### Chapter 471

Shen Xiaobei suddenly boldly raised her hand and touched the man's face. Her delicate skin was better than her.

People can't put it down.

"Shen Xiaobei, do you know what you are doing"

"Ha ha..." her hand still did not release, but the warm little hand touched the man's cold face, touched and pinched.

It's soft.

It's like marshmallow.

This is the first time that a woman dares to move his face.

He was just about to move her hand away, but who knows, she came to kiss his face.

The body is stiff.

Shen Xiaobei only saw the pink marshmallow in front of her. The marshmallow was very big. She hadn't eaten marshmallow. She didn't know whether it was delicious.

Open your mouth and take a bite.

Shen's face hurt. When he recovered, he saw the girl muttering, "it's delicious... Can you give me another bite"

Seeing that Shen Xiaobei's lips are coming together again, Shen Zhen pushes her away the next second.

Shen Xiaobei staggered and sat on the ground.

Pain let her suddenly awake, Leng so a few, looking at the man in front of her.

"Shen Ken... I'm... I'm drunk. I can't even walk steadily..." Shen Xiaobei got up from the ground wobbly, then climbed up the stairs wobbly, fell on the bed, and stayed up all night till dawn.

And Shen Ken, tossing and turning, couldn't sleep.

This is the first time, because a woman, confused.

He got up and went to the balcony to light a cigarette. Over the years, Shen Zhen had no desire for anything like this.

He frowned and was upset.

He naturally knew his own body. Just a few minutes ago, he was hooked by this woman instead of his own. He took a full bath for an hour to suppress the palpitation.

After a cold wind, Shen Zhen turned and walked back.

Soon, the poison broke out again. It had been quiet in his body. I don't know how long, but suddenly it broke out.

He hardly had the strength to hold the mobile phone. He called Shen Xiaobei several times.

Of course, Shen Xiaobei sleeps so deeply that he can't hear.

Chen Er took people out all night without knowing it.

In the car, Shen Kan's face changed greatly. "Young master, didn't you give up this drug last time? Why..."

"When I asked you out today, did you play a trick again? I really wish I had pulled his tendon and scratched his bone. "

"Is there any news in Shen Nanshan recently?"

"No Chen Er thinks that something is wrong. "Young master, is Shen Nanshan secretly planning something? Xiao Hong says that he has been in the study recently and doesn't even go out to eat, but she can't get into the room and doesn't get any news."

"Keep her watching."

Shen Kan held down his head. Every time the toxin spread, he had a splitting headache.

It's just unbearable.

"Young master, if you insist on it, I'll send you right away --"

Chen Er sped the car, but he never thought that they would have an accident.

.....

Shen Xiaobei had a long dream, in which she went back a few years ago, when she was still in high

school.

When she was in high school, it was the first time that she left home. She was recommended to school and didn't pay a cent.

If she needs to pay for her tuition, it is impossible for her to come out of the village.

The school is far away from home, and it is not a boarding school. It needs to rush back and forth from home every day.

There is only one bus in the city, which leads to their home. Except that bus, if she can't catch it, she can't go home.

That night after school very late, she did not take the bus, but home from school, it is not a few steps to go.

However, she knew that even if she called her mother, her mother would not come to pick her up. She was not willing to spend money.

But in this place, Shen Xiaobei doesn't know what to do. She touches her pocket and she only has one yuan. That's her daily allowance. No, it's two yuan.

The other yuan is used up in the morning by car.

It's hard to imagine how she lived to the present with that dollar every day.

But she never felt bitter or tired. She just felt that her life was full and beautiful. She had to work hard to go to school. As long as she was the first, she could have the chance to be recommended to university.

She wanted to get away from that place.

I don't want to go back.

After staying in such a family atmosphere for a long time, she felt that she was going to look down on herself.

Shen Xiaobei is carrying a shabby schoolbag, which his younger brother doesn't want. Her younger brother is younger than her. She is a senior one, and he is only in junior high school. His academic performance is not good since he was a child. His mother entrusted a lot of people to force him to attend a private high school in their town, but a year's tuition costs a lot of money.

For this reason, the family's money is not enough for him.

She felt her own dollar. If she went there together, she would not be able to take a taxi back. The drivers

here are very fierce. If she took a taxi back, her mother would not give her fare, maybe forget it.

She heard that there is a playground near the school, which is free of charge. She will stay there for one night and go to school directly tomorrow morning.

Shen Xiaobei's mother won't come out to look for her. For her, I wish Shen Xiaobei didn't appear in this world.

In fact, she didn't understand why her mother gave birth to her because she didn't like him so much?

At night, the city is strange and noisy. It's a city that never sleeps. Shen Xiaobei hasn't seen the sky in the city yet. In fact, when he looks up, he can't see the stars.

Shen Xiaobei came to the playground near the school for the first time. She didn't know where she was. She only looked at the huge ferris wheel at that end. But she looked so far away that she couldn't walk down two roads.

Besides, it's getting more and more remote.

Shen Xiaobei felt that he was really miserable. How could he go around in circles and put himself in a dead end.

She was just about to turn around when she heard someone whistling.

"Come home with me, little girl"

Men dress fluently and fluently, like little gangsters in society. They seem to have drunk a little, so they bump around when they walk.

Shen Xiaobei is afraid that he will bump into her. She carries her schoolbag to run, but the man blocks the road in front of her.

"What do you want to do"

"I like you the most. You've never been opened. It must taste good... Come on, let me kiss you. I promise you'll ask your brother later"

Shen Xiaobei yanked his lower body, but unexpectedly, the man held her leg down.

"You let me go..."

**Chapter 472**

As soon as the picture turns, when she has no way to ask for help, a lot of blood suddenly flows down the man's head.

A person's hand is pulling her hand and running towards one end.

Until now, she remembered the man wearing a white shirt and black jeans, but the lights were so dim that night that she didn't see what he looked like.

Hidden in the dark of them, she only felt that person's hand is very big, he is very tall.

On the body, with a faint smell of flowers, but she did not know what it was.

"You're a good man."

"He's a good man who saved you? You're not afraid that I'm like him? "

"You won't, I know you're not like that."

If it wasn't for him, there might be news that she was raped before she was killed in the social news tomorrow

"You're still the first to say I'm a good person."

"The first one?" Shen Xiaobei looked at him, but he couldn't see the man's face clearly. "I'm sure the people around you are more reserved. I'm sorry to praise you."

.....

Shen Xiaobei has a splitting headache, and the picture becomes blurred. She was woken up by the maid, "Miss..."

She came down from the bed, opened the door and looked at the flustered woman. "What's the matter?"

"The young master had an accident."

what?

Didn't you celebrate your birthday with her yesterday?

What happened to the car accident?

"Where is he now"

"Assistant Chen said that in the hospital, he asked you to go and have a look. Young master, he"

Looking at the maid's appearance, Shen Xiaobei pursed her lips. Is it hard for Shen to... Have a car accident? " He's dead"

The maid said, "bah, bah, young master, he seems to be... I don't know how to say it. Anyway, you'll be there. The car is waiting for you at the door. Please go quickly"

In fact, her head really hurt. She decided that she would never touch wine again, but she thought about Shen Zhen and didn't know what happened.

Shen Xiaobei didn't know how he was jammed into the car. He was pushed to the hospital.

Chen ER was in a state of anxiety in the hospital. Seeing Shen Xiaobei, he hurried over and said, "Miss, you can count it"

"What's the matter? Is Shen's condition serious"

Chen Erxian seldom shows such an expression. Moreover, Shen Xiaobei looks at Chen Er, and his face is scratched, and his hand is still bandaged.

"I took the young master to go out last night, but I didn't expect that... Now the young master has been sent here. Up to now, the situation is not very stable. In the early hours of the morning, there are several times, even without respiratory symptoms."

"How is he now?"

