Chapter 758 Inside the Bathroom

“Why are you so flustered?” While trapping Shirley against the wall, Skyler braced his hand beside her head and used the other to hook her chin to make her look into his eyes. “Huh?”

The sound of him dragging his question resembled a hammer hitting her heart with a bang, making her even more terrified.

“I...” Not knowing where to look, she dodged his gaze and bit her lip while lowering her head to mutter, “I’m not... flustered.”

Not flustered? Just look at how she’s biting her lips until they’re almost bleeding, yet she says she’s not flustered.

“I seem to have underestimated you. You’ve made yourself Garrick’s girlfriend so quickly. Are you trying to get back at Sofia by becoming her sister-in-law?” While gnashing his teeth, Skyler wanted to crack Shirley’s head open and see what she was thinking inside.

“What? Sister-in-law...” Her mind went blank as she stared confusedly at Skyler while her mind was frantically spinning.
