

## good evening 671

### Chapter 671

"Are you not afraid of me?" The man's voice is very hoarse, like a serious illness, his eyes are unfathomable, like a deep pool, how to see through.

"Why be afraid?" Su Xiaowan raised her eyes, and there was not much dislike in her eyes.

In fact, the face in front of us is not terrible, and Su Xiaowan is not a person who judges people by their appearance, but judging from the traces on the man's face, these scars have been for a long time

From the trace on that face, it seems that we can think of the original scene. We can think of the impact at that time. Was the trace on the old man's face also harmed by the old man.

"My face is nearly disfigured, my vocal cords are seriously damaged, and my legs are disabled. Are you not afraid to look at me like this?"

"Not afraid!" Su Xiaowan shook her head.

Mo Li Ting's eyes are heavy, "you're lying!"

The man's eyes in front of Su Xiaowan, but became inferiority, "old man, I really didn't cheat you, people in this world can't choose their own looks, what's more, you must have experienced a major accident to become like this, and it's not your wish to be like this, right? I'm really not afraid. You don't have to feel inferior. "

Inferiority complex.

This dead girl!

Mo Liting pushes his wheelchair. Su Xiaowan sees that she is pushing very hard and goes to help.

"Where are you going? Shall I push you over? "

"You are not the servant in the villa. Where did you come from?"

"I... I was caught by that bad old man." When Su Xiaowan thought of Mo Liting's face, he was angry.

"Bad old man?"

"Even the head of the Mo family, I don't know his name, but he's a bad guy." As she walked, Su Xiaowan spoke with anger on her face.

"He's not afraid he'll kill you if you say that behind your back? The whole villa is his people. "

Smell speech, Su Xiaowan raises Mou, "I am not afraid."

"Hard mouth, if you are hit by his gun, you dare to say so --"

"You're afraid of him because he made you like this, aren't you?"

"....."

Mo Liting really admired the little girl's thinking, and looked at where she was angry and clenched her fist.

"Don't worry, when I leave with my husband, I will certainly take you with me. Don't be afraid of him. Although he looks like a dog, he is a real villain in his heart... He will be punished for doing so many bad things!" Su Xiaowan really doesn't like this old man mo.

When I mentioned it, I was so angry that I locked her in the place where she didn't shit. I couldn't even see Feng Yan's face. God knows how she came here.

"Punishment?"

"A man should at least have the idea of good and evil, but he doesn't know right from wrong, kills people, harms people... He is cruel and ruthless, and has no human nature. No matter how much money he has, he doesn't even have family affection or feelings. The people under his hand are just in awe of him --!"

Su Xiaowan only looked at the old man at that end and sneered. He didn't know what he meant. At the moment, he didn't know how to get to a hidden corner.

"Oh, no, I'm so angry that I seem to have taken you away!"

There is a river in front of us. We can't cross it.

But that end is also a house, painted with white walls, the appearance is the same as all the houses here.

"It's said that this is the second young master of the Mo family's other courtyard. It seems that we really went wrong and came here."

"Second young master?"

"You don't know? It's the second son of the Mo family who has just been found. "

**Chapter 672**

Mo Li Ting's words suddenly came from his face, "it's said that when the two young masters were brought back, the wound infection almost died..."

"Wound infection? How could it be? "

"I heard that I survived a serious traffic accident."

Mo Li Ting finished, looked at Su Xiao Wan, saw her stop there, eyes staring at the distance for a long time, did not let go.

Su Xiaowan only felt that her heart seemed to be held by someone, and she felt extremely uncomfortable.

For a moment, she couldn't even breathe.

Perhaps, in other people's mouth, she can better know what happened to him.

Hold your breath

How painful should Feng Yan be.

"Later, I heard that he had a high fever and was calling a woman's name all the time. The doctor said that he had a weak survival instinct and might not last all night. Later, I heard from the maid that he had recovered his life. I don't know how it was cured... "

As the sun sets, there is only the light of street lamps around, which is very dark.

Su Xiaowan looks at the river in front of her. It's frozen and cold

But at this time, her eyes are firmly on the house, maybe, he is there.

"What else do you know? Can you tell me more? "

"You are very interested in this ER Shao?"

"Well, I want to know about him." She wanted to know what Feng Yan had experienced during her absence.

Even a few words, as long as it's about him, she wants to know. When she says it, Su Xiaowan's eyes are red, and she shrinks her nose.

"I don't know much, but I heard that the reason why I picked up a life was because I was hypnotized, so I survived."

Hypnosis?

Her eyes fell on the old man, "what do you say, hypnosis?"

She was just about to listen to the old man, then her wrist was caught, on the other hand, a handsome face.

"Su Xiaowan --!"

It's monange.

"What are you doing here?"

Mo nanjue looked at the man in the wheelchair. He had been in the villa for so long, and naturally knew the whole person.

I was raised in another hospital. I heard it was my father's enemy.