"Now... Just go in and have a look"

Shen Xiaobei goes in and looks at Shen Kan lying there. He has been awake for a long time... Besides, it doesn't seem that he is special

Just as soon as I entered the door, I just looked at the man at the other end, staring at her coldly, as if... She was a stranger.

Shen seldom looks at her like this.

"Shen Jin, you're ok"

Before he finished speaking, he heard Shen Kan say, "you are Shen Xiaobei"

Her eyes were fixed. She didn't understand what he meant. Of course she was Shen Xiaobei. Could she... She couldn't see?

But he was looking at his cell phone.

"Shen Xiaobei, I wanted to see you for a long time"

"... what do you mean by that"

The man lost his boring cell phone and looked at the woman in front of him, "do you think I'm Shen Zhen"

"... Shen Jin, do you have a fever?" How can you talk nonsense.

He wanted to reach out to touch his forehead, but he held his wrist directly. "I'm not like him. I'm happy to be bitten by you for a long time. Don't touch me casually. To tell you the truth, I'm not sincere"

"What are you talking about... Shen Jin, what's the matter with you? Are you confused by being hit by a car? I'll ask the doctor to show you"

"Anyway, I'm very grateful to you. If it wasn't for you, I probably wouldn't have come out so soon... Well, I'm going to sleep. Go out..."

Shen Xiaobei looks at the expression on Shen Kan's face. She always feels scared.

It's like... The man in front of me is really not Shen Jin.

Shen Xiaobei ran out in a hurry, and Chen Er stood at the door, "Miss, have you seen all of them?"

"What's the matter with him?"

"I don't know. When I woke up this morning, I felt like a different person."

"He said something strange to me just now. Chen Er, won't his brain be damaged?" Shen Xiaobei always feels that his back is cool, "is it hard to be possessed by a ghost?"

Chen Er looked at Shen Xiaobei, "Miss, this is the 21st century. There has been no ghost talk for a long time."

Shen Xiaobei shook his head. "Chen Er, I always feel that he is evil. The more I think about what he said just now, the more wrong it is. Moreover, the way he looks at me, I'm so afraid... I don't know if he has encountered something unclean... It's very strange"

When Shen Xiaobei was a child, she went out on Tomb Sweeping Day and was possessed by a ghost. Although she was very young at that time, she didn't remember anything. When she was growing up, she listened to adults talk about it.

The neighbor's grandmother said that at that time, he vomited and lost consciousness for a long time, even went to school, and was sent back to his home

Is it hard, so is Shen Jin?

Chen Er naturally doesn't believe in this kind of ghost theory. For him, there is no such thing in the world.

However, the young master is really strange, but he can't go in and say anything to the young master.

The doctor went in and he drove him out.

Only Miss Shen went and said a few words to her, but it didn't seem to be of any use.

Shen Ken is recovering very well. Soon, he can get out of bed and walk.

It's just that he's not the same as before, but I can't say what's different.

Chen Er can't see any clue. He talks more, and even his living habits are different from before. However, Shen Xiaobei is also paying attention, and seems to have no previous symptoms.

It should not be Zhongxie... But it's not Zhongxie. It seems that it can't explain his abnormal phenomenon.

Every time Chen Er reminds him, he will be shot back by his deep dark eyes. Chen Er wants to help him find a doctor, but he can't find a chance at all.

No way, only through Shen Xiaobei.

"Now you can see the situation of the young master. No one can get close to him except you. I always feel that..."

"What do you want me to do?"

"It's a sleeping pill. You should try to make him take it. We can arrange the doctor's examination only after he has gone to sleep."

Shen Xiaobei looks at the medicine in his hand, takes a glass of water and melts it into the water.

When he went in, Shen was playing games.

### **Chapter 473**

Shen Xiaobei comes in with a cup and looks at him playing games. Shen can never do such a thing.

These behaviors and things he has done recently are far beyond Shen Xiaobei's psychological expectations.

In front of her, even the man who is a few years older than him is mature and steady in doing things, but in front of her... He is playing games.

"You are tired after playing for so long. Drink some water."

But before she took a few steps, she didn't know that she was tripped by something, so she threw herself on his bed and fell down.

And the water in the cup, also all of a sudden sprinkled, the cup fell to the ground.

It just broke.

She was just about to get up, but the man suddenly clasped her wrist firmly and pulled on him.

Although Shen Kan is recovering well, his injury is not good at all. She has bandaged his wounds these days. Shen Xiaobei is afraid that he will touch the place where he is injured and struggles to get up. However, the man buckles her waist and Junlian is so close to her.

"Are you seducing me?"

What kind of seduction?

"I didn't." Shen Xiaobei saw his deep eyes fall on her chest, and lowered her head bit by bit.

She was wearing a T-shirt with a round collar, but it must have been springtime when she bent down like this.

And inside

Her brain was blank, and she didn't know whether she was shy or because of something, "what are you looking at..."

"Look at you."

Such a straightforward tone made Shen Xiaobei forget his reaction for a moment.

Want to struggle, but was tightly held by the man, in her body, sniffed, "really fragrant, no wonder he likes you."

"Let go." She was angry.

"You said he usually looks so many women, why is he still a virgin now? I really don't understand. Nephrite in my arms can push you away. I really admire my self-control. If I kiss you, I'll kiss you back. Anyway, I'm an adult. "

"What did you say"

"Don't you remember? That night, you kissed him and bit her. Look at the impression. Is it still there"

Shen Xiaobei raised her eyes and looked at the impression on her face. Did she bite?

"Don't talk nonsense. I can't bite you"

"Otherwise, I will send mercy to help you remember"

"No, you let go" Shen Xiaobei doesn't understand why he keeps saying things that she doesn't understand. She first suspects that he is evil, but now, is it the sequela of a car accident?

However, she is not the first person who has never seen a car accident. He is the first one who has changed his character.

Shen Xiaobei's breathing was disordered when they were close to each other, especially Shen's eyes fixed on her, which made her blush.

She even noticed something wrong under the quilt.

"Shen Ken, I'll let you go. If you do this again, I'll be rude to you!"

The man's breathing is a little heavy. Shen Xiaobei bites his hand.

"Is that what you've done to me?"

"Shen Ken, I warn you, you let me go, or I'll shout..."

"You shout, you see who dares to come in."

"You're going to be a rascal, aren't you"

Shen Xiaobei clenched his fist to hit him, but who knows, he threw himself into the net and let her hold him more tightly.

She felt a little out of breath.

"I hold you, do you have a little heart feeling!"

"No, I just think I'm going to be crushed to death by you. Shen Jin, if you don't let go, I'll beat you."

When Shen Xiaobei was at a loss, the man suddenly let her go, "you are so heavy."

"....."

Shen Xiaobei pulled his clothes, she glared at him fiercely, "Shen Zhen, you stay here to live and die, I don't care about you"

Then he left in anger.

When Shen Xiaobei ran out, Chen ERLA didn't hold it. He looked at the door and didn't dare to go in.

This young master's temper, he dare not provoke, he can only go to the attending doctor's office, because this period of time they can't enter the ward, and this ward, let Shen Xiaobei in a secret place, put the monitor.

"How's it going? Do you see anything"

"The initial suspicion is multiple personality"

"Multiple personalities? Do you mean... Young master is not young master now? "

"It can be said that the man inside now is not Mr. Shen, but I don't know who he is. His current situation and living habits have changed, and even he is totally different from before."

"But how? I've been with the young master for so long, and I've never heard of him like this... "

"This multiple personality is generally due to the patient's fear or strong mental stimulation. Psychologically, it is a kind of personality separated from the patient in order to bear the stimulation. The multiple personality person does not know that he has another personality. After switching personality, the personality does not know what the former personality has done, and has no memory of the former personality.

For example, being abused or abducted as a child will produce a strong mental stimulation to the victims and distort their psychology. When they grow up, they are likely to separate a retaliatory personality in order to retaliate against society. "

"So now we don't know whether this personality is good or bad?"

"Well."

