“Yes, Mr. Waylon.” A bearded man stood up and walked over toward Thomas. “Thomas, I’m sorry.” Saying that, he went to drag Thomas out, but got kicked away by Thomas. “Get lost. Try touching me if you dare!”

Thomas was still absorbed in the previous message and was distraught, unable to accept the reality. However, Luke immediately pointed his pistol at his head without saying anything. “Do you want to be like your brother?”

“Nonsense. My brother didn’t betray anyone! If you keep spouting nonsense, I’ll kill you!”

The thoroughly enraged Thomas took out his pistol from the back of his waist and aimed it at Luke. At the same time, several men beside him pulled out their guns with a flourish, pointing their black muzzles at him. The peace was instantly broken, and they began to go head to head again at this moment.
