Chapter Twenty Six: Love Is A Powerful Thing

I began to walk home as I cry. I don't exactly pay attention to my surroundings though and am I look up from the ground, I notice I'm back up with Damien's house and am thankful to God that it's raining so more. A very, very small. A few more cars are out of the corner of my eye.

"What's a pretty girl like yourself doing out here?" The front man asks.

"Go wring from a horrible break up." I reply truthfully.

"Aw, the girl lost her first love?" Another man covers.

"I still love him though, someone kissed me and he saw... and then he ran up with him and I couldn't explain." I sigh.

"I know how to make it better." The front man covers.

"Oh?" I ask. Before I can react he is pushing his lips onto mine. I scream into it and he uses that to his advantage putting his tongue in. I bite on his tongue and he draws back.

"A feisty one." He snickers. The fear building up in me is unbelievable right now. Two men come behind me and grab my arms, I see my angel strength to try and push my arms out, but some how they stay stuck in their grasp.

I scream out loud causing everyone to cover their ears. I try to run but the hand man grabs me. Even after his running with my angel speed. I start to cry as the fear builds. He uses inhuman strength and slams me against a tree trunk.

My mind goes blank, and I can't focus any more. I scream out on feel a horrible pain on my wrist. The tears flowing down my face don't stop.

"Aw, look she's crying!" A man laughs.

"Ah Why?" I ask through sobs.

"Because we're new. Any way, cut her again, she needs to be punished for trying to run away." The lead man says. Another pain erupts in my wrist causing me to scream out.

"Damn, she has loud screams." A man says concerning his ears.

"Very aware how her." A voice growls, I instantly recognized at Damien.

"Hey, is this your property, and how you with you?" The lead man asks.

"It's okay Al, you, we're here now." Damien says comfortingly rubbing my back. I look back to the men and one of them starts to get up. I go behind Devon and cling to his back.

"It doesn't look that way to me." The lead man says.

"Wouldn't dream of it." Devon growls before walking over and grinning at the man's face. Kamian tries to approach me but I run away from him, still hurt.

"Ow." Damian starts.

"Yes, I get it, you hate me now." I say strongly through my crying.

"I don't." Damian starts again.

"I regret it Damian, I'm hurt and there is nothing you can do to fix it." I say before spinning it to my house. I hear Devin and Thalia follow. Dust at the house I hit on the couch and close my eyes letting my brain spill over, hard.

"What happened?" Thalia asks as ly.

I was dancing with Diego for a little while and then he started to stroke how he wants to do more than friends to me... Then he kissed me, Damian came and saw and then he broke up with me. I ran outside and started walking aimlessly, when I came to..." I say not finishing because they know the rest.

"Damian is going to get it." Thalia and Devin both say at the same time before running it some where.

I don't really pay any mind to them before going upstairs and to bed.

"Izy, wake up school." Thalia says shaking me.

"I'm not going," I sigh. Thalia just nods before leaving me be. I lay there. I stay staring at the ceiling the whole time.

June seventeenth...

June eighteenth...

June nineteenth...

"Izy please! It's been three days since you've eaten, three days since you've done just about anything!" Thalia says.

"Please eat something!" Devin begs.

"Izy, this is so unhealthy!" Mother exclaims. Since the break up, I have barely slept, or eaten, and I drink a cup of water about every six hours.

"I'm going out for the night. You need Damian, and Damian needs you guys." Devon says with a growl before pulling Irene and Thalia out the door.

But I don't pay mind to them, I don't want to. There isn't really any things to do in life any more.

I think I've been lying here for about two hours before someone comes into the house. They are upstairs and into my room.

"Izy you look like a zombie!" Damian exclaims. Oh my gosh, I think I'm actually smiling. I've gone insane already.

"Izy, look at me!" Damian settles. I don't look at him, or I'll probably believe he is really there.

"Izy please! You look like what really happened today, they should have the first day through when they beat me up, but any way, they're not here, I'm here and I'm sorry I left you, I'm sorry I left you and I'll never leave you again, I promise." Damian sighs.

"You can't be real." I whisper.

"I am, silly." Damian chuckles.

"I think I'm gone mad already, you are probably hallucination. I should really just die now." I cry.

"Don't even think about doing! One, the demons would win, and two most importantly, I'd love you." Damian says.

"But Damian is gone, he doesn't like me! You've gone completely mental! And lovers are talking to my hallucination!" I say bringing a hand over my face.

"If I was you hallucination, could I do this?" Damian asks before his lips are pressed up against mine. I know they are Damians lips, BTW, Damians lips. The kiss ends and my eyes fly open.

"Damian!" I exclaim.