"What should we do now? If you want the young master back, then... "

"Conservative treatment, only medicine, but the time is too long, it is not sure whether it can be cured, but there is also a radical treatment."

"You said

"Hypnosis, awakening another personality."

Shen Xiaobei was stunned when he knew the news.

Multiple personality?

"The people in there..."

"It's the split personality of the young master."

She only sees multiple personalities in novels. No wonder Shen Jin always says that he, he

It turned out that he was not Shen Zhen.

That's really sincere

"But how do you know it's multiple personality? Hasn't the doctor gone in to show him yet? "

Chen Er told Shen Xiaobei what the doctor said one by one, "when the young master was young, his life was not good. When she met him, his body was injured..."

"What shall we do?"

"If this personality will destroy the young master, it can only destroy him first. I believe the young master can't let him act recklessly."

Destroyed?

"Now this personality subconscious is the one who believes in you most, so I hope you can get his trust and let him unconditionally trust you, so that the follow-up treatment can be further implemented..."

"You... What are you going to do?" Shen Xiaobei looks at Chen ER and doesn't know why. He always feels that... He's not sure.

"Hypnotize him, wake up the young master." Chen er said with a heavy face.

"Hypnosis?"

**Chapter 474**

"It's the doctor's advice. In the current situation, it's the only way."

"But I..."

"Miss, young master is very dangerous now. If this personality continues to occupy his body, he will be kicked out. After all, there is only one body, but there are two thoughts. If these two thoughts are in confrontation, either they will hurt each other, and finally they will go crazy, or one will become stronger, and the other will be eliminated..."

"You mean... Shen Jin... He might..."

"Yes."

Shen Xiaobei pursed her lips. All of a sudden, she felt terrible around her.

"Miss, Mr. Nianzai has helped you, so do you."

"I... i... I try my best."

Chen ER was worried about Shen Kan's illness, but fortunately, it didn't happen during this period of time. If it happened, then he really didn't know what to do.

He is really afraid of this personality, in order to destroy the young master's willpower, to take drugs

Only that afternoon, Shen went through the discharge procedures by himself.

The doctors couldn't stop him. When Shen Xiaobei heard the news, he immediately followed Chen Er out of the hospital.

At the intersection of the hospital, I saw the man who took a taxi again.

"Miss, you go to the young master's side. I won't go there. Now try to calm down his mood, and don't let his mood fluctuate too much."

Shen Xiaobei gets out of the car and runs to it.

Shen Zhen is kind to her. She can't be helpless.

Shen Zhen takes a taxi. As soon as he gets on the bus, the door is opened and Shen Xiaobei gets on.

"Shen Xiaobei, don't you worry about me?"

Shen Xiaobei did not look at him, "master, Xijing villa area."

"All right." The driver heard about Xijing villa area. It's a newly developed villa area. It's said that the area has been contracted by one person.

But I heard it was a man.

And the two people in the back seat in front of them are well-dressed, especially the man. He knows that his clothes are famous brands.

I've been in a taxi for so many years, and the driver has seen off all kinds of people.

It's a bit of an eyesight.

"Shen Xiaobei."

Shen Xiaobei looks at the front without expression.

"I really don't know what he likes about you. You two are cold together and don't say anything. Don't you feel bored?"

Shen Xiaobei's hand is holding her clothes. As he says, she finally knows who it is

Just... Shen Jin and her?

"In fact, I prefer lively girls. Although you are very beautiful, you are too boring. It is estimated that being a girlfriend will be boring." He said, but also a helpless sigh, "however, in the end because of you, I can appear, you are my Savior, so no matter what your character, I like."

"... I didn't make you like me."

"Shen Xiaobei, I thought you didn't talk to me! Are you not angry? "

"... what am I angry with?"

"Aren't you angry because I've seen all of you?"

In this public, his mouth is open, and he really says everything!

Shen Xiaobei wants to tear his mouth.

"You're going to shout for the whole world to know, aren't you?"

"Of course, in this way, you can't get married, you have to marry me."

"Shen Jin!" She clenched her fist to hit him.

But the driver didn't know what was going on. Suddenly, she hit a steering wheel. Before she sat down, she fell on him.

Smelling the man's breath, Shen Xiaobei's face turned red.

"Sorry, just to avoid a car, are you ok?"

Shen Kan's soft fragrance was in his arms, and his lips were hooked. "Shen Xiaobei, you've bumped into my arms and said you don't like me!"

Shen Xiaobei listened to the joking voice, she pushed him away, "ghosts like you."

"What can I do? I like you very much."

"Shut up, Shen Jin."

"If you tell me to shut up, I'll shut up. I'll listen to you."

"....."

Shen Xiaobei is furious. She angrily turns her head to the other side.

She shouldn't have been in this car.

Shen Kan turned down all the maids in the villa as soon as he went back.

Shen Xiaobei stood there, and the maids came to complain one after another, "Miss, what's the matter with you, young master? Are we not doing well enough? "

Shen Xiaobei has a headache. Fortunately, Chen Er has come back. There are not many maids in their villa. They were specially invited back to take care of Shen Xiaobei.

Shen Kan doesn't like people to serve him, so most of them serve Shen Xiaobei.

"Let's go back and wait for the news. The young master is ill these days. I'll let you know when he is well."

Chen Er subsidized everyone's salary for three months. The salary here is much higher than that outside.

The maids were paid three months' wages, and they were willing to wait for the young master to come back to work after he got well. When they got back, Shen Xiaobei gave everyone a red envelope.

The maids were more happy to go back with the money. Of course, before they went back, they gave

them the best meal.

The villa quieted down and even Chen Er left.

Shen Xiaobei stood there watching them leave, turned around and suddenly looked at the man who was standing at the stairway and looking at him.

Just after taking a bath, his hair is still wet and masculine. He has a lazy feeling. He is wearing a robe. The collar of the robe is slightly open, and he can see the water drops on his chest

Shen is actually very handsome. As Ann said, Shen is more beautiful than many male stars.

"Shen Xiaobei, compared with the films you have seen, am I more attractive than them?"

Shen Xiaobei's head exploded with colorful flowers

"You... How do you know?"

"When he came back from your room that day, he took a cold bath for two hours. When he dreamed at night, he dreamed about you."

"....."

"You are very attractive to him. He can be easily influenced by you, but Shen Zhen is too cowardly to get close to the woman she wants. How can she be liked by women like this, don't you think?"

"... don't talk nonsense."

What Shen Zhen likes about her is a lie.

Shen is no different to her than to others.

"Don't you believe it?"

The man walked in towards him and looked at the face close at hand.

Shen Xiaobei swallows her saliva. She doesn't know how to think of the scene a few days ago

She raised her little face and bit her lip.

"Of course I don't believe it, unless you ask him to come out and tell me in person."

Shen Kan heard the speech and laughed.

"Shen Xiaobei, you think I'm stupid. If he's going to come out, I'm going to disappear. I've managed to occupy his body. I won't let him. He has occupied my body for so many years. It's up to me."

#### **Chapter 475**

dominate?

"... Shen Jin."

"But Shen Xiaobei, no matter who I am, you are the woman I like. This will not change. I know that women don't like their men close to other women. From today on, the woman beside me is only you."

"You said I would be a good man in the future. I promise you now."

"I won't touch the bad things Shen Jin has done."

Shen Xiaobei looked at him, the sunset that day fell on him, she could not tell whether it was reality or dream, shaking her, some dizzy.

He said, Shen Xiaobei, you want me to be a good man in the future, I promise you now

Ye Xing doesn't know how to know the news of his illness. He comes in a hurry with a thermos and rushes into the villa all the way.

Looking at the man standing in front of Shen Xiaobei, tall man, wearing a nightgown, she turned her back. I don't know what the man's expression is like at the moment.

I don't know what they're talking about.

But she was still aware of something wrong, it seems that the heart gushed out of a strong jealousy, that jealousy burned her reason.

