Chapter 713 Pursue Shirley

Skyler, however, barely laid his eyes on Gianna and kept his eyes on Shirley the whole night instead. Of course, all of it didn't go unnoticed by Garrick.

"Alright, I'll deal with that chick for you while you get married to Skyler ASAP and fulfill Mother's last wish as well as yours. I can only do this much for you as your brother."

He had thought Shirley looked oddly familiar at first glance, yet he just couldn't remember where he had seen her until it struck him when he returned to his office that Sofia had shown him a picture of Shirley before. Thus, he didn't ask Shirley to leave when he saw her at the hotel.

"Really?" Sofia's eyes lit up as she leaped off the sofa and hugged her brother. "Yay, Garrick, I love you! Haha... You're the best brother in the world!"

"Alright, that's enough. What happened to being lady-like?" Garrick poked the young woman's head. "Who else will spoil you other than me now that Mom's gone?"

"Hehe... you're the best, Gary," Sofia gushed.
