

Her Billionaire 664

Chapter 664 Twins

“I’ll hold the baby. Let me take a look at my grandson.” “Yeah. I’ll hold the other one.”

Miguel and Skyler stepped forward and took the two bundled-up babies from the nurses.

They brought them over to Matthew.

“Look, Matt. It’s our little princess. She’s adorable.”

“Matthew, look at this little rascal. He looks just like you when you were a baby.

I recall seeing your baby photos before. You looked just like them.”

After listening to the two of them, Matthew looked at the babies, and his formerly heavily-disfigured face morphed into a smile.

There was a smile on Crayson’s ordinarily stern face as well. He used his right index finger to stroke the little baby girl’s face and chuckled.

“Look at her brows. She’s going to take after Veronica.”

“Haha... Mr. Crayson, she hasn’t even opened her eyes yet. How do you know she looks like Veronica?”

Shirley teased. Everyone chuckled along with them.
