

good evening 531

Chapter 531

"Shut up

Fengyi stroked his forehead and looked at the man with a light face. The emperor was not in a hurry to die.

"Oh, young master, how can you stand it?" The one who was not afraid of death asked again.

"If you feel idle, Feng Yi, I can make you busy in the near future."

Feng Yi waved his hand in a hurry. He was terrible. The young master obviously threw his anger at Ning Jingzhi on him. "Young master, I'm joking... I'll go. Ning Jingzhi seduced the young granny with her beauty. I'll be shameless. Don't worry, young master. I'll give you a head --!"

Feng Yi couldn't bear it any more. He clapped his hand and went straight to the other end.

But listen to him.

"Sit down!"

"... Er, young master, if you don't do it now, you'll regret it later. Your woman is going to be robbed. Why don't you worry at all? If you are robbed, you're going to have a baby with someone else --"

Feng Yi didn't know what he was talking about. He saw Feng Yan's expression, and now his eyes were staring at her.

"You think she's going to be robbed?"

"Why not? This woman is very realistic. You don't have time to accompany her recently. When you meet a warm man, you will definitely be excited --!"

"What is warm man?"

Fengyi felt that he had just said so much, but he couldn't say what it meant for a while.

"I'll search it for you."

With that, Feng Yi took out his mobile phone and searched for a paragraph on the Internet.

"The warm man refers to a man who can give people a warm feeling like the sunshine on a warm day. They are usually considerate, can take care of the family, can cook, more importantly, can well understand and sympathize with other people's feelings, also known as "take care of the family warm

man". Young master, I don't think you are a warm man. It has nothing to do with you at all. Look... You don't care about your family, your wife, your wife... "

Feng Yi only looked at Feng Yan's hand holding the cup.

It looks like I'm nervous.

He was not afraid of death and added, "young master, women all like romance. You see, Ning Jing is interested in the young granny. Otherwise, how can the young master of Ning family not leave the table until now and bring food to the young granny? It's obvious that the drunkard's intention is not to drink. "

"You see, this food is called a happy one. When young master and young grandmother eat with you, are they so happy?"

Of course not.

Because Feng family pays attention to self-restraint, Su Xiaowan will never be like this in front of him.

Damn it, he's starting to be jealous.

The flames of jealousy came up all of a sudden, burning him senseless.

"Young master, why don't we order a hot pot? Isn't this your property? "

Just then, Feng Yan suddenly thought of something.

"Go and get the boss."

"How kind of you, young master?" Fengyi ran to the boss in a hurry.

This place is Fengyan's industry. It was invested in the club a long time ago. In recent years, because of the growth of Fengjia, the club has attracted many people to eat with its unique charm.

Business is not good.

The boss was scared to death when he heard that Feng Yan had come.

He almost came with his heart in his heart. He never thought that the young master would come

"Young master, the... Guests are already eating. If we drive them out, the customers will complain. Why don't we let them finish as soon as possible?"

"If they don't go, you go. You do it yourself."

The boss is staring at me, and I'll go by myself?

Let the guests go.

The boss touched his forehead, was scared out of a sweat, "I immediately let people out."

Fengyi was standing there. He thought he could eat hot pot.

The young master is very bad.

"Young master, you are driving people out. This place is so big that they can make another appointment."

"She'll have to go, too."

"....."

Shit, that's a terrible look.

It turns out that jealous men can't bear it because there is no reason at all.

On the other side.

Su Xiaowan thinks this hotpot is really delicious. It's the best hotpot she's ever had.

She was filled with a lot of joy. Ning Jing looked at her real appearance and thought that this little girl was very cute.

It's awesome for grandma.

"What do you think of radish now?"

Poof.

Su Xiaowan was so dazzled that she was tempted by his delicious food. She quickly took a tissue and wiped her mouth. "I still think the vegetables are delicious."

I heard a knock on the door outside the box.

"Come in."

The boss came here in person. The boss also heard from the waiter that the young master of Ning family was inside, so he came here in person to deal with it.

Although I don't know what kind of grudge the Ning family and the Feng family have, the young master himself gave an order that no matter what the reason, he would drive people out.

"Mr. Ning, I'm really sorry to disturb you for your meal. Our whole shop has just received the notice above and will come to the site for investigation. Now we are closed."

"Suspension of business?"

"Yes, miss, I'm really sorry, because the news came so suddenly, we are also discussing with various customers... Of course, all the expenses on your side today are charged to our account."

Su Xiaowan wanted to leave, but she couldn't find a reason.

"In that case, master Ning, let's stop here today. I'll go first. Bye."

With that, the man ran away.

Su Xiaowan ran out of the club, originally wanted to go home to see a play, but did not expect to see Feng Yan's car here.

Although he stopped there in a low key, Su Xiaowan saw it at a glance.

Is this letter also in this club?

But I heard that rich people like to come to places like this when they talk about business.

But fortunately, I ran fast, otherwise I would be caught.

The next second, she saw Feng Yan coming out of the door, followed by Ning Jingzhi.

Su Xiaowan was going to run past, but looking at Ning Jingzhi's eyes, she immediately turned back and ran to the bus stop, stopped a car and ran away.

Feng Yan, "..."

Ningjingzhi, "..."

Ning Jing didn't expect to meet Feng Yan here. He reached out to him and said, "Feng Shao, it's really a coincidence."

"Unfortunately."

Ning Jing straight didn't understand what Feng Yan was saying. He looked at the man, but saw that he had released his hand and got into the car.

Ning Jingzhi looks at Feng Yan's car and leaves. He has heard about Feng Yan and Su Xiaowan

Did Su Xiaowan just run away because of Feng Yan?

Or is he the vegetable?

If he is a vegetable, then

Chapter 532

Ning Jingzhi watched Feng Yan's car leave and touched his nose. Did Su Xiaowan run when he was watching him just now, or did he just run when he saw Feng Yan... He's not a fool.

If Feng Yan is the green vegetable, then things seem to be much more difficult than he thought.

He remembered that his grandmother was Feng Yan's evaluation: inhuman.

The way that Yan spoke just now was really more inhuman.

Su Xiaowan originally wanted to go to the hospital. She got Su Zheng's hair yesterday and wanted to have a test. But on the way, Mrs. Gu called.

She's not taking it or not.

But out of politeness, Su Xiaowan answered the phone.

"How's it going? Have you seen him? "

"... well, I see."

"How was your conversation? I asked him just now, and he didn't say anything. I was so anxious. " Mrs. Gu and Mrs. Feng are the same kind of people.

of impatient disposition.

But her grandchildren faltered and hesitated. She doubted her beautiful character and did not let them inherit any of them.

"I... master Ning is very nice, but I'm sorry, old lady. He's not my type."

Su Xiaowan thought, anyway, this sentence will die sooner or later, it's better to tell her directly and simply now.

Save yourself trouble.

She wants to live a few more years.

"... ouch, what's the matter with you, Xiao Wan? I've told you all about you. I'll tell you, that scum man doesn't want you. It's his loss."

Er

"Among my grandchildren, this one looks pretty good. The others are either lecherous or idle. They are not good enough for you. Originally, my grandson, governor Gu Jin, was fairly good, but he is also a scum man. He is more scum than that old Fengjia. I won't push you into the fire pit... Forget it, I don't want to harm you, Although you can't be my granddaughter-in-law, I really like you. In this way, I think you should be a granddaughter. What do you think? "

"....."

This is not the result of her thinking

However, the recognition of granddaughter

"When you have time, I'll take you home. You can rest assured that you will be my granddaughter in the future." The old lady said it vigorously, but listening to the voice, she hesitated in surprise for a moment, "Xiaowan, would you like to?"

"Yes."

When she is Mrs. Gu's granddaughter, she certainly doesn't have to go on a blind date with Ningjing.

Su Xiaowan picked up a grandmother for no reason.

"Well, ha ha ha, I'm going to show off to Lao Feng."

Show off?

But she suddenly remembered that the old lady and Mrs. Gu were good friends, that the letter Yan was the old lady's son, and that she became Mrs. Gu's granddaughter. So, the identity relationship is a bit complicated.

Isn't it that after seeing Feng Yan, I want to shout uncle.

As soon as Su Xiaowan wanted to say something, the old lady blessed her and hung up long ago.

Before long, Su Xiaowan's mobile phone rang again.

And the driver of the car, not so good mentality, she stepped on the accelerator, step on to the end, the taxi was directly overtaken by luxury cars.

It was the first time the driver saw such a thing. He was so scared that he stepped on his car and said, "Miss, have you offended anyone?"

That car chased him all the way. In fact, the horsepower of this luxury car is easy to chase him.

