

HC Chapter 471

"I just heard the emergency doctor say he's sending the female prisoner to the gynaecology department to wait for the results."

"Isn't that pregnant, this female prisoner is lucky, the baby in her stomach saved her life."

"That stomach is not showing pregnancy either, the child is estimated to be just a month or two"

Hearing the chatter of the people around her, Ye Yunla instinctively turned her head and looked at the man standing beside her.

The first thing you need to do is to get a good idea of what you're doing.

Ye Yunla tugged at the corner of her lips.

If Ye Xueying was really pregnant, how could it have nothing to do with Fu Beijue

After all, Ye Xueying had presented herself as the mother of her children, coming and going in the Fu family as she pleased, and there was a room in the Fu family that was dedicated to Ye Xueying's clothes

Seeing the woman beside him look increasingly unpleasant, Fu Beijue continued, "Lara, I can swear to you that I really never touched Ye Xueying, and that her pregnancy had nothing to do with me!"

Hearing Fu Beijue's earnest vow, Ye Yunla suddenly felt a little funny.

She and Fu Beijue had nothing to do with each other, they were only involved because of the baby, did this man need to explain to her?

She was about to speak when she felt an intense line of sight staring at her.

She raised her eyes to see Ye Xueying, who was lying on the bed in the emergency room, sitting up, her eyes quenched with sinister venom.

Heh!

Ye Xue Ying let out a silent, cold laugh.

When she raised her head, she replaced it with a harmless smile, "The ward is a bit stuffy, can I go out for a walk?"

The two female police officers who had accompanied her to the doctor coldly said, "Don't you have a stomachache?"

"It doesn't hurt that much now, I want to go out for a walk, this is a military hospital, there are police everywhere, can I still escape?"

The policewoman waved her hand impatiently.

Ye Xueying covered her stomach and walked step by step towards the corridor.

"Are you guys here to see me laugh?" She stood in front of Ye Yunla and Fu Beijue, raising her chin high, "But you might have to be disappointed!"

She covered her abdomen, "I'm pregnant, there's an extra little life in my belly, now I'm, a pregnant woman, how lenient the law is towards pregnant women, you guys should also be clear about that."

"Fu Beijue, aren't you using tricks to get me to do fifteen years in jail, I'm telling you, it's impossible! I am the first prisoner in recent years to be found pregnant before I am admitted to prison, this matter will definitely become a big issue in Haicheng The first time in recent years that a prisoner is found to be pregnant before being admitted to prison, the matter will definitely be a big deal in Haicheng . By then, all the media will be watching this lawsuit. As long as justice rules out the case, I will only need to go to jail for five years at most. Plus I'm pregnant, so maybe, I'll be out in three years This is thanks to the child in my belly, he saved me"

Ye Yunla laughed coldly, "The child in your belly is so pitiful, having a mother who is in jail since he was born."

"What about you, is your child not pitiful?" Ye Xue Ying laughed hideously, "Your four children were forcibly separated when they were born, two followed you and left the country to suffer! And the other two, adopted me, an enemy, as their mother! Do you know what I have done to them in these four years? You can take a look at Fu Ziling's inner arm, there are still marks that won't go away, because when he was little, I would pinch him every day when I was upset, and I would pinch him hard The louder he cried, the happier I was when I pinched him"

"Pah!"

Ye Yunla raised her hand and slapped it hard.

HC Chapter 472

Ye Xueying was slapped on the ground by this slap, she covered her face and continued, "I haven't finished yet, why are you so angry? And Fu Ziyan, do you see if he is like a little adult, that is also forced by me ah The child wants to be loved by his mother, but I don't love him, I let him"

Ye Yunla simply could not listen to this, she went forward, picked up Ye Xueying's collar and tried to slap her again when she was stopped by two female police officers who arrived in a hurry.

Ye Xueying hid behind the policewomen and cried and cried, "This is my sister, I came here with good intentions to confess my mistake, but she tried to beat me to death You understand why I kidnapped my sister's son before, right? Because my sister is a psycho and she has been trying to beat me to death I kidnapped her son just to protect myself What's wrong with me defending myself, do I have to go to jail for defending myself"

Ye Yunla laughed coldly.