She rushes over and pushes Shen Xiaobei away. Naturally, Shen Xiaobei doesn't see the person behind her. She drags her and stumbles forward.

Suddenly want to stand firm, but it's too late, she subconsciously thought that she was about to fall a big somersault, but the next second, the hand was grabbed by the man, suddenly so, people didn't fall on the ground, but hit into the man's arms.

As soon as I looked up, I only looked at the cold and hard carving like outline of the man, and the warm chest tightly attached. For a moment, her eyes were wide open.

Ye Xing looked at them and asked, "Shen Jin, we are going to be engaged in a few days. How can you..."

"When did I say I was engaged to you?"

"What?"

"I don't like a woman like you. Where can she feel so comfortable... Get out of here."

The man's handsome face is arrogant, and the afterglow of the setting sun falls on the man's resolute face. There is a kind of aura that people should not be near.

"You... Shen Jin, what do you mean?"

"I like our kittens, understand?"

"Shen Jin, what are you talking about? She... Isn't she your sister? " Ye Xing looks at Shen Ken, she feels strange, this person in front of her, his... Eyes are terrible.

"Shen Xiaobei, are you seducing him? Why are you so shameless, even you seduce him..." Ye Xing said, throwing the thermos in his hand at Shen Xiaobei.

But the man pushed her away, and the thermos fell with the trend. The quality was excellent, and it didn't even break.

The man's eyes become deep, don't know where to take the gun out, even Shen Xiaobei are scared.

"I gave you a chance, but if you don't cherish it, I can't help it."

Said, to break the gun, Ye Xing was scared, she looked at the man in front of her, "Shen Ken... You're kidding, right?"

"Do I look like that?"

Such a sincere, arrogant, without a little bit of blood.

His eyes were as deep as the sea, without any emotion.

"You can't kill me. Do you know who I am? My father won't let you go. "

"I've seen that your old dad is not happy for a long time. Let's have a try. Who is more powerful..."

"You... Have you been drugged by this woman? Shen Jin, look who I am. I'm Ye Xing."

"I don't care who you are. The woman who moved me has only one end, death!"

Ye Xing's legs trembled for a while. She knew that he was not joking.

Life is as light as a feather in Shen Kan's hand, but he even said that he moved his woman, that woman... She stared at Shen Xiaobei with deep eyes.

"You dare to stare at her with such eyes, it seems that you don't want this eye..." said, the gun so on one of her eyes.

"Shen Jin, you are crazy." Shen Xiaobei held down his gun. "Put down the gun quickly. It's wrong for you to do this."

"She's right to bully you?"

Shen Xiaobei pursed his lips. "This is between me and her. Women will have their own solutions. If you use knives and guns like this, in case you hurt someone, do you think about the consequences?"

He looked at her and his eyes softened. "Are you worried about me?"

"It's wrong to break the law. Didn't you just say you wanted to be a good man? Now... Shen Jin, in fact, you don't count what you say. "

"Well, I'll listen to you." He took back the gun.

Ye Xing looks at Shen Ken. When did Shen Ken listen to her like this? What did she do to make Shen Ken obey her? She is jealous and terrible.

The man put his arms around her in front of her. "If you show up in front of me later, you won't be so lucky today."

Ye Xingleng in situ, she only looked at the man holding the woman, upstairs, dare not catch up.

Shen Xiaobei struggled to open his arms until he went upstairs. "Shen Ken, although I don't like Ye Xing, you just went too far."

"Is that too much?" Shen Kan's Obsidian eyes were staring at her, "she made you feel aggrieved, but I don't want to, because you are a special existence for me, and I will protect you. I'm not like Shen Kan, who can watch you being bullied by her and turn a blind eye to it."

He said with a bad smile.

Since she changed her personality, Shen Xiaobei has no way to adapt to Shen Zhen. But just now, Shen Zhen was really helping her out.

It's just that he is too extreme, which makes Shen Xiaobei afraid.

It's like there's a time bomb around you that will explode at any time. It's terrible.

"Shen Kan..."

"From today on, call me Ah Kin. I'm not alone with him. I don't want you to confuse me with him."

Ken?

Shen Xiaobei really couldn't shout out. She bit her lip, but suddenly a hand on her waist imprisoned her tightly. "You just bit your lip, are you seducing me?"

Shen Xiaobei's dark eyes on the man, speechless panic, heart rate uncontrolled acceleration, she moved her eyes, did not dare to look at him for such a long time, "... No."

The man held up her well-defined fingers, pinched her delicate jaw, straightened her face, forced her eyes to interweave with her again, "if you bite your lips in front of me next time, I won't be polite."

The man's tone is frivolous. Shen Xiaobei steps on his shoes hard. Then he runs back to the house and closes the door.

Shen Jin... Is totally different from him. He is serious and formal. He never does such a thing, but he is just a hooligan in the society.

She prayed and quickly changed Shen Zhen back.

Chen er said that if this personality occupies his body for too long, it will be difficult to change it later.

Shen Jin, I'm just sick.

It's just sick. There's nothing to be afraid of.

Thinking about the scene downstairs just now, I don't know why, Shen Xiaobei just felt that somewhere in his heart, it was like being knocked.

It was like that time when Shen Jin came to school to find her when he was drunk.

But in the end, Shen Xiaobei knocked his head hard. What was he thinking about.

Shen Xiaobei enters his bedroom, takes his notebook and looks up the symptoms of multiple personality.

It turns out that some people have a third or fourth personality.

And these personalities, as far as Shen Kan is concerned, don't know. How can a good person become like this?

Is it because of the car accident?

Or... That night's birthday?

She couldn't think of what she had done. She couldn't think of anything.

By the way, cake

She ran downstairs in a hurry to make a cake, and then knocked on Shen Zhen's door. Shen Zhen was naked on his upper body and only wore a pair of sports shorts on his lower body.

"Shen Kan, he doesn't even have a pair of sports and leisure clothes. All of them are upright shirts. It's hard to wear them..."

Shen Xiaobei moves his eyes. He has never seen Shen Kan wear other clothes. Every time he goes out, he likes to wear a suit. In fact, he is not old, but he seems to be more mature and experienced in wearing a suit.

"I'll take you to buy it tomorrow. You'll make do with it first!"

"Are you not afraid of me?" The man's eyes were fixed on him, just like this. His eyes were heavy, with a bad taste.

Shen Xiaobei's face burned inexplicably. She had never been so close to a man. Although she had never been so close to Shen Kan, she tried her best to keep calm.

"I... you're just sick. I'm afraid of nothing."

The man tightly pursed the lip, as if this word, let him angry, he coldly said, "I'm not sick."

"Well, I know you are not ill. You just came back and didn't eat anything. I just made this cake. Do you want to eat it?"

"I don't like sweet."

It's hard to please.

Even if Shen Kan didn't like to do such a thing, he would not say it, because... She couldn't step down.

"But you..."

"But what you do, I can barely eat some." Said, took away the cake in her hand, "you want to stay to sleep with me?"

"I... then you remember to eat well"

Shen Xiaobei said and ran away.

Shen Kan looked at the cake. It didn't look very good, but it was the first time he ate the cake. He vaguely remembered the taste, but after all, he didn't eat it himself, so he was still very strange to the taste of the cake.

All of a sudden, he wanted to taste, even say, the taste of that woman's lips.

Shen Xiaobei didn't fall asleep all night. Chen Er called to ask her about Shen Zhen, but he didn't seem to help at all.

What's more, he was so frivolous that he always

What should she do with it?

#### **Chapter 476**

The next day, Shen Xiaobei was disheveled, staring at the two big black circles under his eyes, sitting on the bed, calling An'an with his mobile phone.

Because there is no one else here. When she encounters something, she has been holding back and doesn't know what to do. She always feels that she can't carry such a heavy burden on her shoulders without one person's advice.