But I don't know if the driver of the luxury car intentionally let them run every time he caught up with them.

But the distance is far, and stepped on the accelerator, catch up with them.

It's like... Playing a game.

He is a novice. He just bought a taxi. He wanted to earn some money. He was at a loss when he wanted to encounter such a thing. He certainly didn't offend others, so the woman behind him is not sure.

Su Xiaowan was playing with her mobile phone. Lin really said that after watching her stills, she felt very much in line with their spokesmen and wanted to cooperate with her.

Su Xiaowan just wanted to refuse. After all, Lin Zhenzhen gave her the test to enter the entertainment industry. Su Xiaowan didn't want to be famous, but wanted to do her own business.

She didn't want to touch the muddy waters of the entertainment industry.

But as a result, the car slammed on the brakes.

She accidentally smashed her cell phone on the seat.

The driver talked over and asked her, pointing to the car at the other end.

Su Xiaowan looked up and saw whose car it was.

This letter has not been pursued all the way.

Why don't you call yourself?

"Well... Don't be afraid. They're not underworld. They're my husband's car." Su Xiaowan took the money out of his pocket.

The driver heard that it was his husband, "then he must have been bullying you at home?"

"... Er, bullying?" Su Xiaowan's action of taking out money pauses.

The car is a new car. The interior decoration style tends to be small and fresh. Look at the photo of a boy and a girl in the car. The girl smiles sweetly.

And the boy is the driver.

The driver, who was in his twenties, was very young.

The driver said, "the car has chased us all the way. Every time it catches up with us, it makes us run. After a long run, it catches up with us again..."

Hearing the speech, Su Xiaowan couldn't help laughing.

"Little brother, when you grow up, you will know that this is the taste of an old man."

In fact, Feng Yan is not old. What she means by old man is probably Feng Yan's psychological age.

Before the driver could react, Su Xiaowan's money had already been put into his kettle. He had watched her run out of the car and went in towards the luxury car.

The expression on her face is the same as when her girlfriend comes to him every time. Therefore, the person inside is definitely her husband.

But... This man's face is a little familiar.

But it doesn't seem so.

.....

Feng Yi looks at Su Xiaowan who sits in and winks at her.

At this moment of eye contact, Su Xiaowan immediately understood.

But he also dug a pit for himself.

Because Feng Yan's eyes pressed tightly, he immediately lowered his head.

Su Xiaowan took a look at Feng Yan. She leaned over to him and said, "what's the matter with you? I'm not angry because I didn't pay attention to you just now, am I? "

"... not really?"

"....."

"Do you want to give me a hug? Just hold it high. You're too heavy."

"I look like I'm angry?" Suddenly, the man came coldly.

Feng Yi couldn't help interrupting. He couldn't sit down all the way.

Although it seemed that he was also to blame for the incident, later, Fengyi still carefully enlightened him there.

For example, if you love her, give her freedom.

For example, you are not a warm man now, but sooner or later you can be.

For example, girls all like romantic.

.....

So, there will be the following... Chasing cars.

But it seems that little grandma, she just

"... is it still necessary to see it so obvious? That's freezing! I was freezing to death just now? "

"... what happened to him? You just made him angry? "

"Hungry? How about hot pot? "

Su Xiaowan, "..."

This is more terrible than scolding her... Moreover, the person who provoked her is not a feud, it's her

No wonder Feng Yan happened to be there.

"... well, I can explain that."

"Explain what?"

Still pretending to be a fool, Su Xiaowan seems to know what he is thinking.

"It's nothing. I just want to eat hot pot. It's rare for you to invite me to eat. Then I want to eat it freely."

Feng Yi thought that she had completely angered the young master.

He'll have to find a way out of here soon.

So as not to hurt the innocent.

Feng Yan, "... Where do you want to eat?"

Fengyi can feel this sentence, this Fengyan is from the teeth.

He will definitely run as fast as he can.

.....

Is still familiar with the place, or familiar with the boss.

Su Xiaowan is still sitting in a familiar seat, while the person opposite is not Ning Jingzhi, but Feng Yan.

Su Xiaowan looked at the steaming hot pot in front of him. He thought he just met him at the door. He knew about his blind date with Ning Jingzhi, but now... Obviously, from the time she entered baox to the time she finished eating with Ning Jingzhi, she paid attention to them all the way.

Feng Yan put the meat in her bowl.

Su Xiaowan felt a pause in her heart, "... Husband, I'm wrong."

"What's wrong?"

"It's all wrong."

"I was very happy with what I ate just now."

"Where happy, not happy at all, not happy when I eat in front of my husband now."

"I didn't see you eat less."

"I was hungry. Besides, I must eat more of other people's food. You don't know, just now the club came to check the hygiene. We all ate for nothing."

Free.

If she knew, the meal was out of her own pocket.

I don't know what to do.

Su Xiaowan reacted quickly. It's not right

Just now the boss said that he would not do business with others today. How can Feng Yan continue to eat when he comes here

Besides, just now Feng Yan saw her having dinner with Ning Jingzhi

It's hard.

"Don't tell me, you asked the boss to come?"

"It's me."

"... so you paid for our meal?"

"Well."

"You're silly. It's precious here. I just looked at the limit it said. A meal costs tens of thousands of yuan... I'm going on a blind date with him. Although I don't like him, it's AA system in the end. Now I invite him to a meal. I'm at a loss. Why should I invite him to dinner? I might as well invite you to dinner. "

"It's not too late to have this awareness." Don't say, this has coaxed Feng Yan.

"But I've been rubbed by him for a meal."

Chapter 533

"Feng Yan, am I a black sheep? No, I'll take your hard-earned money and invite Xiao Bai Lian to dinner? "

Su Xiaowan held her cheek and said it seriously. The expression on her face was changeable. After a while, she sighed again.

"At that time, when the old lady said that she wanted to introduce me to a blind date, I should have refused... I regret it."

"I won't let him have this meal for nothing."

Su Xiaowan looked at Feng Yan and said, "you don't want to hit him, do you? It's not good. It's not good to beat someone. Anyway, I'll treat him to a meal. I'll work hard to earn more money. "

"... in your heart, I am a violent person?"

Su Xiaowan immediately noticed Feng Yan's eyes and flattered him. Feng Yan likes flattering others most.

"I know that you are a rational person. You don't beat people all the time. Your quality is super good... But every time you meet me, you are not rational. I'm not your wife. From my point of view, I should

always remind you to be a good wife..."

"Are you?"

Su Xiaowan straightened his waist, "although I'm not now, I will certainly be in the future. Feng Yan, when I was your wife for the first time, I'm still groping, but I'm so smart, I'm sure I'll be easy soon, right?"

"A good wife can't just go on a blind date with a strange man."

How can we talk about this again.

"Feng Yan, I think you have changed."

"What has it become?"

"You don't love me anymore!"

"....."

"... I have apologized to you for this matter. I said I'm sorry. You should say it doesn't matter, instead of holding on to my mistake all the time."

"If I sit here on a blind date with a woman, eat here and come home, I'll say sorry to you, and you'll give me a reply, that's ok?"

"... that's no good. I won't forgive you even if you kneel down on durian." Su Xiaowan's eyes were fixed on Feng Yan, "er... I seem to have a double label."

"But I really can't stand you with other women..." Su Xiaowanla shrugged her little face, "... Is it difficult... The old lady asked you to go on a blind date?"

The old lady has arranged a blind date for herself, so Feng Yan is the old lady's son. He must be forced by the old lady.

Even Feng Yan couldn't catch up with him.

Although the old lady has not contacted herself for a long time, in order to let Su Xiaowan know that she is also very popular, he nods without conscience.

"What? You really want to go on a blind date? Who's that lady from? "

"I don't know."

Su Xiaowan's eyes are like little stars.

She immediately put down her chopsticks, now where is a hot pot thing, her husband is almost gone.

She threw herself into Feng Yan's arms, two hands around his neck, like a koala, "ah Yan, you said that you only love me in this life, ah Yan, I will never dare, you don't go, OK?"

For her coquetry, how can Feng Yan sit back and do nothing.

At the dining table, Feng Yan's mobile phone rings. Now it's really the phone in the old house.

He took the cell phone and put it close to his ear. Su Xiaowan leaned over and leaned his ear on his hand to hear what the other end was saying.

"Today, someone came to the matchmaker and asked me to call you. I don't want you to go out and harm others, but I can't help it. People will marry you anyway..."

Chapter 534

"It's the daughter of the chief executive of the electronic group. I don't know what your name is. Anyway, I've seen the photos, but my little Wan doesn't look good. Go and see for yourself. Don't say it's so big. Your mother doesn't think about you. If you want to refuse others, you can refuse yourself..."