So this was Ye Xueying's deliberate stunt, just so she could have a better advantage in court.

But, so what?

She didn't regret slapping Ye Xueying this time, she only regretted that the hit was too light!

A female police officer stood up and coldly said, "Beating up a prisoner in front of the police, this is a defiance of the law, you"

Fu Beijue handed over a business card, "This is my lawyer's number, if you have anything, contact my lawyer."

After he finished, he gave Ye Xueying a slashing cold stare and walked outside with his arm around Ye Yunla's waist.

When she reached the outside of the hospital, the cold wind blew in her face, and only gradually did Ye Yunla's emotions calm down.

She turned around and looked at the man in front of her, "What Ye Xueying said, is it all true?"

"I'm sorry about Yara"

Fu Beijiu hated to slap himself hard.

When Fu Ziyang and Fu Ziling first came to the Fu family, he simply could not accept that he suddenly had two more children.

He had the children sent to Australia, and then for various reasons, he brought them back, and although he slowly accepted the two sons and fell in love with Fu Ziling and Fu Ziyang as time grew, it was undeniable that he really didn't give enough to the two children.

He always felt that no matter how vicious and vain the children's mother was, she could never lay a hand on them.

But just now, Ye Xueying's words were like needles piercing fiercely into the depths of his heart.

If he had shown a little more care and love for his children, how could he have allowed Ye Xueying to torture his two sons for four years?

"What's the use of saying sorry to me?" Ye Yunla's emotions flared up again, "You should say sorry to little Yan Yan and little Ling Ling, you are their real father, you live under the same roof as them, yet, you can't protect them! That person Ye Xueying is vicious, selfish, vain and full of calculating plots, you've been with her for four years and you've never doubted her?"

She had always been angry.

But all this time, she had hidden her anger well.

But as soon as she met Ye Xueying, all that anger was hooked out of her.

Ye Xueying was certainly bad, but was Fu Beijue innocent?

How could this man be so gullible as to believe that Ye Xueying was the mother of the children?

How could this man have trusted Ye Xueying with the children for so many years?

This man, did he really never suspect Ye Xueying's sinister intentions

HC Chapter 473

"Lara, I'm sorry"

Fu Beijiu pursed his thin lips tightly, his jaw tensed into a straight line.

He knew there was no point in saying sorry, but he didn't know what else he could say apart from saying sorry

The actual fact is that you can find a lot of people who have been in the market for a long time, and you can also find a lot of people who have been in the market for a long time.

Because of his wrong belief, he was wrong for four years.

"Lara, no matter how much you scold me and beat me, I am willing to bear it, I just want to clarify one thing with you -" Fu Beijue's dark gaze looked at her, "I have never been with Ye Xueying, nor have I ever wanted to marry her, and the child in her belly is even more unlikely to be mine, I will check this matter out."

Hearing his low, dull voice, Ye Yunla gradually calmed down.

She felt that it was inappropriate to go out tonight, she had been losing control.

She had just surprisingly questioned this man repeatedly, how could she be in a position to question him

She was the one who lost the two children back then, this man had raised Fu Ziyang and Fu Ziling properly, so what could she blame him for?

"I'm sorry" Ye Yunla said softly, "I didn't control my emotions just now, I shouldn't have been angry with you"

Fu Beijue looked at her and said, "No, you don't need to say sorry, anyone who encounters something like this will be angry, you were just venting your emotions"

Ye Yunla pursed her scarlet lips, "Ye Xueying is a madman, there's no telling what else she might do, we must protect the four children, we must not let them get hurt in any way again"

Fu Beijue nodded and said softly, "Let's go home first, the children should be waiting impatiently."

After getting into the car, Fu Beijue sent a message out before stepping on the accelerator and the car gradually drove out of the hospital.

.....

After Ye Xueying stood at the hospital entrance and saw the car leave, the corners of her mouth curled up in a cold smile.

She will definitely make Ye Yunla and Fu Beijue pay for what they did today when she gets out after three years in jail!