In particular, there are only two of them in the villa now. She didn't sleep much last night. She was afraid that something was wrong because she saw some terrible split personality stories last night and didn't know whether they were true or false. Anyway, she was scared.

Shen Xiaobei is only 19 years old. Her courage is as small as that of little dog and cat. Moreover, she has never met such a thing.

It's hard to avoid that the more you think about it, the more complicated it is. It's hard to avoid insomnia and fear

"Your brother's double personality? It's true or not. It's only seen on TV. Beibei, don't scare me... I heard that people with dual personality will kill people. They don't even know what they've done. It's called mental illness. It doesn't look big, but if something happens, it's a big thing... "

Shen Xiaobei holds a mobile phone, she did not sleep all night, the whole person is particularly tired, voice is very hoarse, "although his character has changed, but not irritable, killing should not be it!"

She didn't talk about what happened last night, because she couldn't tell. He seemed to be in a mood.

Was it because of herself?

"Maybe, anyway, you have to be careful. I see that the abnormal murderers reported in the news recently all say that they have mental illness. As long as they are stimulated, no matter who you are, they will still kill you..."

"Ann, I'm more and more afraid of what you said."

"Beibei, anyway, you don't have to stimulate him. If something goes wrong, you have to call immediately. I'll help you..."

Shen Xiaobei chuckled, "an an, have you overestimated your own strength? You can't even pass the long run in physical education"

"I... I'll exercise my body well these days... Besides, of course, I know I can't beat him. Your brother looks strong, and I'm not his opponent for ten. I'll fight with him. Then I'm not a fool. When you call me, I'll call the police..." Ann said, and then she thought, "Beibei, I don't think you can stay with him all the time. Who knows when something will go wrong with such a person? If you make him unhappy, you may be killed by someone carelessly! You tell her to let him let you go to school, and let him stay at home at the same time. "

"... didn't he change his character anyway? You listen to everything you say. Why don't you try to talk to him? It's a big deal. I'll just give him some movies! "

"... you said it! I don't know what happened. He even knows that I can't lift my head in front of him now. " Ann is serious, "... It's not a big deal to watch a movie. You're a girl's family. Why can't you watch it? You are pedantic and stupid, OK! Now pay attention to equality between men and women, I don't believe he didn't read anything, high school, the boys in the class will pass it around, OK! We're only seeing it now. It's all late maturing... "

Shen Xiaobei frowned, "I can't say you."

"Beibei, I miss you. Now I'm alone in class. I'm tired. I'm lazy every day without your supervision. Maybe I'll fail this semester... Besides, Gu zhexin has found me many times. I'm afraid that he will become a split personality and kill me."

"Don't talk nonsense. I'll try my best."

"I'll wait for your good news."

After hanging up, Shen Xiaobei changed his clothes and went downstairs. As a result, she smelled a smell of steak. She rushed into the kitchen and watched him cooking the steak skillfully.

The person in front of him is definitely not Shen Kan, because Shen can't cook at all.

He seems to have a strong ability to take care of himself. He seems to know everything, but cooking is the only thing he has to worry about. He only did it once in front of her, and even the porridge was burnt by him.

"You..."

"Isn't it amazing how I cook?"

"Well."

"I'm smarter than him. Of course, I'll be good at it as soon as I learn. His Muggle can even cook a porridge for you. I'm different. I know you like to eat steak. I got up early in the morning and made it for you... So, do you like me better?"

He didn't wear very formal today. He didn't wear a black shirt and tie. He opened the front three buttons. When he stood there and said this, he was sexy and lazy.

I don't know if it's her illusion. She always feels that men's eyes look at her

"Shen Kan..."

When the man heard the name, he frowned, "I said, don't call me Shen Kan. I don't like to hear the name. Call me ah Kan." He said, suddenly close to her, "Shen Xiaobei, do you want me to kiss you?"

what!

Shen Xiaobei was caught off guard by this sentence, and her mind was blank all of a sudden, "isn't Shen... Going to buy clothes? Hurry up, or there will be a traffic jam later. "

He clasped his lips, showed his white teeth, and gave a bad smile.

Shen Xiaobei glanced at him, his heart pounding.

"But you're still young. I'll wait until you're 20."

20 years old?

Another year

She didn't know what she was thinking, even eating such a delicious steak, she was absent-minded.

After dinner, Shen Jin and she are going to the shopping mall. In the past, Shen Jin's clothes were sent from abroad, but he... Didn't like Shen Jin's clothes.

Before going out, all packed into the trash.

"Actually..."

"Are you thinking about clothes or him?"

"I just think it's a waste. Even if you don't want these clothes, you can donate them to those who need them. You throw them away..." if Shen Kan comes back that day, he

"I'll listen to you. I won't throw away the rest."

Shen Xiaobei has long eyelashes. She really can't understand the person in front of her.

Two people went to the mall and bought some things. On the way back, they met a child.

The child was dressed in a white shirt and a blue suit, like a prince in a fairy tale.

How handsome!

Although Shen Xiaobei doesn't like children and thinks that children are too noisy and playful, the boy in front of him is just

"Sister fairy, I'm lost. Can you take me to my mommy?"

But that hand hasn't touched Shen Xiaobei. The next second, she is pulled away by Shen Ken.

#### **Chapter 477**

"You are mine."

Before she struggled, she heard the man's voice coming from her ear. The man held her waist stubbornly, palms hard, and didn't give him the chance to escape.

Shen Xiaobei frowned and was very helpless. Looking at the child, he seemed to be lost. Moreover, there were a lot of people here. A few days ago, there was news that there was a peddler selling children at the gate of the supermarket.

"You let me go."

"Are you going to mind your own business?"

What's nosy?

"It's not meddling. It's helping others. His mother must be worried if he's lost. Besides, there are so

many people here. If anything happens, her mother will blame herself for the rest of her life. I'll take her to..."

Before he finished speaking, he listened to Shen Ken's words, "now the swindlers are all children, especially simple girls like you."

The child listened to his words, not happy, "uncle, how can you think of people so bad! I'm a good man. I'm not a liar! "

The child angrily looked at Shen Xiaobei, "fairy sister, you can't have this boyfriend. He's not kind-hearted. He looks like he's going to have domestic violence. You have to keep some snacks."

As soon as the child finished speaking, he ran away. He was afraid that Shen Zhen would hit him, and he would be gone.

Shen Xiaobei's mobile phone vibrates. She struggles out of Shen's arms and takes out her mobile phone from her bag. It's Chen er who asks her to meet.

But now Shen can hardly leave. She has to find a way to see Chen er!

She saw the milk tea at the other end, "Shen... Ah Jin, I'm a little thirsty. I'll buy a cup of milk tea. Do you want it?"

Shen Kan looked at the milk tea shop at that end, "it's a man's business to buy milk tea. You go to the car and wait for me. I'll buy it."

"....."

Seeing Shen Ke leave, Shen Xiaobei takes the phone and contacts Chen er.

Chen Er followed them all the way. She went to a corner of the parking lot. Chen Er had been waiting for a long time.

She told Chen Er what happened yesterday. Chen Er frowned and said, "the young master has made many enemies. If he is known by others and used more, I'm afraid... By then, it will be even more... Miss, now you can only get his trust as soon as possible and cooperate with the doctor for treatment. During this period of time, don't let him show up outside the villa, I'll send someone to protect me secretly, just... Just... "

"Chen Er, just say what you have to say."

Chen Er hesitated and hesitated. In fact, he thought about it all night and felt that it was not safe. After all, he didn't believe anyone except Shen Xiaobei.

There are advantages and disadvantages.

"The young master is infected with drugs..."

"What?"

"He has been detoxifying for a long time. That day, because of the toxic attack, I took him out. I'm afraid that this personality will do some extreme things. So, miss, try to control his mood and don't let him destroy the young master..."

Shen Xiaobei doesn't know much about Shen Kan's affairs on the road, let alone how he got the drugs. But now, it's not the time to ask.

