

## Her Destined Alpha By Moonlight Muse Chapter 85

85. Part Of Something Special DELSANRA The evening was going by nicely , Alpha Amir even asked me to dance , and although I was terrified , I did ok . All the while , he kept the conversation going about random topics ; from the weather to Rayhan growing up to remembering Maria's initiation into the pack .

Everyone congratulated me , and to my surprise , there was an entire table laden with gifts from everyone who had visited set to the side too . I was now sitting with Rayhan , Lola , Rose , Chris and Raihana . We had just finished eating and soon I would be initiated into the pack . I was nervous and a little scared too . This was it . " Delsanra , could I have a word ? " I looked up to see Luna Scarlett , Kiara's gorgeous mom . My heart clenched when , for a moment , she reminded me of my own mother .... " Sure . " I said , getting up , blushing when Rayhan trailed his hand down my thigh .

for a moment , she reminded me of my own mother ... " Sure . " I said , getting up , blushing when Rayhan trailed his hand down my thigh . Luna Scarlett smirked . " There are a few hours left of celebration , Rayhan . " She said . " Unless we skip to the end . " Rayhan shot back lightly . I poked my eyes out at him , realising his eyes were fixed on my ass . Chris hooted , and Rayhan shoved him . I shook my head , walking beside the Luna , wondering what she wanted to talk about .

" You're probably going to be tired of hearing this , but first of all , thank you for telling us the location of Endora's attack . It was my pack . If we had left it with only half its defences , I shudder to think what might have happened . " She said , sighing as she looked up at the sky . She was

indeed Kiara's mother , with her curves in that black dress of hers .” It's ok , I just gave you a date . The rest was all you guys .” I said shrugging .

She stopped when we were at the far corner of the garden , near a luxury cabin which Rayhan said was his uncle's . She turned to me , crossing her arms . I could tell she wasn't the most chatty person , but I got a pleasant vibe from her . She was strong too .” I know it may not be my place ... But I know you have suffered a lot , beyond anything anyone should ever have to suffer ... I just wanted to let you know ... I'm always here if you want to talk . I suffered at the hands of my father when I was a child . He discovered I healed extremely fast so decided to make me his favourite punchbag , and I told no one . The trauma of abuse isn't something that just goes away once it stops . It stays with us throughout our lives , one way or another . Some days may be ok , others may be darker ... ” My heart thundered as I listened to her ... It was true ... Those memories still come back ... She reached out , placing a hand on my upper arm .” You are so strong for withstanding it all , but know that we are all here for you . And when it comes to this ... I am definitely here , even if it's just someone to text or chat with when you are having a bad day ....

Here's my number .” She said , passing me a folded square of paper .” Thank you ... ” I said , taking it .” Guess we both had pieces of shits for dads huh ?” She said .” Seems like you know a lot .” I replied with a small wry smile . She smirked ,” Elijah is on the council , and our families are rather tight . We're working on finding those werewolves who are behind it all , and we will do it fast .” I nodded . That made sense .” Shall we return ? I think it's almost time for your initiation .” She said , brushing her red hair back . I nodded and we both returned to the rest . Rayhan stood up , gripping my hips at the same time as Alpha

Elijah pulled Scarlett into his arm . ” I missed you , kitten . ” Alpha  
Elijah said .

” Come on , kitten . ” Rayhan said at the exact moment . Both men  
looked at each other and the older Alpha frowned . ” That was my word  
first . ” He said . ” Yeah , well I’m sure Aunty Red is no longer a kitten  
but a cat now , right ? ” Rayhan said with a smirk . ” You calling me old  
kid ? ” Luna Scarlett said , narrowing her eyes . ” Seems like it . ” Alpha  
Elijah said frowning . ” He didn’t mean that , and I’m sure there are  
plenty of kittens in the world ... ” I said , blushing when I realised they  
were arguing over pet names . ” Well , none as special as mine . ”  
Rayhan said , enclosing me in his arms . ” Same goes for mine . ” Alpha  
Elijah replied possessively . Our eyes met , and he gave me a small smile  
despite his words . I smiled back , before burying my head in Rayhan’s  
chest . I felt so content here , I just wish that once Reginald and the  
others were caught , and the werewolves ...