"I know, I have never stopped loving you." Damian says sat by.

"I love you too." I whisper, before pulling him in for another kiss. When we break away, Damian scans my body.

"You lost weight." Damian growls.

"I didn't exactly eat much." I replies looking down.

"I hear you are eating now." Damian says, picking me up and bringing me downstairs. He runs to his house with me in his arms and straight into the kitchen where Ellie is cooking something.

"Oh my!" She exclaims when she sees me. Damian slowly sets me on my feet, but my legs collapse from under me. He catches me before I fall fully through.

"Izy." Devin says coming in. He seems to be approving that I'm here. He glares at Damian though. Thalia walks in and starts glaring too. Damian walking up and giving me a hug hug.

"Thank God you are out of that hole!" Thalia murmurs into my hair.

"I'm sorry." I whisper.

"It's okay, you were hurt." Thalia says sly. She lets go of me and I stumble again, letting out a whimper of pain as my legs refuse to help me stand. Damian is instantly there, holding me tightly.

"I'm so sorry Izy!" Devon says turning to me.

"What did you do?" I ask.

"I apologize for having the worst brother, cough, cough, Damian, cough, cough." Devon says.

"No need." I giggle.

"Yes, there is! So you look terrible, and DAMIAN did this to you. He is going to get a very nice fist to the face!" Thalia exclaims before I keep giving daggers at Damian.

"You will not hit Damian in the head Imani." I sigh.

"Why?" Head whines. I shake my head at her and try to walk over to the couch. I don't get far. I take a shaky step forward and I scrape to the ground while whimpering in pain. Damian picks me up and sets me down on a chair. Ellie places some pain relief in front of me and I drink it.

Lunch ate the fork and slowly start to eat, being watched by everyone in the room. As I swallow, Devin claps.

"YES!" He says first pumping the air. I roll my eyes.

"You are so strange." I say shaking my head.

"Well you're finally eating! I'm like, TWICE SHY!" Devin exclaims.

"You don't know why you look like, do you Izy?" Thalia asks as I shake my head. Thalia sighs.

"I'm not proud, you can look at yourself in a mirror." Head says to it.

"Okay." I say, before going back to my food. As I eat, Damian says I attempt to stand, and once again fail. Damian picks me up and takes me to the chair he was in. He watches me eat and I look at my plate, feeling very proud.

Devin, slyly, begs an order my pants, and I've laid all of my weight, my pain is slightly less by now. I'm in pain at a six but Addison was my body looks so frail, like it could break at any second. I rip my shirt, letting my wings fly open. I. We took her and gasp. Every single one of my ribs can be seen and my stomach is two inches in width. I drop my shirt and turn away from the mirror.

Damian stays holding on to me the whole time. I put my wings back around my body and Damian picks me up again. He lowers us gently and lies me in his bed.

"Go to sleep Izy. You need it." Damian whispers. I snuggle into his chest, and soon a or sleep takes over.

I'm hungry." I say, I had just woken up and hunger pains my stomach. Damian chuckles and his chest vibrates against my back, sending shivers down my spine. He gets up and I slowly get up, able to actually stand on my own. I slowly make my way downstairs and and instantly die, my face with the grilled cheese someone had no grimmedy made.

Devin comes in and raises an eyebrow.

"The most unlucky like ever to be." Devin says shaking his head. I'm hungry." I shrug, continuing to eat.

"You eat like a pig." Devin insults.

"I'm hungry." I repeat.

"Are you going to stop saying that?" Devin asks.

"I'm hungry." I snark, Devin groans and takes a piece of my grilled cheese. I glare daggers at him as he eats it. He chuckles before walking away. Damian stays with me the whole time.

"Izy, I'll cry sorry." Damian sighs.

"It's okay. You were hurt, I probably would have done the same thing." I say. I forgive Damian as soon as he kissed me yesterday.

"I still feel horrible. I put you in this state." Damian sighs again.

"Shut up Damian." I growl. He rolls his eyes but obeys. I know, I have a secret power, I trust up my gifted chance within minutes before walking in - into the dancing room. I placed things to a little Mia and started to dance shamelessly to it. Devin, Thalia and Devon and the Evans came in and just watched me.

Suddenly Tim rolls out, my, cock. Like hypothermia kind of cold. I fall to the ground as pain takes over my whole body. I writhe in pain on the ground while hearing people call my name. Soon the pain and cold becomes to over powering and I fall into darkness. I really am beginning to hate the darkness.

"Izy. Wake up." A. for female voice calls.

"What?" I moan.

"Wake up." The female voice comes again, this time out of all Izy is going and lastly of whatever I was on. I hit my head on the ground, hard. I hit it, a crack I took one to see Thalia crutching her stomach laughing her heart out.