The old lady's words were full of "you think I want to take care of you. If it wasn't for a son like you, I wouldn't bother to take care of you, but you are a scum man. This is a fact that can't be changed."

Su Xiaowan listened to the man's hand, because the old lady was really angry, so her voice was very loud.

She heard what the old lady said that she wanted Feng Yan to meet Qian Jin

I don't know what Feng Yan will say. Su Xiaowan's first reaction is to get close to him and kiss his face.

The man's action was stiff. He didn't expect that Su Xiaowan would kiss her, and still in this way.

"Scum man, do you hear me? It's 5:30 tomorrow afternoon. I don't care whether you like it or not. I've already brought it to you. "

Su Xiaowan saw that he wanted to speak, and immediately blocked his mouth.

Then seeing Feng Yan's expression, he always teases him.

It turned out that she could... Her eyes were fixed on Feng Yan and she said it in a soft voice.

"I kiss you. If you don't refuse the old lady's blind date, I will ignore you and don't like you."

Before Su Xiaowan finished, the next second, the man lowered his head, forced to kiss her lips, plundering every inch of skin, more intense than before.

Su Xiaowan was stunned. Feng Yan's action made her at a loss. Her eyes widened. She remembered that in this box, Ning Jing opened the window for her just because she was eating too hot.

Yu Guang looks at the window at the other end. The window is closed.

It's just... When I come back, it's because of the old lady's voice.

"Dead man! Who cares about you, who cares about you. "

Then the phone hung up and Feng Yan loosened her lips.

Su Xiaowan still sat on his lap, listening to him say, "Su Xiaowan, never say you don't like me, otherwise, I don't know what I will do."

The appearance of Jin Gui made Su Xiaowan want to lie on his body.

Of course, she held back.

"... are you going on a blind date?" Su Xiaowan frowned at him.

"Did I say I was going?"

what?

Su Xiaowan looked at his lips. She said angrily, "you lied to me, thief."

"You want to kiss me yourself." Feng Yan put the blame on her.

"... you're really getting more and more macho!"

"Is that me?"

Su Xiaowan put her arms around his neck and gave him a kiss on the face. "No, of course not... Feng Yan is the best man, my husband."

Feng Yan takes Su Xiaowan home. On the way home, she thinks about what she saw in the club during the day. "Feng Yan, send me back to Su's house. I'm going to see what's going on at home."

Shen Yin hasn't been with Su's relatives for several years. I seriously doubt that the matter is so big today that maybe the old lady will come to intervene. "

"I think you're just going to watch the fun."

Ah, ah, he saw through such a careful thought.

Chapter 535

"Sometimes I really feel that the saying that people are doing and the sky is watching is a kind of self consolation imagined by the injured people. Maybe the God also occasionally drifts away, so I don't see what the bad guys are doing. Those bad people live in such peace of mind that they don't live in fear at all.

On the contrary, they live well, better than normal people. It seems that such things have not affected their lives at all. He still can eat and sleep every day, even without a trace of guilt or apology. He is energetic every day, and even has leisure to look for women outside... Do you think God will punish such a person? "

Feng Yan's eyes were fixed on her. The girl's long eyelashes were stained with pearls and twinkled slightly. He suddenly leaned over and hugged her tightly.

"Justice will be late, but it won't be absent. If you can't do it, it's up to me."

Pounce on him, Feng Yan's body with a reassuring flavor, what he said, she believed.

"I don't want you to do it! Feng Yan, I believe they will have retribution sooner or later. "

"Well." Feng Yan hugged her and pressed the back of her head with his fingers.

Make blind and disorderly conjectures, ah, I always love to think about how to think about it recently. It must be too idle. I think I would rather let the true sister pick up the perfume advertisement, and save me from finding trouble every day.

"Su Xiaowan, you have done well enough."

Su Xiaowan felt the embrace of a man. You've done enough to move her. It's like a hand holding her heart. "This is the first time you praise me. You won't praise anyone before. I'll record it and listen to it later."

"....."

Just watch Su Xiaowan take out his mobile phone and face Feng Yan.

"Say it again..."

"If you want to hear it, I can say it at any time. There's no need to record it!"

"Don't go back on what you said!"

What else did she want to say? Suddenly, the phone rang. It was the old lady's phone.

She almost forgot to report to the old lady.

"Hello, old lady..."

As soon as the old lady called out to her, she was not happy. She blamed the scum man. Such a good girl didn't want to. If she was a man, she would chase Su Xiaowan.

"Xiaowan, have you met the grandson of Ning family? How's it going? "

"... yes, but... It seems that she and I don't like each other. Old lady, this kind of thing depends on fate. How can we like others so quickly?"

The old lady's tone could not tell whether she was happy or lost. She thought that Su Xiaowan must have been hurt by her son. Maybe the son was still entangled with her.

"Well, I thought that the grandson of the Ning family was pretty good, and he was very handsome. I thought that you could meet him. Although you can't be my daughter-in-law, it's good to be my granddaughter in the future. This old lady of the Ning family is my best friend for many years. If she doesn't treat you well in the future, I still want to stand up for you, You also don't always place your hope on that scum man. If she really wants to treat you and like you, she has come to you for a long time. You don't know that the best way to forget a relationship is to quickly move on to the next one. You didn't fall in love with others. Maybe, when she was young, who didn't meet several scum men... He didn't pester you recently? Is it threatening you not to go to other men? "

Su Xiaowan stroked his forehead, saying

The more you say it, the more wrong it is.

"That... Old lady, there's nothing. I'm very busy at work now, and I don't have time to talk about people these days."

"Xiaowan, I'm from the past. At your age, I'm the most popular. Unlike that scum man, I have to step into the ranks of uncle. Those women probably don't like him. If he really pesters you, you can tell me that I'll make the decision for you..."

Su Xiaowan is feeling that this matter is in a mess, and it doesn't make sense in the follow-up. But the next second, a heat source suddenly comes to her. She sees Feng Yan come to her and block her mouth.

Foul

I've never seen such a foul before.

It's the same way to deal with her!

Sure enough, this letter is a good student.

The old lady at that end was still saying something. Of course, her attitude towards Su Xiaowan was better than Feng Yan's, "don't worry, I'll take care of your affairs."

"Well..."

The sharp sense of what, "Xiaowan, you... What's the matter with you?"

Su Xiaowan pushed Feng Yan aside and said, "old lady, I'm ok. It's just that... I met a fierce cat just now."

"Then you have to be careful. Those cats are very fierce. Don't get scratched."

"I know."

The old lady said a few words and then hung up. Su Xiaowan put her cell phone aside and looked at the glaring Feng Yan.

"What are you looking at me for?"

"See you lie."

Poof.

"That's not forced by you. If you hadn't suddenly kissed me, how could I have a blank in my head and didn't know what I was saying."

"I'm treating people in their own way."

Su Xiaowan looked at him contemptuously, "you are clearly enjoying it!"

When the car arrived at Su's door, Su Xiaowan quickly gave Feng Yan a kiss on the face, and then jumped out of the car.

When I walked in, it was in a mess. All the glass jars were broken.

Shen Yin was sitting on the ground, and all the bottles and cans around him were smashed to pieces. Shen Yin's hand was even scratched by the glass, and Su Qiqi was also sitting on the ground, crying to death.

And sitting on the stool, is Su Yuwei, standing there, is Su Zheng.

At the moment, Su is gently embracing Su Yuwei, seemingly totally ignoring the clamor of the woman in front of her.

It's a real scum.

Su Xiaowan's appearance seems to be too late. The scene has been chaotic for a long time. Aunt Lin sees her and pulls her aside.

After telling her what happened just now, Su Qiqi came back and made a fight. She told Shen Yin about Su Zheng's cheating. When Shen Yin learned about it, she went to the company to make a big fight.

In the end, Su Zheng brings Su Yuwei home.

"What? And pregnant? " Su Xiaowan was surprised. She thought it was cheating at most, but she didn't think it was fast enough.

Even the children.

Su Zheng has a home and a room. She can't clap her hands. Su Yuwei must be a good one.

Su Xiaowan didn't meet Su Yuwei. In fact, many of Su's relatives were just a few friends.

Those collateral relatives, that's even further away.

It is impossible for Su Xiaowan to know each other one by one.

At most, that is, familiarity.

"Well, besides, the master wants to divorce his wife and marry Miss Su --"

Aunt Lin stood at the corner of the wall and told Su Xiaowan all the things that had just happened. "The old lady has come from her hometown and said that she wanted to get justice for Miss Su. You know, the old lady has never come back because of her. This time, I think I must drive people out. What a smart person she is, It must be who will make her own interests greater. Now the child in Miss Su's stomach doesn't know whether it's a man or a woman. If it's a boy, it's even more extraordinary. "

"What did Sue say?"