We could all return to living this perfect , happy life . ” It’s time . ”  
Rayhan said , kissing my hands softly , I didn’t miss his gaze dipping to  
my cleavage . I teasingly pressed my breasts together ever so slightly ,  
making his eyes flash . I smirked as he led me towards the tree that was  
lit brightly with lanterns . Papa Raf was waiting beneath it , a warm smile  
on his face . He held his hand out to me as the music was lowered and the  
chatter died down . Everyone gathered around , and Rayhan stood on my  
other side , his arms around my waist as I took Papa Raf’s hand ,  
stepping closer . ” Thank you to everyone for coming tonight . I think we  
all had to admit the drinks and food were indeed needed ! ” Papa Raf  
said , making everyone chuckle . ” But most importantly , we are here to  
welcome our future Luna into this pack . The beautiful , strong , brave  
and compassionate Delsanra .

One who has helped us long before we even knew she was Rayhan's mate . Always treat her with the love and respect that she deserves . There is not one woman who I would be prouder to have as my daughter , as my son's mate , and the future Luna of this pack to carry on my legacy . ” He said clearly . His warm brown eyes didn't leave mine , the warmth and love in his voice made me feel emotional . ” One day , when I am no longer around , I'll be content , because I know that I am leaving my pack in good hands , ones who will nurture and grow this pack to new heights . ” He continued . His eyes were locked with mine , and I promised silently that I would always make him proud . ” We will take the oath and bind it with blood . ” He said warmly . I nodded , I knew this part , Rayhan had already told me . ” Do you , Delsanra Diana Silver , pledge your allegiance to the Black Storm Pack , to your Alpha , and promise to always treat this pack as your own ? ” Papa Raf asked .

” I – Delsanra Diana Silver , pledge my allegiance to the Black Storm Pack , to my Alpha , and promise to always treat this pack as my family . ” I said clearly . Rayhan took my hand as Luna Maria passed Papa Raf a knife . He sliced his own hand before he looked at me , I smiled and held my hand out . One slice of a knife was nothing . He made a small cut , passing the knife back before we combined our hands , sealing our oath . I felt a strange surge go through me and I shivered . Smiling as I realised I was somehow connected to the pack , despite not being a werewolf . The bond was there . Everyone clapped and cheered . Rayhan stepped away , his hand now on my waist . ” I give you , the future Luna of the Black Storm ! My mate Delsanra ! “

He said , his eyes fixed on me . Shouts of welcome to the pack , congratulations Luna , and much more , all blended into one . Rayhan took my hand , running his tongue along my cut , making my core throb . Someone in the crowd whistled and I knew it was Chris , but I couldn't bother turning to look . My eyes locked with Rayhan's sexy grey ones . ”

Come , let's get a drink or two .” He said ,” Luna .” ” Ok , Alpha .” I replied , tiptoeing and kissing his cheek , glad that I could at least reach with these heels .” Come on , bottoms up !” Raihana said , as Chris , Lola and Rayhan were having a drinking competition .

It was much later , the mama's and papa's had retreated for the night with the kiddies . It was mostly just young adults left .” I want my girl to at least be walking by the end of this ...” Rose said unhappily .” Oh hun , they'll be fine .” Raihana replied . I simply smiled watching Rayhan down shot after shot , it didn't look like it was affecting him .” Rayhan's in the lead .” I said proudly .” I sure am , and I'll still be perfectly fine Jater .” Rayhan said , pulling me into his lap and burying his nose in my neck .” Rayhan !” I said , gasping when he kissed my neck sensually , his hand trailing up my thigh .” Ok , he's a little drunk .

” Lola snickered .” As are you , babe ,” Rose said , brushing her hair back .” Not really , I'm all good .” Lola said , trying to remain upright .” Yeah , one shove and you'll be on the floor .” Chris said , only for Lola to smack him one , making him almost tumble out of his seat .” Yeah , I'd like to see who will be on their sorry ass .” She growled .” Ok , you lot are so drunk , and last time you were taking pictures of me and Del !” Raihana said , cupping her face . Rose looked guilty as she picked her phone up .” More pictures ?” She said . I was sure she was the one who took the pictures last time . I smiled in amusement .