In this life, she'll have to fight with the Fu family!

"Your examination results are out!" The policewoman walked in with the checklist, her face was dark, "You're pregnant, one and a half months pregnant."

Ye Xueying's face was beaming with joy.

She had been in the detention centre for so many days, and had long since noticed that she was pregnant, but she didn't dare to make it known, she waited until the foetus in her belly was completely stable, and only then did she dare to bring it up to the hospital for a check-up.

It turned out that she was really pregnant!

HC Chapter 474

The policewoman said coldly, "We'll stay here with you tonight, so you can rest well!"

Ye Xueying said pitifully, "I'm pregnant now and I feel especially lonely Can you guys get my parents over here"

Seeing that the policewoman was about to refuse in the next second, she hurriedly added, "I'm a suspect who hasn't been sent to jail yet, not a prisoner, and I have human rights too! I'm sick and particularly vulnerable, I want to see my parents, what's wrong with that? I don't care, I want to see my parents, you guys get my parents over here!"

Although she looked unreasonable, the words she uttered made it impossible to refute a single word.

Death row inmates have the right to see their families, and it was indeed unjustifiable that she wanted to see her parents

An hour later, Ye Zhongshan and Xu Yuying arrived at the hospital.

But it was just a short half month, these two people look like they have aged by more than ten years.

The two of them have aged a dozen years. The face of Ye Zhenyan is full of furrows and his back is slightly stooped, where he can still see that he was once the president of the Ye Group, who had a great reputation.

Xu Yuying, on the other hand, had aged even more. After the Ye Group was acquired, she had long since ceased to be the high-flying Mrs. Ye, who had begged her grandfather and suffered all sorts of blank stares in order to get her only daughter out of jail, but still could not find a silver lining.

"Xue'er, what's wrong with you Xue'er?" Xu Yuying's voice trembled as she pounced over, "Did someone bully you?"

Ye Xueying held Xu Yuying's hand and said slowly, "Mom, I have good news for you, I'm pregnant, you're going to be a grandmother"

Xu Yuying froze fiercely, then burst out in a burst of ecstasy, "Xue'er, is it true what you said? You're pregnant? Already pregnant? Is it the bloodline of the Fu family? I'm going to find Fu Beijue, since he touched you, he has to be responsible for you"

Ye Zhenshan's face also showed surprise: "Xue'er, you have the bloodline of the Fu family, then many things will be solved"

"No" Ye Xue Ying moved her lips, "The child in my belly has nothing to do with the Fu family"

Xu Yuying's eyes widened, "Haven't you been with Fu Beijue for the past few years, the child in your belly is not his, then whose could it be?"

"I've been with him for four years, but he's never touched me, so what can I do?" Ye Xueying gritted her teeth and said, "I've been with another man for a long time, I just did it on purpose, just to deliberately put a cuckold on Fu Beijue!"

The cuckold was not worn, but she ended up putting herself in jail.

Ye Xue Ying was so angry that she could not spit out a mouthful of blood.

She swallowed this breath down and slowly said, "However, the status of my child's father is no worse than Fu Beijue's."

The clothes Zuo Linlan was wearing, the watch on his wrist, and the car he was driving were no worse than Fu Beijue

If Zuo Linlan knew her current situation, he would definitely try to fish her out

"Mom, help me contact the child's father and tell him about my situation, he will have a solution."

Xu Yuying nodded her head in a hurry, this was the last resort.

She went home and got Ye Xueying's mobile phone, found the number and dialed it out.

Capital City, Linhu Villa.

This was a place where only rich people in the capital could live, and at this moment the family was happy and gathered in the living room to chat.

Suddenly, Zuo Linlan's mobile phone rang, he glanced at the caller ID and snapped it back.

The beautiful young woman sitting next to him came over and asked in a soft voice, "Who's calling?"

"My assistant called, I guess there's another problem with the project." Zuo Linlan kissed the woman on the forehead, "Honey, I'm going out to take a call."

He walked to the balcony of the villa before he put the phone on and frowned, "Xue'er, didn't I tell you, I've been busy lately"

No contact for half a month, he thought the two had broken clean, how come they are calling again

HC Chapter 475

"You're Xiao Zuo, right?"

