She only wore a nightgown, and it didn't hurt when she hit the door so hard.

Her arm was hit red all of a sudden. Feng Yan looked at the window at that end. There was a swimming pool under the window. He wanted to open the window, but the window was locked to death.

Just now he watched Su Xiaowan come in clearly. How could he become Shen Qi'er as soon as he came in.

Is the toilet interconnected?

Just as he was about to enter, someone's cell phone rang.

It's Shen Qi'er's.

Shen Qi'er looks at this number. It's Shen Jin's.

Shen Zhengang just called her and asked him to take a bath in this room. He said that he would see Feng Yan after taking a bath.

She thought it was all fake, but she didn't expect that he really did a lot of things that she couldn't do.

She picked up the phone.

"Let master Feng answer the phone!"

Shen Qi'er frowned slightly. Although she didn't know what Shen was up to, she handed the phone to Feng Yan.

Feng Yan didn't answer.

Shen Qi'er is holding a mobile phone, listening to him say, "turn on hands-free!"

At the moment, Shen Qi'er turns on hands-free as he says.

"Master Feng, I've heard a lot about you. I'm Shen Ken."

Shen Kan, Shen Nanshan's illegitimate son, is a celebrity in Jiangcheng.

"Where's su Xiaowan?"

He looked at Shen Qi'er, frowning tightly.

"Master Feng, why are you so worried? You are so nervous. I'm very interested in your woman. She looks like she is fully developed, but I like her pure. I don't know what it's like!"

"If you dare to touch her, I will keep you from seeing the sun tomorrow!"

"Master Feng is still worried about himself. If she knows, what will she think?"

"She will believe me! I'm the same as I believe in her. "

Shen Kan laughed contemptuously, "master Feng, I forgot to tell you one thing. Just now in the room, I put the medicine on the door lock. It's aphrodisiac powder. It's sold on the black market. I don't think master Feng has experienced the feeling of immortality and death."

"Shen Jin!"

"Master Feng, don't say I don't care about it. I specially asked my sister to wait for me in that room. In fact, it's already ready for you."

"Have a good night."

Shen Qi'er was very happy when she heard that.

She raised her eyes, but couldn't wait to take off Feng Yan's clothes.

Today's him, wearing a fine black suit, his suit without a little wrinkle, indifferent eyes, even at this time, still can not see any waves.

This man is what she wants. Now, it really belongs to her.

"Feng Yan, I really didn't know that he asked me to come... And I didn't know that he drugged you."  
Shen Qi'er's voice is thin and fragmentary, which sounds particularly harsh.

In fact, just now Feng Yan felt something was wrong, but he was worried about Su Xiaowan, so he didn't notice.

Now this sincere phone call reminds him all of a sudden.

He had known for a long time that he would touch the doorknob, so he drugged the doorknob and unconsciously led himself into a trap.

That's a good idea.

He angrily smashed his cell phone on the ground.

Shen Qi'er looks at the broken mobile phone on the ground. Just now, Shen can say that the aphrodisiac is on the attack, no matter in the fierce man, he can't carry it.

So Feng Yan

"Feng Yan, if you feel bad, I can help you."

"Shen Qi'er, you dare to touch me

"Feng Yan, Su Xiaowan has a lover. She doesn't like you at all. Why do you keep your body for her?"

"Lover?"

"Yes, last time I saw her flirting with a man in the amusement park, I took photos. You see, I have evidence. I didn't lie!" She said and took out her cell phone, "look, that's su Xiaowan!"

The man's sight is deep, no wonder the mother called last time, it was Shen Qi'er.

"Feng Yan, she doesn't like you at all. Don't I like you better than her? I've loved you for so many years. Why don't you even want to look at me? "

"Shen Qi'er, if you don't mention me, I've forgotten. Don't think I dare not move you. Even your father, I dare to fight against him." Feng Yan warns that he hit Shen Qi'er more than once last time, but this woman has no memory at all.

The man walked into the bathroom and locked the door tightly.

Shen Qi'er took off her clothes, but the man turned and went to the bathroom. She knocked on the door, "Feng Yan, let me help you."

"Shen Qi'er, if you dare to pat me, I'll break your hand!"

"Feng Yan, I really like you. If I don't like you, how can I let you find your sister! Feng Yan... "

She clapped, but there was no reply.

.....

Su Xiaowan opens her eyes and looks at a strange man and strange environment. The dazzling light makes her panic.

She jumped out of bed in fright.

What about my brother?

"Madam Feng, I've heard a lot about you."

That voice... Is Chen Chen's.

"You... Where's my brother?"

"Mrs. Feng, since I came here to rest, you have been lying on my bed. It seems that someone has given you to me as a gift."

Gifts?

## **Chapter 286**

Who put her to bed?

What about my brother? Isn't she with her brother? Her neck hurt a little. She twisted it. It always felt as if she didn't get it.

"But I'm not very interested in you."

"Thank you, Shen Shao!"

Shen Kan listened to her soft voice, and a person flashed in his heart. He didn't meet him with that identity, so he naturally had his own scruples.

Su Xiaowan is not smart, but Feng Yan is a smart man.

However, this time he counted it in. Compared with that, he would not give up.

He took out a pack of cigarettes from his pocket, lit a cigarette, and saw the woman at that end, "Mrs. Feng, if you continue to carry them here, I may be interested in you."