"Why are you with him? You really don't want to live. Come with me -- "

"Hey, what are you doing --!"

Su Xiaowan, a woman, naturally can't stop Mo nanjue's strength. She was pulled away angrily. She looked back at the old man many times, but the man's steps never stopped.

At last, she bit monange's hand viciously.

"I'm saving you. What's wrong with you?"

Mo Nan Jue was bitten painful just released her, the arm has the deep tooth mark.

"I don't need your help!"

"Do you know that the last maid who spoke to him was thrown directly into the wolf's den by her father. If you want to live, don't provoke him. He's a madman

This night, there is no more sound.

The Mo family is like a cage full of cannibals.

More terrible than those wolves.

"That old gentleman is normal. In my opinion, you are just like crazy people --!"

Su Xiaowan looks at Mo nanjue. Mo nanjue is not a good thing either. He is very deep in the city, so she doesn't seem to have too much contact with him.

At the moment, Su Xiaowan turned to go, but could not find the way.

"We're nuts... And you? Think you can change us lunatics? " Monan Jue's eyes were fixed on her, as if he wanted to see something from her face.

"I don't want to change any of you. I just want my Fengyan. How about you? It has nothing to do with me!"

"It's heartless."

"Aren't you heartless?" Su Xiaowan looked at Mo nanjue with no language. "I miss that woman in my heart, but I never want to make efforts for her. I'm not like you. Even if I don't have any possibility, I'll hold on to it."

"What did you say?"

Su Xiaowan looked at him and took out the jade pendant from his pocket. "Do you really cherish this thing? Or do you just think it's dispensable? "

"Give it back to me!"

The man's face was full of anger.

Su Xiaowan didn't hide either. He gave it to him directly. Before he wanted to take it, he just saved his life.

Looking at him holding the jade pendant.

"In my opinion, the reason why she left you is that your behavior occupies a large proportion. If I were her, I would leave without looking back, because you don't love her at all."

"What did you say?"

"Have you done anything for her?"

Sure enough, looking at the man's face sink down, after full of silence.

"How do you know I didn't do it?"

"I don't see that you want to work hard for her. Maybe you can't put down your status."

After a long time, the man said, "I went to see her several times, but she was always determined and didn't want to be with me."

"So you don't go to her anymore?"

"Shall I go and beg her to come back? Even if I think about her and miss her, I will never do such a thing."  
"

Su Xiaowan looked at the arrogant man in front of her. She thought that the man she was thinking about was very loving. Otherwise, how could she even hang the jade pendant on her.

But now it seems that such arrogant and arrogant man, the most loved one, only himself.

"She is the person you like, but you approach her with your self-esteem and pride, covered with thorns. Will she want to be close to you?" Su Xiaowan thinks that this man is lucky that she didn't meet him. Otherwise, she would be very angry. Her EQ is extremely low.

"Is that so?" Mo Nan Jue's face was a little more moved. No one ever told him that.

He is the master of Mo family. He is always arrogant. Even in love, she coaxes her.

She is really good, like the bright sunshine, can instantly dissipate all the haze around her.

When he met her, he felt like a person.

But his father pushed her away.

Far away from their side.

In recent years, he didn't go to her, but she said that he didn't love her and didn't want to.

No love?

So his feelings were abandoned. A simple don't love, can push all things clean?

In a rage, Mo never looked for her again. Later, even if he was thinking about her, he just looked at her from a distance and didn't go near her any more.

"No one doesn't like a warm person, just like you. When you choose her, isn't it because she is a warm person? If he was as cold as you, would you fall in love with her? "

For a long time, following the breeze, Mo nanjue suddenly said, "I have never told anyone about her. You are the first one!"

Su Xiaowan takes a look at him and doesn't intend to continue talking with him.

"For your sake, I'll tell you one thing."

"I don't want to hear it. I just want to get out of here."

"Don't even want to know about him?"

Sure enough, Su Xiaowan stopped.

"Ah Yan is leaving. Tomorrow."

### **Chapter 673**

Su Xiaowan stood there stiffly. She tried every means to see him here. Before she saw anyone, he was going to leave?

For a moment, all the original words disappeared in her mind. She didn't know what to say.

If he left, where should he go to find him?

"But I'm happy tonight. I can take you to see him."

Su Xiaowan's eyes brightened. For a moment, he looked at the man in the light and saw his mouth curved upward. "What's your idea? Do you want your father to punish Feng Yan for my presence? "

"You woman, I'm kind to help you. Don't forget it."

Although Su Xiaowan's mouth is hard, after all, this is her last chance. She goes up and says, "I'll go with you."

Su Xiaowan did not expect that Mo nanjue took her on a boat.

"What did you bring me here for?"

"Of course, I'll bring you to see my second brother. What else can I do? I don't feel anything when you lie naked in front of me

"....."

It seems that everyone didn't expect the appearance of Mo nanjue, especially the woman with him. The woman was wearing a simple white dress, with a light makeup on her beautiful face and smart eyes, just like an angel in the world.