” Yes !” Raihana exclaimed , taking the phone from her . Chris smirked .” If you want to do a photoshoot princess , I'm open to any type .” He said , with a wink . Raihana blushed , rolling her eyes .” Whatever Chris , because if I take you up on that , it's going to be you in a thong and tutu . 1 1 Lola and Rayhan burst out laughing , and I smiled as Chris shrugged .” Na , we can all agree Rayhan and Lola would look

way better in those , I mean , they've got the hair and stuff for it . ” ”  
Leave my yum yum's hair alone . ” I said , running my fingers through  
it , pouting . God , he was so gorgeous . ” So yum yum ... Why that  
name ? ” Lola asked , tilting her head . ” Because he's so lickable and  
delicious . ” I said before I realised what I had just said . Rayhan simply  
smirked , clearly satisfied with that reply as the rest began teasing . ”  
Eee ! I don't want to know if he's lickable ! My mind needs to be  
cleansed ! ” Raihana shrieked . ” So he tastes sweet ? ” Rose asked ,  
bursting into giggles . ” Wrong image , wrong image !

” Lola grumbled . ” Leave her alone . ” Rayhan said the moment I buried  
my head in his neck , blushing . He cocked a brow at Raihana before  
tilting his head . ” Ri ... How come Blake didn't come ? Today was the  
Luna's welcoming ceremony . ” 11 Raihana sighed , swirling her drink  
in her glass . ” I think he's been avoiding me since a while back , but he  
was here . Didn't he come over to congratulate you guys ? ” She asked  
surprised , taking a sip of her drink . I actually realised I hadn't seen this  
man at all , apart from a few distant glimpses . ” Why is he avoiding  
you , babe ? ” Rose asked Raihana , taking Lola's glass from her . Lola  
didn't seem to argue , she had definitely overdone it . ” Since I kinda had  
a little disagreement with him . ” She mumbled . ” What do you mean  
disagreement ? ” Chris asked sharply . Any signs of being drunk seemed  
to have vanished .

” Nothing ... Just the day I called you when I was angry ... I kind of  
turned him down . ” She whispered , leaning forward so only we could  
hear her . ” What ? He's fucking twenty – six and is supposed to be your  
guard . ” Rayhan growled . ” Hey , I handled it and it was my fault , not  
his . Besides , age is just a number Rayhan . So , I think he's just  
hurting , but I'm sure he'll be ok . He's taking me to the shops  
tomorrow . ” Raihana said , sighing . ” Yeah , probably has a fucking

bruised ego . ” Chris said , clearly annoyed . ” He needs to keep his fucking hands off of you . ” ”

I looked at him , smiling , as Raihana seemed to have a faint blush on her bronzed cheek . ” Umm yeah ... ” She said . I looked around , thinking how the night had been lovely . ” So , the blood moon is soon ... ” Chris murmured , looking up at the sky . ” Yeah ... ” Raihana said , no one spoke ; this moment was theirs . Rayhan’s arms tightened around me and he shamelessly buried his head in my breasts kissing me softly , I simply ran my fingers through his hair hugging him tightly . I hoped Raihana and Chris got their happily ever after too ...

86. Moments Of Happiness DELSANRA The week had gone by in a pleasant blur and things had been great , Luna Maria had had a word with me and apologised once again . She knew some of what I had gone through and said she knew that even werewolves could be monsters , she hoped I would get justice soon . I hoped so because I wanted to bury all my skeletons from the past and start afresh . Rayhan was perfect , in every way . In the mornings , he’d wake up , head to training before returning and spending some time with me before we had breakfast and parted ways again .

I know he was working hard on tracking the witch hunter group . I was told to focus on my studies , and Papa Raf himself was helping me with the core subjects when he realised that I felt uncomfortable with a tutor . I mean , I was nineteen and doing children’s work .... but Papa Raf never once treated me like a child or anything . We’d sit together in the lounge , and sometimes he’d g\*\*\*\* e something when he couldn’t remember what the answer was , which would make me smile . I wasn’t sure if he actually couldn’t , but either way , it was nice when he complained that studies seemed hard .

The morning was spent studying until lunch , but around 10 am , Maria would come by and drop us some snacks . I actually loved this part ; there were always hot drinks and freshly baked goodies ! And yum yums ! Sometimes she'd spend a little time with us , other times she'd go about her duties . Raihana was at Uni some days , and she was super busy , but I also knew the stress of the upcoming ball was weighing down upon her . But in all , it was great . ” Oh , cinnamon rolls . Thank you , my dove . ” Papa Raf said when Maria placed the tray down , he took her hand and kissed it gently . “

I made those and the yum yums . ” She said , smiling at us . 11 ” You are indeed the queen of baking . ” Papa Raf said , as she took a seat next to him . ” When you bake anyway , the days are far and few . I smiled , a queen of making yum yums ... Especially my king yum yum . I suppressed a giggle at that thought . I missed him ... I hadn't seen him since the morning . ” Well , I know the chef's bakes are a lot better . ” Maria said gracefully . ” The preparations for the mating ball are all done , so that's a bonus . ” ” 11 ” Ah , ” Papa Raf said with a small smile . ” Is it evil of me that I'm hoping Raihana doesn't find her mate yet ? ” ” Not at all . ” Maria said amused . ” No , but I hope she does . ” I said smiling . Please let it be Chris . ” Papa Raf ... Does a werewolf have to choose their mates , like what if you love someone enough that you don't want a mate ? ” ” That doesn't actually happen often .