Su Xiaowan tightens her clothes. She just knew at the party that this man's name is Shen Ken, Shen Qi'er's brother.

It's Shen Qi'er who sent her here.

She got up from the bed in a hurry and was about to walk out of the door. "But I remind you that just before someone came in, I saw the room on the far right. Your husband just went in."

"What do you mean?" Su Xiaowan thinks there is something in this.

"There was a beautiful woman going in together."

Su Xiaowan looked back at the man at that end, only to feel that under the smoke, the man was very light, but there was always a kind of déjà vu.

This man, with his brother

It's like he's masterminding everything.

"If you don't go there, you should wear a green hat."

"....."

Su Xiaowan opened the door and went to the place. She screwed the door lock. The door was locked.

"Feng Yan!"

She knocked on the door and called out the names of the people inside.

"Feng Yan, are you in there?"

She clapped several times, but didn't hear anything inside.

Is Feng Yan gone?

Just about to walk, I heard someone saying, "Feng Yan, slow down, I'm in pain..."

Her hand stopped, and she seemed to feel that the door in front of her was hit. They  
unable.

"Feng Yan."

She beat the door hard, "Feng Yan, you come out, Feng Yan, you answer me, Feng Yan, are you in or not?"

"Ah, it hurts..."

"Feng Yan, come out!"

The door was hit several times again. Su Xiaowan was stiff across the door.

Her hands fell down.

Feng Yan and Shen Qi'er!

All of a sudden, the door opened, and a strong fishy smell came out of the room. She looked at Shen Qi'er in her untidy clothes. She was wearing that Nightgown, and her face was red.

When he saw Su Xiaowan, he looked frightened. "Don't get me wrong. Feng Yan was drugged just now. If he didn't sleep with me, he would die suddenly, so..."

Pop.

Su Xiaowan gave a slap directly.

Shen Qi'er didn't expect Su Xiaowan to hit her. She touched her swollen face and said, "Su Xiaowan, you dare to hit me!"

"You dare to be a junior who destroys other people's families. Can't I beat you?"

"When you seduce a man outside, why don't you say you're cheating?" Shen Qi'er talks on and on.

Only feel that a sharp line of sight staring at her, Shen Qi'er turned around, is Feng Yan.

He came out of the bathroom.

She clenched her fist and hinted that she would calm down.

Su Xiaowan looks at Feng Yan. She never thought it would be such a situation. She believes that Feng Yan would not have touched Shen Qi'er if he had not been drugged.

But... The thought of Feng Yan sleeping with other women made her sick.

She has a passion for cleanliness.

Your man can't let others be contaminated, even if this man is her favorite man

Su Xiaowan's eyes are fixed on Feng Yan. She is very tangled in her heart. She wants to rush into his arms, but she feels dirty and runs away.

A lot of people at the party didn't notice the woman at all.

As Su Xiaowan ran, her tears fell down.

She should slap Shen Qi'er more.

Why don't you hit her.

This damned bad woman.

Shen Qi'er felt countless sparks in her body. Now she realized that she had just opened the door and met the medicine.

She couldn't bear the medicine. I don't know where Shen Zhen found it.

"Feng Yan, help me!"

Feng Yan kicks her away. He takes Shen Qi'er's cell phone and closes the door.

He sent a text message to Shen Zhen.

Then he chased Su Xiaowan in a hurry.

But this girl doesn't answer the phone.

The heat in the body hasn't dissipated. Feng Yan is carrying it.

Shen Zhen frowned when he saw the message. Shen Qi'er is really stupid.

It's all in my mouth. There's no way.

He rushed in in a hurry. As soon as he entered, he was tightly entangled by a figure.

Take a closer look, it's Shen Qi'er.

"Shen Qi'er, what are you doing?"

"I'm hot. I'm hot. Help me." Shen Qi'er is eager to stick to Shen Zhen. She seems to see Feng Yan coming back.

I also saw Feng Yan's concerned eyes.

"Feng Yan, I really love you!"

"Let go!"

Shen Xin pressed the woman's hand to death. At the moment, his mood was complicated.

This Feng Yan, unexpectedly also set him up.

If spread out, Shen family's face where to put?

That's a tough move.

.....

Shen Xiaobei received a text message from his mobile phone saying that his brother was drunk.

But when I come to this place, it's a banquet.

She looked at the address on it. It was here.

He didn't dare to call his brother, so Shen Xiaobei could only ask the servants, "well, do you know where Shen Ken is?"

"Shen Jin?"

"Have you met this man?" Shen Xiaobei secretly took a picture of Shen Zhen. Now he takes out his mobile phone and shows it to him.

The man recognized it as soon as he saw it. "I'm resting upstairs. I seem to be drunk."

"Well, thank you."

Shen Xiaobei ran upstairs. She heard something just after a few steps. She ran to see a man and a woman kissing at that end.

That man is Shen Jin, and the other one is Shen Qi'er.

She knew and had seen it no less than three times. She remembered it almost at the first sight when she looked at the beautiful woman.

She stood at the door. He always knew that he liked him, but he refused all the time. Now he refused in this way.

That's a good idea.

Thanks to her worry about him.

Shen Jin, asshole.

She wiped her tears, he knew, Shen Jian saw himself.

.....

