Chapter 681 A Five-Year Contract

“Oh.” Shirley nodded and pursed her red lips. Even though she knew that Wade had things he hadn’t said, she didn’t know how to ask him about it.

With her head bowed slightly, she frowned and thought carefully before adding, “You... can let me know if you face any difficulties. I may not have a lot of money, but I can still help you if it won’t take too much money.”

Shirley had been working for Veronica ever since she graduated from university, and had decent savings from her frugal way of living.

Even though it wasn’t a lot of money, she was willing to lend a hand if Wade needed help.

“Hehe.” Wade smiled upon seeing how sincere she was. “You telling me this is enough for me.”

Sighing, he couldn’t hide the exhaustion on his face. “I was going to borrow some money from you, but I can imagine how hard it is for a woman to be earning her keep. Plus, I can’t return the money anytime soon, so I borrowed one million from my friend instead.

When he said that he borrowed money from a ‘friend’, Shirley knew that the person he was talking about was probably the boss of the Horizon Group, Talila Gibson. However, Shirley was more than willing to believe him, since he told her that he was borrowing money from Talila.

“Your friend treats you real good. They even lent you one million. I am envious.”
