Chapter 481

Weak man at the moment, it seems that there is no little strength, even when speaking is also weak, this time, is the best hypnotic time.

She knew what he was worried about and what he was afraid of.

But that sentence, but let oneself cannot refuse.

long time.

She nodded.

"I'll protect you anyway."

Shen Xiaobei took the man to the hospital overnight. The doctor said it was a gastrointestinal infection and he needed gastric lavage. Shen Zhen was lying on the bed with his eyes closed. It was probably too painful, so he couldn't even open his eyes.

In other words, trust her enough to do nothing to him.

Anyway, Shen Xiaobei doesn't know.

"You go to pay the operation fee first, and we will arrange the operation for the patient immediately. You can rest assured that the gastric lavage will be quick, and he will not feel uncomfortable."

Shen Xiaobei looks at Shen Kan being pushed into the operating room. He runs downstairs to pay for the money, but when he finishes paying, he sees Chen Er.

"Where is the young master now?"

Chen Er comes here, looking at Shen Xiaobei's figure, and immediately comes to ask her.

Chen Er doesn't know where he got the news. Now Shen Xiaobei is held by his wrist and can't move.

"Chen Er, what do you want to do?"

"Of course, it's to arrange the operation for the young master." Chen Er just heard their conversation because Shen Xiaobei didn't hang up, so he immediately found the hospital.

"No... no way." Shen Xiaobei's lip flap shakes for a while. She promises Shen Zhen that she can't speak in time.

Chen Er looked at him and said, "Miss, do you think you can have such a good chance every time? Now

things in the company are in a mess without waiting for the young master to deal with them. I know that he is very kind to you, but have you ever thought of other people?

... according to the young master's present situation, how many people outside want him to die, and he refuses others to follow him. If anything happens, he will lose his life. Miss, the kindness of women will only kill him. It's not helping him at all. It's trying to kill him. Don't worry. As long as the young master comes back, everything will be fine. "

"But I promised him... Can I persuade him when he's well, he can certainly agree. This way is too cruel for him, and he hasn't done anything wrong..."

"I can't wait. I have to finish the operation tonight. Now everyone on the road knows the matter of the young master. If we don't finish it, it's not the matter of the young master. It's a matter that endangers the life of the young master. Besides, I've arranged for the doctor to come. Where is he now?"

Chen Er has a group of people behind him.

Even if Shen Xiaobei doesn't say it, Chen Er can quickly find her.

After the operation, Shen is pushed out. Shen Xiaobei stands beside Chen ER and looks at the doctor holding Shen down quickly.

I took sleeping pills.

"Shen Xiaobei, you betrayed me --"

At the moment when he fainted, Shen Kan's Scarlet eyes flashed with gloomy air. Shen Xiaobei looked at him, and his apricot eyes flashed with a trace of intolerance.

Shen Ken was pushed into the operating room, and not long after that, he was pushed out.

This time, Shen Zhen woke up.

Obviously, he didn't know what was going on. As the doctor said, Shen Jin was out of the hospital soon, and he recovered the man who had no expression.

Shen Xiaobei still can't go to school, she can only stay in her bedroom to rest and read every day.

Many nights, she will be awakened by nightmares, it's the eyes of ah Ken.

And what he said.

Shen Xiaobei, you betrayed me.

At least, she cheated him and said she wanted to protect him, but in the end, she pushed him into the abyss

Shen Xiaobei hugged his knee and began to cry.

She didn't want to use this method, and she didn't want to let Shen Ken disappear.

But she can't help it.

People can't do anything about a lot of things. At 19, she felt the pressure on her shoulder for the first time.

.....

The day before Su Xiaowan entered the group, Shen Yin excitedly cooked a table for them.

Su Xiaowan knows that Shen Yin wants to take this opportunity to get back together with Su Zheng. At the dinner table, she is silent and has a meal.

"Now there's a big hero in our family. I'm going out to play cards. People are talking about Xiaowan in our family." Shen Yin opens his mouth and stares at Su Xiaowan.

Su Zhengzheng is angry because of this matter. Although he doesn't like Su Xiaowan, he doesn't want anything to happen to her. What's more, he doesn't want her to be on the social news like this. Even if it doesn't happen, he doesn't know how others will write it.

"Such things are not allowed to come out in the future."

Su Xiaowan raised her eyes. She didn't know what Su Zheng meant. Anyway, she knew that she didn't care about him.

"Her life is so big, Dad, what are you worried about?" Su Qiqi's voice didn't fall. She was kicked by Shen Yin. She bared her teeth in pain, but she could only swallow everything in her stomach.

"Xiaowan, don't listen to your father. It's a good thing. Saving one's life is better than building a seven level floating butcher! You've saved so many lives, that's even more amazing. Come on, auntie. Here's to you. "

I don't know what Shen Yin is up to all of a sudden, but Su Xiaowan still drinks that glass of wine. She doesn't like to drink, and it's easy to commit a crime when she drinks.

So I just took a sip, ate a few meals and left the table.

After all, tomorrow will be in the group shooting, Su Zheng did not say anything, but these days, it seems

that his face is not very good, at the dinner table is not much interest.

In the evening, Shen Yin takes Su Qiqi by the hand and takes care of him there. "I've already told your uncle, when it's time..."

After listening to Shen Yin's words, Su Qiqi holds her lips happily.

Su Xiaowan drank a glass of wine, but she was still drunk. She lay on the bed and soon fell asleep.

I didn't even hear Feng Yan's phone call.

It was the next day when Aunt Lin called her up in a hurry that she jumped out of bed.

"Why did I sleep so long?"

She set the alarm clock, but she couldn't hear it at all.

I didn't think much about it.

Lin Zhenzhen has been waiting there for a long time, "you were late for the first day today"

"Sorry, Zhenzhen, I overslept"

"Never again."

Su Xiaowan's first day in the group was an important part. She was the most advanced group of all. Today's film was the part of Tian Luo girl's changing into a man. The screenwriter over there changed a part and added a lot to this part.

Today's play was shot on the lake, so Su Xiaowan put on a white gauze skirt. But when she came out, the screenwriter felt that something was wrong. "Wait a minute, I don't think this dress is suitable for this scene. The snail girl here turns into a human figure. Where can I wear clothes..."

Chapter 482

"Or no clothes? How did you like it? On the ethereal River, you stand there... "

what!

wear nothing!

That's not going to work.

Su Xiaowan looks at the screenwriter in front of her. It's said that the screenwriter brought money into the group. After she wrote a novel before, she began to write.

Su Xiaowan is very quiet, and she doesn't want to make trouble for Lin Zhenzhen. After all, she can't fight against others on the first day, and it won't be more difficult for her in the future.

But

Director Liu filmed there, afraid of the table, to help her out, "we this is a romantic drama, what do not change clothes, I look at the clothes very good."

After listening to the director's words, the screenwriter quietly pushed aside and called Chen Xu, "sister Xu, there must be someone behind Su Xiaowan. Director Liu has helped her talk. I used to..."

Chen Xu is helping Su Qiqi book a hotel. She doesn't have many plays now. The company wants Su Qiqi to show her face in such a play, so as to pave the way for further development.

After Chen Xu knew that Xu Ting was a screenwriter, he immediately contacted her. Xu Ting and Lin Zhenzhen didn't want to deal with her. At the beginning, Xu Ting pursued the movie king, but Lin Zhenzhen cut off her beard. But who knows, before long, they dumped her.

She couldn't swallow this breath, but she couldn't find a chance to fight with Lin Zhenzhen. After all, the characters Lin Zhenzhen took over were all big screen characters. Her little playwright came in through the back door, and she didn't get to the right time at all.