In the banquet hall, Xia Xiyao did not find Su Xiaowan, "not upstairs?"

"I didn't see Miss Su, but I saw the two Shen family upstairs... Doing that kind of thing."

"What?"

"Still there?"

"Yes! Miss, do you want someone to drive them out? If someone knows, where are our Lu family's

faces? "

She is worried that she can't find Shen Qi'er's handle and can't tear his face.

Now it really gives her a good chance.

"Call some people up, just say that there is something interesting in my room, and invite them to watch it. It's not interesting for me to watch this kind of explosive news."

"Miss, do you want to tear the face of the white lotus?"

"Xiao Hong, I haven't seen you for so long. You are still so smart."

"It's the young lady who teaches well." Xiao Hong is her girl. She shares a common hatred with her. She hates Shen Qi'er, the white lotus.

"You dare to go in. Don't miss a good time. "

"Yes."

Xia Xiyan raises the corner of her mouth. She turns around and suddenly bumps into a person's arms.

"Have you learned to throw yourself in the arms?"

It's this damned man. Why are you following me again?

Do you know about Shen Qi'er?

Are you going to help her?

"Master Lu, you are pursuing this. Do you love me so much? I can't live without you? "

"I really need you!"

This man, who gave him face.

Xia Xiyan looks at that group of people who have been called up by Xiao Hong. She has been waiting for this day. I don't know how long she has been waiting. Now how can she let go of this opportunity.

"Master Lu, although I am married to you now, I am not your appendage. Don't you have to follow me all the time?"

"I follow my woman, don't I?"

"If you're a big man behind a woman's ass, people will think you're a soft eater."

"Whatever they say!"

"You're more and more shameless now."

"I can't say anything shameful when I talk to you!"

"You know yourself very well. Unfortunately, Master Lu, I don't like you if you follow me."

Xia Xiyan's beautiful eyes are twinkling.

"In my life, I like gentle men. It's better to take care of me. Master Lu sometimes looks like a child. I don't like little brother!"

tender?

It seems that I still have an idea about Lu Xing.

Today's party, he did not let him come back, just to prevent them from meeting.

Unexpectedly, this damned woman has her in her heart!

What's good about her brother Lu!

Lu Xing's life is gloomy. She knows that she likes Xia Xiyan, so she keeps getting close to Xia Xiyan.

This damned woman doesn't know.

And he's a good man.

Smell speech, Lu Shi Mian's facial expression suddenly sinks down, "don't dream, the woman that I once went up, he doesn't look up to."

"Yes? How do you know brother Lu doesn't like me?" Xia Xiyan raised her hand and tucked a wisp of hair behind her ears. Her delicate eyebrows and eyes interweaved with a touch of lazy charm. She was in her twenties, full of collagen, which many people couldn't grow up.

She looked at him and said with a smile, "but it doesn't matter. There is no shortage of three legged men in this world. I can find a better one, right? I'm not bad either

"Summer sunset!"

"Master Lu, you seem to blame your husband now!"

"Do you admit that I am your husband?"

"....."

Almost caught in his trap, "smelly shameless."

Soon someone screamed, "Wow, big news, Shen Qi'er is performing undressing upstairs!"

"Master Lu, your beloved woman is performing striptease upstairs! You don't want to see it? I've heard that Miss Shen has just started her career in the entertainment industry, but she hasn't been hidden by the rules.... "

### **Chapter 287**

"What's good to see?"

"Why not? Miss Shen has a big chest and a good figure. If you don't look at her, you will be seen by others. Then you can cry! "

"I think you pay more attention to Shen Qi'er than I do. What do you want to see?"

"... women see what women look like. I'm afraid you have no place to vent. It's just Shen Qi'er..."

"I don't want to see it. Even if I want to see it, I just want to see yours!"

"... what's on your mind? Who said I'd show it to you?" Xia Xiyao knows that you still follow the bastard to say a word.

She is no match for Lu Shimian at all.

Even a little can't say him, since childhood, she had a saying in her heart that she would let him. Now, she really has no reason to refute her, and her mind is blank.

"Who don't you show it to, who do you want to show it to? Your brother Lu

"I won't show it to you anyway."

Xia Xiyao angrily climbed up the stairs. When she went to that place, there were still many people in the corridor. She squeezed in, but there had been no Shen Qi'er's adulterer in it for a long time, and she was the only one left with untidy clothes.

Lu Shimian also followed up. Now Shen Qi'er looked at Lu Shimian, and the white lotus temperament began to make trouble. "Shimian, help me, I don't know why I'm here. It must be Xia Xiyao who is jealous of me, so he gave me the medicine!"

Xia Xiyun looks at Bai Lianhua. This woman really speaks fluently. Now she takes things to her.

"Shen..."

Lu Shimian tightly hooks Xia Xiyun's waist. Xia Xiyun is caught in his arms by him. She doesn't know what he wants to do. She can't dodge. "Do you think I'm bullying him and unhappy?"

Lu Shimian's eyes were dotting, but when he looked at Shen Qi'er, he suddenly became cold again, as if he could eat people. "Shen Qi'er, my wife and I love each other very much. Why do you want to take medicine on you? She doesn't have a grudge with you on weekdays. Why do you want to slander her?"

Shen Qi'er's eyes are wide open?

How ever did Lu Shimian do this in the past?

