Chapter 641

Su Xiaowan clenched her fist fiercely. She had never seen such a person. Even if all kinds of Qi appeared in her chest, she felt that she was going to explode immediately.

But the conscience in her heart told her not to be impulsive.

So at the last moment, she chose to calm down.

She can't get any advantage without finding out his identity.

"Don't worry, I'm a good man to women. If you marry me, I'll spoil you" He took out a black card from his pocket and threw it on the table. "Whatever you want, I will satisfy you."

"... not rare."

Su Xiaowan didn't look at the black card at all. Instead, he stared at him with bright eyes and didn't give him a chance to touch himself.

"But what? Didn't you agree? " Mo Nan Jue's mouth was smiling.

"You forced that." Su Xiaowan's tone is very blunt, "I don't know what your purpose is, but I tell you, I have a bad temper, you don't regret it."

"Oh, to be a little woman in front of him?"

He?

Sure enough, he knows! Su Xiaowan's eyes were fixed on him. She came here just for Feng Yan.

"Where is he now?"

"You're so nervous! It's Chrysanthemum tea. It's fire fighting. "

Mo nanjue poured a glass of water for her. At the moment, the water was still steaming, but Su Xiaowan didn't move the glass.

"I ask you something!"

"You are my woman now, if you care about other men, I will be jealous!"

Su Xiaowan seems to be abusive.

She clenched her fist hard and told herself to be calm and not hard.

After all, that's the only hope left.

However, she didn't say a word to her family. Compared with now, the family is going crazy.

Soon, the food came to the other end, but Su Xiaowan had no appetite at all.

Mo nanjue handed over some cakes, but Su Xiaowan never raised her hand.

He did not ask for no fun, put the cake on the plate, "the journey will be a little long, I advise you to eat more, don't be hungry to the belly of the child!"

"I don't want to hear you now."

This girl has a hot personality, and she will not be able to match the gentle and pleasant information.

I don't know what my second brother likes about her.

Anyway.

Monange likes to be gentle.

His hand touched the chain on his hand and he didn't speak again.

Su Xiaowan didn't know where she was taken, but as soon as she got off the boat, she felt that the environment here was different from that of her family.

But it's also colorful.

She didn't have a mobile phone on the ship. She basically relied on the outside day to see whether it was day or night and judge the day of the day.

It took them about two days to get to this place.

"Why are you so nervous? The ugly daughter-in-law always wants to see her in-law. Don't worry, my father is a kind man and won't embarrass you! "

Meeting his father?

Su Xiaowan didn't move. "Where is he now?"

"Of course my father is at home."

"You know that's not what I'm asking."

Mo Nan Jue's expression changed slightly, but he soon returned to the original situation. "Since it's a transaction, how can I tell you what I know only when you complete the task? In this weather, there is no gain for nothing, is there? "

"....."

Deal.

But she didn't shy away from talking about that person. Did she really know Feng Yan?

"Time."

Su Xiaowan's attitude was extremely cold. Mo nanjue looked at her, "after you visit my father, I'll tell you what you think. But now it's getting late. My father must have gone to bed. I'll call on him tomorrow!"

"..." Su Xiaowan's hand clenched me into a fist.

She wants to hit people.

"You don't want to disturb an old man so late, do you?"

"... I don't think what you said has any credibility." Cheated her to get on the boat, cheated her to be his woman, and now

This is a road of no return.

"Even if you don't believe me, don't you want to know how he is now? Maybe... I'm the only one in the world who knows his clue! "

"You..."

"I said, you're a soft hearted woman. That's your strength and weakness." Mo Nan Jue went to the front.

Su Xiaowan felt that she was going to be crazy. She put everything down and ran here. Now she was held by him, completely unarmed.

If Feng Yan is alive, why don't you come to her?

With an uneasy mood, Su Xiaowan moved into an apartment.

Fortunately, the man did not live with her, but a few people stood at the door, saying that what is to

protect her is to monitor her.

The remainder is one of them.

Yu Yuan looked at Su Xiaowan who opened the door. "Miss Su, what can I do for you?"

"I want to call home."

"The young master has already called back for you."

Did you call back?

"What did he say?"

"You don't have to be nervous. The young master is a good man. He won't talk nonsense. But I'm not a young master. I don't know exactly what he said. But Miss Su, you have to believe that the young master is really for your own good. "

Bullshit for her.

She doesn't know this person at all.

"I ask you, do you know a man named Feng Yan?"

Yu Yuan shook his head. Even if he knew, he couldn't say it.

The old man only said to let them take people back, but he certainly would not accept that the woman married the second young master.

After all, the status of nobility and inferiority, for the old man, is a difficult obstacle.

Otherwise, the young master would not be alone until now.

But these things are things that others say behind their back. If you really want to say the master's words, no one has the courage.

incognizance?

Is this man cheating on her

However, she did see Feng Yan's back, and the whole background of the back is definitely not Jiangcheng

"Who is your young master?"

"It's not convenient for us to discuss the matter of the young master, but Miss Su, our young master is a good man, not a villain."

good person?

How can a bad person say that he is a bad person!

"Miss Su, it's too late. Tomorrow is new year's Eve. The young master will take you home for the new year. If you have a rest earlier, you will be very busy tomorrow."

Su Xiaowan was lying on the cold bed. It was not hot.

But thinking about what the man said, whether it is or not, she has to try, even if... The result is contrary to what she thought.

That night, Su Xiaowan thought she couldn't sleep.

But she still fell asleep. She had a dream about Feng Yan.

During this period, she seldom even dreamed about her.

It's just that in the middle of the night, there's movement at the door.

"Why are these two young men here?"

"After drinking some wine at the dinner party, I thought it would be closer to here, so I sent it here. By the way, Yu Yuan, what are you doing here in the middle of the night?"