When she knew that Su Xiaowan's manager was Lin Zhenzhen, Chen Xu made some remarks in front of her, which made her very unhappy to see Su Xiaowan.

"Xiaoting, what's the matter? As long as she's in this play, there's always a chance. This woman is very powerful. I heard that she used to be a young master Feng's woman, but now she's been kicked. I guess that's the role she got by colluding with the producer."

Chen Xu in the side of the embellishment said, of course, did not forget to let his hands of the female No. 2 role, let her help polish.

"We are new to Qiqi, but the role always feels too bad. I don't know if the audience can buy it. Xiaoting, I think it's better to add more of her inner drama?"

.....

Su Xiaowan has not been in the state, and the shooting is not smooth. She often makes mistakes and feels stupid. Fortunately, Liu daoren is very good and doesn't scold her. She guides her and teaches her a lot.

After shooting this clip, Su Xiaowan went back to the hotel tired.

Lin Zhenzhen arranges her things into the hotel of the crew. In the hotel, she also sees an acquaintance, Cheng Weiwei.

However, she cut her hair, put on a make-up and wore a suit. She was a man.

If Cheng Weiwei didn't introduce herself and say it was Cheng Weiwei, she couldn't even see it.

"She'll be your assistant from now on."

Lin Zhenzhen answered a phone call and left in a hurry.

After leaving, Su Xiaowan looked at the make-up technology and exclaimed, "my God, Wei Wei, I can't recognize you. How did you draw it? It's completely another person, and even the voice has changed."

"Oh, it's not that the young master is afraid that you will be bullied, so he asked me to protect you. However, Su Qiqi knows me, so they can't recognize me when I make up like this. But in the future, you can't call me Wei Wei or Xiao Cheng."

Su Xiaowan once again laments the power of makeup technology. Before, her technology was ok, but she didn't have the ability to become another person.

"Young granny, this is the food that the young master asked me to bring for you. All the useful things are in this bag. The young master has gone on a business trip. During this time, he said he would not come to see you."

"Don't worry, I'm not a sensible person, but he seems to be very busy recently. Do you know what he's doing?"

Cheng Weiwei shakes her head. She really doesn't know.

"Rest first, and I'll go down first."

"Well."

Su Xiaowan came out of the bath and took the phone. Feng Yan called her in the morning and also last night. She forgot to call him back.

Now she takes out her mobile phone and sits in front of the table. This is a presidential suite. It's very big. While listening to the phone, she takes the thermos that Cheng Weiwei brought to her. When she sees the broad beans in it, Feng Yan always means what she says. She says she wants to eat. Even if he is busy, she will help him prepare them every day.

But the phone didn't get through.

I should have been busy, so I didn't answer the phone.

She sent a text message, and then.

Su Xiaowan put the mobile phone aside, and then holding the script, it seems that tomorrow is another tough battle.

Knock, knock.

Suddenly see someone knock on her door, she ran to open the door, is Chen ting.

"Xiao Wan, director Liu calls you to play in the past for tomorrow."

.....

meanwhile.

Feng Yan is inspecting a certain place, and the branch company hacked. Because of poor supervision, he lost a lot of money.

"Young master, it's still the ghost of foreign forces. This time, we know that the group has a strong defense system, so we attack remote small companies instead. This time, we lose 10 billion."

The person in charge stood there. In fact, it was entirely possible for them to avoid this mistake. However, due to carelessness and overconfidence, they caused such consequences.

They know that this time they are doomed. Originally, the branch and head office here only need to see their profits. Originally, they made a detailed plan about this new product launch. They made a detailed and complete plan, but they were the last step. All the computers were hacked.

That is to say, all the achievements after a month's busy work are gone.

The man's face was very deep. The person in charge knew that he could not afford such a big loss even if he lost his life. But now, the matter has been caused, so he can only make up for it.

"Young master, I will bring a group of people back to..."

Ding!

The person in charge thought it was his own mobile phone. He was scared. As a result, he took it out and saw that it was not his own. He was relieved.

And in lift Mou, only looking at Feng Yan original anger suddenly did not have.

Su Xiaowan: it's best to kiss your husband. Come on! When you get home.

Those words, all of a sudden calm the man's anger.

"Never again!"

The person in charge is gaping, what? Looking at the man at that end, he turned and left. Fengyi stood there.

"What are you doing in the cold, thinking about your punishment?"

"No... Feng tezhu, I didn't hear clearly just now. Young master, this is..."

"You've been saved. You don't have to die."

"Really?" The leader felt that he must have been hit by the lottery today.

I think the young master's image is brilliant and great.

Chapter 483

Su Xiaowan doesn't know what director Liu asked her to do when she was so late, but director Liu is a good person. She helped her solve a lot of troubles today, and she is grateful in her heart.

When she knocked on Liu's door, she found that a smell of wine came, and Liu drank.

"Xiaowan, are you here?"

"Didn't you come to me?"

Liu Daogang just drank a little wine. Today is the day when he and she get their marriage certificate. Every time on this day, he always gets drunk.

But even if he was drunk, he was sober. Looking at Su Xiaowan, he knew who she was.

It's su Xiaowan, the heroine of her play.

"I'm not looking for you. Are you mistaken?"

Not looking for her?

Su Xiaowan just wanted to say something, the next second, Xu Ting ran over, "Xiaowan, why are you here? The producers are waiting for you to have dinner together."

"Director Liu, are you going?"

"I won't go there."

Xu Ting knew that Liu Dao was a person who didn't deal with them, so she said politely, "let's go first."

Before Su Xiaowan could say anything, he had already been dragged away.

Director Liu is a person who doesn't like to socialize with others. He wants to do his part well, so he always resists these things.

He was in a bad mood today. He was very dizzy. He just wanted to close the door and immerse himself in his sleep.

Su Xiaowan is taken to a box by Xu Ting.

Inside, there is a fat man sitting there, a producer of the play.

Su Xiaowan met once.

Xu Ting took Su Xiaowan and sat there, "Xiaowan, you can be the heroine of this play. Thanks to the recommendation of general manager Tang, you can be the heroine!"

That Tang always looks at her, Su Xiaowan is not a fool.

Countless grass mud horses came to her heart... As soon as she entered the group, she met the hidden rules.

Xu Ting looks at Tang Xiao's impatient appearance. Tang Xiao is a playboy. She is ugly and eager to prove her strength. She doesn't know how many women she has played with.

It's said that it has enlarged the stomachs of several women.

Xu Ting touched her nose, "Xiao Wan, you talk to Mr. Tang first, I'll go to the bathroom."

Before her voice fell, Tang Ting ran away.

"Xiaowan, you are more beautiful than the photo." Tang Xiao is very fat, with a black frame glasses. The sleeping silkworm is too black. Peach blossom eyes stare at her closely, almost sweeping her all over.

.....

The man's body slowly approaches her. Su Xiaowan is very uncomfortable by the dizzy smell of wine. Even if she doesn't drink at all, she is a little drunk.

I don't know what happened to me.

Tang Xiao's eyes are aggressive. Su Xiaowan's pure appearance is his favorite. Unexpectedly, Tang Ting chose a good woman for her.

"I'll give you a million dollars and you'll be my mistress, OK?"

Mistress?

Mmb !

Su Xiaowan really wants to knock the wine bottle on the man's head, his face!

Put Feng Yan so good don't, she brain pit will with him.

"I inquired about you. You used to be Feng's woman, but Feng can't be humane. Don't worry. If you are with me, I won't care about you. As long as you are my mistress, it will be good for you. Although my father's money is not as good as Feng's, it can satisfy you for the rest of your life here..."

Su Xiaowan can't bear it. She takes the red wine and pours it on him.