At the moment, he should help Xia Xiyun speak in front of so many people?

Isn't that a slap in the face? Just now, Shen Kan, Feng Yan and Lu Shimian.

One by one, they were stunned.

Isn't she beautiful enough?

Not sexy enough?

All of them are blind.

"Shi Mian, I'm still very sick. I've been drugged. If I don't untie it in time, I'll..."

"Then call the doctor to come and have a look. Miss Shen is also a distinguished guest. We can't tell the Shen family what's going on here." Xia Xiyun pulls Lu Shimian's hand away. She seriously suspects that Lu Shimian did it on purpose.

Take advantage of her tofu.

This damned man.

"Go and get the doctor." Lu Shimian opened his mouth along with Xia Xiyun.

Soon, the family doctor was invited, and this incident also shocked Mrs. Lu and Mr. Lu.

Two people came late.

Looking at Shen Qi'er's sexy hook posture, she took a look at her husband, "this fox spirit."

"Don't be angry. I didn't see her. She doesn't have a hair like you."

"You didn't see it, your son did! My eyes are about to drop. It's all up to you. It's a big turnip with a flower heart. "

Master Lu, "... His hand is still on his daughter-in-law."

"But his heart is not there. He is blind and doesn't know how to give birth to such a fool. A good woman doesn't like it. She has to like fox spirit."

Of course, Mrs. Lu secretly complained to Mr. Lu from the corner.

"Then I'll beat him up at night!"

"I think mixed doubles."

The doctor passed through the crowd. Now Shen Qi'er is discharging towards Lu Shimian. There are so many people here. Shen Qi'er knows that she can't keep her face today, but if she hooks Lu Shimian into the water, then the Lu family will not spread the news because of her face.

Everything will be calm.

"Shi Mian, I'm in pain now, and my legs are in pain as well."

"Do you think Shen Qi'er really has an affair with Lu Shimian?"

"I think so."

"You see, she is still discharging electricity to master Lu!"

Lu Yanran looks at the woman at that end. What does Shen Qi'er say to help her?

But I also want to take Lu Shimian.

Thanks to her letter.

This time, however, she had a long memory.

Don't trust others easily next time.

"Miss Shen, let me show you."

The doctor rushed out of the crowd with the box and squatted in front of Shen Qi'er, blocking Shen Qi'er's face. Now he felt his pulse and waited for a while to open his mouth. "Miss Shen, you haven't been drugged at all."

what?

Shen Qi'er feels that she has been trapped. Let's have a look at the proud summer sunset.

It's her.

It turned out that she had designed it for a long time.

This damned woman.

It's such a big trick.

"I didn't take any medicine. Now people can think of any way to seduce men."

"Shen Qi'er has heard that she plays everything in private for a long time, but now she even likes to have a married man!"

"He wanted to seduce Master Lu in front of us."

"It's true that people know their faces, but not their hearts."

"That's it."

"I really didn't expect that such a rich family as Miss Shen would do such a thing for men. Just now, she would slander us."

"When we Lu family are bullies, it's true!"

"Shen Qi'er, can this farce be over?"

"Shi Mian, let me explain." Shen Qi'er wants to catch Lu Shi Mian, but the man doesn't give him a chance at all.

"Throw people out and send someone to clean up the place carefully."

"Yes."

Shen Qi'er was thrown out, pale.

She was picked up by her agent.

Xia Xiyan looked at the people who came in and out to clean up, "I didn't expect that you were quite heartless. Don't you like Shen Qi'er?"

"This is a great opportunity to become a regular. It's a pity that you don't take this opportunity."

"What a pity to have you to sleep with me tonight!"

"Lu Shimian, you still want to sleep in my bed. You dream."

At this time, Mrs. Lu came and pulled her son, "you come down, I have something to tell you."

"What's the matter?"

"It's a good thing, of course. You get down quickly."

The more Mrs. Lu looked at her daughter-in-law, the more agreeable she was.

She dragged Lu Shimian downstairs.

.....

Su Xiaowan runs with a stomachache. She sits on the curb, weeping.

She is not a strong person, has not been, her heart is tangled, but on second thought, Feng Yan is not intentional.

But I really care.

It was midnight when Feng Yan found Su Xiaowan in his car. She was there looking at an abandoned rabbit.

The eyes were red with crying and swollen.

He stopped and walked over.

Su Xiaowan looks at a pair of shiny shoes.

Raise your eyes.

It's Feng Yan.

**Chapter 288**

"Feng Yan, you and Shen Qi'er..." her voice choked.

I haven't spoken for a long time, so it sounds very hoarse.

I can see how long I cried on the road just now.

Feng Yan's heart was broken.

"No, I didn't touch her. I didn't have a hair."

"Really?"

"Just now I took a cold shower in the bathroom, and the voice outside was played by her. You know, I'm not a casual person."

Of course she knows.

But

Wasn't he drugged?

He's insane.

"You are the only person I want to touch. I won't touch anyone without you."

Her eyes are wide open. There are surprises in her eyes. The stars turn and flow. She looks too beautiful.

All of a sudden, her nose was sour, and she knew that she was so angry just now that her brain was short circuited.

How can Feng Yan be that kind of person? Anyone can be that kind of person, but Feng Yan can't.

Feng Yan's endurance is always good. He won't be trapped by Shen Qi'er.