"My husband always wanted to have a son. Naturally, he didn't refuse the old lady. He asked her to move out tomorrow. After that, he negotiated a divorce and asked her to leave the house. I saw that Mr. Su was so absorbed in Miss Su that he couldn't get a clear score for a long time. Miss Su would listen

to what she said. This man is not a good thing."

Aunt Lin pulled Su Xiaowan, "Miss, this matter has nothing to do with you. When the first lady came to the door, she made a scene. She certainly didn't expect that she would be driven out in such a way. Now it's really retribution."

Retribution?

Is that retribution?

Is it comparable to the price paid by grandmother, grandfather and mother with their lives?

Shen Yin crawled on the ground and clenched his fist, "how can my life be so bitter? I worked hard for this family and helped you with your laundry and cooking, but you... "

Su Zheng's eyes were cold. "If I wasn't rich, would you follow me? Yuwei and I really love each other. Don't make trouble here. Those who know each other will hurry to pack up. Tomorrow, before my mother comes, we will move out and live by ourselves. "

"Why should I move out? Su Zheng, I tell you that I will never move away when I die. This is my home. You are so arrogant when you cheat. If you have the ability, throw me out. Otherwise, I will go out and make a scene. Anyway, you are shameless. What else do I want --! "

"Cousin, what are you talking about? You've been with your cousin for so many years. You should have known who he is long ago..."

"You'll shut up when you're a junior. Do you have your share here?"

Sue is embracing her, "she will be my Mrs. Su, you say she has qualification, here is not qualified person is you!"

Shen Yin is almost angry.

ma'am?

That's not what Sue said when she was chasing her.

At that time, Su Zheng was still a poor student. Later, she made a fortune by relying on Nan Yin. She thought he was a potential stock, so she wronged herself to be a junior and followed him all the time.

At that time, what house did he have outside? They lived in the cheapest rental house.

Lying on the creaky bed, Sue was kissing her, saying that she would be nice to her for the rest of her life.

When they get the money from Nanyin, they can live a good life.

If she hadn't given advice behind her back, how could Nanyin have been taken by him so quickly, and how could he have become the boss so quickly.

But now, she's out looking for a woman.

She wanted to calm down, as long as this person does not come to her trouble, even if, after all, this age a lot, plus Shen Yin recently, really haggard heart.

From time to time, she would dream of Nanyin, the woman who had been driven out by herself.

She crazily grabbed her neck and asked if she would be afraid

She never felt that there was anything wrong with doing this. He and Sunan knew each other early. They were a couple.

She has always believed that there is love between them.

Otherwise, Su Zheng would not marry her and give her identity.

But now... She felt that all this was extremely ironic. She lost Su Zheng for more than 20 years, blocked up her youth, gambled on half of her life, and even severed her relationship with her relatives.

She can't do anything. If she goes out, she has no ability to support herself.

Shen Yin's eyes are fixed on Su Yuwei. In the belly of that bitch, she is pregnant with a child.

In fact, she is not a fool. For a man of this age, there are several confidants, especially Su Zheng, who is doing business outside. On the wine table, women are needed to adjust.

So she turned a blind eye, but she didn't expect that this woman was no other than Su Yumo. Su Yumo had been in her hometown for several years, and she was also the daughter-in-law that the old lady liked.

She thought she was 30 years old now, and she should have been married, but she didn't expect that they had been cheating on each other for a long time.

Reality really slapped her hard.

Blame him for his overconfidence. If we had found out earlier, maybe things would not have come to this point.

"Sister in law, I will be separated from my cousin. Get up quickly..."

Su Yuwei's eyes inadvertently drifted to the girl at that end. Who is she? You can imagine that she is Nan Yin's daughter. She heard the old lady mention it several times.

But the old lady prefers boys to girls. Girls are not worth money in the old lady's eyes, so most of them are bad words.

She left the chair and ran to help Shen Yin up, but how could Shen Yin be willing to be helped by her and give her a hard push, "go away, if you don't want to seduce him shamelessly, he can take a fancy to you?"

Su Yuwei is also in her thirties. She doesn't maintain her face at all. Besides her figure, she has a lot of wrinkles on her face.

Being pushed like this, Su Yuwei bumps into the foot of the table at the other end. She covers her stomach and looks pale at the moment. "Cousin, my child..."

Su Zheng is nervous. He wants to hold Su Yuwei, but he can't do it at all. He just looks at her being hit like this and kicks Shen Yin away.

He hugged her. "What's up? Are you ok? "

Su Yuwei looks at the woman who has been kicked to the ground. Shen Yin looks at her with hate at the moment. "Cousin, I have a stomachache. I don't know if something happened to the child. I just wanted to pull my cousin. How can she do this? Anyway, we have done something wrong, but the child is innocent."

"I'll help you up to rest."

"But sister-in-law..."

"She's done this to you. What do you want her to do?"

"But it's not easy for cousin and sister-in-law."

"You are just too kind."

The two people's love deeply stabbed Shen Yin's eyes. Su Qiqi climbed over to hold Shen Yin and cried miserably, "Mom, what are we going to do now?"

Shen Yingang is about to say something. As a result, he looks at the woman standing there. It's su Xiaowan.

"Enough watching?"

Chapter 536

Su Xiaowan took a step, "Auntie is still more worried about being driven out."

With that, without waiting for Su Qiqi to get angry, no one else went upstairs. After taking a bath, aunt Lin gave her supper.

At Su's house, aunt Lin thought about her.

She thought that when she stopped living here, she would take aunt Lin with her. She suffered a lot in this family.

"Miss, you can't see that their faces were green with anger just now."

Su Xiaowan drank the tremella soup, "has the cousin left yet?"

"Where is Miss Su willing to go, miss? You don't think Miss Su looks like a good person. She is also a powerful person behind her back. She is smart! Today, I was taken home by my husband, and I was shouting to sleep in the master bedroom... Although the Su family is not very rich, it's much better than Miss Na Su's. The girl of this good family knows that the other party has a family, so how can she still go up? She doesn't care that the husband has money, otherwise, who can look up to him... But don't interfere in this matter, miss, Don't make a fuss at that time. It's none of our business for those two women to quarrel with each other... "

"I know, aunt Lin, I'm here today to see the excitement. I don't want to care about their affairs."

Su Xiaowan once drank tremella soup. Aunt Lin took things out of her bedroom. She had a round stomach and ate a lot today.

Sin.

She felt her bulging stomach, feeling a little stretched to death.

In fact, if you don't eat that bowl of tremella soup, it should be almost the same, but when did her stomach become so big

When Su Xiaowan was a child, he was very fat for a time.

At that time, it was just the stage of development.

Su Xiaowan can eat two bowls of rice every time. She has the same amount of rice as a man. For example, she has to eat four steamed buns.

And those boys, just two.

Those who eat things, digestion is too fast, all reflected in the face, her face ah, not fat.

It was in the exam that Su Xiaowan lost weight.

Su Xiaowan touched her face, but it can't be like this any more. For a woman to please herself, she naturally doesn't want to be ugly.

Moreover, Feng Yan is so handsome. If she is fat, she must have no face to stand with him.

Scared, she quickly did a squat and sit up, after finishing, panting.

Idle boring, directly lying in bed, two feet high, lying on the bed, to Feng Yan sent a text message, "sleep? Xiaoyan... "

Soon one came to the other end, "No."

Su Xiaowan seriously doubts that Feng Yan is lying on the bed like himself, doing nothing.

"Why don't you sleep? Does Xiaoyan miss his wife? "

Then, the phone call came, just like Feng Yan's character.

"Did they embarrass you?"

Su Xiaowan was stunned for a moment. Just now he was going to talk to him about other things. He thought so fast.

"Shen Yin is in a hurry now. How can he dare to go out! There's no time for me. There's Su Zheng. He's full of thoughts about having a son. He doesn't have time for me. I'm lying in bed now, but I'm at leisure."
"

"Have a son?"

Su Xiaowan explained, "er... My cousin is pregnant. It's his child. He's going to divorce Shen Yin and marry her to give birth to the child."

Smell speech, that end suddenly laughed.

"What are you laughing at?"

"I envy him."

Envy him?

Envy sue is out looking for a woman and having an illegitimate child?

Su Xiaowan clenched her teeth and said, "Feng Yan, if you dare to find a woman outside to have an illegitimate child, I will break your leg! It's also a common practice. Only scum men will cheat and have children with junior three. If you dare to learn from him, I will... "

"Just what?"

"Divorce you, go to find Xiao Bai Lian!"

"You dare!"