Chapter 642

As we all know, the second young master didn't know what happened during this period, just like he had changed a person before.

Cold blooded, violent and inhuman.

Today is not the only day to drink like this.

Yu Yuan was a little confused when he was asked. He was not good at lying, but at this moment, his mind began to turn quickly, "it was the old man who asked me to come, thinking that the young master would rest here and let me wait."

Wen Sheng is Feng Yan's assistant now. He is wearing a gray suit. Now he helps Feng Yan into the door, but he sees that the light is on all the time and even has fragrance.

"Has anyone been here?"

"No... No." Yu Yuan spoke nervously.

"What about these bentos?"

Yu Yuan looks at the Bento at that end. Fortunately, no one has used it at all. He bought it for Su Xiaowan just now, but Su Xiaowan didn't eat a mouthful and didn't even move.

Now it's on the table.

"The master ordered us to prepare it for fear that the young master would drink at the banquet."

Wen Sheng frowned. "You don't know that the young master hates holding this kind of food. Don't take away the food quickly. Go and ask a cook who can cook to come here. Remember to have a man!"

Yu Yuan was stunned for a moment, and his eyes were fixed on the room at the other end. How could they expect that the young master would not come here once in 800 years, but he would come here all of a sudden today, even if he came, and he would drink wine.

Yu Yuan also heard about the young master.

It's said that young master, he can't get close to women. He even says that the cooks, servants and even the people in his company are all men.

I don't know what's going on. All of a sudden, it's like this. They all say that the young master is not good at that... That's why

But I can't go to see a doctor about that. It's not nice to talk about it. Although the master strictly forbids talking about the young master, everyone knows it.

"What are you doing?"

"I'll go right away."

Yu Yuan took a look at Xiao Wang at one end, and both of them scrambled to go, but Yu Yuan's pace was fast, so he slipped away, leaving Xiao Wang alone at the door at a loss.

Xiao Wang is afraid of the young master. At least, the young master looks cold and has a bad reputation. It's said that there is violence.

On that day, there was such a big row at the birthday party that almost everyone knew about it, and everyone was afraid of him.

"Come in and make a wake-up Soup for the young master!"

"... Oh, good."

Xiao Wang felt that he was going to die when he stood. If the young master knew that there was a woman sleeping in the room next to him, it was estimated that their heads would move.

Wensheng takes a look at the man on the sofa, ready to clean up the room.

But he was stopped by Xiao Wang, "assistant Wen, I haven't lived in this apartment for a long time. It's estimated that there's a lot of dust. You..."

"Then I can clean it up for the young master first, and you can take the sobering soup to the young master."

"... you'd better give it to him. I'm clumsy. I'm afraid I'll disturb the young master. I'll just clean up the room. I'm a little expert at cleaning up --!"

Xiao Wang's feet were smeared with oil, and the whole person got into the bedroom.

Now hide aside and call Mo nanjue.

"Young man, the second young master is here all of a sudden. He's in the apartment now!"

Mo Nan Jue was drinking wine. When he received the call, he felt that fate was a terrible thing.

"Da Shao, if you are known by the old man, you must..."

"What's the matter? He hasn't seen anyone yet. What's more, he's drunk."

"But if..."

"Take people back early tomorrow and try to avoid meeting him. My brother is not interested in women now."

That's right, but Miss Su is very interested in the second young master.

But there were footsteps at the door, and Xiao Wang hung up immediately. Soon, Wensheng came over and said, "how's it going?"

"But... Yes."

Even if the apartment doesn't live, someone will come to clean it regularly, so even if it is on the ground, there is no dust.

Young master has a habit of cleanliness, so these things will be specially cleaned up.

Xiao Wang doesn't worry about this, just

"That's OK. You call Yu Yuan and say that the young master won't have dinner today. There's nothing else here. You can go back!" Wen Sheng takes a look at the room and sends Xiao Wang away.

"Oh... Good."

Xiao Wang ran out and felt that his heart was raised. He took a look at the heavy man on the sofa and thought, can't be so unlucky!

But now the young master is sleeping, and Miss Su must also be sleeping. Even if they are under the same roof, the chance they will encounter is very small.

So, it won't be so bad.

Wen Sheng helped Feng Yan into the house and left soon.

When Feng Yan got up, he was awakened by thirst. He didn't know when he was sleeping. Anyway, he had a heavy head. He went to the apartment to burn some boiled water and lay on the sofa.

His head is very painful. During this period of time, he basically relies on sleeping pills to take two from his pocket and put them in his mouth.

The bitterness of the medicine made him feel uncomfortable. Now he was drunk, but he seemed not drunk.

Fortunately, the sleeping pills played a very important role. Soon Feng Yan fell asleep.

Su Xiaowan in the next room sleeps deeply. After that, she feels sweating and sweating a lot. She struggles to open her eyes and blows the wind all day. It seems that she has caught a cold.

She had a dream in a daze. She didn't know who the person was. She only remembered the dim light. There were many bodyguards standing around supporting a person. At the moment, Su Xiaowan raised her eyes and looked at a person standing in a corner in the distance.

Because the distance is too far, so Su Xiaowan can't see him clearly.

Finally, Su Xiaowan is really thirsty. She goes to pour water, but there is no water in the room at all.

Dizzy, Su Xiaowan knew that she must have caught a cold, because she felt like she was going to faint.

There's a fever on the head.

Su Xiaowan went to the kitchen, got some water, drank a few mouthfuls, and finally eased off the heat.

In the end, she felt that her feet were too heavy, so she sat on the sofa.

There was a suit on the sofa. Across her back, she threw the suit on the floor.

But her back was still against something sharp. Su Xiaowan wanted to explore again, but she found something cool and comfortable.

I want to keep getting closer.

Feng Yan felt that something was holding her in his arms, like a stove.