"Feng Yan, I believe you. As long as you say it, I believe it."

"Come here and let me kiss you."

Su Xiaowan pours into her arms. She stands on tiptoe, hooks Feng Yan's neck and prints a deep kiss on her lips.

As soon as she touched the man's lip, he held her head and deepened the kiss.

A man and a woman on the street, at the moment, it's like you can't see anyone else.

bedroom.

Su Xiaowan's face is red now. She lies on Feng Yan's body. "What were you thinking just now?"

"Your head is full of tears."

"I'm crying outside, you hear me?"

"Well." Feng Yan turned his head and gave her a kiss on the face.

"Do you feel bad?"

"It doesn't hurt to think of you."

"But how can you stand it? Isn't Shen Qi'er saying it's very effective? "

Feng Yan opened his clothes, abdominal injury, now Su Xiaowan looking at the bloody words, is her name.

She took a knife and engraved her name on him.

"You are crazy! Does it hurt? Are you stupid... "Su Xiaowan's tears fell down.

"I know your bad character, so I won't do anything that I'm sorry for you."

Su Xiaowan's hand was pressed on the man's abdomen. She was so distressed that she ran out of bed to get the medicine box, took out the disinfectant and bandage, and gently scratched his skin.

"Don't do that in the future, Feng Yan. In fact, when I left, I thought that if you touched her, I would not want you, but I couldn't bear you."

"You have so many tears." Feng Yan gently wiped her tears with her fingers.

Such a sensitive girl, how to grow so big, as if a touch to melt away.

"Then you have to be prepared. I have many tears to wipe on you in the future."

With that, she rushed into his arms. With this pressure, Feng Yan felt that the wound was bleeding.

Fragrance into the nose, a stream of heat drilling side of the body.

He turned over and crushed the girl down.

"Are you... Not feeling well?"

"Well." His voice is hoarse, with a bit of temptation, leaning on her ear, gently, "Xiao Wan, would you like to help me?"

"I... I want to help you, but I'm here."

Men smell speech, holding her when a smile, "really take you have no way."

Feng Yan got up and suddenly the girl took her hand. "I'd better help you. I didn't see that film last time. It wasn't on it..."

"Su Xiaowan!"

"What are you yelling at? I just want to help you. Do you want to?"

"Good." Then he took him to the bathroom.

.....

Lu family.

Lu Shimian looked at what his mother brought out. It was dark.

"What is this?"

"Good stuff is right. Drink it quickly. I've had people make up the formula for a long time."

"Let my dad drink it."

"He's old enough to drink. He's long gone."

Mr. Lu's face wrinkled when he heard the speech.

This damned woman is not clean up!

Mrs. Lu doesn't know what she's talking about. She only knows this bowl of soup. She must give it to Lu Shimian today.

"Shi Mian, you are still vigorous, but Tuanzi said that you can't stick to it for long every time. Don't think it's not serious. It's premature ejaculation, but it's a big problem. I know you have a thin face, and you can't go out to see a doctor. I'm the doctor who dispenses this medicine. Drink it quickly." Mrs. Lu was so painstaking that she knew that when Lu Shimian came back, she had the recipe made this morning.

Premature ejaculation?

Lu Shimian was almost angry! This summer sunset, I dare to say anything.

He has premature ejaculation!

"Mom, this soup is still for my father. I'm going to clean up my women!"

Then he strode away.

Mrs. Lu's face was covered.

But thinking of his bowl of medicine, "ah, Lu Shimian!"

"Go ahead and pour it out!" Which someone says son which aspect premature ejaculation face to face!

That's what she can say.

"No, it's all excellent medicinal materials. You can't pour them out!" Mrs. Lu pushed the soup directly to her husband, "you drank it."

"Wife, are you not satisfied with your desire recently?"

"Go away!"

.....

Lu Shimian went upstairs and met a woman.

Lu Yanran didn't leave this place with her parents just now. She just came out on the excuse of going to the bathroom and waiting for someone to leave.

When she saw Lu Shimian, her eyes were too bright, "brother Shimian!"

Brother Shi Mian?

At first, Lu Shimian thought that he was a maid, but the man suddenly called himself brother Shimian?

"Who are you?"

"I'm... I'm Lu Yanran."

Lu Yanran felt incredible. She didn't think that one day Lu Shimian would ask her name.

At least, she never dreamed of it.

Lu Yanran?

Lu Shimian didn't know who it was.

But the party is over. Why is this woman still here?

"This is the master bedroom. I don't like strangers stepping in."

"... brother Shi Mian, I came here by accident, and I don't know how my parents left. I..." Lu Yanran was also a bully in school, but at this time, her mind was blank.

The man in front of him is a man who exists like a male god in his heart.

She is talking to Lu Shimian now.

I don't believe it.

"Lu Shimian, have all your lovers come home? You are very lucky, but how can you recruit some white lotus back? " A clear and beautiful voice broke the atmosphere between her and Lu Shimian.

Originally at this time, Lu Yanran wanted to express her admiration for Lu Shimian. She felt that she was beautiful, so she didn't believe that Lu Shimian didn't like her.

But all of a sudden, Cheng Yaojin was killed.

Xia Xiyan finished her bath. She felt thirsty, but there was no water in the room.

I have to go downstairs to get it.