"Mr. Tang, I'm afraid you have drunk too much, or wake up first!"

"You... You bitch, do you know what you're doing?"

Tang Xiao was so upset by her red wine that he became promising. He was wearing a white shirt, and all the red wine was spilled on his face.

He had no image at all, and he was furious all of a sudden.

Su Xiaowan is a short guard. She doesn't like others to say that he has only a few words. Moreover, Feng Yan is not what they say.

"In Jiangcheng, no one dares to say it's not the one who sealed the family. Mr. Tang, just as you said just now, if the person who was sealed heard, Mr. Tang would not want to die?"

Tang Xiao naturally knows that the famous Feng family, the young master of Feng, has always been cruel in his way of doing things, because the rumors about the young master have spread all over the streets. Who doesn't know that the young master of Feng has no sexual ability

However, due to Feng Yan's status, no one dare to say it face to face.

After all, if you say no, you should not continue to live here.

"Don't frighten me. If you know what you can do with me, he is not here."

"Mr. Tang, why don't you try and see if he can do anything to you?" Su Xiaowan was so worried that she didn't even take her cell phone.

She turned to go out, but the door was locked.

Xu Ting brought herself here, but she was also well prepared. But she met her for the first time. How could she get angry?

Tang Xiao stood behind her, laughing arrogantly, "Su Xiaowan, whether you agree or not today, you can't get out of this door."

This box is actually a room.

Su Xiaowan twists her eyebrows and looks at the man who is close to her. Fortunately, she has learned Taekwondo. With one kick, she hits the man's lower body.

The man didn't expect Su Xiaowan to kick for him.

There was no resistance at all.

"You..." the man was so hurt that he immediately hugged his lower body, "Su Xiaowan, you dare to kick me! Do you know who I am? "

"I tell you, Tang Xiao, what I hate most is you. You are so ugly. Do you still want me to be your mistress? How big is your face? It's a light kick. I won't be polite next time. Now, let someone open the door for me. "

Tang Xiao looked at her, that woman... Is just a shrew, looks gentle and lovely, that is all pretended, pretended too much.

He was dying of pain, so he had to take his cell phone and ask someone to come and open the door.

Tang Ting hides on one side, looking at Su Xiaowan, frowning. Tang Xiao can't even sleep with a woman.

But fortunately, she took all the photos.

Su Xiaowan returned to the room. Suddenly, a dark shadow pressed her down. There was no time to exclaim. The next second, she only noticed the smell of the man.

His body, hard to suppress her, that ruthless force, as if to swallow her bone belly.

"What did you just do?"

When she first went out, she wore a mature black skirt and cut fabric, which wrapped her exquisite body. Her skin was white and moistening against the black background. A small face with careful makeup was beautiful and charming.

Chapter 484

"Feng Yan, didn't you go on a business trip?"

"When I saw your message, I came."

Er... Text message?

She suddenly remembered that she had just sent a short message, but she didn't have much time. Why did he come so fast?

However, Su Xiaowan is still going through what happened just now, and there is something in her heart.

"Feng Yan, just now someone said that he wanted to support me. Can you find some people to beat him? I just started too lightly. I should beat such a shameless man directly, so as not to harm other women in the future. It's really boring. Feng Yan, find some people to beat him hard and teach him a good lesson."

have a sugar baby

The man's eyes become deep, dare to move her people, really tired of living.

"What's your name?"

"His name is Tang Xiao. He is a producer of the play." Su Xiaowan took off his shoes and nestled in Feng Yan's arms. "He also said that you can't do it. The more I think about it, the more angry I am. I should kick him more... And, you know, he even told me to give me a million dollars. I really want to throw money on his head and make him look down upon others! No, I'm going to hit him now... "

Su Xiaowan to this man that pair of gentle eyes, holding his neck, "ah, beating things or to you, I jiaodidi, can't beat."

"Good." Feng Yan looked at her, originally thought he would be bullied, but now it seems that he thought too much.

"I'm sure there will be no mercy."

"Have you eaten yet?"

"I ate it. You made it for me." Su Xiaowan looked at the time, "did you eat it? How was the seafood porridge last time? Shall I do something for you? "

"Good."

Su Xiaowan ran into the kitchen and began to be busy. This is a high-end hotel. It's just like an apartment. I don't know why this crew is so rich.

However, she would not say anything if she was given free accommodation. The seafood was brought by Cheng Weiwei and all of them were handled. Su Xiaowan's dinner was originally prepared for seafood porridge.

But Feng Yan made her a meal, so she shelved the seafood porridge. After that, these things happened again, and she didn't have time to make it.

Feng Yan took his cell phone and went out.

Fengyi had already been waiting for him there, "young master."

Tang Xiao was still lying on the sofa with a lot of pain. This woman's hand was hateful. Just now, he kicked heavily. He was complaining to Xu Ting there, "who are you looking for for me?"

"How are you now, cousin? Shall I arrange for a doctor to see you... "

"In a hurry."

The door was kicked open before he heard it. Tang Xiao thought it was the doctor. Just as he was about to get up, he saw a man coming from outside. The man was very ugly, but... He was so powerful that he felt that strangers were not near him.

He felt inexplicably that this man seemed a little familiar, but before he thought about who it was, several men came in and held him down.

"I'm not a coward. Even my people dare to have a wrong idea?"

His people

When Tang Xiao heard that, his body trembled a little, and the battle was majestic. Could it be that the man in front of him was young master Feng.

It is said that young master Feng is ugly. Now it seems that... If there is something wrong, this man is here to help Su Xiaowan!

Although Tang Xiao is lazy and lazy, he knows that he can't afford to offend Feng Yan.

This man is cruel and vicious. How dare he fight against him? That is to seek death.

Su Xiaowan's words are right. Unless he doesn't want to die, who dares to provoke him.

"Master Feng, i... I really don't know you still like her. I'm just confused for a moment. I promise I won't touch her any more. I'll take her as my ancestor, OK?"

Tang Xiao wants to kneel down, but the man is still unmoved.

"Fiefdom."

Tang Xiao was beaten and yelled there, but no one came in to help him. He knew that he had offended the man and couldn't get away with it.

Late at night, he was directly arrested by the police for whoring and gambling.

Tang's group had such a scandal, the stock price plummeted, overnight, evaporated tens of millions, the company was in danger.

He sent a letter to the public that night, asking Tang Xiao to release his father son relationship.

Su Xiaowan looked at the news report, who did this thing, it can be imagined, but, this general manager Tang, said to remove the relationship between father and son, it was removed?

Sure enough, she can't understand the world of the rich.

"Feng Yan, don't they all say that tiger poison doesn't eat son? Mr. Tang... According to the script, shouldn't he share weal and woe with his son? Why is it not a tragedy or an ethical drama? "

"Tang Zhongtian is the same as Tang Xiao. When he was young, he took care of many women and gave birth to many illegitimate children. Tang Xiao is just one of his many sons. For him, it's nothing at all. At his age, he naturally knows what he wants, and it's OK to choose money."

At their age, when they are young, they enjoy a lot of things. When they are old, they probably have no one to rely on, only money. As long as they have money, they will become people of concern.

Su Xiaowan sighed, "however, compared with them... Feng Yan, you are really an alternative in the rich second generation. You don't know how to eat, drink, gamble and keep clean. You don't have any of those bad habits."

"Now I know how your husband is?"

Su Xiaowan leaned over and lay down in his arms. "It's still the kind that I can't find with the lantern on.

I'm so lucky. I'll wake up with a smile in my dream today."

.....

The next day.

On the soft big bed, the girl was sleeping sweetly. Her face was buried under the pillow, and her black hair covered the pillow around him, some of which were scattered on his hands.