But Su Xiaowan feels that the people around her are very cold, like cold ice.

Cuddling up to each other is the best night for each other.

Mo Nan Jue's people came at five o'clock in the morning. When they came in, they saw this scene.

Chapter 643

They immediately separated people.

Soon, the party left the villa and got on the bus.

A maid was the first to discover Su Xiaowan's fever.

Mo Nan Jue frowned.

"To the hospital --!"

"But young master, today the master said that he would let you go in the morning."

There is no doubt that going to the hospital will delay time.

"You take her to the hospital and bring her back later!"

"Yes."

They first went to the hospital and checked their bodies before they knew that Su Xiaowan was not pregnant.

The maid reported the matter to Mo nanjue. Mo nanjue's eyes were filled with a smile, but it was

fleeting.

"It seems that the old man was cheated by her, too."

"But she didn't seem to know all the signs of Miss Su."

Otherwise, how could they be threatened on the ship.

"She's awake?"

"Not yet."

"Since she is not pregnant, let her wake up as soon as possible!"

"Yes."

Mo Nan Jue arrived at the old house early. Sitting in the car at the moment, the man in the front seat asked him, "young master, you're looking for someone here. Is it..."

"Don't you think she's different?"

The assistant was confused by the question. Is it different?

The man turns the pendant in his hand, because it's morning, maybe the temperature is very cold, and the pendant is extremely cold.

"According to the father's means, a woman with such a status, even if she is pregnant with the bones and flesh of the Mo family, will not be able to leave her life. What's more, this woman, she is still a woman on the top of her second younger brother's heart. His father is most afraid of being disturbed by women, but his father sent Yu Yuan to take them back, leaving her life and the child, Don't you find it strange? "

"Maybe it's because of the Mo family."

"A father's ruthlessness is so strong that he can even lay hands on his own son, let alone a child in his stomach." The assistant frowned, "master's mind is really hard to understand, but young master, if you take people back today, if you annoy master, then..."

"I just want to see how different she is."

.....

When Wen Sheng came, he was just away from them. Wen Sheng was in a traffic jam on the road. If he hadn't taken a shortcut, he would still be in a traffic jam.

Young master usually wakes up at five o'clock, and today is new year's Eve. The old man called last night to let him go earlier.

So he didn't dare to delay for a moment.

I rang the doorbell, but no one opened the door after waiting for a long time.

Finally, I pressed the password to get in.

"Young master?"

Wen Sheng looks at the man on the sofa. He has several red marks on his face. If you don't look carefully, you can't see them at all.

Wen Sheng is staring at the moment. He hasn't been able to sleep well since the young master came back. Even if he takes sleeping pills, he can only sleep for a few hours at most, but today

He was deeply afraid that something might happen.

It wasn't long before Feng Yan opened his eyes.

"What time is it"

"It's six o'clock, young master." Wen Sheng looks at the man sitting up and sees the mark on his face again. At the moment, his heart is beating a drum.

"Nothing happened to you yesterday, did it?"

"Nothing." Feng Yan got up and went to the bathroom. In his mind, he felt that he was holding a very comfortable thing yesterday, but when he woke up, he found that everything was empty and slightly lost.

Wen Sheng frowned and looked at the rubber band left on the sofa.

It's a woman's thing.

Young master... A woman?

Chapter 644

When Su Xiaowan woke up, she found herself in the hospital. A woman was staring at her, as if she was afraid that she would run away.

"Miss, since you wake up, put on your clothes. The young master has been waiting for you for a long

time!" Although the woman's attitude was respectful, she didn't mean to discuss it at all, and her attitude was firm.

"Miss, don't forget what you promised to the young master. The child in your stomach is fine now, but no one can guarantee what will happen in the future." The woman took a look at Su Xiaowan, her eyes full of threats.

Su Xiaowan's hand clenched into a fist, but listening to her continue to speak, "young master just takes you to a family banquet, you don't need to be nervous."

Sure enough, there is not a good thing here.

If it wasn't for Feng Yan, she wouldn't be so angry!

Su Xiaowan angrily wanted to curse, but was recognized by the maid at a glance, "Miss, you are pregnant now. It's not good for you and the baby in your stomach to be angry."

Even if Su Xiaowan was angry at the moment, he was also suppressed by this sentence.

She got up from the bed, her hair was scattered, and she felt her leather ring, but she didn't know where it was. Now the woman called several people to dress for her.

"The young master spent 10 million US dollars to photograph this for you at the exhibition. There is only one in the world. If you follow the young master, he will not treat you badly."

It's a star skirt.

The material of Organza is floating. The whole skirt is full of stars. It's very shining and dazzling. It's a woman's favorite skirt.

Some of the women around seemed to be envious and said there.

It seems that no woman can escape the attraction of beautiful things.

However, Su Xiaowan soon found out the size of the skirt.

It's not my size.

The skirt is too big, her skeleton is too small, and she has lost a lot of weight during this period of time. Therefore, it's always strange to wear this dress.

Several women looked at each other. They never thought it would be like this. Finally, one person took some waistband and made some decorations on it, which covered up the loose feeling of the dress.

The big bow tied Su Xiaowan's slender waist. At the moment, it seemed that he was monopolizing the Star River directly.

It also has its own characteristics.

Su Xiaowan dropped her eyes, suddenly on the expression of those women, the deep meaning of the fundus of her eyes, seemed to make her fancy.

She suddenly thought of the pendant on the hand of Monan Jue, and then looked at the dress on her body.

I want to come.

This dress doesn't belong to you.

However, there were no other clothes here, and she could not go out in her hospital uniform.

Su Xiaowan simply cleaned himself up and got on the RV.

The magnificent interior of the car can be called moving all the things in the whole apartment, and even there are a lot of candy in it.