She was still holding a kettle in her hand, looking at the strange woman, "but she is still far behind Shen Qi'er, don't you think?"

## **Chapter 289**

"I won't disturb you. Just think I don't exist."

Xia Xiyan is actually very open.

A lot of things since the outcome is doomed, so why to tangle.

It doesn't exist!

She was extremely thirsty and wanted to drink water. Without looking at him again, she was ready to go

downstairs.

Smell speech, the man's face suddenly black, she has pushed him to other women, he Lu Shimian so let her look down on?

Lu Yanran stood among them. She didn't know what the hell Xia Xiyan was up to. She was always free and easy. She had not heard of it, but she had heard about how fierce they played three years ago.

This matter has been spread all over the Lu family.

Today, Mrs. Lu called all the people here to tell them that Lu Shimian had a wife. Moreover, if all the women still want to kill Lu Shimian, even if Xia Xiyan doesn't do it, she will do it herself.

It is said that the relationship between the rich family's mother-in-law and daughter-in-law is the most complicated. However, when she arrived at the Lu family, Mrs. Lu rushed her to heaven.

She's a real killer.

However, it seems that this summer sunset does not like Lu Shimian. Otherwise, how could he say such a thing.

A person like a person, will not allow the existence of other women.

Just now, Xia Xiyan said so casually.

If you don't take Lu Shimian seriously, can you say that you don't like him?

But why not? People like Lu Shimian are hard to find with lanterns on.

Is there someone in your heart?

She knew that there was another adopted son in the Lu family, whom she had never met. But she heard that he was a handsome man. If he lived with him day and night, he might have feelings.

So think, Lu Yanran smile, this summer sunset Yan don't like Lu Shimian, so their own opportunities, will be much more.

Otherwise, it will not be easy to rob Lu Shimian?

Just ready to continue to express their love, but suddenly, he saw the figure in front of him rushed past, and then looked at Lu Shimian's gloomy face at the moment.

He was angry, and he looked very angry.

It's like eating people all at once.

The wrist is held tightly by the man, that Zhang Qianli's eyes slightly flashed, "Lu Shimian, let go."

But the man was dead to seize her wrist, he turned back, on the man that pair of cold through the ink eyes.

Her step was a snap.

It was the first time that she met Lu Shimian who was so angry.

"Lu Shimian, you are deaf. Let go."

The scarlet lip tightly pulled out a line, he sneered at himself, Xia Xiyan did not understand what that sneer meant, people were directly held up.

"What are you doing?"

"I'm not satisfied with my desire, you can't see it!"

"Let go of me --!" Xia Xiyan felt that the man in front of him was terrible. Now she wanted to climb down from him. "If you dare to move, I'll add an hour."

what!

That beautiful eye son is tiny one.

"You rascal

"Tuanzi, I am a scoundrel."

With a bang, the door was closed. At the moment, Lu Yanran was standing there, like a clown. She was so big that she stood here alone, but none of them saw her.

In the closed door, the woman's abuse could now be heard.

When Mrs. Lu came up, she knocked on the woman standing there.

"Who are you? What are you doing in my house? "

"I..."

She knew that Mrs. Lu didn't know herself. In order not to cause trouble, she said, "I'm sorry, madam, I'm lost."

The Lu family is big, just like the castle.

Mrs. Lu asked the maid to keep her and send her out of the villa.

Lu Yanran looks at the bright bedroom over there. She seems to see two overlapping figures on the window.

If you want to love, you will be indulged.

This Xia Xiyan is really good at playing.

bedroom.

"Lu Shimian, you bastard!"

Dense heat makes Xia Xiyan's face red. At the moment, she is not happy.

"Didn't you tell my mother I had premature ejaculation?"

Premature ejaculation?

"When did I say that! Lu Shimian, you bastard, have you had enough! "

"Will you say it later?"

"... you..." Xia Xiyan wants to talk. Her lips are blocked by people. She always knows Lu Shimian's strength. At least, after that time, she is afraid of Lu Shimian.

He has a very strong fighting capacity, and he's a real fighter.

I can't say a word of contempt for her.

Mrs. Lu at the door listened to the voice inside, and her mouth turned. It seemed that her grandson was just around the corner. When she was at a party in the past, she was envious of watching people holding her grandson. It was good for her to grow up when she was young, and Xia Xiyan was also growing up. Their children must be more beautiful than everyone else.

But it's been three years, and there's no sign of children.

Plus listen to Xia Xiyan said, Lu Shimian premature ejaculation, she is worried to death, now can be good, the old lady clapped her hands, she is going to prepare tomorrow's nutrition soup.

She quietly prepared to listen, but suddenly the door opened.

Mrs. Lu looked at Lu Shimian. He was already well dressed and could see some red marks on his neck, but his face was indifferent and he looked... Dissatisfied.

It's just that the time seems a little short.

"You... Are you done?"

Mrs. Lu frowned and wanted to wait for Lu Shimian, but Lu Shimian looked down at the old lady.

The man didn't speak and closed the door.

Mrs. Lu's heart broke.

His son has premature ejaculation.

Better than his father!

.....

Seal your home.

Su Xiaowan tossed and turned and couldn't sleep. She always felt that there was a figure running around in her head. She raised her head and took a look at Feng Yan.

Just now the shame suddenly ran into his mind.

