

Her Billionaire 666

Chapter 666 A Partnership with Zac

Three days later, Conrad purchased Halston Technology for 4.5 billion. One week later, Veronica got a bunch of people to keep watch around Pinewoods Villa to make sure that Matthew and the kids were protected. Then, she headed to Castron with Thomas and Crayson. They were planning to meet the hidden clan once they arrived.

Meanwhile, Conrad gave Zac a call. "I've already purchased Halston Technology, and Veronica and Crayson are on the way to Castron. I bet their next step will be to visit the hidden clan," Conrad uttered.

"I heard about this." Zac had a woman in his arms, and she was massaging the man's firm muscles. "We need to find a way to capture Matthew and bring him to Castron as well."

it. I'll arrange for that to be

capture him, there won't be anyone around to keep an eye over all of Matthew's companies. This would be the best time for you to snatch all

of Matthew's companies. He would then purchase them at a low rate. He could leave

front of him. She had the exact same face as Veronica, and she was dressed in a gray, casual outfit. She was smoking the cigarette between her fingers with a relaxed look on her face. "Are you going to tell me your plan now, Miss Larson?"

immediately got what she meant. "Be a good girl and wait for

looked at Tiffany. "You and Veronica look practically like the same person. I would have thought you were her if you

didn't look exactly like her, right, Prince Zac?" An icy look surfaced in Tiffany's eyes at the mention of Veronica. She despised Veronica after everything that she had gone through. Tiffany