"Who is she? The daughter of that family? "

"Is it master Mo's lover? But master Mo's eyes are not on this kind of porridge

"Maybe I've eaten too many delicacies, so I want to change to some porridge dishes? How can you guess what the rich think

"Also..."

Su Xiaowan didn't pay attention to what those people said. She only wanted to find Feng Yan, but she didn't see that person in the bustling crowd.

"What are you thinking?"

The voice of the man sounded in her ear.

Su Xiaowan then turned around and looked at the standing Mo nanjue.

"What about Feng Yan? Are you lying to me? "

"I never cheat, but you are the one I brought. Don't run around. If it's dangerous, I won't save you!"

At this time, a woman dressed as a demon came over.

"Oh, Mr. Mo is here, too!"

Su Xiaowan raised her eyes and only looked at the woman on the other end, who was wearing huge high-heeled shoes and painting heavy makeup. Beside her, there was a man, who probably came with him. The man was not handsome. He was very fat with a beer belly.

It's like a nouveau riche.

Although the woman holding the man in her arms, her eyes were on Mo nanjue.

It's like seducing him

Su Xiaowan only looked at the man at that end. His whole face was black, but maybe it was because the man opposite was mo nanjue. He didn't dare to offend him, so he had to restrain himself all the time.

Seeing this, Su Xiaowan pushed aside, but was directly grabbed by Mo nanjue, "don't you want to see him?"

Because of the close distance, so at the moment three people are confrontation situation, such a scene, Su Xiaowan is not like to join.

At last he knew what it was for Monsignor to bring her.

"Mr. Mo, who is she! How come I've never seen it The woman's mouth was coy, but her tone was aggressive.

When he said that, he also looked at Su Xiaowan very provocatively.

Su Xiaowan thinks that he is really an obscene child. No wonder his woman doesn't want to be with him. If Feng Yan were her, she would never say a word to a woman, and she would not give her any association.

And Mo nanjue.

"Garbage --!"

#### **Chapter 674**

Su Xiaowan said impolitely beside Mo nanjue.

Just looking at the man's face suddenly turned black, coldly looked at the woman, and then turned his eyes to stare at Su Xiaowan, "what do you say?"

This dead girl, even called her garbage.

"Don't you let people scold you for doing these things? No wonder your woman doesn't want to talk to you! "

This woman

"You let me go, I don't want to have anything to do with you at all."

"Mr. Mo, you're here. It's a shame to welcome you from afar!"

At this time, another coquettish woman appeared in front of her. Compared with the star just now, this woman was much colder.

This Mo Nan Jue, these can't all be his lover?

What an asshole, garbage.

This woman's name is Yao Zhizhi, and there are several other women who come with her. They are all dressed like demons. However, Su Xiaowan has seen a lot of scenes with Feng Yan. Their clothes are gorgeous and made of diamonds. It can be seen that they are expensive.

At present, this woman should have a higher status.

But her eyes were straight at Mo nanjue. It seems that she never forgets Mo nanjue

Is it the woman whom Mo nanjue likes?

It's not like that.

Because Mo nanjue's expression is cold

Su Xiaowan looks at those women's envious eyes. At the moment, she frowns and wants to push him away, but she is reminded by him.

"If you want to see him, get rid of these women."

"You..."

Yao Zhizhi looked at the woman beside Mo nanjue. She was envious, but now she seems to be in a weak mood. "Mr. Mo, who is she? She looks so beautiful. Is she your new favorite?"

Su Xiaowan, MMMP.

But there was a smile on her face. Now she wanted to kill Mo nanjue.

New favorite.

This woman is going to retreat her to the abyss!

Sure enough, by saying this, the voices of people around began to grow louder.

"It seems that it's just for the sake of money that we are together with Mr. Mo!"

"No wonder she doesn't look like a rich man."

"It's estimated that Mr. Mo was seduced by his excessive efforts!"

"....."

"..." the voice of the people around him was not taboo. At this moment, Su Xiaowan suddenly became the target of public criticism.

"Mr. Mo, why did you ignore me?" The woman took a provocative look at Su Xiaowan, and now she stuck to Mo nanjue.

Su Xiaowan doesn't know the name of the woman, but these days, she has seen the entertainment

news in that yard. She seems to be a female star.

Looking at her exposed clothes, she appears in such an environment at the moment, probably to seduce a man, or to find a rich man

She pursed her lips and looked at the coquettish woman coldly.

Just want to say something, suddenly the woman came to her face, the painting is very delicate makeup, the layer of powder shop is very thick.

Su Xiaowan smelled a pungent perfume.

"What's your name? How did you seduce Mr. Mo? "

"....."

Seduce?

The words are really getting worse and worse. This woman, though not particularly obvious, is well-known for Sima Zhao's heart.

Su Xiaowan didn't come here for Mo nanjue. In fact, she didn't have to blush with these women. But at this time, the women around him were all jealous because he was standing beside Mo nanjue.