She'll serve him well when he arrives. She'll be asleep.

My hands are going to hurt to death.

What happened today, the more she thought about it, the more she felt that something was wrong. Shen Zhen, who seemed to be a gentleman, was actually a schemer behind his back.

Shen Qi'er is so disgusting.

But where did my brother go?

She thought that she would get up tomorrow morning and tell Feng Yan about her younger brother. Then she fell asleep.

Feng Yan realized that the woman had gone to sleep, so he got up.

He took his cell phone and went to the door to make a call.

"Go with Lu Shimian to monitor Shen Qier's affairs, and tell the media to report tomorrow morning!"

"Yes."

This time, Shen can't just forget the person who moved him.

Feng Yan is a man who pays every penny.

People never offend me. I never offend.

But this time, he was really angry.

.....

Shen Qi'er is lying on the bed, tossing and turning is today's scene, she almost got Feng Yan, but was put together by Feng Yan.

But I don't know if Shen Jin got the surveillance video.

After thinking about it for a long time, she decided to make a phone call to Shen Zhen, but Shen's phone didn't work.

It suddenly occurred to her that Shen Kan was chasing a girl when she left. Was it his friend?

But this little girl is mostly under age.

However, Shen Jin is really similar to his father.

All the women who look alike.

She put her cell phone aside, and although she had asked her agent to negotiate, she was still nervous.

Soon, the agent called.

"Qi'er, the hacker I invited can't get to Lu's house. I'm here for that surveillance..."

"Waste!"

"Ask Lu Shimian again. Maybe he will help you!"

Shen Qi'er's eyebrows are fixed. It was Lu Shimian who threw himself out just now. Now go to beg him?

But she couldn't help it.

The black Bugatti dragon is driving on the black street. Lu Shimian looks at the condom on his co pilot's seat. Now the color is gorgeous.

He can't wait to go to Xia Xiyan's side and teach her a lesson.

But all of a sudden, the mobile phone rings. He turns on Bluetooth and listens to Shen Qi'er.

"Shimian, I'm in pain..."

The voice at that end was crying. Shen Qi'er really cried. This time, she was very wronged. He didn't dare to tell his father about it, because once his father knew it, he would scold her to death.

Therefore, we must solve this matter before dawn.

"I'll let the doctor see you."

"I want you to be with me. You used to be with me."

Lu Shimian was upset. For the first time, she hated it.

Shen Qi'er used to be like this. Lu Shimian has been here for so many years. She has been threatening Lu Shimian to do this and that with such things. She knows that as long as this thing exists all the time, Lu Shimian will feel sorry, and an apology can't make up for his loss.

Lu Shimian will be willing to do anything, "Shimian, even if you are merciless to me, I don't blame you, but I saved you, the cold water, I can't forget, in this life, you can have children with Xia Xiyan, but I have no chance, Shimian, I really hurt..."

"Where are you?"

"Lanshan apartment."

The man at the other end hung up and turned in a direction.

At the moment, Shen Qi'er's mouth is hooked.

Lu family.

Xia Xiyan, who was lying on the bed, was staring at the ceiling in a daze. When they were half way there, if she hadn't cried and asked for that thing, he wouldn't let it go.

Her face is still flushed, and now she's staring. Sometimes, you can't tell whether Lu Shimian really likes it or just feels like a person like her, so you want to pull yourself into hell.

She couldn't make out.

At the door, I didn't hear the news of Lu Shimian coming back. For about half an hour, she knew that he would not come back again, because she didn't know what nature Lu Shimian was.

She took her clothes and began to play with her mobile phone. Suddenly, she saw a text message from a person.

It's a figure.

You can imagine who this figure is.

She also saw... Condoms.

She frowned tightly, climbed out of bed, went to the bathroom and vomited. Looking at the pale face in the mirror, Shen Qi'er was disgusted to death, and Lu Shimian was also disgusted.

After vomiting, she comes out and calls Su Xiaowan with her mobile phone. It's Feng Yanjie.

"Master Feng, the monitor in my house, could you please expose it?"

"Good."

## **Chapter 290**

Feng Yan hung up the phone and looked at the woman at the head of the bed, quiet and quiet.

In this life, he will only have such a woman.

Think of the scene a few hours ago, in fact, no matter how Shen Qi'er outside how hard to shout, he did not have a little impulse.

It was because Su Xiaowan appeared in his mind that

He is a man with strong self-control. When he was a teenager, he had impulses, but after that, he never had them again.

If you don't see Su Xiaowan's tutor on the road and send them a report on social practice, ask them to practice in a law firm, then write a report and hand it in, this will be the final assessment result.

Xia Xiyuan originally wanted her father to find a place to practice for a few days, and then she could finish the task.

But after all, she didn't see her father until today, plus the party.

So I never said it.

"It's very kind of you. I have several relationships in my family, and I don't know if I can find an internship unit for me."

The Su family has no lawyer friends, so they can only rely on Su Zheng, but recently his mother called Su Zheng, and he didn't answer.

So I'm worried.

She knew that Xia Xiyan's family didn't have much money, at least she didn't wear anything high-end.

However, from entering school, Su Xiaoxiao knew that Xia Xiyan might be the mistress of the rich.