Xu Yuying heard the impatient tone of the other party and asked in a nice voice.

Zuo Lin Lan froze for a moment and said after a pause, "It's me, may I ask why you have Xue'er's phone?"

"I'm Xue'er's mother." Xu Yuying touched a handful of tears, "Xue'er is in a bit of trouble right now and can't conveniently talk to you, she asked me to convey something to you, she's pregnant now, the baby is one and a half months old, you are the baby's real father."

"What?!"

Zuo Linlan's entire body froze.

He thought he had heard wrong and slowly asked, "You mean Xue'er is pregnant with my child?"

"Yes, she is lying in the hospital right now, the pregnancy test report has come out, the child in her belly is indeed yours, what are you going to do?"

Zuo Linlan's mind buzzed.

He turned back and looked at his wife who was sitting in the living room.

His wife was naturally not as good-looking as Ye Xueying, otherwise he wouldn't have cheated on her within marriage.

He had been a member of the family for four years, and his wife had never had any children. When he went to the hospital to check, the doctor said that there was nothing wrong with either of their spouses' health But once he heard his mother-in-law talking to his wife, it turned out that his wife's body was unable to conceive a child, but afraid that he would mind in his heart, so his wife hid the matter down.

He is into the family, his wife's family conditions are thousands of times better than his family.

In the past four years of marriage, he had learned what it meant to be a man of the people, and the more glamorous he was, the more he wanted a child of his own.

But it was unlikely that his wife would give him a child, and the final outcome would be to adopt a child from an orphanage.

"Little Zuo, if you don't want this child, then I'll let Xue'er abort the child."

Hearing Xu Yuying's words, Zuo Linlan spoke without thinking: "No, I want this child, I want it!"

I want it!" It was not a bad idea to raise it secretly in Haicheng, but in any case, he must have his own child!

After hanging up the phone, Zuo Linlan walked back to the living room and said with a sigh, "Honey, I might have to go to Haicheng on business again."

"That's okay, you work hard, I'll take care of the family." The young woman smiled gently, and as she was about to continue her advice, Zuo Linlan's mobile phone vibrated again.

This time it was still Hai Cheng's number, he was a little nervous but his face was calm, "I'm going to take another call."

He went to the balcony and put the phone through, and when he heard the voice on the phone, his eyes widened a little.

.....

Ye Xueying lay in the hospital overnight.

The smell of disinfectant water in the hospital was bad, but it was much better than the guardhouse.

She lay on the soft hospital bed, her eyes full of anticipation for the future, her hand stroking her abdomen, she whispered, "Baby, you came at the right time, you are mommy's life preserver, you must be good, you must be born safely"

Just then, someone suddenly came in at the door of the ward.

Two female police officers directly blocked the visitor's path and coldly questioned, "Who are you and what is your relationship with the prisoner?"

Zuo Linlan pressed the duck-tongue cap on his head, "I am Ye Xueying's boyfriend, the child in her belly is mine, I want to see her."

The policewoman went into the ward and consulted Ye Xueying before letting Zuo Linlan in.

Ye Xueying's face was full of disbelief.

She had only asked her parents to pass on the news to Zuo Linlan last night, but she had never expected this man to rush over today.

She had always thought that they were dewy-eyed, but Zuo Linlan had just told the policewoman at the door that he was her boyfriend

It seems that Zuo Linlan cares a lot about the baby in her belly, so there is hope for her to get out of the guardhouse

HC Chapter 476

"Lin Lan, you've really come"

Ye Xueying's eyes blinked and large teardrops slipped out of her eyes.

She clutched the blanket pitifully, "I was framed, so I was arrested by the police and locked up in the guardhouse If I wasn't pregnant, I would never have been able to contact you But now, I have your child in my belly, and I don't want the child to be born and learn that it has a mother who has been in prison Lin Lan, please think of a way to get me out of here"

Zuo Linlan glanced at her and said with a complicated gaze, "You've lost weight."

Ye Xueying cried even more miserably, "Yes, I've lost weight, at least seven or eight pounds, and the child's nutrition definitely can't keep up."