"Don't seduce me, he is my man! And you can only look at it. "

## **Chapter 675**

In the eyes of women, the Mo family is a well-known aristocrat. At that time, Mr. Mo built a huge business empire here. It can be said that there are not many people who want to marry into a rich family.

Yao Zhizhi is naturally one of them. The Yao family is also a respectable family. It's not easy for anyone to choose a son-in-law.

Yao Zhizhi is now 26 years old. He has a career and naturally longs for love.

Mo Nan Jue is handsome and rich. He is a good candidate for a husband. With his status and power, he has a good way to talk. All of a sudden, he is among the people he wants to marry most.

Moreover, Mo never said no to his approach.

As time went by, she felt that it was just like this, leaving only the window paper to be pierced.

Maybe soon, they'll be together.

Although he heard that Mo nanjue was married during this period of time, it seems that he is divorcing because the old man does not agree.

When she thought about it, she felt that she had a better chance.

So, when she knew that Mo nanjue was also invited today, Yao Zhizhi came nonstop.

The woman didn't expect that she would say that. At the moment, her hands could not help clenching. She was waiting for all the women around Mo nanjue to leave, and she had been in contact with him for such a long time. He didn't hate her, but suddenly he brought a woman in front of her and looked at her without any identity.

I think it's just for Mo nanjue's money. In the end, he will be kicked out by Mo nanjue.

But all of a sudden she said that.

"To be a rich woman, isn't that impressive?"

Prestige?

What the hell?

"....."

"However, a man like Mr. Mo is not something you can think about. We'll see if it's your man."

At the moment of passing by, the woman's low voice came into her ears, as if laughing.

The next second, just looking at the end of the people just walked into the party.

Mo nanjue looked at Su Xiaowan with a pale face.

"What's the matter? What did she tell you? " Mo Nan Jue looks like a good play.

"It's not because of you that you want to kill me!" Su Xiaowan stepped on his feet and went to the place where he ate.

I don't want to worry about him.

But don't know this scene, all fell in the eyes of the man at that end, where does Wen Sheng know, this woman haunted here, also staged a drama of robbing men.

"Second master..."

A man nearby also saw this scene, looking at Mo nanjue at that end, "it seems that master Mo has found someone he likes!"

People you like.

Feng Yan held his glass in silence, "I'll give you a toast."

"Good." The old man took the wine glass and looked at Feng Yan. Although such a character as Mo nanjue is indeed indispensable, he knew that all the things of Mo family would be passed on to the man in front of him in the end.

In the process of contact with him, he also found that the man in front of him had a broad vision and a unique business mind. Even he, an old man who had been rampant in the shopping mall for many years, could not help but sigh.

It seems that Mo Laozi is a good successor.

Su Xiaowan stood beside Mo nanjue, "where are people? Are you lying to me? "

"You have something to cheat on."

"... what about the letter? Why didn't I see it? "

"What's the hurry? He will show up when he should. Now, please cooperate with me in acting --"

"....."

## **Chapter 676**

Su Xiaowan is impatient, but because of Feng Yan, he can only swallow his anger in his stomach at the moment.

Yao Zhizhi looked at the two of them, jealously holding the wine glass in his hand.

"Zhizhi, such a woman will soon be kicked out by Mo Shao. How can Mo Lao let such a woman in the door?"

"What do you know? If he liked her, he might fight against the whole family for her! I look at her that pair of fox spirit's appearance, one sees to hook a person! "

"Why not! For a rich family like the Mo family, where does it need any marriage? Maybe all the things that Mr. Mo disagrees with are false! "

Yao Zhizhi was full of anger by them. Now he smashed the wine glass on the table.

"Zhizhi, don't be angry. We are also telling the truth!"

"Well, I think you're deliberately blocking me up!"

"Why! We are all best friends. We all want to give you advice! " The speaker's name is Chen Xiaoxiao. His family is also a family business, but he is not as good as Yao Zhizhi's family.

They are not as rich as Yao Zhizhi's family. Yao Zhizhi is generous and his family is rich, so they all like to play with him.

I think I can get some benefits from her.

Chen Xiaoxiao is looking at a woman coming in from the banquet hall. Now she is pulling Yao Zhizhi, "that woman's name is Bai Mo, I heard she is the second master's counselor."

"White end?"

"I just came back from abroad. It's said that it's su Yan's younger martial sister. It's su Yan's recommendation that she can enter Mo's house to see young master Mo Er."

"Er Shao?"

"It's said that the second young master will be present today, but I don't know what he looks like. He may be among so many people!"

Yao Zhizhi naturally heard of the second master. He was a ruthless character because of his violent and ruthless means.

Compared with Chen Xiaoxiao, Yao Zhizhi is more practical.

She has always been identified with Mo nanjue, so she is only interested in Mo nanjue.

Chen Xiaoxiao saw Yao Zhizhi with no expression. She leaned over and said, "Zhizhi, if you can have a good relationship with Bai Mo, you will have a better chance to see the young master in the future."