"Please, young master."

"He's kind to me. I won't ignore him."

When Shen Xiaobei came from the corner at that end, the next second, Shen Kan's figure appeared in front of his eyes, and his eyes were staring at him like that, almost able to devour her in a single glance.

Shen Xiaobei is staring so numb that she subconsciously grabs her bag and looks at him with a cup of milk tea in his hand.

The man just came close to him.

The dark eyes were deep, but there was no light in his eyes. It was like a fire falling into the abyss, and it went out all of a sudden.

"Shen... Ah Ken, you bought it..."

Her hand wanted to take the cup of milk tea, but before she touched the edge of the cup of milk tea, she was blocked in the corner.

There are some uncontrollable tremors in the heart.

That kind of eyes, seems to have heard, but it seems not to hear

Play psychological warfare, Shen Xiaobei where is Shen's opponent.

"What do you want to do with Chen er?"

Black and white apricot eyes flashing fear, for a time, did not know how to do, "I....."

"Are you talking to him about destroying me?"

"No" Shen Xiaobei anxiously explained, "Chen Er is worried about your physical condition, so he came to ask me. He is afraid that you will see that he doesn't like him, and he is worried about you..."

"Really?"

"Why do I lie to you?"

Shen Kan's eyes became soft again. "Shen Xiaobei, you'd better not cheat me."

"I didn't cheat you, ah Ken. Last time you left the hospital alone, everyone was worried about you and worried about your injury. Chen Er has been with you for so many years, and he won't hurt you."

"That's best, but if you have any other ideas, you'd better rot in your stomach. If you push me, I don't mind dying with him."

Shen Xiaobei naturally knows that she dares to do so.

"Here, I bought you milk tea"

The cup of milk tea in Shen Xiaobei's hand is still warm, but it can't warm her heart.

Now, Shen can't do it. Is she going to do it? So that he can listen to her?

Shen Xiaobei has a headache.

But fortunately, she said she was going to school, and he agreed.

"Are you serious?"

"But I have to come back after school every day. When there is no class, I have to come back immediately. If you can't, I'll go back to school and catch you."

"I'm sure I'll be back, Shen... Ah Kin, thank you."

"Do you think I'm better than him?"

"... well."

Shen Xiaobei went to school the next day. She hasn't been to school for nearly a month. Although the course hasn't dropped much, those people still look at themselves with strange eyes when they see her.

She felt strange to some extent, except ANN, which was the same as before.

"Beibei, this brother... Seems to be much better than his former brother? Besides, he is good to you, in fact, he doesn't have to disappear. Anyway, he's your brother. He's changing all the time, and he won't change. "

"You didn't tell me to stay away from him before! He's not a safe man? Now we're going back? What about your moral integrity? "

"Well, I didn't look at him just now! Don't say, this man is really handsome. A real man is just a dazzling star, but you can't play with him from a distance. Besides, he was a gentleman just now. He opened the door for you and cut your hair for you. If it wasn't for your brother, I would feel like your lover. "

"You're getting more and more out of line, lover."

Ann said when excited while dancing, but in the middle, suddenly lowered his head, "well, your enemy came."

"What enemy..."

As soon as I looked back, I saw Gu zhexin coming.

She finally understood something.

#### **Chapter 478**

She wished she could have the magic of seclusion.

"Xiaobei, are you well?"

"Well."

Gu zhexin looked at her as if she had lost a lot of weight. Before, she was already thin. Now her face is thinner. She feels that once the wind blows, it will blow away.

An'an looks at Gu zhexin and sees his eyes looking at Shen Xiaobei without hesitation. Everyone knows Sima Zhao's heart.

However, it seems that they have no affection for her.

But looking at the man's face, An'an suddenly thinks of something. She drags it under the table. Shen Xiaobei stares at her and doesn't know what she's going to do.

Just looking at an'an, looking at Gu zhexin, "Gu zhexin, can you help me and Beibei buy a drink?"

"Of course."

After Gu zhixin left, An'an came over and said mysteriously, "Beibei, I heard that Gu zhixin's father is the dean of psychiatry department, and his major seems to be about this. Why don't you ask him about your brother? There may be a solution. "

Shen Xiaobei frowned when he heard the speech.

Gu zhixin doesn't belong to his class, and she doesn't pay much attention to him, but she seems to have heard about his family. His family has been doctors for generations, and Gu zhixin has also studied medicine.

"I think I might as well ask him later."

"Ann..."

"What are you talking about?" Gu zhixin put his drink on the table in front of them, and now Ann spoke directly.

"Gu zhixin, I heard your father is a psychiatrist?"

Gu zhixin was stunned for a moment. He never talked about the situation in his family. Originally, he was at school, and there was nothing to say about this kind of thing.

And wonder how they know.

"Well, Beibei has a friend who has a dual personality. Now, a strange personality has occupied the original owner's body... Beibei is very troubled now. I don't know what to do. He doesn't want to let him go to see a doctor. Aren't you a doctor! Is there any good solution? "

Gu zhixin takes a look at Shen Xiaobei and nods.

Gu zhixin is learning this. Naturally, it's not the first time to listen to it. But in reality, there are not many cases like this. He hasn't graduated yet, and he has little contact with it.

But his father had a few contacts, and he had heard of them.

"It's a mental illness..."

"Gu zhixin, don't play the game. Of course we know it's a mental illness. How should we treat it?"

Gu zhixin looked at Shen Xiaobei, slightly drooping eyes, "the best way to treat dual personality is through hypnosis. Now the medical skills are developed, and the disease can't be delayed."

Shen Xiaobei raised her eyes. She really didn't have any way. The person in front of her seemed to be her only way... "The doctor also said that, but he didn't want to go to the hospital, let alone hypnotize

him. He didn't even have any way to get close to him."

"That shows that he is still alert to the changes of the outside world. This personality should want to occupy his body for a long time now. Unless he takes the initiative to give in, he is likely to be burned."

jade and stone burned together?

Now Shen Zhen may be able to do it.

"Is this friend important to you?" She asked suddenly.

Shen Xiaobei nodded, "well."

Gu zhexin looked at her. She didn't know who that person was, but for him, it was the first time that she mentioned something in front of him.

In the distance, a woman's eyes fixed on them, biting her teeth.

In the afternoon, Shen Xiaobei is dragged to the bar by An'an to find Gu zhexin's brother, Gu Yu. Gu Yu specializes in one aspect of research, and has cured many patients abroad. In terms of experience, Gu Yu is more than Gu zhexin's father.

However, Gu Yu is a strange man.

move in and out with wizardly elusiveness.

Gu zhexin couldn't find him. The only thing he knew was that he would come here every day to listen to music. If it wasn't for Gu zhexin, there would be a class in their department, and it couldn't be just her and An'an.

"Beibe, this is my first time to come to the bar!"

Shen Xiaobei, "me too."

Because it's in the afternoon, the bar hasn't reached the time when there are too many people. Now it's a clean bar, where there are singers playing and singing.

"Beibe, I think it's very big here, otherwise we'll look for it separately."

"Well."

Shen Xiaobei and An'an are separated. This place looks small, but when you walk in it, you find that it has a unique cave.

"Gu Yu --!"

Shen Xiaobei listened to someone calling the name, and was immediately attracted to the past. Outside a bathroom, he listened to a woman talking inside.

Gu Yu.

That's the name.

Did not hear the voice of men, are female voice, she stood at the door for a while, thought to be able to wait until that person out, but it seems... No.

She glanced at her watch. The bathroom door was open, so she went in.

But the next second, the girl in the colored dress stood in front of her.

It's Chen Yu.

Besides her, there are two women in the bathroom. She doesn't know her face.

The two women quickly walked over and locked the toilet door.