Su Xiaowan wants to get candy to eat. After all, she didn't eat in the morning. They didn't prepare breakfast for her at all. Now they are very hungry.

I want to add some sugar.

But I was stopped by the women around me.

"Miss, you can't move these sweets!"

"Don't you even give me a candy? What else do you want to be nice to me? It seems that they are all lies! "

The woman frowned, with a look of embarrassment on her face. "In fact... These are all prepared by the young master, young master..."

"For the other women?"

Chapter 645

Su Xiaowan's surface is flat and light, "does he have a woman he likes?"

"We can't talk about it in private." The woman was shocked, but Su Xiaowan knew everything.

She learned today that the man's surname was mo.

There are many people with Mo's surname, but people like them are definitely not ordinary people, but in her subconscious, she can't find any clues about this person.

It's too mysterious.

Just at this time, the phone call from monange came.

Now the woman took the video and put it in front of Su Xiaowan.

There's monanjue in the camera.

"It's so fresh and delicious to dress up like this --"

Su Xiaowan, "... I don't know what your purpose is, but I tell you, don't regret it!"

Although his weakness is being pinched, Su Xiaowan is not the fish on the chopping board and can be slaughtered.

Women are weak, but mothers are strong.

She wants to protect the baby in her stomach. Do everything you can.

The man's eyes show a smile, as if for what she said, feel very cute, "then I'll wait."

With that, the video hung up.

As soon as the computer screen darkened, the woman at that end disappeared on the screen. Mo nanjue looked at the man at that end. It was Feng Yan.

Feng Yan just took a look and went into the room.

Monan Jue always felt that he had become strange since he came back, as if... His heart was cold.

I don't know which step went wrong.

He couldn't figure it out, but he had nowhere to start.

But when he saw the doctor coming out of Feng Yan's villa one after another a while ago, he felt that things were not so simple. According to Feng Yan's personality, how could he leave a pregnant wife aside and be here safely.

But those doctors are all old men, and he can't ask a little.

But the old man's personality is arrogant and domineering. He is used to being the master. How can he leave that woman's life? There must be some secret.

I don't know how many years I haven't seen it before.

Mo seems to have forgotten what it's like to have dinner with his family.

Mo Nan Jue suddenly thought of a person, he slightly impatient with a cigarette went out.

Su Xiaowan is sitting in the car. At the moment, the environment is a little depressing, but she is really hungry.

"Miss Su, you can have a rest. There is still a long way to go."

I don't know where the car is. Anyway, Su Xiaowan doesn't know the road here. She doesn't know what's going on at home.

In her heart, she told herself that if she insisted on it, she would know the news of Feng Yan.

It took the car several hours to get to a villa.

The villa looks bright and full of vitality. On such a cold day, the plants outside are all strong and healthy.

"Miss, please get out of the car!"

Su Xiaowan was invited down by those people in her dress.

"The young master is waiting for you!"

The woman in front of him leads him and leads the way in front of him. Su Xiaowu drags her skirt and looks around. There are many bodyguards standing around. It seems that she can't even fly out.

Suddenly, Su Xiaowan's remaining light caught a glimpse of a figure and held on.

Only looking at the back of the man at that end, in a hurry to catch up.

Chapter 646

Su Xiaowan almost quickly to catch up, but was directly stopped, "Miss Su, the young master is still waiting for you!"

Su Xiaowan's eyes were fixed on the villa. She always felt that there were countless secrets in it. She even said that... The man just now, she was all stunned. Her legs were stuck on the ground like lead, and she couldn't lift them up at all.

Subconsciously, she felt that she could not go to that place by herself, so when she reacted, her body instinctively stepped back.

"Miss Su."

The woman behind her was a little impatient. Now she grabbed her arm and went straight inside.

When Feng Yan looked back, he was just looking at the woman in the starry sky skirt. The woman's hair was falling down and she couldn't see her face clearly.

"Young master!" Wen Sheng is standing there reporting his work. Looking at the person Feng Yan is staring at, he naturally sees it. His eyes follow the woman. The woman is slim. He has heard that the young master has a woman he likes, but the old man has never agreed.

"It seems that young master's people should be brought back to see the old man. In the early years, young master kept a woman in captivity and kept her as a canary. Before you came back, young master and old man had quarreled with each other many times because of this woman, but in the past few years, they have stopped a lot. I thought they had broken up, but now it seems, The young and the old are really moving. "

Feng Yan heard the speech, but did not speak.

It's not unusual for a man like Mo nanjue to have a woman.

He's in his thirties. He's in his early years. What's more, what kind of family is the Mo family? Naturally, some women will lean on him. It's just

He put his hand into his pocket and felt the foreign matter, which was the leather ring.

The leather ring was given by the temperature rise. Actually, it was found in the apartment.

All the people in and out of the apartment are men. They don't need this kind of leather ring at all. However, after investigation, the owner of the leather ring has not been found.

"Young master, a woman approached your dress at the party yesterday. Maybe she put this leather ring in it. His name is liki. He is the person the old man wants to make an engagement for you."

The man's eyes are fixed on the picture at the other end, and his brow is slightly wrinkled, but when he seems to grasp the leather ring, he doesn't hate it

But this face is really annoying.

Su Xiaowan was pinched by the wrist and went in. He had no way to escape. He pushed the door open

and only looked at the man waiting for him.

The man at that end, dressed in a black suit, was standing in front of a wine rack, looking at the wine in his hand.

"Young master, Miss Su is here."

Su Xiaowan looks at the pendant on the man's hand. His clothes are changed every day, even several times. He has never seen him wear the same kind of clothes, but the pendant on his hand has never been changed.

It seems to hang for a long time, so it's old.

Unexpectedly, this man is still nostalgic.

"Well dressed, I'm sure he'll like it!"