"You want me to beg her in a low voice? I don't want to Yao Zhizhi is a proud man. He has been here since he was a child. He has never asked for help.

"Zhizhi, how can you ask her in a low voice! I mean let you have a good relationship with Bai Mo and let her stand with us. If she can help you to say good things about you in front of the second master, maybe the second master will help you to add fuel to the flames if you are happy, then this thing will not be done! "

Chen Xiao's novel is very exciting.

Although Yao Zhizhi is not interested in this second master, Chen Xiaoxiao likes him. No matter what he looks like, she likes him.

My father didn't know where to find out that the second master, with a good method, was the man whom Mr. Mo liked.

This Mo family will not necessarily follow the eldest son, so the second master is likely to be the next leader.

If she follows the second master, is it necessary for her to follow Yao Zhizhi after that?

She doesn't want to be behind Yao Zhizhi's ass.

"Go and get her."

"Well, I'm going."

Yao Zhizhi's eyes were fixed on Su Xiaowan and said to the maid, "go and stare at her for me. She will tell me when she is alone!"

"Yes."

Not long after that, the maid came and said that she saw Su Xiaowan go to the bathroom.

## **Chapter 677**

Yao Zhizhi put down his glass and hurriedly followed him. He often came here, so he found the location of the bathroom.

That woman just made her lose face.

I can't swallow it until now.

When Su Xiaowan was walking half way, she suddenly felt that the tiles on the floor were wet. She frowned. Fortunately, the heels she was wearing today were not high. Otherwise, according to the people she didn't like wearing high-heeled shoes, the wet ground would surely slip.

Suddenly, she saw a figure.

It seems to be Fengyan.

In a hurry, he trotted after him, but in the middle of the race, he finally disappeared.

Su Xiaowan turns back and goes to the bathroom.

But I didn't go in. I heard a woman screaming at the door.

"Ah

Then when Su Xiaowan walked by, he saw the woman who was drenched and all wet running out from inside.

I had a direct contact with her.

Su Xiaowan's brows wrinkled, because the water on the woman... Smelled.

She is

That woman's hair is all wet, she looks very embarrassed, and her clothes are too wet, and this person is not others, is Chen Xiaoxiao.

"It's you --!"

When Chen Xiaoxiao ran outside, he saw the woman standing there. It was su Xiaowan. He had just met Yao Zhizhi. In addition, Su Xiaowan was very beautiful. She was beside Mo nanjue, so she recognized her immediately.

Maybe it's because just now Su Xiaowan followed Mo nanjue and swaggered.

Maybe it's because Su Xiaowan is beautiful. She seems to remember that a while ago, she went to Youcheng to take part in Yibu opera, which was originally performed by a woman named Su Xiaowan.

She saw the pictures.

It was just a glance, but now it seems... It's her!

At the beginning, when she was compared with her, she was still unwilling. Now when she meets Su Xiaowan, she is naturally angry.

"Why are you such a vicious woman? I have nothing to do with you. Why did you pour so much water on me? Where did I provoke you?"

Pour water?

Su Xiaowan doesn't know what happened, but now she frowns at this woman's words. Is it slandering her for pouring water on her?

How free she is.

Besides, she doesn't even know who she is.

"You're in my way!"

Su Xiaowan doesn't want to talk to her.

But Chen Xiaoxiao directly held his wrist, "Oh, you are a woman who dares to do such a thing because you can be lawless with the support of Mo Zong, right?"

"Miss, you are really good at telling lies with your eyes open. Did you see me pouring water on you?"

"If it wasn't for you, why are you sneaking around here?"

"To go to the bathroom is to go to the bathroom, of course, or what are you doing here?"

Chen Xiaoxiao was speechless by what she said, but at the moment, she is in such a mess that she can't forget it.

"You are a dead duck with a stiff tongue. I have plenty of ways for you to admit it!"

"OK, then call up the monitor to have a look."

At one end, Wen Sheng's steps stopped because of Feng Yan's steps. At the moment, he only looked at the two women at that end. One woman was in a mess, and the other was brilliant.

Two people are not others. One is Chen Xiaoxiao, and the other is Su Xiaowan.

Wen Sheng stands there and looks at the woman at that end. He knows that the young master must have moved his heart towards this woman. Although he tries to restrain himself, as a man, he can feel something wrong with the young master.

He thought that if it wasn't for the fact that this woman was the young master's woman, maybe now the second master would have snatched the man back.

"I didn't expect that the young master's woman was so bad in character and so resourceful..."

"Are you idle?"

"....."

Wen Sheng looks at Feng Yan and goes straight away. He has to keep up with him in a hurry. Anyway, now as long as the young master doesn't get involved in the matter, it's OK.

So, I deliberately said something bad about that woman.

But who knows, that person suddenly walks toward their position of Su Xiaowan.

### **Chapter 678**

Temperature rise, "..."

Su Xiaowan really admired the woman's Association.

