## Jimin's POV

We just stare at each other. I can feel her eyes staring into mine. I hear her lips part to speak when the door opens. "Visiting hours are over. Your boyfriend needs his rest." The nurse says. "But he's not--" She gets cut off as the nurse pushed her out the door and closes the door behind them. I sigh. What am I doing to myself? At this point it's only a matter of time before... Before I fall.

## Namjoon's POV

"I hope he's okay." Taehyung says as we sit in my lounge. "We all do Hyung." JungKook chimes. "How worried is she?" I asked glancing at JungKook. "She's worried sick, and worst of all she's blaming herself. She keeps saying she should've been more careful. She's beating herself up. It's almost sweet." JungKook says with a small smile. "But... As sweet as it is, it's a dangerous road for both of them." I say, they both nod. "Is Klair doing okay? I keep forgetting to check up on her." I say sheepishly. "She's perfect--- I-I mean she's good. She's safe, she's okay." Taehyung stammers. JungKook and I smirk. "What's this? Has a human girl captured Hyung's heart?" JungKook asked. His ace turns red. "Wh-what? No.... No, no one has captured my heart..." He stutters can avoiding eye contact. "Is she pretty?" I asked. "Gorgeous-- I mean? She's okay." He responds wincing at his terrible attempt to hide his feelings. "Come Taehyung just be honest. We won't judge you, I did the same thing, remember?" I say with a laugh. "Okay.... I maybe think that she's possibly maybe kinda very attractive?" He rambles. "Do either of you have a picture?" JungKook asked. I nod and show him a picture. "Ooh, Hyung picked a good one." JungKook says. "What about you JungKook, anyone catch your eye?" Taehyung says. JungKook blushes. "U-uh.... N-no.... I haven't...." He stutters. "You're lying." I say. "Am not!" He responds. "What's her name?" Taehyung asked. "Not Marisol!" He says. His eyes widen and he immediately covers his mouth. It goes silent.

A/n: hey! I just wanted to let you guys know that Fan art is still an option, if you want to do fan art for ANY of my books just take a picture, put it in a book and tag me! Love you guys!