The man's voice was very light. Su Xiaowan didn't hear it.

At the moment, Su Xiaowan watched several maids and bodyguards around him retreat.

Looking back, the man came over, took a bottle of wine in his hand, and went to Su Xiaowan, "can you drink?"

"No

Su Xiaowan refuses him very seriously. She doesn't know how to drink. It's easy to get drunk if she drinks a little. She hasn't got a clear idea of the man in front of her, so

The man didn't force her. He took the red wine glass and poured it for him. Su Xiaowan looked down at his pendant.

"Don't want to know why I asked you?"

"If I ask you, you won't say, then why should I do so much?" Su Xiaowan's tone is full of anger.

The man raised his eyebrows gently. "You're funny."

Dead pervert.

Su Xiaowan didn't know how many words she scolded in her heart.

But where can the man know her mind? Now he puts the wine on the table with deep eyes.

"Pour me a drink!"

Pour the wine.

Su Xiaowan's Apricot eyes were cold. At the moment, he suddenly took the man's bottle and poured him a glass of wine. Mo nanjue thought that she would not agree. After all, this woman has a strong temperament. He didn't think that she could command her so easily.

Some were flattered to look at him.

But I didn't see anything else.

"You don't have to look at me like this. I'm smart. I have to bow my head when I'm under the eaves. I understand that!"

Su Xiaowan's eyes didn't pay attention to him, but she also knew that the man had a lot of eyes on him at the moment, like a scanner. She didn't like to be looked at like this.

However, without pouring the wine several times, Su Xiaowan accidentally poured the wine onto Mo nanjue's clothes. Because of her carelessness, the bottle fell on the ground and broke.

"I'm sorry, it's the first time I've poured wine!"

The red wine ran down to the cuff of Mo nanjue's clothes. At this moment, the man's expression suddenly changed. He opened the button of his sleeve and looked at the pendant soaked in red wine on his wrist.

Su Xiaowan's eyes have been staring at his action, she had not been very firm in their mind, but now it seems that it is true.

This pendant, for him, is the only thing that can disturb his mood.

Even if so much red wine was spilled on him, he was indifferent. His first reaction was to check the jade pendant.

Mo nanjue is a man with a light mind on the surface. It's just because of this that she can't see through his mind. It can be said that he is very deep in the city. If she deals with such a person, she may not be able to get any benefits, and she has to build up herself.

She can't let that happen.

"Young master, it's getting late. The old man has been urged to come here!"

Urge.

Mo nanjue took a look at Su Xiaowan. Su Xiaowan stared at him with an innocent expression. "My hand has no strength these days. Just now, my hand suddenly shook. Don't you blame me?"

Mo Nan Jue glared at her, pulled the jade pendant off his wrist and wiped it with a paper towel.

Su Xiaowan stood aside, looking at him wiping, "this is jadeite!"

"....."

"Jadeite will be corroded by red wine. It's useless for you to wipe it like this! You should be the best emerald... "

It's a woman's thing. Don't know about it. Since he put it on, he hasn't met such a thing. Even if he took a bath, he took it off.

But the person at the door urged, Mo Nan Jue was a little impatient, threw things on the table, and then turned to the bathroom.

Su Xiaowan took the jade pendant, which was not superior. In fact, she didn't know what she said just now. She told me nothing about jade.

Don't you think it was given to him by a woman?

Chapter 647

"Young master, the housekeeper is coming --!"

The man pushing his head through the door saw Su Xiaowan standing there, but he didn't see his own young master, "Miss Su, where is the young master?"

Su Xiaowan hid the jade pendant. Although she didn't want to take other people's things, she had to choose to save her life in such a place.

After all, if the man is crazy, she may have a way to handle him, instead of being held by him.

"He went to change."

The maid looked at the red wine on the ground and knew the young master's temper. She immediately sent someone to clean the ground.

Before long, the man at that end came out and changed into a light suit, which didn't match her very well.

"Let's go."

Su Xiaowan followed him out of the door and watched an old man come over and take a look at her. But her dress today tends to be sexy and cute, so she didn't recognize Su Xiaowan.

After all, there is a big difference between photos and reality. In particular, he didn't think about it at all.

"The second young master has been punished by the old man. You'd better come a little later now."

"What's the matter?"

"You also know that the second young master is stubborn, and the old man is a man of no choice. It's hard to avoid making the old man angry. Just now, the old man said that he would go on a blind date with ER Shao. Er Shao turned against him directly at the dinner table. "

"It's like the second brother's temper."

"It's the first time for me to meet such an opponent. Young master, you'd better go later. You know my temper. If you are..."

"No harm."

"Big and small." The housekeeper took a look at the woman beside him. Although she was beautiful, she didn't say that she could hook up the young master's soul.

This family can't get away from women.

Two less?

Su Xiaowan listened in a daze, but she followed the man at that end. She just felt that Mo nanjue was staring at her all the time.

Eyes... Su Xiaowan was a little nervous. After all, he took his things.

Is it hard to be found? But she's hiding well.

Su Xiaowan nervously touches his pocket. Fortunately, the jade pendant is still there

They soon came to the side of the villa, which is another villa. Unexpectedly, it has a unique cave.

Green trees, in this place, can also smell the smell of thick roses.

The host looks like a romantic.

Su Xiaowan looked over and saw a big Mo character hanging on the wall.

It was dyed by the golden lacquer light. With the flashing effect of the light, it was shining.

Everywhere, does not reveal in front of the men's luxury.

When Su Xiaowan followed Mo nanjue into the room, it was very quiet. He just listened to something knocking inside, and then a neutral voice came.

"You have to fight me, don't you?"

Follow the line of sight.

Then, looking at the man at that end, his feet were stuck on the ground like lead.

If the previous moment, she did not know the purpose of the man in front of her, then this moment, she seems to have some understanding.