I've never seen such a person. It's really the best way to speculate on other people's ability.

"I envy you? Do you have anything I need to be jealous of? "

"If you don't envy me, why do you throw me like this? Do you think I'm going to steal your thunder? I know, I look better than you, but you don't want to make a fool of me in this way, do you? You wicked woman. "

Su Xiaowan, "... I'm the one brought by Mo nanjue. Do you think I'm afraid you'll steal my limelight? As for whether you look good or not, it has nothing to do with me. I'm not a man! "

"You are afraid that Mo always takes a fancy to me and likes me!"

"Ha ha, if his vision is so bad, I really won't choose him! I remember just now that he didn't even look at you! "

This woman was provoked by Mo nanjue.

Su Xiaowan doesn't want to talk nonsense to her!

I just want to solve this problem as soon as possible.

Feng Yan, who had been walking towards her, just heard this sentence

If he had such a bad eye, I would not choose him

It's like a basin of water pouring into her heart

His expression returned to indifference, and Wen Sheng saw him stop. "Young master, the banquet is about to start, let's hurry to it!"

Su Xiaowan heard the sound, suddenly turned back, at the moment on the deep as the deep pool of eyes, a look bottomless.

It's Feng Yan

She thought he was coming to help her, but she watched him carry his feet, his eyes moved away from her and turned away.

She wanted to catch up with her, but the woman held her by the wrist.

"Well, you're cheap enough to hook up with Mr. Mo and keep thinking about other men."

"It's none of your business. Get out of the way!"

Su Xiaowan broke off the woman's hand and wanted to run, but the next second, the woman suddenly fell to the ground.

At the moment, a maid happened to pass by, looking at the two people at the door of the bathroom.

At this moment, there are also several women and men who come to the bathroom and recognize Chen Xiaoxiao at a glance.

Although Chen Xiaoxiao's family can't be compared with a big group like Mo's family, Chen Xiaoxiao is a well-known lady.

There are two daughters in the Chen family. Chen Xiaoxiao is the youngest, while the eldest daughter, who has a successful career, is a rising star.

Although she is a daughter's family, she founded the company by herself, and now it is developing very well, which is still praised by people in the market.

And the second daughter, who has become a member of the entertainment industry, is also popular in the entertainment industry these years. In addition, she is beautiful, which is favored by many men.

"Miss Chen, what's the matter with you? How to make it look like this

Several women helped Chen Xiaoxiao up and smelled the smell of her, but they didn't know what happened.

Chen Xiaoxiao looked at Su Xiaowan and pointed at her, "I don't know what happened to the woman that Mr. Mo brought. I just wanted to invite her to have a drink, but she poured all over me. She thought that I seduced Mr. Mo and pushed me to the ground. Just now I saw her fawning on other men..."

Chen Xiaoxiao was there to see that many people had already stood on his side and confused right and wrong.

Because it's the woman brought by Mo nanjue, the big guy is very jealous of her. Now it's because Chen

Xiaoxiao says so.

A lot of people are starting to step up to her.

Su Xiaowan is surrounded by several women.

## **Chapter 679**

"Mr. Mo must have been fooled by you because he didn't see the real face of a woman like you!"

Chen started to cry as soon as he started to write.

Su Xiaowan stood there, holding her fingers and clenching them into fists. Thinking about Feng Yan's eyes just now, she wanted to beat all these people at the moment.

"I know that she must be too fond of Mo Zong to worry about gain and loss --!"

"... Xiaoxiao, how can you help such a woman to speak? She has done this to you!"

At this moment, a man came up behind him.

Su Xiaowan didn't know what the woman was going to do, but when she reacted, she realized that she had said it on purpose.

Fortunately, she didn't really have any idea about Mo nanjue. Otherwise, with his popularity, she couldn't tell when she would be swallowed by these people.

"Mr. Mo, you can count it. This woman bullies us here because you like her. Look what Miss Chen looks like. She's just a jealous woman!"

Jealous woman?

Chen Xiaoxiao stood there and said softly, "Mr. Mo, it has nothing to do with this young lady. I fell down accidentally."

Su Xiaowan looks at her affectation and looks at Mo nanjue at the moment. If it wasn't for Mo nanjue, how could this kind of woman stick to her?

She can't understand. Why don't you put these thoughts on Mo nanjue?

"Are you not careful? Just check the surveillance? I don't like to suffer from dumb losses. Since Mo nanjue is here, it's just right. If I do it, you can let her take it out for you! Don't push everything on me. This mess is yours, don't push everything on me

Su Xiaowan spoke impolitely, finished, and went straight away.

Everybody, "..."

What's the situation?

Why does it feel like this woman is the boss?

Is Mr. Mo still indifferent?

Su Xiaowan ran to the other end, but there was Feng Yan's shadow.

She must be angry!

Blame the woman just now. If it wasn't for her, I wouldn't have

After a while, the other end broke up, and Mo Nan Jue came to her, "she bullied you just now?"