"If you dare, I dare. I'm not afraid of you!"

"....."

Su Xiaowan thought of something, and then continued to speak, "but if you don't cheat, I won't go to find xiobailian. I've been depending on you all my life, so the source of all this is on you, but I know you are a responsible person, and you won't cheat so much."

The uglier people are, the more they want to prove their strength.

Su Zheng is such a person.

With money began to go bad, probably their own bones, is a bad man.

"What's more, I find that the uglier people are, the less offline they are. What they do destroys Sanguan. Su Zheng doesn't know where to get his self-confidence... He wants to have a son when he's so old. You know those maids say that about him behind their back! He said that he didn't respect his old age and didn't look at himself. I really thought that other women were all idiots, just like him... "

"Your cousin is not a good person. Don't deal with her. I'll pick you up tomorrow morning."

Su Xiaowan, "I know, in addition to the people you think, can't believe, rest assured, I'm not stupid."

Two people chirp crooked said a, Su Xiaowan just hung up the phone, happened to put down the mobile phone, Lin Zhenzhen passed her a contract.

It's a contract for perfume endorsement. It's not yet looked at carefully.

The door was knocked.

Su Xiaowan took a look at her watch. It's almost 11 o'clock now. The person who came to her at this point probably guessed a little.

She went to open the door.

It's su Yuwei.

She is wearing a red silk pajamas, delicate appearance, so standing in front of her, she did not make up, the whole person gives people the feeling of water flavor, the body of that temperament, not like Shen Yin so aggressive, give people a kind of pressure, but warm and genial, kind and lovely.

But after so much experience, Su Xiaowan has always been considerate of anyone except the one she believes in. What she sees on the surface doesn't mean who she is.

A fall into a ditch makes you wiser.

Feng Yan and aunt Lin are right. This person may be more difficult to deal with than Shen Yin.

Her hands naturally around his stomach, as if to show off, "Xiaowan, so late, did not disturb you?"

"No, I'm just going to look at the work tomorrow. What can I do for you so late

"May I come in?"

Come in?

Su Xiaowan will not be able to live if there's something wrong with her. As Su Zheng looks today, she attaches great importance to her baby.

Now it seems to my mother that I don't know whether Su Yuwei is an enemy or a friend.

There's something wrong. If you get involved in this incident, you can't get away.

"My room is in a bit of a mess. I haven't sorted it out yet. Aunt, just tell me what you want."

Chapter 537

Su Yuwei looks at the girl at that end. She is very beautiful. Long ago, she met Nan Yin once at the wedding of Nan Yin and Su Zheng.

A woman in her twenties, dressed in a white wedding dress, is charming and beautiful.

But the girl in front of her is not particularly like Nan Yin, but her temperament is exactly the same.

At that time, the old lady asked her to give Nanyin those things. When she came to her dressing room and gave them to her, she was just like this.

Light expression, like a proud peony, independent.

It was the only time she saw her. After listening to the old lady, she was already crazy at that time.

"Xiao Wan, about me and your father, I..."

"Cousin, I don't understand your adult affairs. Now that you are pregnant with your father's child, you can have a baby. Just leave it to your father. Don't think too much."

Su Xiaowan's answer is still dripping, she didn't want to participate in this matter, pull Su Zheng out to block the gun.

Su Yuwei's hand touched her stomach. Suddenly, she began to lose her expression. "I can't keep this child... And my cousin won't let him stay."

"... cousin. Don't think so much. This is my father's child. He's precious!" Su Xiaowan is very sleepy now. Maybe after she is full, her sleepiness comes up.

But Su Yuwei didn't leave. She could only droop her head and lean on the door. She probably guessed the reason why Su Yuwei came here to find herself this evening.

According to Shen Yin's method, she is alone, and Su Zheng doesn't really like herself. If it wasn't for her baby, she would never have been in Su's house.

In addition, in recent years, the influence of the Shen Yin family is also expanding, and Su Yuwei, who has no background, is likely to become cannon fodder.

But like Su Yuwei, there is another one in Su's family.

She wants to pull her into her camp.

Let yourself protect her.

It's a smart calculation.

Sure enough, people who are not well-known make a big splash.

It's really in response to Feng Yan's words.

"Xiaowan, Mingren don't talk in secret. You and I will drive Shen Yin out. In the future, I will help you to say good things in front of your father."

Su Xiaowan was stunned for a moment, "cousin, you can see that I'm at home. I'm afraid I can't help you. Instead of asking me to help you, I'd better try to please my father. My father is the head of the

family. Who he wants to stay? That's what he says."

Su Xiaowan doesn't want to join the fight. Although she doesn't like Shen Yin, Su Yuwei is not a good person either.

When Su Yuwei came here, she naturally thought that Su Xiaowan would not be moved easily. She and Su Xiaowan couldn't fight each other.

Most of her feelings for Su Zheng in the early years have disappeared with the growth of her age. At the bottom of her heart, there are a lot of resentments, and she will never give up until she reaches her goal.

She doesn't like Su Zheng any more, but she knows her current situation. As she is now, she can't find any rich and powerful man. She thinks that she can leave the countryside all her life, and the only thing she can help is Su Zheng.

Although Su Zheng has no money and no power, he is much richer than most people.

But Su Zheng has a wife and children, and the children are so big that she needs to have a baby for ten months. She doesn't know whether she can be born safely, and she doesn't know whether it's a man or a woman. If she gives birth rashly, her risk is too great.

After all, Shen Yin is a powerful person, otherwise, how could she dare to go out that year.

I'm afraid she can't stay long as a child. Once the child is gone, her own value will be gone.

She just came for money, so she couldn't go back empty handed.

So she came to Su Xiaowan.

Su Xiaowan is Nan Yin's daughter. Shen Yin doesn't like her all the time. The enemy of the enemy is her friend.

Su Xiaowan just wants to give orders, but Su Yuwei suddenly says.

"Then you don't even want to take revenge on your mother?"

Su Xiaowan's heart clattered for a moment. She raised her eyes and stared at Su Yuwei.

"When your mother suddenly went insane and fell off the building, how could you say that she was crazy? Don't you doubt them?"

After your mother's death, Shen Yin immediately took her daughter to live in Su's house, and even married Su Zheng. The biggest beneficiary of your mother's death is her. She must have something to do

with it. Even if it has nothing to do with her, she robbed your mother's only support and made her nervous breakdown. Don't you want to revenge her? Let her also taste the taste of being abandoned? "

For Su Xiaowan, mother's affairs are a heavy burden.

I'm afraid no one else will know the original things except Shen Yin and Su Zheng.

"What do you want?"

"This villa is full of Shen Yin's people. My child, rather than being harmed by Shen Yin in the end, should make use of it for his own benefit. But I lost my birth and was weak. Naturally, I need someone to help me say good things in front of your father, and also need someone to help me do the rest of the things..."

This weak woman even wants to use her children

"Isn't my aunt distressed for the baby in her stomach?"

"Heartache, but what's the use of heartache? Shen Yin has countless ways to get rid of my child. I'd rather I don't want her myself than let others touch her."

Su Xiaowan stares at Su Yuwei. She doesn't know why. She thinks the person in front of her is much more terrible than Shen Yin.

At the very least, Shen Yin loves Su Qiqi, but this woman can even use her own children. She doesn't know the atmosphere of the Su family. This child is just an indispensable tool for her to consolidate her position.

"Cousin, I'm very quiet. My father doesn't like me. I'm afraid I can't help you."

With that, Su Xiaowan closed the door.

Su Yuwei didn't expect that she was talking about it. The woman didn't want to help her at all.

In fact, the most intelligent is Su Xiaowan.

She touched her stomach and turned back to the room.

.....

In the guest bedroom on the second floor, Su Qiqi is already crying and sleeping, while Shen Yin is sitting there. Shen Yu is painting her wound. The big wound on the hippie's white and tender arm looks terrible.

The blood hasn't solidified up to now, it's flowing all the time.

Shen Yu looked at it and found it hard to bear the pain.

"Madam, that fox spirit is really not a thing. When Xiao San is so blatant, he even wants to drive his wife out. Madam, you can't let her succeed."

"Now sue is all over her. She doesn't care if I live or die! Oh, please take it easy -- "

Shen Yu immediately retracted his hand, "sorry, madam, I didn't mean to."

"All right, I'll do it myself!"

Shen Yin took the red medicine. Originally she must have gone to the hospital, but now she doesn't dare to go. Once she goes out of the door, it's hard to come in.

Now Su Zheng is determined to drive her out. She didn't expect that this man would be so unfeeling. They have been together for more than 20 years, and he has driven himself out for a woman!

Such a situation, she never thought.

