

Her Billionaire 743

Chapter 743 A Familiar Bracelet

Eventually, Veronica won the staring contest and Hayley said, "Tanya has met up with Tiffany."

She stopped and gave Veronica a moment to think. This meant that Tiffany and Tanya might have reached an agreement and were working together. Veronica sneered silently. Man, her plan is bullsh*t. She just made things that much harder for herself.

Hayley continued, "I know what your concerns are, but Randy is my son. I can't just abandon him. Your master and I had a conversation. We're going to seal his memories in a few days and cut off all contact between him and Tiffany."

Veronica answered, "He's not the problem. All Tanya needs is Tiffany's help, and she can usurp the clan leader. If Tiffany tells everyone who she is, do you think the rebels would keep fighting?"

Veronica had no idea how the hidden clan worked at first, but after spending some time with them, she realized how much they valued bloodline. They would only acknowledge their new leader if their blood was legitimate. Tiffany looked just like her. If she told everyone she was Hayley's daughter, and that she supported Tanya, the rebels would stop protesting.