"It's not easy to bully, and I'm not a bully."

The lights in the room were flickering. Suddenly, a young lady of etiquette stepped on the stage and interrupted Su Xiaowan and Mo nanjue.

Unexpectedly, this is an auction.

"Take your seat."

"I asked you, where is Feng Yan?"

"If you don't sit down, you will make headlines tomorrow. Moreover, if you go on like this, the relationship between you and me will be even more unclear. Do you think he misunderstood you?"

"....."

Su Xiaowan looked at the two sides, and sure enough, they were the only ones standing there.

She's talking to monange.

I don't know if there is any media, but anyway, people here are looking at her with all kinds of strange eyes.

No way, Su Xiaowan can only take a seat.

But sitting with this man, even sitting down, is not low-key, but Su Xiaowan can only sit with him.

After all, she couldn't find Feng Yan.

At this time, the things on the table were lifted, revealing the true face of Lushan.

Then, only to see the jewelry box was opened, is a necklace.

Su Xiaowan is the first time to come to such a place. It's not very comfortable for her to sit there. The Feng Yan she's looking for doesn't see anyone at all.

At this time, the slender necklace on the screen is enlarged, which is a blue gem necklace like a water drop.

Crystal clear, as if the world's unique, pure shine.

### **Chapter 680**

"This necklace is not the one that the princess has worn, is it?" A woman sitting beside Su Xiaowan spoke in surprise.

"It's said that there is only one in the world! There is no price in the market! Who is so generous? " The woman on the other side, hearing the sound, was staring at the necklace.

"It's Mr. Mo! Otherwise, no one present will be able to show it. "

"I really want this necklace, husband. Can you take a picture and give it to me later?" The woman said with envy on her face. In such a rich family, although it looks calm on the surface, in fact, behind the scenes, there is a lot of blood. Everyone is not good at fighting. They all want to be more and more superior and be the famous big man, so that everyone can be convinced of him.

And this necklace symbolizes the status of the powerful, as if to get this necklace is to get the status of power.

"The starting price is one billion yuan! And I've heard that some big people will do it. Where can we buy it? " One side of the husband to be scared to death, this, if someone with ulterior motives to listen to, do not know how to deal with their own embellishment!

In particular, the Mo nanjue is still here. Mo is always here. Who dares to compete with him for what he wants.

It is obvious to all that the Mo family started from scratch by relying on Mr. mo.

The Mo family is cruel and violent, and the Mo master is a cruel character. If something comes to the Mo master's ears, then they can't say anything clearly.

"Big man? Why don't you buy it yourself? " The woman frowned. Yu Guang took a look at Mo nanjue at

the other end. Seeing that Mo nanjue was light, she couldn't see what he was thinking.

"Of course, rich people like to do charity like this. The auction didn't announce the names of the donors, but tonight, Mo is always the protagonist. We can't steal their limelight." One side of her husband's birthday admonishment, I hope she does not give himself trouble.

"Husband, I know." For her, status is what she wants. Although she is also interested in the Mo family, she has no relationship with the Mo family. In the end, she chose such a man who is ten years older than her.

It's her life, and she can't change it.

I envy the woman sitting beside Mo nanjue. She is so young that she has such treatment. So when I look at Su Xiaowan, I feel a little more resentful.

Su Xiaowan listened to their conversation and took a look at Mo nanjue. Did he bring this necklace?

We're going to have to go back later?

I really don't understand these rich ideas. If I'm willing to do charity and give some money, wouldn't it be better to do it directly?

But the money is their own, how to use it has nothing to do with her, after all, people like to toss, you can't stop it.

Su Xiaowan is absent-minded. The woman on the stage is still introducing the necklace, but Su Xiaowan is not interested in it. She looks around for Feng Yan, but she doesn't see anything. She doesn't know whether he is gone or hiding.

Thinking of his eyes just now, I hate to slap myself.

It's all Mo nanjue's fault.

Su Xiaowan turns her head and suddenly looks at Mo nanjue. In fact, Mo nanjue and Feng Yan are not the same. There is a big gap between them.

Feng Yan is resolute, while Mo nanjue is feminine. Moreover, these two people don't look like that villain.

Are they all like mom?

It's hard to imagine what kind of woman Feng Yan's mother is.

"Beautiful?" Suddenly, Mo nanjue said.

Su Xiaowan was stunned for a moment. She raised her eyes at the moment. It was obvious that this sentence was a bit confusing to her husband.

"Do you think women will like it?"

Su Xiaowan knew that Mo nanjue was talking about the water drop necklace on the stage.

"The necklace is beautiful." Su Xiaowan opened her mouth truthfully. She took a look at the necklace, but she didn't have the same posture as those women.

The voice is bland, beautiful things are naturally liked by people, necklaces are naturally beautiful, otherwise, the women around will not be so eyeing.

But she is different from others. She will not like what they like.

"Then she will like it!"

Su Xiaowan saw Mo nanjue pick up the auction card beside him and yelled in a hurry like a hairy boy.