Even dream all didn't do, for a moment, she suddenly thought of South Yin, at the beginning oneself seem also so come to the door.

But she didn't regret it.

She can't be the second Nanyin.

"The old lady will come tomorrow. She must be standing next to the fox spirit. I heard that fox spirit was still calling the old lady just now. I don't know that the two of them have colluded with each other for a long time. Maybe it's the old lady's advice to get pregnant."

"That old lady Su is smart. I've been complaining about her for so many years because I didn't let her come here. Now that Su Yuwei is pregnant, she will naturally stand beside her. However, it's not so easy for Su Yuwei to have a baby..."

Su Zheng is so old. She has been with him for so long. I don't believe he can have any feelings for any woman!

Su Chenchen is not his own son, this is a thorn in his heart.

He took Su Yuwei into the door just for her baby.

But if the child can't be born... So with the present conditions of Shen Yin's family, Su Zheng will choose

to be su Yuwei, as you can imagine.

"What are you going to do, ma'am?"

"Su Yuwei just brags in front of me with her baby in her stomach. I'm sure she can't succeed, and her baby in her stomach can't stay."

"... madam, this gentleman cares so much about that child, how can that fox spirit miscarry --"

"Besides miscarriage, there is no other way to get rid of the child."

Shen Yin takes out a bottle of aphrodisiac from her small box. These are all prepared by her and originally intended to be used on Su Zheng, because he is too cold to himself recently.

But he did not come to urgent use, unexpectedly there is a small three came to the door.

She took the bottle and handed it to Shen Yu. "Tomorrow morning, mix these into the woman's breakfast."

Shen Yu takes the bottle of medicine and understands it.

In the early morning, Su Xiaowan was awakened by a sharp voice.

She got up and listened to the maids busy in the living room, dressed in a dress and went downstairs to listen to Aunt Lin.

Just this morning, when Su Yuwei had breakfast, she suddenly left a lot of blood on her legs. Now Su Zheng has sent her to the hospital.

.....

hospital.

Su Yuwei's child gave birth, in her expectation, the doctor gave her a Qinggong operation, fortunately, the child is very small, and did not have a bad effect on her body.

Chapter 538

"Yuwei, what's going on?"

Su Yuwei is also very surprised, this Shen Yin is really powerful, even so quickly moved.

Still use this method, let her keep the child, she grabbed Su Zheng's clothes, just finished the operation of her, not much strength, when speaking voice is weak, "cousin, I have nothing to eat, I now like this, how can take aphrodisiac? Poor my child, last night was still good, how to say no no... Cousin, does she

think I'm not good to her? It's all my fault. A few days ago, I didn't want him... Cousin, you have a wife and a daughter. It's my fault. I have to intervene between you. It's God's retribution for me. "

Su Yuwei was crying and making trouble for a long time. Su Zheng was also suffering from severe forehead pain. This child, who was not easy to come to, could not bear it.

In addition to appeasing Su Yuwei's mood, he is also exhausted. Su Yuwei tosses about for a long time before she goes to bed.

Su Zheng turns around and walks out of the door. Su Yuwei takes out her mobile phone and calls the old lady.

The phone is crying and noisy, the old lady placated for a long time, just to placate her.

Su Yuwei has nothing to do now. If she wants to catch Su Zheng's heart, she must keep a weak posture and make him unable to shake off herself.

But you can't go too far. Otherwise, Su Zheng will abandon Shen Yin just like she did.

After all, that man was born thin and cool. When he was young, he promised that he would come back to marry her, but in a twinkling he became rich.

Such a man, where there is no love.

Mrs. Su just arrived this morning. She heard about Su Yuwei and rushed to the hospital.

"Oh, my poor child, what's the matter? How can the good child be gone?"

The old lady's face was full of regret, and she was looking forward to having a grandson in her belly.

Now her son, also be regarded as successful, such a big age, not even a son.

A while ago, Su Zhengcai told her that the fool was not his own.

She was angry and ill for several days.

Although Su Chenchen is a fool, she is Su Zheng's son after all. The old lady also prefers boys to girls. She didn't look up to Su Qiqi. When Shen Yin came to her hometown with a big stomach, she didn't look up to him.

But his son is silly. He coaxes him casually. He actually marries Shen Yin into the door.

She was angry with Su Zheng for a long time. Unexpectedly, her son was cajoled by Shen Yin and didn't even come back to see him.

She has been uncomfortable with Shen Yin for a long time.

So, when she knew that Su Yuwei was pregnant, she expressed her thoughts.

"Did she make it?"

Su Yuwei was full of tears, "old lady, I don't know. I had dinner with them this morning, and suddenly I had a stomachache. When I was sent to the hospital, the doctor said that my child had miscarried..."

"Weiwei, I've regarded you as my daughter-in-law for a long time. Shen Yin must have something to do with this. Don't worry, I'll help you get justice."

"Old lady, maybe it has nothing to do with my cousin..."

"You are too kind-hearted. She can drive Nan Yin out and easily break Su Zheng's relationship with his family. You look down on her as a good fault. This time, I will give you support, you are good to support, you are still young, the child will always have a chance

The old lady comforted a few words, and soon a woman came from the villa.

Su Yuwei knows it's Shen Yin.

"Miss Su, my wife is worried that you are alone in the hospital and no one will take care of you. She specially asked me to serve you."

The old lady looked at the people who came in. She heard that Shen Yin asked her to come. She didn't have a good face immediately. "I don't need her fake kindness. I'll take care of Wei Wei."

"Old lady, you are very busy. Madam has already set up a banquet at home, waiting for you to go back! I'm tired of taking care of you. If you're tired, your husband will be distressed. "

"Hum, I don't know Shen Yin's careful thinking." The old lady can not eat this set, "go back to tell her, even if I can't take good care of Weiwei, my son will also ask someone to take care of her, she now spend money which is not earned by my son, think that tied my son will have nothing to worry about, before my son was cheated by her, just as she is good, now finally see her, she is waiting to be swept out."

Shen Yu looks at the old lady. She is stubborn and old-fashioned. She makes a lot of effort and doesn't ask for any good. She can only leave in frustration.

Go back and tell Shen Yin these words. Shen Yin almost faints.

She originally wanted to win over the old lady and give her some sweets. After all, now that the children

are gone, the old lady should know whose interests are greater if she is sensible.

But the old lady

"Everyone thought I was a bully! I won't let them have a good time! "

"Ma'am, how can you deal with the mother and son by your own strength? You don't know how hard the old lady said in the hospital, and how can you discredit you in front of her husband?"

Shen Yin clenches her fist and sticks to the table. She calls her brother.

Told now his situation, but did not think, Shen Qingtian will propose to come to the villa.

Shen Yin thinks that Shen Qingtian wants to help her get justice, so she agrees immediately.

"Optimus, I'll wait for you at home."

"Good."

Hang up the phone, Shen Qingtian's eyes staring at the TV screen, snail girl's trailer in the woman.

Su Xiaowan.

When he was in his twenties, he went to Su's house with his mother once, where he met Su Xiaowan.

At that time, she had a high fever. Su Xiaowan's grandmother knelt on her back at the door of the Su family

She's only about ten years old.

A ten-year-old girl, still in her school uniform, is burning red all over her face, even her consciousness is a little vague.

Shen Qingtian went to Shen Yin's home for the first time. His mother always said in front of him that Shen Yin married a rich man who had a high-end villa.

But for him, he was not envious.

At that time, he just went to university. He was lonely and cold. He didn't care about a lot of things around him. He was pretentious and thought that the world would have its own pure land in the future.

With a vision of a better future, but also that day, her mother told him that his tuition was gone.

They are here to borrow money from Shen Yin.

As he passed them, he heard her say.

"Grandma, I want to go home, to our home, OK?"

Later, they were driven out of the door by Shen Yin, and when they came out, he also looked at them kneeling there, and the housekeeper was driving them away. "Hurry up, if you don't go, I will drive them away."

They also came to ask for money, but like them, they didn't get a cent.

"Hum, what's so lofty, Qingtian? In the future, you should make a great progress and let her beg you."

Chapter 539

His mother tugged at him. At the moment, she was full of anger. "It's just that I became a rich wife when I was a junior. I really thought I was a rich wife..."

His eyes were fixed on the stubborn child, who was struggling from her grandmother's shoulder.

Even if she looks really confused when she walks.

It's the same as faltering and falling at any time.

It was the first time he saw her.

She is not tall at the age of ten. Compared with those ten-year-old children outside, she is simply stunted.

She is thin and small, like a leaf that will be blown away by the wind at any time. Her school uniform is very big on her. Shen Qingtian looks at her.

He didn't know how he was attracted by a ten-year-old girl and stopped.