The man's mood becomes soft all of a sudden, he side body, have a kind of what don't want to do, so looking at her impulse.

However, it seems to do nothing, and a little

The man's hand began to fall on the girl's hair, her hair is very black, much better than those women, do not know how long not so close to look at her... Think of her, think all the time.

Her skin is very delicate, do not know how to get close to the past, attached to the girl's soft lips.

I didn't want to disturb her sleep, but it seemed that the kiss was not enough for him, but after kissing for a long time, the girl didn't wake up.

Feng Yan noticed something was wrong. He reached out and touched the girl's forehead. He didn't have a fever.

"Xiaowan... Wake up..."

Chapter 485

Su Xiaowan's head is heavy, and she doesn't know what's going on. She hears Feng Yan's voice, but she just can't wake up.

Maybe it was the moment Feng Yan picked her up. She opened her eyes in a daze, but just as soon as she woke up, she saw the perfect face of the man above her head and the eyes like stars.

"What's the matter?"

Su Xiaowan is a little confused about the worried eyes of men.

"My head is a little heavy. I must have stayed up late last night." She watched the gossip news for a long time last night and went to bed very late.

Thinking of another shooting today, she suddenly got up from the bed and said, "why did I sleep so long? What time is it now?"

"It's just nine o'clock."

"Am I a pig? I slept more than nine hours. It's over. It's over Su Xiaowan quickly got out of bed and began to wear slippers in a hurry. "I was late for the first day of the group yesterday. I can't be late again today. Feng Yan, you can send me a short message when you go back, otherwise I will worry about you. I'll go first."

Feng Yan watched Su Xiaowan run out in a hurry and frowned. He didn't know whether his choice was right or wrong.

Now, leaving her around will only bring her disaster.

Forget it, the big deal makes people watch closely. She has her own ideas. Why should she lose her dream because of her selfishness.

He made a phone call to Cheng Weiwei, "prepare a breakfast for her and watch her eat it."

"Yes."

Su Xiaowan arrives at the set. Sure enough, everyone is talking about Tang Xiao.

"I've heard that this producer is a pornographer before, and I don't know who has done a good job, and even got rid of this evil."

"Yes, you know? I heard that Tang Xiao had slept with a married woman before, and he almost killed himself! If it wasn't for his father's money, he would have had a lawsuit. "

"You don't know, I heard last time that Tang Xiao asked the female star to her room in the middle of the night, took nude photos and threatened her to sleep with her."

"True or false?"

"Of course, I've experienced this thing myself. At the beginning, the female star was from my company. Fortunately, there was someone behind the female star, otherwise, it would be cheaper for the old man."

"Tang Xiao is in his thirties and forties, and he doesn't know where he can get the energy. A sleeping woman is not afraid of death."

"It must be from his family. There's nothing good in his family. His father is also a color embryo, but now he's old and can't play any more, so he's more restrained.

"Fortunately, he was arrested by the police, otherwise I look so beautiful, but maybe I will be killed by him at some time."

"Well, don't you know that a new producer has paid in a hundred million yuan?"

"This Liu Dao is bumped into what good luck, unexpectedly still have such a good thing."

"I don't know why this play is going to be popular."

Su Xiaowan had put on her make-up and sat there waiting for her play. After listening to a lot of gossip, she was still eavesdropping on what they were saying, but she didn't hear it clearly, so Cheng Weiwei came.

A box was placed in front of her.

"What is this?"

"Little... Little Wan, your breakfast." Cheng Weiwei leaned over and said, "it's the young master who asked me to buy it for you. Besides, he told me to watch you eat up... Ah, I thought my young master was a love idiot. I didn't expect to scatter dog food at me every day. A single dog can't afford to hurt me."

Su Xiaowan took the breakfast, which was her favorite taste, and looked at Cheng Weiwei, "do you want me to give you a few days off, and you go out to recruit some peach blossom? You're old and big. In fact, it's time to find... "

"No, men are unreliable. I don't like it. I like money best. Money can give me a sense of security. I have to earn a lot of money." Cheng Weiwei also said, beaming, there is a girl running over, "brother Cheng, this is my hand-made breakfast."

Jiao didi finished, and ran away.

Su Xiaowan looked at the pink box and said, "Weiwei, this..."

Cheng Weiwei is also very distressed. She puts on a make-up. As a result, the man doesn't attract a few, but a woman.

"I can't help it. The level of make-up is too high. I'm also very upset."

"But it's not right to cheat girls, Wei Wei. You should find a chance to make it clear to others before they show deep affection for you."

"No, I can't expose that I'm a woman. I have to protect you!"

Su Xiaowan has a big head. It seems that the culprit is her

"Little... Sister Wan, I sent you the information you asked me to check a while ago. Remember to read it."

"Well, I'll see it when I get back after the shooting."

.....

As soon as Feng Yi received the news, he immediately sent for someone to come and arrange for them to enter the group to protect Su Xiaowan.

This group of people, who are the dead of the family, exist specially for the protection of the family.

They are the best at camouflage, they can easily camouflage as anyone, their ability is superior, they can do anything easily.

"Well, the president wants you to join the team as soon as possible."

The big man scratched his head, hesitated, and finally stood up, "we exist to protect the young master. After so many years of training, do you want me to protect a woman? Isn't it just overkill? I don't agree. I don't agree. "

The speaker is Cheng Xiao.

Cheng Weiwei is her cousin. They are orphans. They have been selected into the death camp for more than 20 years.

Cheng Xiao is bigger than Cheng Weiwei, but a while ago, he also knew that Cheng Weiwei came out to protect the little grandmother. Now... He still needs four big men to protect her?

Feng Yi looked at him and said, "if you are heard by the young master, you will lose your life."

"What's so terrible about me? This life was meant to be a family seal. If it's gone, it's gone." Cheng Xiao can't speak angrily.

These people dance with swords and guns. They are straight men all their lives. They know the importance of a woman to Fengyan.

"Cheng Xiao, this is not an ordinary woman. It's the life of the young master. If something happens to her, the young master will not recover. If you protect her, you are protecting the young master. Do you understand?"

What, young master's life?

"The most important thing for a man is not to have any weakness. What's the origin of this woman?"

How can she fascinate the young master like this? Fengyi, this young master is now... "

"Don't ask more about the young master. The young master has given orders. Just obey them. This is the girl that the old lady likes. Who can bear the burden when something goes wrong?"

what? Even the old lady was bribed.

This woman is not simple!

Su Xiaowan's play is Su Qiqi's play with his opponent.

Chapter 486

Su Qiqi plays the role of zhenniangu, who is the elder sister of Tianluo girl. Because she is jealous of Tianluo girl's turning into a person, she constantly destroys her relationship with the man.

In order to confuse the man, zhenniangu pretends to be a snail girl and is ready to seduce him. As a result, she is recognized by him at a glance.

Zhenniangu was jealous of Tianluo's love and won the favor of so many people. She came to argue with her.

Su Qiqi didn't expect that after she put on her make-up, Su Xiaowan was so dazzling that she was stunned.

Her lips are red and teeth are white. She is dressed in coarse linen, but it adds a lot of charm to her. There is a bonfire among them. The girl's dazzling eyes are shining with stars.

Su Xiaowan plays the snail girl. She is the most common snail. She has never seen the sea from the mud to the lake. Zhenniangu is a snail.

They are the same kind of shellfish, but they can't tolerate fire and water.

It's like she's suqiqi.

This is from the same root.

Before the snail girl did not have a name, her name is met after the man, the man gave her a name, called stars.

When I met her, there were stars all over the sky.

"You should have died long ago, and you are still alive now!"