It's Feng Yan

The man kneeling on the ground is Feng Yan.

At the moment, she couldn't see everything around her, only the man.

Thinner than before

Su Xiaowan was pushed hard.

"Isn't that the person you want to see? How come you dare not pass at this moment? "

The slender man stood on one side and said.

Chapter 648

Suddenly, Su Xiaowan watched the crutch fall towards the man at that end. Su Xiaowan almost ran over without hesitation and hugged the man kneeling on the ground.

Feng Yan had been waiting for a long time, but the crutch was declining, but a faint fragrance came from his face. Then, he was holding his little hand around his waist. Before he realized it, his soft body had hugged him and stood in front of him.

Feng Yan side head, saw a woman.

Feng Yanchang is so big. This is the first time he has been protected by a woman.

The crutch directly hit Su Xiaowan's spine. Although it was not very heavy, it was a girl. A girl had no

strength to bind a chicken. Even if she was bitten by a mosquito, it would be red for several days. What's more, it was an iron crutch.

Su Xiaowan's whole body leans forward and leans on Feng Yan's back. Because of the pain, she clearly knows that the person in front of her is real.

It's really Feng Yan... Not a dream.

For a moment, Su Xiaowan was just excited to cry.

She missed him all the time.

Want to hold him, tell him, miss him very much

She looked straight, but Feng Yan didn't hold her.

On the man is so strange and distant eyes.

I feel lost in my heart.

What happened to Feng Yan?

"You..." she took her hand away from him. Now she was staring at him. There were many people around, but she only saw him, and only he.

She moved her lip and wanted to ask him if there was any injury, why the man beat him, why he was here and didn't go back to them " Is it all right? " The man's tone is cold, seems to be just a light greeting.

When his eyes swept her, they were also extremely indifferent.

This is not what Su Xiaowan thought.

"You..."

Voice did not fall, just looking at the side of the people in front of the comfort of the old man, the voice, he did not fall a word were heard by her.

"Don't be angry, old man. The second young man doesn't mean to make you angry. The second young man is still young. Even if he wants to get married, he is not in a hurry for a while. What's more, according to the influence of Mo family, it's easy to marry a woman who is equal to the family and the second young man likes. Today is new year's Eve. Don't be angry for a while and make family discord."

Two less?

Su Xiaowan's eyes are fixed on Feng Yan. What they say about Er Shao is Feng Yan? Even if he is a young master, Feng Yan is also the third young master of Feng family.

What does Feng Yan have to do with them?

Su Xiaowan's eyebrows are tightly wrinkled together. She is beautiful, and her beautiful clothes add a lot of melancholy.

It's like a doll.

Feng Yan took a look at her. He always hated that women were close to him, but when he held her, he felt like his heart was filled.

What's going on?

His head is starting to hurt again.

Feng Yan's hand pressed his head lightly. Seeing this, Su Xiaowan knelt down, "what's the matter with you?"

The man inadvertently avoided her touch.

Wen Sheng takes a look at the old man and wants to walk over. But now, it's a family dinner, and he shouldn't appear. But the young master's head seems to be hurting again.

In the past few months, he had a headache. Because he didn't get enough sleep, he didn't go to see it. The doctor just prescribed some sleeping pills and couldn't do anything about it.

Su Xiaowan stares at him, keeping a distant distance from himself.

Su Xiaowan's hands were stiff in the same place. She knelt there, and she didn't even notice that the floor was cold.

Why did Feng Yan look at him with such strange eyes just now? It seems that there is still some disgust

It's not supposed to be like this.

"Where does this woman come from?" The old man was angry. He never hit a woman, but he hit a little girl.

When housekeeper Naomo came in, he watched the scene. He immediately ran to the old man and whispered, "it's... It's the young master's... Woman."

The woman two words once said export, as expected looking at Mo Heng's face suddenly black

excessive.

In his eyes, a man can turn a blind eye to such nonsense outside, but he must be loyal at home.

What's more... After all, he didn't want to let Mo nanjue follow the old way of that man and be eaten to death by a woman. Although Mo nanjue always has a lot of women outside, he also turned a blind eye, but at home, he is absolutely not allowed.

Now this woman is protecting Feng Yan, but she is mo nanjue's woman! If this matter is spread to Mo Liting's ears, maybe

Mo Li Ting, he hates this kind of woman most.

In the morning and in the evening, a woman who colludes with each other, but is not willing to give up, is stepping on two boats.

"Nanjue, what's the matter?"

Mo nanjue stood aside. He just wanted to screw up the family dinner, but he didn't expect such a scene.

Su Xiaowan really brought it by herself, and now, she is holding Feng Yan in full view of the public.

Just now, he also clearly saw Feng Yan's estrangement from her.

This is exactly like Feng Yan's performance in the car before. It's like a different person.

What did father do to him? To make him like this? Because a person's eyes can not pretend, especially in this kind of unexpected moment.

But at this time, he could not verify.

"Father, I did bring her back."

Mo nanjue gave Su Xiaowan a deep look. He didn't admit that it was his woman.

Feng Yan's eyes are deep. He has long heard that Mo nanjue is a playboy with many women outside.

Is the woman in front of you his woman? Feng Yan dislikes women and will not touch other people's women. This is the principle.

"What's the matter with her now?" The old man's eyes were fixed on Mo nanjue. Mo nanjue had grown up by himself since he was a child. For many things, he was always obedient and clever.

"She..."

Su Xiaowan raised her eyes. In front of these people, she didn't know who they were, but they were all people he couldn't provoke.

She was not intelligent, but a born fool. But at this moment, she seemed to have guessed the purpose of bringing himself back.

Big little, two little? Although I don't know why Feng Yan's father changed from fenglaozi to this one, it seems that a lot of things happened during his disappearance.

