Book 11 - Chapter 7 – What Happened To Yan Wu (I)

Volume 11 Chapter 7 – What Happened To Yan Wu (I)

“Yan Wu!”

Lei Xingfeng couldn't believe that the person standing in front of him was Yan Wu. They were of similar age, and he'd heard that the senior master of Yan Wu was mighty. It had shocked Lei Xingfeng tremendously when he saw the current state of Yan Wu.

Tian Xiaonian said, “Senior, I think you've recognized the wrong person. My Master's name isn't Yan Wu.”

Lei Xingfeng also found out that Yan Wu's practices were utterly lost. He asked, “I shouldn't have seen wrongly... You are Yan Wu.”

The old man was indeed Yan Wu. Back then, he wasn't as lucky as Lei Xingfeng. He was knocked down in the Ancient Lun Passage and fell from there. Although the fist of Si Donald didn't destroy the point of Passage, it was enough to induce changes to the Ancient Lun Passage. On the contrary, Lei Xingfeng had much better luck. After he was rescued, he recovered quite quickly.

However, Yan Wu was not as lucky, after he fell, he was in a coma. Also, he had been soaked in water for more than ten days before being rescued. He had completely missed the best time of being saved. Also, his Lunchang Space couldn't be opened, and he couldn't help himself at all.

Back then, Tian Xiaonian was an ordinary fisherman. After rescuing Yan Wu, he had been trying his best to take care of him. Luckily, Yan Wu had no life danger, yet all his previous practices were lost, and he couldn't practice anymore.

Since then, Yan Wu had become depressed, and he had no means to return to where he belonged. The Wansee Continent was vast, and he had become an ordinary person,

how could he find his way back? He could only stay in Tianjia Town for now, and since Tian Xiaonan was qualified enough to practice, he was willing to stay there to help him and teach him. It took so many years for Tian Xiaonan to become a Wanlun Master. And if he wished to be upgraded to Milun Master, he needed to spend ten more years of effort.

Lei Xingfeng didn't expect to see Yan Wu here, he asked, "brother Wu, do you want me to notify your family?"

Surprisingly, Yan Wu shook his head and said, "there's no need, I have no face to see my family now. I want to wait for my life to end here. Sigh...I don't have the face to see them now."

Lei Xingfeng smiled helplessly, and he didn't expect the life of Yan Wu become so miserable.

Yan Wu asked, "how is your grandfather doing now?"

Lei Xingfeng shook his head, "I am not sure, as I'm looking for him now. Back then, we entered the Ancient Lun Passage, and I fell in the middle of it. I was lucky to be rescued." : "What is your grandfather now?"

Lei Xingfeng shook his head and said: "I don't know, I am also looking for him. In the beginning, we passed the Ancient Lun passage together. I also fell halfway. Fortunately, I was rescued, and I was lucky to survive."

Yan Wu was full of sorrow, he said, "we all fell in the Ancient Lun Passage. I am not sure what happened to others?"

Lei Xingfeng said, "I've been looking for them, but I don't have any news."

Yan Wu was already full of grey hair, and he looked very old. Lei Xingfeng reckoned he couldn't live for many years.

Lei Xingfeng said, "brother Wu, do you have the addresses of the others? If we can find Gulu, An Yadan and Tai Popo, then maybe we will find Lei Bao as well."

Yan Wu said, "I don't know. They are never people who stick to one place. The reason why your Grandpa could find them was that they had a special way of communication."

Lei Xingfeng said, "do you and Grandpa have a special way of communication?"

Yan Wu replied helplessly, "I used to. However, we didn't agree last time before I left. And therefore..."

Lei Xingfeng was extremely disappointed, "Sigh... Si Donald, Si Donald, you jerk. Once I become a Ninth Ring Sage, I will come and look for you!"

When Yan Wu heard Lei Xingfeng, he was shocked, "Ninth Ring Sage? Do you think it's so easy to reach that level? Let me guess, you're at First Ring Sage, right?"

Lei Xingfeng said, "no... I am a Monarch of a Seventh Ring Sage. As for Ninth Ring Sage, I'll reach that level sooner or later!"

Yan Wu was dumbfounded. Seventh Ring? Are you kidding me? He did have some thoughts, but he could never believe that Lei Xingfeng had reached the level of Seventh Ring Sage. Several years ago, Lei Xingfeng was only a Milun Master. He wasn't even a Monarch yet. He said, "well... it's not possible. How... how did you upgrade yourself?"

Tian Xiaonian was also stunned. Although he's a Wanlun Master, he knew that Monarch, Seventh Ring Sage were rarely seen. In reality, these people were the most powerful. He didn't expect that such a person would pay a visit today.

Lei Xingfeng replied, "well, I entered the secret door."

Although Tian Xiaonian didn't understand, Yan Wu did. He had a powerful Master who was at the secret door. When Yan Wu was about to reach the level of Sixth Ring Sage, this Master let him enter the secret door.

Yan Wu said, "what an opportunity to get into the secret door... who got you in?"

Lei Xingfeng said, "well, I do have my Master..."

Yan Wu was utterly shocked, and he said, "your Master is a Monarch?"