They didn't come early. Mother wanted to come here for lunch, so she just got stuck at the right time. Unexpectedly, Shen Yin didn't give them face at all. Before her mother mentioned the money, she drove them out immediately.

At this moment, the sun is very bright at noon.

As the summer approached, the atmosphere was extremely sultry. The girl's Scarlet cheeks looked particularly red, like a layer of red dye.

"Grandma, I don't want his money, I want to go home --!"

The girl still stubbornly pulled the woman at that end, and the woman sighed, "Xiaowan, you are sick and need to see a doctor. Grandma doesn't have so much money. You have a high fever. If you keep burning like this, you will have pneumonia. You will go to junior high school soon. If you can't stand it..."

Shen Qingtian stood there. From the man's appearance, he seemed to feel that he was very familiar with him.

In fact, Su Xiaowan's grandmother was not very old at that time.

He recognized who the man was all at once.

He also heard a few words from the maids just now. The two people outside were the daughter and mother of the former lady

Shen Yin is a junior. They all know that Su Qiqi is the only one left. He goes into the room and forces his original mate away. He is insane.

At that time, the news of madness was still boiling and making a lot of noise.

There are countless descriptions of this Nan Yin from the outside world.

Nan Yin is gentle and beautiful. She is a strange woman.

At that time, the newspaper knew that she was crazy and thought that she was envious of talents.

But in Shen Qingtian's heart, I only remember that the elder sister helped him. That winter, everyone in Shen Qingtian's school put on cotton padded clothes, but he didn't.

His parents are just farmers. There is no extra expenditure at home. Because of the work study program, Shen Qing can go to school. But in that school, he is not friendly to the poor.

In addition, he has a cold temper and doesn't like to make friends. As time goes by, he is excluded.

There is no telephone at home, but even if there is a telephone, his mother can't bring out the cotton padded clothes for him when he calls back, because he knows what's going on at home from birth.

He was alone in the winter snow outside, still wearing that thin clothes, he had thought of running, maybe hot.

But the snow was so heavy that he could freeze to death as soon as he went out. What's more, when he went out for a run, he felt that his toes were frozen stiff.

The knee, too, hurts a lot.

I thought he couldn't survive this winter.

However, Nan Yin appeared.

She didn't know where she saw him. She put on her cotton padded clothes and gave him a thousand yuan.

Shen Qingtian was about to freeze at that time. He relied on his warm clothes to let him relax.

When he wanted to catch up with the man, she had already left.

She heard someone say, "Nanyin, you are so stupid. Why do you take off your clothes to him? There will be a performance later. If you have a cold, you will suffer death!"

Later, in the school performance, he saw Nan Yin.

Just know, her original name is Nan Yin

Nanyin later set up a scholarship in their school, funded a lot of poor students, and she was one of them. Without Nanyin, he could not go to university.

Shen Qingtian didn't expect to meet her daughter here.

"Qingtian, let's go. We will never come again! There's nothing to be proud of. It's just a junior. Miss Nan, if she's not crazy, is much better than Shen Yin. "

Mother said sour in his ear, but Shen Qingtian suddenly walked past.

As he stepped over, the girl fainted.

He picked up the girl.

"Xiaowan, Xiaowan..."

He listened to the old lady shouting her nickname. It turned out that her name was su Xiaowan.

Shen Qingtian is not a helpful person, but this time, he went to the hospital with the girl in his arms. Although he was very poor, he helped her bear the medical expenses.

Later I heard that she had a high fever. Fortunately, she was sent to the hospital in time and recovered her life.

Later, with his insight, Shen Qingtian became an incentive candidate for his tutor and went to study abroad. At that time, when the entertainment industry was still in chaos, Shen Qingtian borrowed a sum

of money from his tutor and founded his own company. He was a beginner abroad.

But also heard the news that Nan Yin fell from a building and died.

At that time, it was said in the newspaper that the girl killed her mother.

It's almost like the power of public opinion to make the girl apologize for her death.

He dares to go back to China in a hurry. He sends several messages through several artists, appealing for everyone to look at the problem rationally. But when he goes back, he doesn't find the girl.

He turned over the whole Jiangcheng, but didn't see her. She found the voice media behind her, pointing at an insider.

This person is no other than his sister, Shen Yin.

From childhood to adulthood, Shen Qingtian didn't have much contact with Shen Yin, but he didn't expect that Shen Yin's methods were so vicious that even a child would not let go.

It's a pity that there was another person besides Su Xiaowan at the scene of Nanyin's death, but Shen Qingtian had few contacts in China at that time.

So I didn't get any leads.

After that, Shen Qingtian's business in foreign countries grew up day by day, gradually expanding the plate, and Shen Yin suddenly contacted him.

He said that he wanted Su Qiqi to make his debut.

He set up his own company in China.

When I met Su Xiaowan, it was at the banquet that the girl changed greatly. She didn't look like Nan Yin any more, but her temperament was somewhat like Nan Yin.

But it seems that she doesn't know him. Her eyes don't even stay on her for a second.

Most of the comments about Su Qiqi on the Internet were made by him.

Many people don't understand why he did it, but only he knows it in his heart.

Shen Qingtian takes the car key and goes to Su's house.

This is his second visit. Last time, he came uninvited. This time, someone asked him to come. It's ironic.

His car stopped at the door. When he got off, he saw the girl on the swing in the yard with a book and a woman pushing it.

The afterglow of sunset sprinkled on her body, as if she was a fairy.

Shen Yin ran out as soon as he heard the news, "Qingtian..."

Hearing this, the man immediately withdrew his eyes.

When Shen Yin came out, she naturally saw that the woman Shen Qingtian was looking at was Su Xiaowan. As a woman, she admitted that Su Xiaowan was really beautiful.

But Shen Qingtian has never seen a woman before. How can she lose her mind to a little girl.

Even if Shen Qingtian had tried his best to disguise himself, Shen Yin also saw something unusual.

Shen Yin's heart suddenly gives birth to a great joy. No wonder Shen Qingtian suddenly says that he wants to come to Su's house.

Men, of course, can't stop the charm of women.

"Qingtian, sit inside!"

Shen Yin's Yu Guang takes a look at Su Xiaowan at the other end, and has a plan in mind.

Shen Qingtian walks towards the inside.

Su Xiaowan here, watching Shen Yin rush out to meet a man, who is a little familiar, but when Su Xiaowan looks at it, he only sees a side face.

Just a side face, for her, it's natural that she can't recognize who it is.

"Auntie Lin, do you know that man over there?"

Aunt Lin was just preparing things in the kitchen when she heard Shen Yin talking to Shen Yu.

"Miss, it must be Madame's younger brother."

younger brother.

Shen Yin has a younger brother who runs an entertainment company.

But Su Xiaowan couldn't think of the man's appearance.

Aunt Lin stood on one side, "I guess the lady is afraid that she will be driven out, so the anxious family members come to support her. It's said that Miss Su has lost her labor. How can this good one have a miscarriage? It must be that the wife can't accommodate the child. Now that Miss Su has no child, the wife asks her mother's family to support her. I'm afraid it's forcing her husband to make a choice... "

"Su Zheng is not stupid, but Su Yuwei is not easy to deal with. It's not easy for Su Zheng to dump her."

"That Miss Su is also smart. If she was a bully, Shen Yin would have held her. This morning, Shen Yu had been to the hospital, but she was driven out by the old lady. Now that Miss Su has the support of the old lady, what are you afraid of?"

"By the way, aunt Lin, why didn't I see Su Qiqi?"

"I went out early in the morning and said I was going on a date. Miss Qiqi is really big hearted. The family is in such a mess that she even has leisure to go out on a date with others. "

Su Xiaowan wants to say something else, but at the moment, the afterglow of Xiyan is still very warm. Moreover, the mobile phone in her pocket rings, which is Fengyan's phone.

I took my script in a hurry and wanted to go upstairs.

But when she enters the stairs from the door, she must pass through the living room. In the living room, Shen Yin is crying about her tragic experience. "Now she's got rid of the child herself, and she blames me for all the blame. Su Zheng has been deceived by her, and I'm just"

That crying, let Shen Qingtian very uncomfortable.

Suddenly a white figure ran in front of him. His eyes followed him until he went upstairs.

Shen Yin's eyes are fixed on Shen Qingtian.

Once again, I verified my mind.

She was still worried about Shen Qingtian's non cannibalism. After all, it must be good for her to ask for help.

Chapter 540

Su Xiaowan runs upstairs, closes the door and answers Feng Yan's call.

"Where did you go just now?"

"I'm playing on the swings downstairs, Feng Yan. Do you remember? I told you before that my mother loved to play on the swings when she was young, so my grandfather helped her make a huge swing stand. Unexpectedly, after so long, the swing stand is still so strong..."