It also includes why Feng Yan met her but treated her like a stranger.

It seems that if you want to know what happened to Feng Yan, you must know from Mo nanjue

Now, Mo nanjue said that she was the one he brought back. If she had a relationship with Feng Yan again, I'm afraid that the old man in front of her would only punish Feng Yan even more.

After all, the crutch was very heavy.

If you let him know that he is mo nanjue's man, but he is entangled with Feng Yan, then he really can't say clearly.

Although she didn't know the identity of the old man in front of her, everyone here seemed to be afraid of the old man in front of her.

In that case, she had no choice but to make a plan.

Of course, Mo nanjue can not be allowed to retreat.

"I'm Mo nanjue's woman. He brought me back today to see my parents."

Su Xiaowan got up from the ground. At the moment, he was hit on the back by such a crutch, and it hurt.

Every step, there is a feeling of bones scattered.

However, she was glad that she didn't fall on Feng Yan just now.

This time, I owe him.

If it wasn't for him, he didn't have to go through it.

She covered her stomach with her hand, as if afraid that they would hurt her again. Although she was blocking for Feng Yan just now, her first reaction was that she didn't expect the child.

In her heart, she felt very sorry and spoke softly to the child in her stomach.

Mom is for Dad, you have to be good.

She felt that the baby in her stomach must have understood her.

So it's been good.

Meeting parents? Su Xiaowan went to Mo nanjue. She saw Mo nanjue's respectful appearance and awe when he was facing the old man.

She is not sure to let Mo nanjue stand by her side, but no matter what, this matter can't be on the edge with Feng Yan. No matter what happens, she will find out.

"You..."

There was almost a feeling that he was going to be angry with her. In particular, he knew that she had said it on purpose.

On the contrary, Su Xiaowan spoke calmly, with a bit of grievance in his tone, "didn't you say let me be your woman? Am I wrong? Are you guys so irresponsible? Or did you lie to me before? "

Su Xiaowan was pathetic when she said it, just like it was true. In addition, her appearance was not aggressive, so she only looked at the old man's face, which was even more terrible.

The words made people have a kind of imagination, as if in other people's eyes, this Monan Jue cheated other people's little girl.

Mo Nan Jue didn't expect to be killed by this girl.

He brought people back, and everyone saw them. Now he has countless mouths, but he can't tell.

"Son of a bitch! Who asked you to bring back the indiscreet woman to hinder my eyes The old man was angry. He couldn't understand the woman's plan. All the eyes of the woman were fixed on Feng Yan. He didn't have any idea about Mo nanjue.

indecent?

Su Xiaowan thinks that she is not bad, how can she become a woman of no three and no four.

"I'll send them back."

"Nanjue, I said I would be with you, so I won't be afraid. Although your father is a little fierce, I'm not

afraid of him. Really, you don't have to worry about me." Su Xiaowan got close to Mo nanjue and used the voice that only the two of them could hear.

"You deliberately brought me back, isn't it because of Feng Yan?"

From the beginning, he planned everything and wanted to be the leader of the game.

"From the beginning I didn't know what you were doing to me, but now I do."

Chapter 649

"But... You don't want to!"

No matter what his purpose is, she must not let Feng Yan be hurt.

"Do you think I'm threatening Feng Yan with you?" Mo Nan Jue fixed his eyes on her, and seemed to be thinking about her words.

"Isn't it?"

Expose her in front of so many people, let this majestic old man know her existence, by the way, Feng Yan, this is not what he wants.

"But take a good look. Has he seen you?"

He looked up. Sure enough, he only looked at Feng Yan sitting there, closing his eyes, as if he was closing his eyes. It seemed that this matter had nothing to do with him.

Su Xiaowan's heart is sour. She glares at Mo nanjue, who is gloating. Sooner or later, she will know what happened to Feng Yan.

"My father must have known about your relationship with Feng Yan for a long time. If I told my father about you, I think the stick just now would fall on your beloved man again... After all, you can see that my father hates you."

"Don't talk in my ear like a fly. Since you've brought me, you can't be clean."

"You are not afraid to make a big deal."

"I'm all here. What are you afraid of?" Su Xiaowan's fingertips tightly pinched his flesh, his face was a little pale, but he took out the jade from his pocket, and then put it on his hand in front of Mo nanjue's face.

"Since it's a family dinner, I don't know if your woman will show up?" Su Xiaowan's eyes flickered slightly, and her heart fluttered. In the eyes of outsiders, it seemed that they were talking about

something intimate, but only she knew that the two of them could not agree.

But she didn't regret it. After all, she found Feng Yan.

"Give it back to me!"

"I guess I'm right."

It's from a woman, and this woman is likely to show up at the dinner.

Wen Sheng looked at the small movements of Mo Nanjue and Su Xiaowan at the other end, and whispered to Feng Yan, "it seems that the young master has really moved his true feelings this time, but they are a good match standing together."

"However, I'm afraid that the master will never let him marry a woman who has no status. If this woman dares to make love with the master at a family dinner, she will probably not survive tonight."

The old man even just young master did not agree to blind date, are angry to his own son, not to mention, is an outsider.

Housekeeper Mo always feels a little familiar when he looks at the woman at that end.

He suddenly thought of something and came up to Mo Heng and opened his mouth to him.

Sure enough, in a few seconds, the old man's face was dark and sulky, almost breaking through his head.

"Nanjue, come up with her and me --!"

Su Xiaowan smell speech, looked at the person of that end... This old man, what do you want to do?

Mo Nan Jue takes a look at Su Xiaowan and follows Mo Li Ting upstairs. Su Xiaowan Yu Guang takes a look at Feng Yan. Under the urging of the housekeeper, he can only carry his steps up.

Maybe she can ask the old man face to face.

