

Her Billionaire 751

Chapter 751 Matt Became Veronica's Bodyguard

"It's not his fault." Veronica stepped forward. "I'm responsible as well."

She got a headache when she heard Mateo and Liam quarrel in the private room. Without giving it much thought, she left the two to work it out amongst themselves.

Now that she thought about it, it did seem like her method of handling it was inadequate.

"It's got nothing to do with you. You didn't even understand what we were talking about."

Mateo was the type of person who owned up to his actions. He would never push all the responsibility on Veronica.

Now that he had said that, she couldn't explain even if she wanted to.

As he said, she 'didn't understand' what they were saying. And if she argued about how she had a translator and could understand their conversation, she would only be in trouble.

She remained silent at that. You're on your own then.