"Bitches, they are all expelled from school and can come to school. Did you seduce Gu zhixin and help you? Shen Xiaobei, the daughter of a poor family, wants to get into the circle of the second generation of rich people, but does not weigh her own weight. Do you think that people like you can get into the family? It's just wishful thinking. "

Chen Yu, the leader, looks at her with a ferocious face. She has just heard from an an an a few days ago about Chen Yu and Gu zhixin. After Chen Yu pursues Gu zhixin again, they have decided to marry each other since childhood.

When the two of them graduate, they will get married.

Therefore, Chen Yu is very disgusted with her.

Seeing Chen Yu, Shen Xiaobei suddenly realized that there was no one here just now. It was Chen Yu who wanted to attract her.

But with so many people on the other side, she can't fight.

"Chen Yu, you don't have to worry about my relationship with him. He's trying to avoid you. In fact, he likes you very much, but he thinks you don't like him very much, so he uses me to make you jealous. I have nothing to do with him. My family is so cold that I will never be with him."

"Really."

Shen Xiaobei really doesn't want to quarrel with them. Women have no way to explain to her clearly. It's better to tell a lie and let it go.

Shen Xiaobei nodded.

But Chen Yu is not easy to cheat, she snorted, "so many women, why does Gu zhexin use you? You're lying to me! He's after you. "

"....."

"Just rely on this beautiful face. You two have ruined her face for me. I want to see what she will do to seduce Gu zhexin."

what?

#### **Chapter 479**

"You can't blame me. Gu zhexin is mine. You're not the man who flatters and seduces me. If you're afraid of pain, just stand still and don't scratch other places. I'm not responsible."

Chen Yu is a little girl at school. She looks at Shen Xiaobei, her hands around her arms, arrogant.

Shen Xiaobei's brow is wrinkled. This man... Sure enough, women can't reason with her.

But she can't be ruined here.

Although those people are tall and big, but... How can we do without fighting? She is the closest to the door. If she runs out, it seems that she may not lose.

She backed away in silence.

This appearance falls in Chen Yu's eyes and turns into her fear.

"If you kneel down, I can ask them to cut less wounds for you, but if you have the courage, you can go to seduce other men. It's too much for you."

Seeing them approaching, Shen Xiaobei said, "this is a bar. I'm here today. Gu zhexin knows that. He'll come back to me later. If you deal with me here, won't you be afraid that she knows? If he knows, Chen Yu, do you think he will like a vicious woman like you? "

"Chen Yu, she said you were vicious! This cheap woman is really dead"

"That is, you are beautiful and kind-hearted. How can you be a vicious person? That Gu zhexin was

blinded by her for a while, so we can't see your beauty. We've scratched her face, and Gu zhexin will still look at her!"

One side of the two women are there to embellish said.

Shen Xiaobei has convinced these two women.

It's really hard work... She has a pain in her liver. She seems to be a little uncomfortable. She can't breathe.

"Look at her, she's still unconvinced."

Speaking of the end, even Chen Yu's anger suddenly lit up, "hum, say I'm vicious, Shen Xiaobei, I think you're vicious! I've given you the chance. If you don't cherish it, don't blame me... "

Those people were forced to retreat to the corner by him, "I don't think she can see the coffin without tears. Later, I think she dares to be so playful."

The two men took out their knives from their pockets and were ready to start, but the door was kicked open, and the two men standing at the door were kicked away.

Even Chen Yu was frightened by the loud noise. She never thought that the toilet door would be kicked open. When she was about to run, the door fell down and pressed on her.

Ah.

I didn't have time to scream. I didn't even think it would be like this.

Everyone was stunned, reflecting that for a long time there was nothing else but pain.

That Xin Chang's figure stands at the door, his slender legs keep the action of just taking back, obviously this man kicked the door.

Shen Xiaobei stood there, looking at the man who came in.

The air field on him is too strong. For a moment, it seems that there is no way to ignore it. Just looking at the man's cold eyes can almost freeze this place.

The next second, watching him take out the gun from his hand, on the Chen Yu.

Chen Yu tube mouth suddenly expanded, face suddenly pale, she grew so big, or the first time someone with such a thing to himself.

Who is he?

"Are you going to shave her face?"

The woman mumbled and bit her lip. She was shocked. The whole person was shaking. This is a real gun. It's true, because when it was against her head just now

"I... I didn't touch her."

"Of course I know. If you moved, your head would have blossomed!"

Shen Xiaobei looks at him. Shen Kan is angry again. She can see that she wants to kill people. She is crazy. She also knows that he will do it.

This personality, can be easily burned by anger, can't control his mood change at all.

"Ah chin, don't be impulsive."

"You're pleading for him?"

Shen Xiaobei looks at the woman on the ground. Chen Yu is not worthy of sympathy. At least, she is not worthy of sympathy when she repeatedly troubles herself. But Shen Kan points a gun at her. If she is killed, Shen Kan's hand will be stained with blood.

Besides, it's still the time for this personality.

If Shen Zhen knew, he would not.

"I don't have it. I'm sure I won't forget it. But it's wrong for you to point a gun at her head."

The man's hand did not move, still low Chen Yu, Chen Yu is afraid to die, in Gu zhexin side of the woman, she is using all kinds of tough means, let them leave.

Gu zhexin and his family have a baby relationship. They are going to get married as soon as they graduate. During this time, they are getting to know each other. However, Gu zhexin always mentions Shen Xiaobei in front of him and asks him from time to time.

At first, she didn't pay attention to Shen Xiaobei at all. After all, although Gu family is not a rich family, many of them have a strong family background. His parents are also high-level intellectual families. It's hard to find a suitable family in Jiangcheng.

Gu zhexin's mother and her mother are best friends. When they first gave birth, they decided that they would get married later.

But it was thought that Shen Xiaobei would be out of the plan.

Her appearance robbed her of her original quota for postgraduate education. After a long time, she went to school, and the quota fell on her own. But Gu zhexin still cherished her.

It's just Gu zhexin that she wants to have a place there.

Before she did this, she also went to investigate Shen Xiaobei's background. Her family was very poor, they were all rural, and her parents had no ability to farm at home.

Such a family, even if they shave her daughter's face, no one will say a word, as long as give them some money, this matter is over.

Shen Xiaobei will not appear in front of Gu zhexin. Her plan can go on seamlessly.

But who ever thought, half way to kill out a Cheng Yaojin.

Besides, this man has a cold air.

She was scared to death. She didn't dare to look up at her eyes, because he knew that this man would really shoot, "Shen Xiaobei, help me..."

She goes to Shen Xiaobei for help, but the man keeps pointing at her head with a gun.

Shen Xiaobei's hand was pressed on Shen Ken's, "ah Ken, I've called the police. The police will come soon. Take back the gun!"

Shen Xiaobei saw that she was still unmoved and didn't know what to do.

"Ah Chin... You promised me to be a good man, don't you remember? Or are you going to say nothing? After that, shouldn't I believe you? "

The man took back the gun, Shen Xiaobei just ready to breathe a sigh of relief, but looked at her holding the knife, "she wants to scratch your face, then I will scratch her face first."

"Don't --!" Chen Yu was afraid. The man in front of him was really a lunatic. He even carried a knife with him. "I know I'm wrong. Please don't scratch my face, please..."

Shen Xiaobei looked at the scene in front of her, she said, "then you kneel down and kowtow a hundred heads."

A hundred?

"... ah Ken, the matter between women doesn't have to be solved by your way. If she is willing to kowtow to me and admit her mistake, it's ok?"

Chen Yu just wants Shen to let go of herself. She wants to have a hundred heads. She kneels on the ground without any image. "I'm sorry, Shen Xiaobei. I don't dare to do it any more. Please forgive me!"

Shen Xiaobei sees Shen Kan and throws his knife on the ground. How can he coax him? It's too hard.

"And next time, I'll cut your head off!"

Shen Xiaobei droops his eyes. It seems that his temper can't be changed.

"I don't dare, I don't dare any more..."

Chen Yu holds her head and kowtows there, thinking that before, she didn't even kneel down and kowtow to her parents, but for the first time, she kowtowed to Shen Xiaobei.