There are many bodyguards standing around. This is the first time for Mo Nanjue to come to this place.

This is the old man's private area, no one can enter.

Mo Nanjue walked along that road. Behind him, Su Xiaowan was very unstable because he was wearing high-heeled shoes. He almost fell.

Mo Nan Jue wanted to help her, but she pushed her away.

Chapter 650

"You are so smart, you should have guessed that Feng Yan... Is my brother. Yes, I am

Younger brother

"My father's means are cruel. You'd better not make him angry, otherwise, you and I will not come to a good end."

"If you are afraid, why do you bring me here again?"

"I want to see how much you have in his mind, but it seems that he is colder to you than strangers --!"

Su Xiaowan's hand tightly clenched into a fist, "what did you do to him?"

"He doesn't love you. Are you wronged?"

"Young master, please don't speak loudly --!" One side of the bodyguard warned.

The door swung open.

Please come in

Su Xiaowan endured the fear and went in.

In the end, she is unarmed now, let alone alone. Here, all the people in and out are tall men. If she is tough, it's like hitting a stone with an egg.

Su Xiaowan carries a step to go in, at the moment inside the room secretly, that end, seem to have a wheelchair.

But the sight was too dark for her to see anything.

Mr. Mo was still fine when he was downstairs just now. Now, how can he feel like he is recovering from a serious illness?

Because when Su Xiaowan came in, he smelled a smell of medicine.

Although she is not a doctor, it is impossible for a normal person, even if she is sick, to have the smell of herbs all over the room.

"Boss, explain this thing!"

"She... I brought her back."

"Your woman?"

Mo nanjue took a look at Su Xiaowan. Her jade pendant was still hanging on her wrist“

"Boss, do you think I won't do anything to you? Or do you treat me like a fool? "

Man's voice can't hear happiness, anger, sadness and joy, but it's depressing enough.

"Father, I..."

"At your own family dinner, you're pretty good." Mr. Mo's voice is very cold.

"You come here --!"

The man's voice is a little hoarse, which is said to Su Xiaowan. Su Xiaowan is scared now and has no extra thought to think about other things. Now she walks with her feet.

At this moment, the light was on, but the place where Mr. Mo sat closed a glass door. The glass door at the other end was frosted glass. She couldn't see the old man inside.

"Little girl, I'll let you go once. This time, you sent it yourself."

His tone is not heavy, but inexplicably chilling.

Even in this extremely warm room, it's extremely cold.

Su Xiaowan raised her eyes and looked at the frosted glass in front of her.

He clenched his hand nervously.

"I think you are pregnant with the flesh and blood of our family and spared your life, but now it seems that I have done it many times." The man sneered.

Su Xiaowan's hand immediately covers his stomach. How can he know that he is pregnant?

"Father --!"

Mo Nan Jue frowned, but was scolded by the old man directly, "your account, I'll calculate with you, now... Get out!"

At this time, the two bodyguards left, rushed in and took Mo nanjue away.

Su Xiaowan's steps were heavy. She was afraid of what the old man would do to her. But out of instinct, she walked boldly.

"Mo Lao, I know I'm in your way, and I never want to appear in front of you. After all, you have nothing to do with me. I just want to ask you why my husband is here! What have you done to him

Mo Heng standing beside Mo Li Ting, can feel Mo Li Ting's anger at the moment.

This little girl is really

Looking for death is a little fast. Does he think Mo Liting is the same as himself? Can we turn a blind eye to his raving words?

That's Mo Lao.

Now it seems that he is doomed to die, not to mention having Mo family's flesh and blood in his stomach. Even if he is born now, he probably can't live at all. Mr. Mo, where do you care about a grandson. It's still a shapeless one.

"No one has ever dared to question me in front of me. What qualifications do you have?"

Su Xiaowan listened to the voice at that end.

"I'm his wife, he's my husband, and I feel entitled to know what he's been through?" Su Xiaowan's tone is a little cold. Maybe when dealing with such people, she can't be a little humble or not confident.

If he is strong, he will be strong. He will be overpowered with momentum.

Take the lead.

"Since you choose to give up on him, you should accept the result! At the beginning, you signed the divorce agreement, so now you have nothing to do with each other. Don't forget, it was you who caused him to be like this. He had a car accident because he was looking for you. When he almost died on the road, where were you? I rescued him from Yama. At that time, he had only one breath left. Now he came to ask me, didn't he think it was a little late? Sure enough, she is an ill bred girl. "

The whole room was silent. Su Xiaowan stood there, and there was no room to refute the old man's words.

She chose to give him up.

She has been blaming herself for this.

"I know it's all my fault. I'll try my best to make it up." Su Xiaowan bowed her head. She had reflected on it many times and wanted to make it up to him. In her life, she would make it up to him.

"Since you know it's your fault, you shouldn't appear in front of him again. He's doing well now, much

better than when he was by your side, as you saw just now. It's alive and kicking. "

"I never wanted to hurt him." She never wanted to hurt him.

Never.

However, things backfired. She just wanted him to live a better life and didn't want to drag him down. But when things got to that point, she also blamed herself. She wanted to bear everything for him.

"But you have already done harm to him. Since he has recovered his life and has a good life, as his father, I don't allow you to associate with him."

Mr. Mo's tone was cold.

But Su Xiaowan, who heard the news, stood there and did not move.

Did he have a good time there? No, that distant look, cold, like... Colder than when I first met him, just like... A living dead man.

"Is he doing well? But what I saw was that he didn't live happily. He lived under your control. He had to ask you for your opinions when he wanted to do anything. That's why you thought he had a good life? "

Su Xiaowan said, seeing that the man at the other end didn't speak, he continued to say, "you said that you are for his good, but why did he lose so much weight? If you really care about him, even if you are angry, how can you be willing to beat him? You don't care about him at all