"I brought you a bit of shrimp and vegetable congee, eat something first before you talk." Zuo Linlan put the bag in his hand on the ground and took a bowl of congee out of it.

He uncovered the lid and spooned a bit of the congee over, saying softly, "Eat slowly, don't be in a hurry, I will always be with you."

Ye Xueying was filled with emotion.

She had been locked up in the detention centre for so long, and finally she felt a trace of warmth.

She was really thankful for this child.

She swallowed the mouthful of porridge and wiped her tears as she said, "Lin Lan, do you think the child in my belly will be a boy or a girl, like you or like me"

Zuo Linlan lowered his eyebrows, his face a deep darkness, he mechanically fed Ye Xueying the congee, one mouthful after another.

Soon, the bowl of porridge was at the bottom.

"My stomach hurts" Ye Xueying's face was suddenly in pain, "It hurts so much" It's as if something is flowing out of my body"

Zuo Lin Lan's face was in a panic: "You go to the toilet quickly."

He helped Ye Xueying into the toilet, and as soon as she closed the door, he immediately took out a new bowl of congee from the paper bag and poured it into the bowl of congee he had just

As soon as he finished this action, Ye Xueying in the bathroom let out a miserable scream.

The female police officer guarding the door rushed in at a stride: "What's going on?"

Zuo Linlan was at a loss for words, "I, I don't know, I was just feeding her porridge when she suddenly said her stomach hurt"

The policewoman's eyes fell on the bowl of congee and her gaze sank: "This is crab meat congee, it also has cinnamon and red dates in it, pregnant women in early pregnancy simply can't eat it, it's easy to slip"

"I, I don't know about this" Zuo Linlan's face turned white with fear, "She's not in trouble, is she!"

The two policewomen pushed the toilet door open and saw Ye Xueying collapsed on the floor of the toilet, her trousers all covered in blood

"Quick, call a doctor!"

In the midst of a panic, Zuo Linlan took advantage of the chaos to escape.

He took out the abortion pills hidden in his pocket and unscrewed them, breaking them up one by one and throwing them into the trash.

It turned out that this medicine was so effective that only one of them had left that child without

He took a deep breath and dialed out a phone call.

He said in a low voice, "It's done, you better keep your word."

"Don't worry, the money will be credited to your private account, and will also keep this secret at all times."

Fu Beijue hung up the phone directly, his face was gloomy.

Since Ye Xueying wanted to use the child to turn over a new leaf, then he let the child never have a chance to come to this world.

He might be ruthless and shouldn't have done it to an innocent child, but weren't his children innocent?

The children should have had a father and a mother, they should have been a happy family of six, but they were ruined by Ye Xueying!

HC Chapter 477

After her work processing came to an end, Ye Yunla leaned back in her office chair and swiped her phone.

Suddenly, a news item caught her attention and she saw the familiar name and tapped in.

"According to our reporter's tracking report, a child kidnapping suspect Ye Mouxue was found to be pregnant with the day before yesterday, the first time in recent years that a suspect was found to be pregnant before the trial But never thought that the day after the pregnancy was discovered, Ye Mouxue had an accidental miscarriage because she mistakenly ate the porridge sent by her boyfriend"

Ye Yunla sat up violently and straightened her body.

Yesterday she had been thinking, if Ye Xueying only had to go to jail for three years because of the child in her belly, would that be fair to her four children?

Before she could think of a result, Ye Xueying had a miscarriage

Is it because God saw how vicious Ye Xueying was to her four children that he deprived Ye Xueying of her right to be a mother?

Ye Yunla turned off the news world with a very complicated mood.

These four years that were missed could not be made up for by anything

"Buzzing-"

Her phone vibrated on the desktop and she scanned the caller ID, it was Feng Chengyu who she hadn't contacted in a long time.

"Little Yara, if I don't call you, are you on the verge of forgetting about me?"

Ye Yunla didn't bother to pay attention to him and asked carelessly, "Tell me, what's the reason for your call?"