She was angry, but there was no way.

This man has a gun in his hand.

Shen Kan takes Shen Xiaobei out of the bar. Shen Xiaobei sends a text message to An'an, and then follows him to get on the bus.

It's just that he still seems angry.

It's embarrassing because of the atmosphere in the car.

"Why are you here?"

Sure enough, it's coming.

Shen Xiaobei grabs the seat belt, she is not very good at lying, but now, it seems that she can only lie, "I... Come here to listen to music with my friends."

"Really just listening to music?"

"Of course, why do I lie to you?"

Shen Xiaobei looks at the outside with a guilty heart and thinks that the feeling of cheating is really bad. In fact, Shen Zhen has never hurt himself except for his temper.

He was the first one to stand up and protect himself.

"Hungry?"

"A little bit."

"What would you like to eat?"

"I can do anything." Shen Xiaobei looked at the stall outside. There were a lot of people. She hadn't tasted like this for a long time. She turned her head. She patted his arm and raised her eyebrows slightly. "Would you like to eat this? The food here is delicious. I've been eating with Ann before. You must have never eaten it. Do you want to try it? "

The man frowned and frowned, but seeing her, he said a good thing.

.....

This is the biggest night market that will become. There are many things in it. When they used to come out with ANN, they just shuttled around this place and ate all kinds of snacks.

Shen Xiaobei took Shen Zhen to a barbecue shop and handed him the menu. "You order. I'll treat you to what you want."

Compared with the places where Shen used to eat, these places are much cheaper.

Shen Xiaobei had worked outside before. There was no problem with her daily expenses, but Shen didn't order much. I don't know if she was saving money.

"Would you like some wine?" Shen Xiaobei thought, "you can't drink, you have to drive."

It wasn't long before the dish was ready. Shen Xiaobei was just about to start, but Shen Kan took the potato chips from his hand. "Don't you invite me to eat them?"

Shen Xiaobei's wrinkled face tightened, watching him eat up, what he wanted to eat, the result was robbed by him.

She was about to die of anger.

"I said please eat, I pay, we eat together, I'm very hungry..." Shen Xiaobei with big eyes watching him eat up the last barbecue, hungry words haven't said.

"Let's go."

## **Chapter 480**

Go?

She hasn't eaten a bite yet!

"You invited me. Of course I'll invite you back. Let's go. I'll take you to eat delicious food."

Shen Xiaobei didn't expect that he would bring himself to such a luxurious place to eat seafood, but many people couldn't queue up here.

This is her first visit. She only saw the restaurant in the magazine before.

Looking at the full seafood pot in front of him, he suddenly raised his head, "can't you eat seafood?"

Shen Kan is allergic to seafood.

"I don't eat it. It's all yours."

Is it all her?

Shen Xiaobei, 19, is just a child who hasn't grown up. Eating takes up a large part of her life.

In Ann's words, she's a foodie.

She was already hungry. She ate it in a big way, and there was no lady image. Soon, a pot of seafood was wiped out by her.

After eating and drinking enough, she followed Shen Kan home.

On the way, he met a girl who robbed her purse. Without saying a word, Shen Zhen helped her get it back. She was scared out of her wits.

"What's the matter?"

"Are you all right?"

"He's not my match at all. Let's go home!"

Shen Xiaobei looks at Shen Kan. She can't understand Shen Kan any more.

"Miss, thank you just now. If it wasn't for you, I don't know what to do." The girl was really at a loss just now. Fortunately, when she met a kind person, she took out a pile of money from her bag and left without looking at it.

Shen Xiaobei pushed him. Shen Kan left without saying a word. He was embarrassed to keep him. "We can't take the money. You can take it back. He did the same thing just now."

"He's a good man." The little girl looked at the man who had left. "Miss, you have to make good use of it. If such a good man is robbed by other women, you will never find a better one."

"... we..."

"Do you still want to go..." Shen Kan's words came over there.

When she said goodbye to the girl, she ran to her and got on the bus. She looked at Shen Zhen.

"What are you looking at me for? Falling in love with me? "

Shen Xiaobei's face reddened slightly when he said that. Maybe he couldn't figure out how to refute it, so he became red, "... I just think..."

"Think I'm different from him?"

"Well."

Shen is introverted, a lot of emotions will not be revealed.

"Who do you think is better, me or him?"

Shen Xiaobei is silent. He doesn't know what to say

The man stepped on the gas and sped away.

Shen Xiaobei knew that he was angry again.

On the way to the villa, Shen Xiaobei looks at the maple trees on both sides of the road outside. Now it's near the end of autumn, and the maple leaves have become particularly red and fiery.

The mask on those leaves, appears bright, red than women's Rouge are even red.

This road is the famous lover street.

Now just after dinner, many lovers come here for a walk, adding a lot of romance to this maple forest.

Shen Xiaobei doesn't know why Shen Kan is driving here. Although he is a road maniac, he knows the way to the villa. It's not in this direction at all.

But just now, she was still a little uneasy. The next second, a box was thrown to her.

It's a pocket box.

I don't know what Shen is up to, but she still opens the box. It's a necklace with a greeting card in it. It's a happy birthday

Shen Jin, don't you know you have to give presents for your birthday?

Unexpectedly, he still remembered it.

Shen Xiaobei is holding the box. She wants to talk to Shen Jin, but Shen Jin doesn't seem to be ready to take care of him. Even if she changes her personality, it's the same.

Hard to please, eccentric young master.

Forget it, just let him go. Don't make him angry again.

In the middle of the night, Shen Xiaobei was just about to go to bed when the phone rang.

It's Chen Er's.

"What's the matter with you, miss? How can I get through to you? "

"I... my cell phone is dead." Shen Xiaobei didn't answer the phone on purpose. In fact, she thought a lot just now and always felt that

"Chen Er, is there no other way but to destroy him?" Although this personality is irritable, the things that can be done are not bad things.

He will help others, protect her, and think about buying her gifts

Chen Er listened to Shen Xiaobei's words, "... Miss, what did you do to him... What did he do to you that made you change your mind all of a sudden?"

"... No."

Chen Er always thinks that things are not so simple. It's only a long time since she met Shen Xiaobei, but it's only less than a day.

"Miss, you can't be bewitched by him. The side you see now is his good disguise. He treats you well, just to buy your heart. His mind behind is much more than you think. He wants to occupy the young master's body and become the master of the young master's body. No matter what, such things can't be allowed, The young master has his own thoughts and can never be controlled by this man. "

Shen Xiaobei was silent for a long time, and she said gently, "but, Chen Er, he didn't do anything to hurt me. He was just sick. If we destroy him in this way, it's unfair to him. You can say that I'm bewitched by him, right or wrong, but I only know that he is really treating me. I... I can't do this to him."

Chen Er sighed. She was just a child. She couldn't push herself too hard.

"But have you ever thought about the young master? Is the young master not good to you? "

She thought of ah Kan's Scarlet eyes and asked her, who is good to you, me and him?

Even he doesn't know, but these... Aren't they all one person?

Chen Er hated the iron but couldn't help it. Suddenly, he heard someone knocking at the door. The voice was urgent.

"Shen Xiaobei --!"

Shen Xiaobei was startled by the knock. She lost her cell phone in a hurry and went to open the door.

Only looking at Shen Kan's pale face standing there.

"What's the matter with you?"

"I have a stomachache."

have a stomachache?

He didn't eat anything just now. Why did he suddenly have a stomachache... Oh, no, he had a barbecue.

"I'll take you to the hospital --!"

The girl carried his hand, but listened to him say, "Shen Xiaobei, can I believe you?"

After going to the hospital, he naturally knows what he will face. Now he has no ability to resist. In recent days, in order to be afraid of his illness, he has been particularly wary of this matter. But he never thought that he would be made like this by a barbecue.

Shen Xiaobei's almond eyes shrunk slightly.