"Two billion!"

"Wow, two billion! Sure enough, Mr. Mo is generous! "

The hostess looked excitedly at the position of Baron mo.

At the moment, people around began to whisper, "one shot is so big! Who dares to argue with Mr. Mo? It seems that he is going to give it to that woman? "

"That's a great life! If I, Mo always spent so much money to buy this necklace for me, I would cry to death on him. "

Cry to death?

Su Xiaowan listened to the comments, although she had some scruples about Mo nanjue, but women are gossip, especially Mo nanjue has such a high profile, she suddenly understood the intention of Mo nanjue to bring her out.

"Mean!"

Mo Nan Jue smelled the speech, the corners of his mouth grinned, "she also often said that to me! But every time she says that to me, I'll block her mouth

"... dirty and shameless."

Su Xiaowan was angry, but Mo nanjue was happy.

Yao Zhizhi, who was sitting there, listened to them, while Mo nanjue and Su Xiaowan sat there, like flirting.

At the moment, holding his bag, Chen Xiaoxiao is sitting there, looking at Yao Zhizhi. Just now, he was almost driven out by Mo nanjue. But for Yao Zhizhi, he really can't get away.

The woman who splashed herself was also found out.

It's a waiter here.

I'm jealous of her beauty, on purpose.

But Chen Xiaoxiao knew that it was a lie. The waiter must have been bribed, and who was bribed? You can tell at a glance.

However, at that time, Mo nanjue was present, and she didn't want to be angry with him, so she suffered this loss.

Now looking at Mo nanjue and Su Xiaowan's face to face, I can't help teasing him, "Zhizhi, it seems that Mo is really trapped by this fox spirit. What can you do?"

"A woman like her, do you think she can get into Mo's house?" Although Yao Zhizhi said that, she naturally saw that Mo nanjue was very close to her just now. Even if he spoke, Mo nanjue insisted on pulling her.

Mo Nan Jue is thin and cool in nature. No woman ever needs to save face. Just now, she clearly saw the words that Su Xiaowan's lips spat out.

She can speak some lip language, so she heard Su Xiaowan's words just now.

It's obviously that Mo nanjue is shameless.

But she didn't see what Mo nanjue said, because Mo nanjue's face was always against Su Xiaowan, and Su Xiaowan just blocked her from her angle.

"Zhizhi, even so, you can see that Mr. Mo has to pay such a high price to take a picture of this water drop necklace for her. As soon as you see, this woman is important in Mr. Mo's heart. This is not the way to introduce her this time! Besides, this woman is not without status. She is a star. "

Yao Zhizhi has been abroad all the year round. He is also dedicated to his career and is not interested in many things. Just like those stars, she always looks down on them.

Naturally, they don't care.

Chen Xiaoxiao took out his mobile phone from his bag and put the picture he found in front of Yao Zhizhi, "look, this is her. As soon as the TV series was released a while ago, this woman was on fire! Now I'm a household name in Youcheng. I'm worthy of Mr. mo

Chen Xiaoxiao feels that Yao Zhizhi is holding her hand tightly. She will never forget the humiliation Su Xiaowan has just given her.

But if he did it himself, Monan Jue would not let her go.

Therefore, if Yao Zhizhi comes out, she just stands in the corner to watch the excitement.

She has a hook in the corner of her mouth. She has seen Yao Zhizhi's means.

Su Xiaowan can't ask for any good.

"Three billion!"

All of a sudden, I don't know the place.

In a flash, there was a storm.

Three billion?

For a moment, everyone was wandering around. Who was the man who said three billion? He dared to fight with Mo nanjue

Even Yao Zhizhi and Chen Xiaoxiao stood up to look for him.

However, I didn't see anyone standing up.

Mo Nan Jue listened to the familiar and a little strange voice. At first, she was a little uncertain, but when she saw Su Xiao Wan standing up, she immediately guessed it.

Su Xiaowan looked around and found no one, but listening to the voice, she was absolutely sure that it was Feng Yan.

"Where is he?"

She was a little discouraged, but now she twisted her eyebrows and looked at the man sitting there.

"How can I know if you stand up and don't find him?"

"You are playing with me, monanjue."

Today, when she came here, she felt that she might as well not come. When she saw such a side, she might as well not see it.

In this way, he can keep a good impression on Feng Yan.

"I'm just going to show you. You've met him just now."

"....."

At this time, the hostess at that end was also stunned, because just before she came on stage, the person in charge told him that this time the necklace auctioneer was Mr. mo.

But they didn't expect to kill Cheng Yaojin.

However, due to the current process, the hostess did not hurry to say, "3 billion once!"

"Three billion twice!"

The hostess said while looking at Mo Nan Jue, but Mo Nan Jue did not seem to have much accident, he did not raise the sign in his hand.

It seems that I don't want to fight.

"Three billion times! Congratulations to this gentleman -- "

At this time, Su Xiaowan saw a man.