At the beginning, because she was excluded by her family, she was driven out of the water area and

almost died. The culprit of all this was zhenniangu, who was envious of her good looks. Some people admired her and thought that she had robbed her of the limelight and wanted to get rid of her.

"Thanks to you, I live well."

Su Qiqi looked at her, "a snail is greedy for a mortal. If he knows that you are not a person at all, will he want you? You are a dead woman. You seduced her and went to bed with him... "

"Click! 77, this is not a script line at all. Let's do it again

Su Qiqi's face is as black as the bottom of a pot. She looks at Su Xiaowan. When she sees Su Xiaowan, she feels uncomfortable and forgets the lines in the script.

For several times in a row, Liu Dao was a person who attached great importance to her own things. She ran to her and said, "Qiqi, you're not in the right state. You can't play like this here. You see Xiaowan is good. She's new like you, but her expression is in place..."

Su Qiqi stood there, listening to the director scold himself, while Su Xiaowan stood there, watching the excitement, she was very angry.

But on the surface, Su Xiaowan was not happy for a few days.

After su Xiaowan finished her work, the director told her about several scenes tomorrow. In fact, there are not many scenes in this film. Within a month, it must be shot and played.

"Xiaowan, in a few days, the man will be in the group. You should adjust your mood and read the script all over these days. If you don't understand, you can come to me."

"Good."

Standing on the side of Su Qiqi listening to this, disdainful muttered, "hum, drag what, this play can broadcast or not is a matter."

Liu Dao was not willing to listen to this, but Chen Xu listened to Su Qiqi's words and accepted her. Then she closed her mouth.

.....

Time flies by, although with Su Qiqi and Xu Ting two people formed an alliance, the mountain difference of five to think of a way to deal with her.

However, strange to say, every time they are exposed.

Strange to say, she always felt that someone in the crew was secretly helping her. Several times when

she missed something, she got very subtle tips and easily avoided the conspiracy of these people.

This is not, in the morning, Su Qiqi instructs the stylist to break Su Xiaowan's clothes, so that she has no clothes to wear, but as a result, her clothes are broken, but Su Xiaowan's is intact.

She let people add something to their foundation, and they didn't know what they were. On the second day, Su 77's face was full of rashes.

.....

However, Su Qiqi was really hit by the crow's mouth. On the day when the man was going to enter the group, he had a car accident on the way over. His leg was damaged and he needed to stay in bed for three months.

It's very urgent, director Liu. It's already being filmed. Now the time is set for a month. As a result, something like this happened

Now it's too late to find someone temporarily, but I don't know what Gao Xiang Liu burned. There is a movie king level character, the airborne crew.

But it will be delayed for a few days.

"Xiaowan, don't worry. The man in this play is a big shot. When he shows up, he will be a surprise to four people!"

Su Qiqi murmured in a low voice, "no matter how big the coffee is, can there be the movie emperor Zhao rang Da?"

"Then you'll know."

The director spoke mysteriously.

This makes Su Xiaowan a little worried. She saw Zhao rang's play a while ago. At least she is familiar with it. Now there is a

Why is she a little nervous!

"Don't worry, he's a handsome guy. Don't be excited and faint then."

what?

She was even more timid when she was told that.

After su Xiaowan finished her work, she went out to buy some things. Cheng Weiwei has girls asking her

to watch movies and have dinner these days, which is busier than her.

In the middle of her walk, she felt that someone was following her, but when she looked back, there was no one.

Strange. Recently, I always feel that

She bought things in a hurry and immediately rushed back to the crew.

.....

At night.

In the quiet box, a man in a suit sat there pouring wine, "Feng Yan, I haven't made a play for many years. I've come out of the mountain just because of your face. You have to make it up to me!"

"I have a wife!"

Gu Jinzhou looked at Feng Yan, tut tut sighed, this man, all the time is not abusing the single dog, "ah, I haven't seen my little sister-in-law for a long time, I miss her strangely, what kind of expression do you think she will see me, will she submit to my trousers?"

"You think too much."

"Oh, you are really the topic terminator. Living with you, you will be blocked by your cold-blooded coat. Are you sure your little wife can stand you?"

As soon as Gu Jinzhou said this, he received a warning in Feng Yan's eyes, "well, I didn't say anything, but what are you doing at this time? I saw you at Wilson's the other day. "

"Gu Che returned home a while ago."

"What? Gu Che dares to return to China. Didn't he go abroad by the old man? Then Gu Tingshan... "

Although he didn't know much about what happened at the beginning, at that time, Feng Yan had an accident, which was closely related to Gu Tingshan.

The old man knows that, too.

"He has been staring at the shares for a long time, and it will be sooner or later for him to return home."

Chapter 487

"But I won't give him another chance to hurt the people around me."

Gu Jinzhou knew that the accident made Feng Yan bear too much. He was almost dead, and even his temperament suddenly changed.

Gu Tingshan is a real-life version of the farmer and the snake in the snake. Feng Laozi is the founder of the Feng family. When he was young, he was a powerful man. He settled down and married Feng Laozi. They loved each other very much. At that time, old lady Feng didn't give birth to a child. The old man was afraid that the old lady would be too painful to give birth to a child, so they agreed not to give birth.

I got one.

Gu Tingshan, who was only three or four years old at that time, was abandoned in an orphanage by his own mother, and even had some disability in his legs.

As a result, no one came to adopt him.

Until, the appearance of the old man and the old lady changed his fate, cured his leg, and gave him supreme status.

Gu Tingshan is in his forties. He has been in Feng's family for almost half of his life. He was a good man when they were not born.

I don't know when he began to change. Maybe his interests were occupied

In fact, Fengyan and Fengli are not ready to take over Fengjia's business at all. They have their own dreams and are not interested in these things in the family.

But Gu Tingshan was afraid that Feng Yan and Feng Li would take his things away. He hired a killer. On that day, when Feng Yan and Feng Li went out, they made an accident.

Feng Yan escaped, but he didn't have such good luck to survive.

Now, four years have passed, and everything in the past is close at hand. At the beginning, my father asked him to let them live, but he also said that they could only live abroad in their whole life and never step into Jiangcheng.

But in recent years, Gu Tingshan is ready to move.

From time to time in provocation, she did not know what person tied behind, whereabouts strange.

"You can rest assured that during this period of time, you will be at ease to do your own business. I will take care of your woman."

Gu Jinzhou knew Feng Yan at the beginning, but he just went to university. At that time, Feng Yan was different from what he is now.

He is a genius. He can learn everything quickly. He can hardly be called a man.

It's a God.

It's probably the same, so I became a friend, but I watched him step by step until today.

Su Xiaowan worries about Xia Xiyang every day, but there has been no news. She asks Cheng Weiwei to check whether there is any news about the entry, and there is no news.

"It's been such a long time. I'm really worried about where Xiyang is hiding."

"The young master has been asked to look for it, and Mr. Lu is looking for it. He will tell you as soon as he has news. Don't worry about it."

At the moment, the anxiety in my heart can't be relieved, "I'm afraid that Xiyang will encounter something bad, and now the public security is also bad. If it really happens... Bah, bah, bah, I can't talk nonsense."

Knock, knock.

Someone came to knock on the door at that end. It was from the crew. They said it was the leading actor. They asked Su Xiaowan to come over and get to know each other first.

Su Xiaowan never thought that the person who came here... Was so familiar.

I just can't remember where I've seen it.

"Little sister-in-law, you look at me with such strange eyes, my heart is hurt --!"

This little sister-in-law immediately reminds Su Xiaowan of the name of Feng Yan's friend

Gu Jinzhou.

"Remember?"

"Well." Su Xiaowan looked at the man. He didn't look like an actor. "Are you really here to act?"

"Don't I look?"

"It's a little different."