"There's really something I need to ask you" Feng Chengyu said playfully, "I came back to Haicheng yesterday, I was afraid you would dislike me, so I didn't dare to look for you, so I spent the night in a bar, and as a result, I ran into my first girlfriend, she kept pestering me, and I was getting annoyed"

"Isn't that nice?" Ye Yunla said sarcastically, "You change girlfriends every day, you can occasionally taste what it is like to go back to the grass."

“Those girlfriends of mine, they are all women from the night market, but my first girlfriend is the daughter of a decent family, how can I hold her back?” Feng Chengyu sighed, “Little Yara, she’s really pestering me too much, hurry up and come over and help me fix her!”

Ye Yunla really had a headache.

When she was abroad, Feng Cheng Yu often changed his girlfriends, and sometimes when his ex-girlfriends and ex-ex-girlfriends came to his door to cause trouble, she was responsible for taking care of them.

Feng Chengyu often helped her take care of her two children, and she could only stiffen her head to do such a classless thing

“Little Yara, please, for the last time, it really is the last time”

Ye Yunla glanced at the time, it was still early for kindergarten to be dismissed, she said helplessly, “Okay, give me the address.”

“Mua-da, little Yara you are really my lifesaver!”

Feng Chengyu hung up the phone and sent the address the next second.

Ye Yunla took her coat and went out, Tan Jing gave her a look, “Wow, Mr Ye, when did you get an extra tattoo, it’s so pretty.”

Ye Yunla pulled her collar to block her collarbone and said with a faint face, “Tattoos hurt, I suggest you don’t try them easily.”

After some time, she must try to wash it once, whether it can be washed off or not, the colour fades down a bit is fine

Ye Yunla watched as the car arrived at a clubhouse.

This is the biggest gold cave in Haicheng, the rich, the second generation, the second generation, the broad young young models

The most important thing is that they are all in and out of this place on a regular basis.

Ye Yunla is beautiful, standing in the crowd is the most beautiful existence, she came here, the waiter at the door did not stop at all.

HC Chapter 478

She walked in unhindered and saw Feng Chengyu right in the corridor at the entrance of the private room.

A stylishly dressed woman wrapped her arms around Feng Chengyu, her face full of grievances and tears: “Yu, you said you would love me for the rest of your life, you can’t do this to me

I have waited for you for years and finally met you again, this is our destiny, this is our destiny, I will not give up”

Feng Chengyu's head was in two places: "Yue Yinghan, don't be so unreasonable, can you, that bit between us was five or six years ago, and it's not even a month, who would be responsible for this one month's relationship"

"I don't care!"

Yue Ying Han hung on Feng Cheng Yu's body brutally, with a sense of surprise that he had lost and found.

Feng Chengyu really could not hold on any longer, when he looked up, he saw Ye Yunla at the other end of the corridor and hummed, "My girlfriend is here, you hurry up and let go!"

Yue Ying Han raised her eyes to look, and when she saw Ye Yunla walking slowly under the crystal light, she suddenly felt a slight inferiority complex.

She had always thought she was good looking, but now she realized that in front of Feng Cheng Yu's women, her beauty was worthless

Ye Yunla approached step by step.

She had done this too many times, she had experience with it long ago, she put her hands around her chest and looked at Yue Ying Han out of the corner of her eye: "This young lady, what are you doing pulling my boyfriend?"

Yue Ying Han stared at Ye Yunla's face and suddenly felt some familiarity.

What, it seemed to be the number one beauty in Hai Cheng?

She opened her lips and slowly opened her mouth to ask, "You are Ye Yunla?!"

Ye Yunla raised her chin: "That's right, I am Ye Yunla, what capital do you think, you have to steal a boyfriend from me?"

Her condescending expression was a perfect rendition of a spiteful and delicate girlfriend.

Feng Chengyu hurriedly shook off Yue Yinghan and ran to Ye Yunla's side, and even smoothly wrapped her arm around Ye Yunla's shoulders in an intimate manner.

Yue Yinghan's face was full of disbelief.

Ye Yunla, wasn't she the little bitch who had caused her mother to disgrace the Zhuang Group the other day?

