### Chapter 606 The Best Present

She lifted the blanket and tipped her feet into the sandals after which she sauntered to the door to open it. Since it was a VIP patient room, there was a mini parlor outside.

Once she opened the door between the patient room and parlor, a big bouquet of delicate red roses appeared right before her eyes. The pleasant fragrance flushed over her face, elevating her mood.

"Here's your parcel. Please kindly receive it," said the person behind the bouquet.

Since the huge bouquet of flowers covered that person, she could not see his face clearly.

"What is he doing? Why the flowers?" murmured Veronica as she could not smother the delightful smile on her face.

"There's a box among the flowers. Check it out," said the man.

She looked at the flowers at which there was a red rectangular box lying on them. She took it out and opened it.