Now director Liu came over and said, "Xiao Wan, this is the movie king who was popular all over the world at that time. We spent a lot of effort to persuade him to come."

"Movie king?"

Su Xiaowan really has no impression of this man.

Cheng Weiwei approaches. He is Gu Jinzhou's loyal iron fan. He thinks that he will never see an idol acting again in his life. He once thought that he would meet a real person here.

This is Gu Jinzhou, 30 years old.

After he was selected as the film king at the age of 18, he immediately joined the army. After that, he disappeared. There are many rumors that he quit the entertainment industry because of emotional injury.

But when he joined the army, the reporters couldn't ask him anything at all. After that, his reports became less and less.

After that, Cheng Weiwei didn't know his news, because her training intensified every day, and she didn't have any other thoughts. Today, when she saw her here, her heart burst out immediately, "Gu Jinzhou, can you sign for me?"

Gu Jinzhou looked at Cheng Weiwei's boyish dress and her handsome face, "I didn't expect that I still have male powder."

Cheng Weiwei almost choked to death with a mouthful of phlegm.

Is her make-up so exaggerated?

Even the only time I was close to the idol, the idol could not recognize whether she was a man or a woman.

Su Xiaowan stares at Cheng Weiwei. After Cheng Weiwei signs her name, she folds the paper very well, puts it into her bag, raises her eyes and sees Su Xiaowan staring at her.

In the eyes of the young woman, no one could see except their young master.

"Young granny, don't you know him? He's Gu Jinzhou, Gu Jinzhou... He was the one who shot the hot storm, the hero! At one stroke won the film emperor, 18 years old is the popular film emperor! But unfortunately, when I was on the rise in my career, I announced that I would quit the entertainment industry, so I haven't heard a word about it all these years. "

The wind and rain, it seems to be a play a long time ago.

Su Xiaowan is reminded by Cheng Weiwei that this man is 30 years old and even calls her sister-in-law!

Qi.

Mingming, Feng Yan is younger than him!

She wants to tell Feng Yan!

.....

Xia Xiyan has been taken to this place for a long time. That day, she thought that she had escaped from them, but who knows, they were waiting for her in her home.

So she was brought here by them. Every day someone would send her food at a fixed place, but she couldn't get out of the door.

Her cell phone was taken away by those people.

The door was opened again. It was time for them to deliver food. "Miss Xia, I advise you to eat something. People are iron and food is steel. Don't starve to death before you wait for our master."

"I want to see him."

"Our master is busy recently. He will come to see you when he finishes his work."

The woman said, immediately locked the door, Xia Xiyan was sent to now has been fasting, she did not eat a mouthful of food, rely on water to continue life every day.

She thought that this person was Mr. Lu's person, but if it was Mr. Lu, there was no reason to say that this way.

But to this day, she didn't see the host.

Chapter 488

All the windows here are locked. She has seen them all before and after. Except for the sewer, it can be said that a mosquito can't fly out here.

She can't climb down the drain.

She leaned there and looked at the food on the table. Rather than die here, she had better live and have a good look at what the man wanted to do.

A small red dot is facing her position, and her every move falls into the eye.

At night.

The door opened.

The maid came in, but this time there were more people behind her.

"Miss Xia, our master has come here and wants to see you."

Xia Xiyan actually had no strength in her legs. She looked at the people who came in and stood up reluctantly from the ground and followed the maid out.

Until the moment I saw that person, Xia Xiyan's pupils dilated.

It's him.

Three years ago, on the way back from the bar with Xiaowan, she met a man.

It's a killer.

At the beginning, I wanted Xiaowan's life

"It looks like you recognize me, so I don't have to introduce myself."

Lu Zhaonan looked at the woman. After many years, he still recognized her green face.

"You... Don't think I'll tell you where Xiaowan is! I won't say --! "

When Lu Zhaonan heard the speech, he suddenly began to laugh.

That laughter, let Xia Xiyan feel terrible, creepy, "what are you laughing at?"

"Do you think I didn't kill her when I couldn't find her? Or do you think you can stop me alone? "

Three years ago, in order to protect Xiaowan, she worked with him for a long time. Finally, the man suddenly left.

The next day, when she woke up, she was lying in front of her house with all her clothes and nothing unusual. She only thought that day was a dream. Later, because of more and more things, she forgot it all at once. If she had not seen this man today, she would have regarded it as a dream.

But after she said that, she suddenly thought of the original picture. That day, she asked Xiaowan to buy a bowl of rice noodles for her, and she escaped the disaster.

And this man took her as Su Xiaowan.

In the end, he didn't know how to recognize that he wasn't.

Before he left, he knocked himself unconscious. As for how he sent himself to the door, she had no idea.

Fortunately, on that day, there was something happened in Xiaowan's school. She hadn't come to live at home for a long time.

"Is it your conscience?"

Lu Zhaonan thinks that this girl is really... Interesting, just as interesting as her. Unfortunately, he has confirmed that she is not.

"At the beginning, the buyer paid 10 million yuan to buy her life. Do you think I would have a problem with money?"

Xia Xiyan is standing there, watching the man in front of him warily. Seeing what he looks like now, there are maids waiting on him. Presumably, it's not bad for money.

How can... Be a killer?

What's more, I don't know what he's going to do. He catches himself in this place and offers good food, but he doesn't let himself go out?

Just as she was daydreaming, suddenly a white shadow came running and hugged her leg.

"Mommy, it's really Mommy!"

Mommy?

Looking down, it was a small steamed bun, a boy with a small face carved with jade. It looked very lovely.

Xia Xiyan originally hated children. She thought such a big child was the most annoying. But looking at her, she felt that she was just a little angel, which made people want to pinch.

But this face is a bit like this man.

It should be his son.

It's just, why are you holding her leg and calling her Mommy?

She doesn't have such a big son.

"Daddy, Mommy really came back, you really didn't cheat me, it's really Mommy..." the boy grabbed her

hand, and the sound of silver bells reverberated in the villa. He was very happy.

The boy saw his mother for the first time. He held Xia Xiyan's hand and refused to let it go. "Mommy, I miss you so much. Every day I can only look at your photos. Every day I want you to come back to see me and my father... Don't you miss me? Don't you want daddy's? You've kept us waiting for you for three years... "

Xia Xiyan looks at the child, and then at the adult. Why does she always feel that this man is staring at her with his dotting eyes.

It makes her feel a little chilly in the back.

What waited three years?

The more she listened, the more confused she became.

"Mommy, why don't you talk?"

Xia Xiyan just ready to ask him, what three years, what Mommy.

But the man was the first to say, "Mommy's voice is not comfortable and she can't speak."

The child's little mouth pouted, raised his head and asked anxiously, "Mommy, have you seen the doctor?"

"The doctor said, take more rest. If you stay here with mommy for a while, go to bed, or you will never see Mommy again."

"OK, I'll be obedient, Mommy. If you don't feel well, listen to me!"

Xia Xiyan was pulled upstairs by him, watching her take out a lot of things, there are hairpins, brushes, and a lot of gadgets, are girls.

"Mommy, we didn't throw away the things you left me and daddy. Daddy said that you used to like painting best, and I'm also learning to draw recently! Look, I drew this... Isn't it good? "

Xia Xiyan looked at the ink painting, the painting is really good, a three-year-old child, can draw such a level, certainly paid a lot of thought.

Xia Xiyan didn't know how to reach out and touch his head, "are these all your paintings?"

"Mommy, your voice is so beautiful..." the boy's eyes were bright, and he stood there excitedly, but then the little flame in his eyes went out. "Mommy, if you have a sore throat, don't talk more, it will hurt later."

It's really a little warm man. It's not the same as the killer downstairs.

That man is cold-blooded.