Even if she had gone against her mother, how dare she steal a man from her?

"Hai Cheng's number one beauty, she's just like that!" Yue Yingliang let out a cold laugh, "The news said that the No.1 beauty in Haicheng had an affair with a wild man years ago and had two children! How can you even do that to such a broken shoe, Feng Cheng Yu?"

Feng Chengyu's face suddenly gathered a layer of cold air.

Ye Yunla pressed the back of his hand and said with a light laugh, "Yes, Feng Cheng Yu would rather like a woman like me who has had children than to be with you, which only shows that you are even worse than a woman who has had children!"

"You! You!"

Yue Ying Han was so angry that she almost died in place.

She finally understood why her mother had suffered such a huge loss at the hands of this woman!

"Yue Yinghan, if you dare to humiliate my girlfriend again, I'm not done with you!" Feng Chengyu said in a cold voice, "You're a thousand-year-old lady who hangs out in such places every day, do you think if I were to expose the photos of you pestering men to the reporters, how much would your Zhuang Group's share price drop?"

"Feng Chengyu, you are too cruel" Yue Ying Han blinked her eyes in aggravation, being threatened by her first boyfriend like this, she, a thousand-year-old lady who had never suffered anything, simply couldn't stand it

She glared at Ye Yunla and bit her lip, "I don't believe your taste is so bad, and I don't believe you'll really find a woman who has given birth as your girlfriend, unless, you kiss her in front of me" As long as you do get together, I will automatically quit!"

HC Chapter 479

Feng Chengyu turned his head and pressed down on Ye Yunla's shoulder.

The corners of Ye Yunla's mouth twitched, this dead bastard couldn't really be trying to kiss her, could he?

She was already very righteous for coming here to help him out, if he dared to touch her, she would teach him how he should behave!

She raised her hand to block Feng Chengyu's mouth.

Feng Chengyu playfully took her hand and pretended to kiss her on the tip of her finger, across her own thumb.

Then turned back to look at Yue Ying Han: "We two little people making out, why should we show you, you a former former former, former former" And I don't know how many ex-girlfriends, just don't come to find existence in front of me, okay?"

Yue Ying Han bit her lip, angrily stepped on her high heels and left step by step.

Ye Yunla slapped Feng Chengyu on the arm and said coldly, "This is the last time, don't ever call me like this again!"

"Aiya little LaLa, what are you so angry about." Feng Chengyu rubbed his nose, "Tonight, I'll treat you and your two little ones to dinner, okay?"

"Not interested!"

Ye Yunla impatiently pushed him away.

Feng Chengyu's brow furrowed and his gaze fell on her neck, "Why do you have a tattoo?"

He moved a little closer and his brow furrowed even more, "It's a letter, N. What does it mean?"

Ye Yunla pulled at the collar and said coldly, "It has nothing to do with you."

"You wait!" Feng Chengyu pressed her hand that was pulling at the collar, "The design of your letter looks so familiar, I think I've seen it somewhere, wait ah, let me think"

His hand tugged at Ye Yunla's collar, and Ye Yunla kept dodging backwards.

Suddenly, her back slammed into a stiff chest.

She turned her head back and saw that Fu Beijue was actually standing behind her, while Feng Chengyu's hand was still tugging at her collar

In this instant, for some reason, four words floated in Ye Yunla's mind, "caught in bed".

It was clear that she and Fu Beijiu also had nothing to do with each other, but now, she was actually very vain.

"Slap!"

She fiercely slapped Feng Chengyu on the back of her hand and said in a cold voice, "Let go of my hand!"

Feng Chengyu hastily retracted his hand as he raised his head and his gaze fell on Fu Beijue's body.

Fu Beijue was all cold and heavy.

Just now he was standing not far away, taking it all in.

He heard Feng Chengyu say that Ye Yunla was his girlfriend.

He heard Ye Yunla say that Feng Chengyu was her boyfriend.

He also saw Feng Chengyu kiss the back of this woman's hand

Fu Beijue had the feeling that his territory had been violated.

His pair of eyes, tinged with knives and swords, stabbed at Feng Cheng Yu without mercy.