Because she often saw a Bugatti dragon send Xia Xiyan to school, Xia Xiyan also always secretly deceive her, every time she is not going to study, she always says she will study.

It's actually sneaking into the man's car.

The man would pick her up on Wednesdays, Thursdays and Sundays.

It's like there's a need on a regular basis.

In school, many things are very transparent.

They all said that Xia Xiyan was taken care of.

The man driving Bugatti dragon is Xia Xiyan's godfather.

Now Xia Xiyan said to let her father to help her knock the chapter.

I guess it's just looking for Godfather.

"Xiao Xiao, if you need help, let me know."

"Good."

Su Xiaoxiao hangs up and decides to go to Su Xiaowan for help.

After all, Su Xiaowan married master Feng.

Young master Feng is so powerful that it's better for him to say something casually than to look for it by himself.

But she didn't have a call from Su Xiaowan.

So she went to Su's early.

It's just that the Su family are still sleeping at this time.

Su Xiaoxiao waited at the door for a long time, but he didn't let himself in.

In fact, Su Xiaoxiao doesn't like their family. At least Shen Yin dislikes the poor and loves the rich. Su Qiqi is arrogant. He's like a peacock. Even Su Zheng doesn't pay attention to his father.

Their family is snobbish.

But I didn't get in touch with Su Xiaowan much. I just looked at Su Xiaowan that day, like a simple and lovely person.

Su Xiaoxiao was put in when they had breakfast in the morning. She looked at Su Zheng who was eating.

"Uncle."

Su is looking at Su Xiaoxiao, "how did you come so early?"

"Uncle, you haven't answered my mother's call, so I came here."

Su Zheng's face is not very good-looking. Su Xiaoxiao's family relies on Su Zheng. Every time they call, they ask him to do something.

Every time he had to help himself, he was tired of it.

"Your uncle is so busy that he can't even take care of his meals."

The implication is that there is no time to answer the phone.

Su Xiaoxiao knows that it's harder to ask him for help than to go to heaven.

"I want to know the phone number of Xiaowan's sister."

"What do you want her to do?"

"I... I saw her in the mall that day, and she left something. I want to give it back to her."

Shen Yin takes a look at Su Zheng. Last time Su Xiaowan came to her home and scalded Su Qiqi, she was protected by Feng Yan and left.

I haven't been able to make a call until now.

If Su Xiaoxiao knows that his own father can't get through the phone, then others don't know how to say it.

Sue is looking for face.

"You put something here for me, and I'll give it to her when she comes."

"I... I didn't bring it, uncle. Don't worry, I won't disturb sister Xiaowan."

She said so, if sue is not giving it to him, it seems not very kind.

"I can give you the phone, but she won't answer a strange number."

"Uncle, just give it to me. I'll see to it."

.....

It was gray and bright. Shen's family had been in a mess for a long time. Shen Nanshan was almost angry when he read the news in the newspaper.

My son, and my daughter! Two people meet in the room.

And it was photographed.

Although the relationship between them has not been written in the newspaper, how can Shen Nanshan not recognize it.

All of a sudden, his face was lost by them.

Bang.

He took the newspaper hard hit on the table, the newspaper was crushed by her.

"Go and delete all the news in the newspaper!"

In order to avoid the worst outcome, Shen Nanshan needs to control public opinion before it is directed.

But within ten minutes, a surveillance video was exposed on the Internet.

Shen Kan and Shen Qi'er enter the room one after another. Shen Qi'er hugs Shen Kan.

The picture only ends at that section, and it's over.

The introduction of imagination.

Shen Nanshan has never been so humiliated in his whole life.

This time, because of these two children, he turned over.

A lot of news about him began to appear on the Internet.

News about him looking for Xiao San.

Originally, Shen's identity has not been verified, only know that Shen Qi'er's mysterious boyfriend dedicated, but with a little bit of lost news.

Shen's identity was exposed all of a sudden.

The impetus of public opinion is increasing.

All of a sudden, such as the surging river, continuous.

"Check it out."

"Yes."

.....

Su Xiaowan is accompanying Feng Yan to have a meal. After she has a good meal, she brings in the newspaper.

In her spare time, she flipped through a few photos and saw the news.

Shen Qi'er has a secret meeting with her brother, and she will do something careless!

"Feng Yan, is this... Disgusting?"

Su Xiaowan doesn't know who Shen Kan is.

"Doesn't she like you? How can... "

"....."

"I'm going to throw up."

Su Xiaowan thought more and more disgusting, she covered her mouth.

It was Aunt Li who watched Su Xiaowan cover her mouth when she came over.

She smilingly, "young master, is there any good news?"

"....."

"Is the little grandmother pregnant?" They have been married for nearly half a year, and Aunt Li thinks it's only a blink of an eye for the young man to get pregnant.

"... you ask her."

Feng Yan didn't answer and left the question to Su Xiaowan.

Su Xiaowan, who had just finished vomiting, came out and looked at Aunt Li, "little grandma, you should have a good rest when you are pregnant."

Pregnant?

What pregnancy?

Is it a mistake for Aunt Li to watch her vomit?

"Aunt Li, you misunderstood me. I'm not pregnant. I just saw a disgusting news, so I wanted to throw up."

"How come you're not pregnant? Young master just said you are pregnant"

What the hell?

She and Feng Yan have never done anything. What's wrong.

She's not a virgin.