Xia Xiyan accompanied the child to talk for a while, then a maid came over, "little master, the master has something to say to the little grandmother, shall I take you to take a bath?"

The boy went over to kiss Xia Xiyan. Although he didn't give up, he followed the maid.

"He seems to like you very much!"

The haunted man appeared again.

Xia Xiyan has a headache. She looks at the man coming in, wearing a black suit, with an indescribable sense of mystery.

In particular, this man with that kind of eyes staring at him, she always feel very... Strange.

It's like that you are the fish on the blade, and you are allowed to be slaughtered by the man in front of you.

"I don't like to stammer. If you have anything to say, just say it."

It's better to live or die than it is now.

"I want you to be his mommy!"

what!

Be his mommy!

Chapter 489

Lu Zhaonan looks at Xia Xiyan's big face. He feels more and more like her, but he knows that she is not.

But also want to live in their own fantasy, fantasy she is the person in their heart.

Every night when he was alone, he always recalled that time.

She used to like this kind of dress. She is full of student spirit.

Xia Xiyan's eyes see the picture on the boy's bedside. She looks at the picture in surprise. Her beautiful face turns white all of a sudden.

The girl in the photo is tied with a horsetail. She has a big face. Her features are clear, her lips are red and her teeth are white. Especially her eyes are clear and clear. The whole person looks just like her.

No wonder that child called her Mommy just now.

Originally... But she knew that the people here were not her, just similar.

In Xia Xiyan's life, except that time, she never met this man, let alone had children with this man.

"Can you stop looking at me like this? I'm not your son's mother. I can't help you with this. I want to go home."

"Xia Xiyan, now the Lu family have been looking for you, out of my door, waiting for you, what do you think it is?" When the man saw that she didn't speak, he continued to say, "you moved Lu Jin's woman, do you think he will let you go? If I hadn't saved you a few days ago, you would not know where you are now! "

Lu Jin is Lu Shimian's father.

Wen Yan, Xia Xiyan's eyebrows frowned tightly. In fact, she knew that Mr. Lu would not let him go that day.

The Lu family in Hong Kong City was founded by Lu Jin. Lu Jin loves his wife and dotes on his wife to the point of bigotry.

Hong Kong City is actually a tropical city. However, more than 20 years ago, in order to see the snow, Mrs. Lu Jin made the sky of Hong Kong city full of snow overnight.

Mrs. Lu's wish was met. From then on, a good story spread in Hong Kong City.

It can be seen how much Lu Jin loves Mrs. Lu.

That kind of love, let any woman envy.

"That's my business, I'm dead or alive, not your threat to me! Besides, it seems that you begged me to help you! "

Lu Zhaonan looks at her and smiles.

"Mommy

The little glutinous rice ball came in and had just taken a bath. He had a faint smell of milk

"Daddy, can I sleep with Mommy? I want to hear Mommy tell stories

Lu Zhaonan looks at the child running in and her eyes are fixed on the maid behind her. The maid lowers her head. She doesn't mean it. It's the young master who has to run in and say what he wants to find Miss Xia

"Mommy, is that ok?"

Xia Xiyan thinks that she must be bewitched, otherwise, how can she promise the child, still lying on the bed, telling her a story.

"... the snail girl became a person. In order to repay the scholar's kindness, she married him and became her wife. From then on, they lived happily together."

"Mommy, do they have a baby?"

Xia Xiyan looked at that childish little face, the child, the question is really jumping big, she nodded, "yes."

Although the story has not been written, there must be children. If not, we have to make it up.

Because he was afraid that he would ask why they didn't have children.

Anyway, Xia Xiyan doesn't believe in such a story. These two are not the same species. How can they have children?

Is it a snail or a monster?

However, beautiful fairy tales can not be seen from a realistic perspective.

"Mommy, if you have a sore throat, please let me know."

It's a little warm man. Xia Xiyan looks at the little child on the bed. She reaches out and touches her face.

"Go to bed, it's late."

"Mommy, I'll close my eyes and you'll be gone."

"... no, you close your eyes and wake up tomorrow morning and you'll see me, too."

"Well, let's pull the hook. No one can cheat."

Xia Xiyan reaches out her hand and checks with him.

The child gave him a satisfied kiss on the face and lay down satisfied.

Soon, I fell asleep.

When Xia Xiyan got out of bed and went out, the man was at the door.

"You..." how here, that sentence has not finished, just looking at the man came, conveniently closed the door behind him.

"He likes you very much."

Of course she knew who he was talking about.

"He just missed mommy so much that he relied on me. What he wanted was her Mommy, not me."

"As long as you stay, you are his mommy."

White pick such a big son?

Although the child is really soft and cute, it is not his own child after all.

"Sir, instead of looking for a fake to accompany him and deceive him, it's better to get your woman back and cut the blood relationship constantly. I really can't help you or him in this matter."

Xia Xiyan doesn't know what happened between them, and why the woman left them, leaving a three-year-old child behind.

I don't know why, Xia Xiyan feels the Pathetique of men.

"Xia Xiyan, I can make your head blossom."

"No matter how you threaten me, I can't help you."

Lu Zhaonan watched the woman as like as two peas of wine passed through her nose, and a faint fragrance came into her nasal cavity.

He held her by the wrist tightly.

"Who the hell are you?"

"... you are crazy. I am Xia Xiyan. Who else can I be! Sir, I have a husband. I don't like you with a child like this. "

The man casually hooked his lips, it seems that he is really... Crazy.

"During this time, you are here to talk with him, otherwise, I will kill your friend."

"You..."

"You're not afraid of death, are you sure she's not?"

"You can't find him!" Su Xiaowan is surrounded by master Feng. How could this man be his opponent.

She's playing psychological warfare, and she can't just be put in by him.

"Yes? I've been reading about her in magazines recently. I'm afraid you don't know. She's a great hero now. I want to find him every minute. "

what?

Xia Xiyan really didn't believe it, but the man didn't know where to draw a magazine. In the magazine, it was su Xiaowan's face.

And the picture of the banner.

Her little face turned white.

"I want to kill her every minute, but I'm not a person who doesn't care about her. In my heart, it's more important than money."

Slender eyelashes such as wings trembled for a while, Xia Xiyan ironically said, "I didn't expect you to be a killer, and have feelings."

"Everyone has it, not even Lu Shimian."

Mention Lu Shi Mian, the eyebrow of the woman frowned, don't know how long, didn't think of this name.

She almost forgot.

It turns out that one thing fills my heart one by one, and I can't think of anything else.

.....

The shooting of the crew is quite smooth. Although Gu Jinzhou is old, it's not ambiguous at all.

Su Xiaowan felt the title of movie king for the first time, which really deserved her reputation.

Liu Dao was also praised repeatedly. Under his leadership, Su Xiaowan had lost a lot of NG, which was

basically the same.

Standing on one side, Su Qiqi was jealous. How could su Xiaowan be so lucky? He was Lu Li before. Even if he was abandoned by master Feng, he was still surrounded by this movie king.

Before, Su Qiqi didn't know who Gu Jinzhou was or what Chen Xu told her. Only then did she know that this is a powerful man.

At a young age, he took the position of movie king.

Such a person is the image of the perfect husband in her mind.

She wants to catch up with him.

Let her be her own.

The reason why she became a star is to meet a better man, and now, she met this man, she is determined to win.

After su Xiaowan finished her work here, she went back to the hotel accompanied by Lin Zhenzhen.

In the car.

"Did Tang Xiao trouble you last time?"

Su Xiaowan doesn't know how Lin Zhenzhen knows. For her, the matter has been solved, so there is no need to mention it.

"Er..."

