

## Her Billionaire 667

### Chapter 667 Tiffany's Plan

Tiffany really wanted Zac to be on her side, so she had no choice but to tell him everything that she knew. "There was some internal conflict going on with the hidden clan a few years ago, and the head of the hidden clan's left party, Tanya Ledger, tried to overtake the head of the clan.

She murdered the head of the clan, Nadine Elrod, while Nadine's daughter, Hayley Elrod, escaped. Later on, Hayley gave birth to Veronica. As you know, they place more importance on girls compared to boys, so after Veronica was born, they used their new skills to clone another girl.

I... am that girl. Throughout the years, Randy and I stayed in the Larson Residence just to catch the attention of the public. They used me to redirect the attention in order to protect Veronica, who was hidden the whole time."

"Initially, Veronica didn't have to appear in public before returning to the hidden clan. Unfortunately, things didn't go as planned, and Randy was diagnosed with leukemia.

Veronica was the one who ended up doing it. The transplant was a success. In order for Veronica to be willing to help with Randy's