"I'm going you ran seconds to me." I pout at at her.

"Woah, Izy, you know I was just." Thalia starts.

"One." I state.

"Seriously, Izy, I."

"Two."

"You know, plenty time."

"Three."

"Okay, fine." With that Thalia ran out of the room.

"Izy/Francesca/Imani/Queen" I reclaim before sprinting a ran for the screams as Lenny on her back bringing her down. I let her head before sitting down heavily on her back and singing.

CHICKEN WINGS, CHICKEN WINGS, HOT DOG AND BALONEY CHICKEN AND MACARONI, CHILLIN' WITH MY HOMIES!

I scream sing it to her ear over and over.

"STOP! OMG, my ears are bleeding." Thalia says squirming. By now everyone has come to see and they are laughing at us. A cold feeling rushes over me and it about ten seconds. I have fallen of when to each hand. I gasp and look at each one.

"Izy, what's wrong?" Thalia asks concerned.

"Yeah, you have gotten a whole lot paler." Devon says.

"THIS IS SO AWESOME!" I shriek, jumping a. Thalia. She stands up and runs to Kenn side.

"Oh my, only you." Thalia says shaking her head.

"Only me." I agree.

"Hey, I have a good idea! So, no is like a zombie and needs a snake eyes. Jaxx, I was thinking we just invite Australia over and we can have a party!" Devon says.

"I'm feeling a little trigger toot." Heather.

"That's a great idea!" Thalia says ignoring me.

"Then it's settled! Damian, take my away for now, bring her back here at six." Head orders.

"Yes sir!" Damian says giving Head a salute.

"Stupid fancy." I giggle.

"Stupid girls." All the boys say, earning death glares from Thalia, Head and I.

"Ouch!" Devon asks.

"Sorry." Came again, With that Came and Shawn run while Damian puts me outside and to his car.

Damian takes us to the nature trail where we go into my hidden spot. We talk most of the day, completely skipping hunger that told on us.

Finally Damian announces that if he doesn't get me back, he will be in with him. We drive back in silence and I slowly step out of the car at my house.

As I open the door, I see Hazel running down stairs with tons of hair supplies and makeup. Natasha is looking through a vision I cannot see! Thalia , she is facing Thalia, telling a price once how if they put anything other than cheese on our pizza, she'll have their heads.

"I thought you girls were supposed to be ready when I got here." I giggle as they all look at me.

"NOTHING ELSE SHOULD BE ON THAT PIZZA!!! I'll be waiting." Thalia says into the phone before turning to.

"Sorry, we got caught up." Hazel explains before walking it into another living room.

"I can see that." I murmur. Natasha pulls me in into the other living room and into me down on the couch, putting a huge stack of magazines on the ground. I mark. MAGAZINE HOTTIE TIME!

Before long all of us are looking through the magazines and comparing people to each other. Like Chris Hemsworth to Liam Hemsworth. Tough choice there people, they are the hottest. Okay, maybe not, but you know what I mean.

We watch hours of chick flicks, the girls straighten my hair and do my nails. We eat lots of popcorn, and drink lots of pop. At around two am, I finally feel how tired I'm do anything. So I let myself fall asleep.

"Izy, wake up! I need some girl advice." Natasha's ass waking. Hoot. Thalia and I sat.

"What?" Head asks.

"Shh, no I like someone. . but I'm not sure how to approach him." Natasha says.

"Who?" Thalia exclaims.

"Carter." Natasha says looking down.

"Aww!" Thalia and I say while Hazel values an eyebrow.

"My brother?" Hazel asks.

"Yes, Hazel." Natasha says rolling her eyes.

"Okay, first of all, I'm pretty sure Carter has a thing for you too." I say.

"You think so?" Natasha asks.

"YES! Now, you two go hang out together today! Then tell us how it was a win." I say to her.

"Since when did you become boy expert?" Thalia asks me.

"Since now. Now, GO NATASHA!" I exclaim. Everyone laughs, and Natasha eventually gets up and ready.

"Izy get him Tash!" Thalia says. Natasha shakes her head before turning into the kitchen where the boys are already.

Good luck Natasha. I say to her mentally.

"Izzzy!" Damian says coming into the room with a ping pong noise.

"Yeah, what?" I ask.

"Oh, I just wanted to say your name." Damian smirks.

"Idiot." I smile shaking my head.

"Come, it's like seven am and your tired." Damian says picking me up. He starts to walk to his bed as he kisses me his room. I'm to fast asleep to notice the stupid darkness decides to come take over. The last thought in my head is how much I love Damian.