Feng Chengyu sneered as he looked at Fu Beijue.

Although he was not in Haicheng, he was aware of every single thing that had happened to little LaLa.

It was this man who had made little Yara's heart flutter.

He nonchalantly grabbed Ye Yunla's arm and yanked her over, "Little LaLa, today I'm going with you to pick up Jing'er and Little Yinyin"

Ye Yunla yanked her hand out and coldly glanced across him, "You have three seconds to disappear immediately!"

Feng Chengyu scratched the back of his head in depression, "Little Yara, do you have to be so heartless, you just said I was your boyfriend and now you're turning your back on me"

As soon as he said this, Ye Yunla keenly felt the aura on Fu Beijue's body turn cold again, the whole person was like a big moving freezer.

She took a deep breath and said, "Feng Chengyu, you're not leaving are you, I'm leaving!"

HC Chapter 480

"Alright, can't I go?"

Feng Chengyu was a wimp in front of Ye Yunla, he walked to the door of the private room and turned back around, those eyes fell on Fu Beijue with a hint of ghostly coldness.

The door to the private room closed and the corridor finally quietened down.

Ye Yunla only felt her scalp tingling.

She didn't even know why she had a feeling of weakness, and crucially, this feeling of weakness was particularly strong, it was like seeing a ghost!

"That, what a coincidence"

Ye Yunla raised her head and gave a dry greeting.

Fu Beijue's gaze was dark as he stared at her, "You have a boyfriend?"

"No, no!" Ye Yunla hurriedly shook her head, "I was just doing him a favour, that is, posing as his girlfriend"

She was originally a cool person, nothing else would cause her to fluctuate emotionally except for her child, but now, she didn't even dare to look at Fu Beijue for a second.

She hung her head low, her long feathery eyelashes sweeping a shadow across the sockets of her eyes.

Her skin was white, and the flash of the club's colourful lights made her look even more beautiful.

Fu Beijiu thought of the kiss that Feng Chengyu had just reflected on the back of her hand, and for some reason, an impulse swept up from the small of his back.

His hand, suddenly, wrapped around the woman's waist.

The temperature of his palm was high, and the burning sensation caused Ye Yunla to jolt and raise her head.

Before she could react, Fu Beijue's face suddenly zoomed in, and then, a soft touch pressed against her lips.

Boom!!!

Ye Yunla's mind was about to explode.

This man, he had actually kissed her!

He actually dared to kiss her just like that!

Ye Yunla tried to struggle, but all the air in her lips and tongue had been taken away, and her strength seemed to have been suddenly drained from her body.

She could only hang on to the man's body by instinct

I don't know how long it took for the kiss to end.

"Remember, you can't impersonate any man's girlfriend in the future."

Fu Beijiu leaned against her between the ears and whispered, his voice was low and husky, and hid a certain suppressed restraint.

The man wrapped his arm around the back of her waist and continued, "Also, don't let anyone kiss you, not even on the back of your hand"

Ye Yunla leaned against him breathlessly and defended weakly, "He didn't kiss the back of my hand, it was just a misplaced illusion"

The depression that had been coiled in Fu Beijue's heart for a long time suddenly dispersed a lot.

Seeing the corner of his lips curled up, Ye Yunla then reacted with hindsight to what she was doing

This man had forcibly kissed her, and she was actually explaining to him what had just happened.

According to her character, shouldn't she have thrown a hard slap across the face?

She had actually sunk into the kiss!

Ye Yunla fiercely withdrew from the man's embrace, not daring to even look at him as she lifted her steps and ran away.

Fu Beijiu raised his hand and brushed it over his own lips, the taste of her still lingering on them

He has never been able to find a breakthrough point in their relationship, but today he has finally taken a big step forward, and he has seen the light of the road

He was about to chase them out when he saw the door to the private room, which had just been closed tightly, open.

The first thing you need to do is to get a good idea of what you are getting into.

Fu Beijue met his gaze, his voice cold and penetrating: "Feng Shao, in the future, if you want to find someone to cooperate with in acting, you can look for me, I know a lot of women, I can introduce you to a few."