Feng Yan remembers that she said that Nanyin was the daughter of Nanjia's favorite on the top of her heart. She was naive, so she was deceived by Su Zheng's sweet words. Nanjia's favorite daughter was really on the top of her heart. Nanyin had never done any heavy work since she was a child. She was a lady of a big family, and all she studied were teachers hired by Nanjia for him. At that time, Nanyin was gifted and had great talent, To a piano hit the world.

"Feng Yan, I miss grandma! Every day here, I feel that I can see the traces of my grandmother's previous life. Even if Su Zheng renovated the house, I can still feel that my grandmother was right beside me. My grandfather did business at that time, and bought the house because my mother liked it. He certainly didn't expect that it would be cheaper later... Fengyan, sometimes, I really think I just had a nightmare. When I woke up, my grandmother was still by my side. She patted my head and told me, fool, how could I sleep so long and be late for school... "

Su Xiaowan said, suddenly opened his mouth.

"But if so, then there will be no me in your life..."

"Feng Yan, the fate between people is cut constantly. If God thinks that we will meet, there will always be thousands of ways for us to meet each other. You see, no matter our status, we are so different, but in the end, God still let us meet, let you like me, I like you, this is the fate between us.

However, if there is no fate, we can only pass by. Even in the future life, you don't remember the passer-by in your life, and you won't know that there is a person named Su Xiaowan in this world... So, Feng Yan, even if I wake up just for this dream, I will try my best to find you in this dream, To find you... "

"What if you find me and I don't know you?"

"Then play a rascal and depend on you... But you can't drive me away, and you can't kill me. If you kill me, I won't be with you."

"....."

Su Xiaowan listened to the silence at that end, and continued to speak, "... Er... I mean hypothetical."

"Suppose you don't say that either."

"Well, I know, Xiao Yanyan, don't be angry!"

"Xiaoyan?"

"... this is my nickname for you. Do you like it?"

"Another one."

change another one?

"You don't like it... I'll think about it." Su Xiaowan squinted, lying on the bed, facing the ceiling at the moment, "... Dear, darling, xiaoganbao, Xiaoxingan... I can think of so much, which one do you like? In fact, I still think Xiao Yanyan is nice. No one will be the same as you. Look at the street and say, "honey, maybe there will be a lot of people to answer. How embarrassing..."

Dear, darling, sweetheart, sweetheart

In the end, Feng Yan spat out the three extremely shameful names.

"Heart liver treasure."

"... are you sure? There is a feeling of calling my son... "

"Su Xiaowan!"

"Well, well, sweetheart, you are my sweetheart, OK?"

Su Xiaowan talked with Feng Yan for a long time. She didn't know that Shen Yin downstairs was calculating her. She was lying on the bed, "sweetheart, I miss you a little. Are you busy tonight? Shall I go to your side? "

"No more watching?"

"... those two people are powerful people. It's better for me to hide beside Xin Gan Bao to protect my life."

Su Xiaowan held his cell phone. "I can't figure out what's good about Su Zheng. He's not handsome, he doesn't have any money, and he doesn't even have a good character. If it were me, I would not like such a person. He's too fickle. In fact, his favorite people are himself, my mother, Shen Yin and Su Yuwei, just a condiment in his life to achieve his goal, But these women, however, indulge in his sweet words. They are too stupid to kill each other for him. Sweetheart, do you think I'm right

"It's Feng Yan."

"... you can't stand it, too? I've told you that it's better for Xiao Yanyan... "

Shen Yin specially keeps Shen Qingtian for dinner, but Shen Qingtian doesn't want to stay here much.

He just came to see Su Xiaowan. Seeing her in such a dispute, he felt relieved.

"Qingtian, I know you are busy, but you have to take care of your own health. Besides, you seldom come

to my house. If I let you go back empty stomach, others don't know how to say that this elder sister mistreats you."

Shen Qingtian can't help sneering.

At the beginning, he was not here, but at that time, he had no power and no power. He was just a poor student. Shen Yin saw that he and his mother were full of disdain. How could he be like this

Sure enough, his "sister" is a snob and has never changed.

Seeing that Shen Qingtian didn't speak, Shen Yin thought that she was acquiescent. "Qingtian, they are all home-made dishes. It won't take you much time, but you don't dislike our simple food."

Shen Yin immediately asks Shen Yu to prepare. The two of them show each other their eyes. Shen Yu has a long time with Shen Yin. With a little look, they can understand Shen Yin's meaning.

It's just, Shen Yu Ning Mei.

This time, some of her wife did not know what she was doing.

Soon, the meal was served. Shen Yin looked at the dishes all over the table, "go and ask Xiao Wan to come down and eat together"

"Yes"

When Su Xiaowan was called down by Shen Yu to have dinner, she was a little confused. This is obviously the Hongmen banquet

This is Shen Yin's younger brother, Shen Yin. Shen Yin alone can't resist, let alone a man.

Su Xiaowan has just searched Shen Qingtian's news on the Internet. He is a man who started from scratch. When he was in a poor family, he borrowed a sum of money to study abroad. After he became a student, he did what others did not dare to do. In the end, he succeeded in one fell swoop, and even made several stars popular.

Up to now, it is worth several hundred million.

Su Xiaowan doesn't know why Shen Qingtian helps Shen Yin. After all, in her opinion, Shen Yin was completely separated from her mother's family at the beginning. Let alone her brother, she didn't even care about her mother. Then she doesn't know how to punish her brother!

As soon as Su Xiaowan came down, Shen Qingtian's eyes were staring at her, which made her very uncomfortable. The man under the golden frame with eyes was gathering his eyes and aggressive.

Shen Yin is aware of the unknown atmosphere among them.

She was delighted.

Men are animals of lower body thinking, even Shen Qingtian is no exception. As soon as he comes down from Su Xiaowan, Shen Qingtian's whole attention is on Su Xiaowan.

Su Xiaowan is tall and has white skin, which can be said to be a beautiful type of white skin. Such a girl, for a 30-year-old man, that's his favorite.

She should have guessed.

Yu Guang took a look at the heavy rain.

Shen Yu immediately understood, went over and looked at Su Xiaowan, "Miss, the guests are waiting, sit down quickly --"

Su Xiaowan originally wanted to leave here, but before she said anything, she was pressed on the stool by Shen Yu.

Mmb.

She couldn't help her swearing. It must have been intentional.

"Auntie, I have something to deal with in the evening, so I won't have dinner with you!"

"Xiaowan, you have to eat for such a big thing. Don't you like your aunt, so you feel uncomfortable even eating with her."

Su Xiaowan is very sad. You know, he hasn't got any insight.

Su Xiaowan says goodbye. Shen Yin deliberately puts himself so low in front of his mother's family. It's estimated that Shen Qingtian doesn't know what to think!

It's insidious.

"Man is iron, and rice is steel. If it's a big thing, you have to eat. Come on, Shen Yu, help miss to eat!"

Shen Yu immediately took the spoon and served Su Xiaowan a good meal.

Su Xiaowan looks at the meal in front of her. She doesn't know what Shen Yin wants to do this time.

"Qingtian, eat more, it's all your favorite --!"

Shen Yin is there accommodating of clip dish, looking at two people being calculated, in the heart happy bloom.

She originally saw Su Xiaowan unhappy. If Shen Qingtian sleeps Su Xiaowan, then... She not only solves a big problem, but also takes advantage of Shen Qingtian.

Kill two birds with one stone.

"I'll do it myself." Shen Qingtian looks at Shen Yin's unnatural eyes. He always feels that there is something strange about this matter.

Shen Qingtian was just about to eat, but suddenly his mobile phone rang. He took a look at the phone.

"Sorry, I'll take a call --!"

Shen Qingtian left the table with his mobile phone.

Shen Yin looked at Su Xiaowan, who didn't eat the same thing. "What's your face to show me! Can't you be more restrained when the guests are here? "

"Auntie, you can't fit in at last. I saw you just now, and I'm tired for you."

"You..."

Shen Yin pats the table. Naturally, Su Xiaowan doesn't want to eat with Shen Yin. As soon as she's ready to leave, she listens to her.

"Sit down. I don't want my brother to think I'm abusing you."

Su Xiaowan wants to leave, but is stopped by Shen Yu, "Miss, you can't expect your aunt Lin to help you. I've already let her go out."

"You..."

"It's good for everyone to sit here and eat! The lady cares about you. You haven't had a good meal all day. She's worried! "

"....."

Su Xiaowan stares at them angrily. Now Shen Qingtian comes over. Shen Yin takes a drink and fills it for him. "Qingtian, the company is very busy..."