Lin Zhenzhen took out the photo and handed it to her. "When you met with Tang Xiao and director Liu, you were secretly photographed."

what?

Su Xiaowan looks at the photos. The first one is Liu Dao and her. There are also several photos of her entering Tang Xiao's room and coming out later.

When she came out, her clothes were in a mess. It seemed as if something had happened. Anyway, when she saw the photos, she was about to mislead.

"Someone sent it to the magazine. Fortunately, I met the editor in chief of the magazine and spent some money to buy the photos."

Lin Zhenzhen looks at Su Xiaowan. She just started her career. Naturally, she doesn't understand such things. She also blames her. In recent days, she has been busy with other things and ignores her.

I didn't do my duty.

"Next time you come across something like this, you call me. I'm more experienced than you in dealing with such people."

"Good."

"Go back and have a good rest. There won't be much of the next play."

In fact, this drama is only 20 episodes. Director Liu is the most annoying one for the lengthy plots in those TV dramas. He thinks that he should present the best works to the audience instead of pouring water into them.

"Goodbye, sister."

Su Xiaowan went back to her room, only to see Feng Yan at the door.

"Er, Feng Yan, why are you here?"

"Come and see you."

"Then come in..."

This is the hotel set by the crew. People are coming and going. Su Xiaowan doesn't want to cause others to gossip, so she pulls Feng Yan into it.

Next second, Feng Yan pressed her in the corner, hot eyes with fiery and straightforward.

"You don't want me?"

She raised her eyes, facing Feng Yan's face, and leaned over to kiss her.

Just about to kiss a second time, suddenly the doorbell rang.

Chapter 490

Su Xiaowan is leaning against the door. From cat's eye, it turns out to be Lin Zhenzhen

At the moment, Feng Yan just hugged her and wanted to continue what he had just done.

The doorbell and the knock were ringing on her back, and her back shook several times.

"Concentrate..."

This letter was so enthusiastic that she couldn't accept it

At this moment, Feng Yan had already taken off her clothes. Her hand covered her gently

Su Xiaowan is sensitive to the man somewhere, her face can't help reddening, but the knock on the door, but has been noisy, she suddenly pushed him away.

The doorbell rang all the time. Su Xiaowan picked up her clothes and put them on. Now she pushed Feng Yan around in a hurry. Finally, she pushed him into the bathroom.

"Feng Yan, just a moment. I'm sorry, sister Zhenzhen must have come to me for work. I'll solve her soon and come back to help you..."

Su Xiaowan leaned over and gave her a kiss, but the man's face was still extremely black.

The next second, the man pressed her head and gave her a kiss.

Outside urge of anxious, even the mobile phone began to think of, Su Xiaowan comforted the man, "well, I'll be back."

The man gasped to suppress his desire.

Seeing that Feng Yan didn't say anything more, Su Xiaowan leaned over and stuck it in his ear, "I'll make it up to you later, you wait for me."

Then he ran out and opened the door for Lin Zhenzhen.

"Sister Zhenzhen, why are you here? I'm sorry. I was in the bathroom Su Xiaowan opens the door and asks Lin Zhenzhen to come in.

I brought out a glass of juice.

Lin Zhenzhen sat there, "you sit down. I have something to tell you."

Su Xiaowan sat down obediently, "you say."

"In a few days, the crew will arrange a general examination. These are several items that need to be checked. I don't need to remind you of some things. You should know it in your mind."

This test, what gynecological examination.

"I understand, Zhenzhen."

Lin Zhenzhen told her a lot of precautions one by one, and was afraid that something was wrong.

Just, say, Su Xiaowan found a serious thing.

She forgot Feng Yan!

No, no, No.

Su Xiaowan stares at the pieces of paper and glances at the European style wall clock on the wall for more than an hour.

Oh, my God, she's dead.

"You don't feel well?"

See Su Xiaowan a pair of buttocks can't sit still of appearance, Lin Zhenzhen opens a way.

Su Xiaowan was so said, she can't drive people away directly, just Lin Zhenzhen's words, gave her a step down, she suddenly covered her stomach, "that Zhenzhen sister, I have a little pain in the stomach, that you wait to go home, help me close the door, I go to the toilet."

Su Xiaowan hurriedly pushes the door in, only looking at Feng Yan in a suit, sitting on the edge of the bathtub. When she appears, her face is almost sad, just like Snow White who was thrown a drug by a witch.

No, it's not snow white. It's the prince.

Su Xiaowan got into Feng Yan's arms.

"It's like having an affair... Don't you feel that way?"

As soon as she finished speaking, the next second.

She listened to Lin Zhenzhen's words at the door, "Xiao Wan, I'll go back first. If there's anything wrong, call me."

She looked at Feng Yan, "Oh, well, Zhenzhen, I won't send you."

"Don't send it."

Lin Zhen is really a handsome girl. She didn't stay there much. With a bang, Su Xiaowan heard the door closing.

Finally, she left. Su Xiaowan was relieved and felt that she was about to collapse. She was frightened for a long time just now.

Sure enough, lie is to pay the price, or wait for that day, tell Lin Zhenzhen, also can't help but be so nervous.

Soon, she fell into Feng Yan's arms, just

"Feng Yan, you"

His

The man grabs her arm, his eyes are like volcanic rock, and he wants to melt her in a moment.

"Why don't we go to bed"

But the man stretched out his long arm, grabbed her directly, pressed her into his arms, and his voice was too low, "right here"

Su Xiaowan's head was a little blank. She only heard the sound of the metal belt opening with a click. After that, she was blocked by Feng Yan.

After a few hours, Su Xiaowan was exhausted.

She seriously suspected that Feng Yan had come back only after he had gathered together several times.

However, the man with lust looks 100 times more handsome than before.

No wonder some people say that death under the peony is also romantic.

Men have desires, so do women. Although Su Xiaowan is not as strong as Feng Yan, ye misses him.

Perhaps adult men and women, the way to express miss, from the body can only be shown in this way.

Afterwards, Feng Yan hugged her and saw that she was almost dizzy and was about to fall asleep.

"You don't want to take a good look at me when you see me"

Su Xiaowan's eyelids can't be lifted. "I'm going to have a physical examination in a few days. I have to make up for my sleep, or my plain face will be too ugly."

"Who dares say you are ugly."

"Feng Yan, I have acne on my face. Isn't it ugly?"

Su Xiaowan's face has two pimples, very small, close together, just visible.

"It's not ugly. It's cute"

"....."

Su Xiaowan looked at Feng Yan bitterly. He didn't know what to say.

lovely?

It's lovely.

Su Xiaowan didn't believe his lies. "If I had acne on my face, you wouldn't say that"

"Why"

"Because you can't kiss"

"Who said that The man hugged her, "as long as it's you, I can kiss everywhere."

"....."

Why did she think so much about it! It must be sealed. It's too dirty.

She didn't want to talk to him.

Su Xiaowan fell asleep in a daze. He probably didn't know how long he had been sleeping. He seemed to be crushed by a ghost.

With a sudden breath, she woke up and saw that it was still dark.

Looking at the man lying beside her, she lay in his arms and went on sleeping.

She is super sleepy these days. She feels as if she has eaten something that can make her body sleepy.

It's like starting with the crew.

Just, but did not think, when she woke up again, he was in the hospital.

And Feng Yan stood in her ward with a heavy face.

"I... why am I here"

She didn't even know she came to the hospital. She really overslept.

"You have a lot of sleeping pills in your blood"

what?

sleeping pill?

On hearing this, Su Xiaowan got up from the bed and said, "Feng Yan, I haven't taken any sleeping pills. I haven't even had a cold these days. How can I have sleeping pills..."

She suddenly remembered that yesterday Lin Zhenzhen said that she would have a general examination.