Lei Xingfeng said, "So you know about Monarchs? Many practitioners wouldn't know the existence of Monarchs if they didn't get into the secret door."

Yan Wu said, "Ah Feng, my uncle got into the secret door. How would I not know?"

Lei Xingfeng, "ah, I see."

Both of them went silent for now. After all, Lei Xingfeng and Yan Wu weren't so familiar with each other, and they didn't have much to talk about. Although Tian

Xiaonan was only a fisherman, he was a good observer. He suggested, “my Seniors, why don’t we have supper now?”

Yan Wu said, “you have to call him Master Uncle.”

Tian Xiaonian immediately answered, “Master Uncle!”

Lei Xingfeng nodded and took out a Zeshe and Frost Pearl, “I don’t have anything more precious with me now. It can cool down your room if you put one in.” He had two of those, that’s why he gave one away.

Tian Xiaonian dared not take it, and he looked at Yan Wu.

Yan Wu nodded, “take it. And thank Master Uncle.” He knew that one could only get it from the outside world.

Tian Xiaonian took it hurriedly and thanked Lei Xingfeng, “thank you, Master Uncle. Hehe...Master Uncle, please go outside and have supper.”

Yan Wu also stood up and showed his way, “please.”

Lei Xingfeng got up and approached to the wooden table with Yan Wu. The tables and chairs were ready. Dishes had been served.

There was a large plate of fried shrimps, a large bowl of boiled fish and braised pork. The braised pork was something that was rarely prepared. It’s because no meat or pork is being produced in Tianjia Town, one had to go far to purchase one. They also saw a plate of peanuts, fried fish belly, and cold houttuyinie en Coeur.

Tian Shuiyu carried a large wooden bucket, opened the lid and served the guests with rice.

Lei Xingfeng took a mouthful of beef and said, “let Ah Yu cut it. This is the beef from our hometown.”

Yan Wu said, “Ah Yu, go and take some wine also. I am going to drink a little with my friends.”

Tian Shuiyu agreed and took the beef in.

The three people sat down, and Tian Xiaonian said, “Master Uncle, why don’t you eat something first?”

Lei Xingfeng laughed, “I am indeed quite hungry now. Let’s eat.”

When the three started eating, Lei Xingfeng discovered that Yan Wu had been eating much less than before. After two bowls of rice, he had to stop. The rest of it had to be finished by Lei Xingfeng and Tian Xiaonian who ate so much more.

At this time, Tian Shuyu brought in the wine and the beef.

Tian Xiaonian served his guests wine, and Tian Shuyi went to fry another plate of shrimps. He found out that Lei Xingfeng loved eating. In Wansee Continent, it was effortless to find all kinds of shrimps. They could find all the shrimps that they needed.

After taking a bowl of wine, Yan Wu finished it quickly. He breathed out a long sigh of relief and said, “Ah Feng, if you can find A Silan, and let her come...” Indeed, he had not forgotten her entirely. A Silan was a great healer.

Lei Xingfeng nodded lightly and said, “brother Wu, I am also looking for A Silan. You know that she had taken away my little sister...if I ever find her, I will not forgive her. Of course, if my little sister is fine, I will let her go.”

Yan Wu nodded, “yes, she did take away your little sister. Did she leave what she originally lived?”

Lei Xingfeng nodded, “I am not sure what happened. He quarreled with a family member, the place where he originally lived was burned, and many people died. However, there would be no little sister if A Silan wasn't there.”

Yan Wu asked, “who had such guts to do so?”

Lei Xingfeng, “well, I fixed it. I am guessing that person came from Ancient Lunchang, yet I have no idea who that was. However, a certain Eighth Ring Monarch came, his name was Sun Buru, and he was beaten away by my two guards.”

Yan Wu doubted heavily, “Your guards won? Sun Buru was the Eighth Ring, and your guards could beat him away?”

Lei Xingfeng confirmed, “yes, that's because my two guards were also Eighth Ring Sage back then. Now, they're both Ninth Ring Sage...”

Yan Wu understood. Lei Xingfeng wasn't just an ordinary person working at the secret door. He tried to test Lei Xingfeng, “Ah Feng, do you have Yin Ring?”

Lei Xingfeng said, “Yes, I do. Do you want the Yin Ring to recover from your injury?”

Yan Wu suddenly became excited, he grabbed the shoulder of Lei Xingfeng and anxiously asked, “do...do you have the Yin Ring?” He didn’t expect Lei Xingfeng to have it at all. However, it was not so weird after all. It was Lei Xingfeng, how could he not have the Yin Ring?

Without speaking, Lei Xingfeng took out a Yin Ring and asked, “do you mean this?”

Being both surprised and excited, Yan Wu answered, “yes...yes! That’s it...that’s it!” He was almost crying as this was his last hope. He had thought of every possible way to leave Wansee Continent for his hometown. However, after losing all his practices, he couldn’t get through the Ancient Lun Passage. Most critically, he had lost the ability to tell different directions to get home.

He was just like someone who’s about to die from drowning. When he could find anything that can keep him alive, he’d never let go.