However , there are many that don't work , and rejections do happen . But there was one man who was willing to forsake his mate for his love . Elijah , Kiara's dad . ” I looked at him , picking up a yum yum as he told me the story of how their love had been something no one approved of . How Elijah was ready to defy all odds for his queen . ” Then there's our

story .” Maria added with a small smile . Papa Raf chuckled .” I don’t think I did good ...” He mumbled guiltily . I looked at them curiously .  
11 ” Tell me .” ” Well , my father is rather traditional , and well , he said that I could go with my mate once we had married one another .” Maria said , blushing slightly .” And I don’t think this Rossi understood that .” ” F Papa Raf smirked .” Well , when you tell a Rossi to stay away from their mate , it isn’t something we understand .” He said , kissing her cheek softly . She smiled .” So , what happened ?” I asked curiously , wiping my hand on a tissue .

” He forcefully snuck into my room , several times ! Trying to win me over or steal a few kisses . I tried to tell him that he needed to behave .” She pouted and shook her head , reminding me of Raihana .” That’s really sweet though , at least he knew how to charm his way in , just like Rayhan .” I said .” ” Yes indeed . See ? She sees it was sweet .” Papa Raf said , smiling .” It was sweet and terrifying .” Maria said . I knew how that must have felt .” He ” That just added to the excitement .” winked at her , I think they wouldn’t mind some alone time . My phone beeped and I knew Raihana was home . Perfect timing !“ Papa Raf , can we stop for today ? I know Raihana will be back soon and her dress is coming today too ...”

” I said .” And I think you and Luna Maria should spend some time together .” 11 I froze realising I had addressed her as Luna ... I tried not to directly call her , but it was going to take me some time not to call her Luna ... She told me to call her aunty , but I needed time ... But even if I messed up , neither let it on .” Ok , dear .” Papa Raf said , and I picked up a plate , putting some treats on .” Thank you for these .” I said before leaving the room , unlocking my phone .

I read the message from Raihana . ‘ Hun my dress ! It’s perfect ! ‘ I headed upstairs with a smile , I couldn’t wait to see it ! I almost knocked

into someone , ” Sorry ! ” I said , ” Hmm . ” ” He grunted , before he continued down the stairs . I frowned , watching the man walk out swiftly . He seemed oddly familiar ... It must be Blake , I had seen his back a few times . I shook my head and headed towards Raihana’s room . The door was open , and she was opening a dress bag . I placed the plate down and she turned to me , giving me a smile . ” I’m so excited ! ” Raihana exclaimed .

Unzipping the bag , she took out such a gorgeous dress that I couldn’t stop the whistle that escaped my lips . ” Oh wow ... that is ... beautiful . ” I said . It was nothing like I imagined she’d go for , but looking at it , it was so Raihana ... She was definitely going to stand out at the ball . The dress had an elegance to it , yet remained sexy . ” Thank you , I tried it on there and the fitting was lush babe ! ” She exclaimed , pressing it against her . I smiled , glad her worries about the ball were gone , even if it was momentarily . ” He is going to love it . ” She whispered . I looked at her , my curiosity piquing . ” Ri ... What are you planning on doing ? ” I asked . She turned towards me , placing the dress down gently . ” I’ll go to the ball ... If my mate is there ... I will reject him . I want Chris . ” She said stubbornly . ” That’s the first time you admitted that ,

so openly . ” I said , ” With only two days until the blood moon , you must be going crazy . ” I always wanted to go to these things , pick out a lavish dress every time ... but this time ... I don’t want to meet a mate I don’t want . ” She sighed , picking up a yum yum and wrinkling her nose before dropping it on the plate . ” I swear you’ve ruined yum yums for me . ” I giggled , taking the one she dropped and biting into it . ” Perfect for me .

My plan is to take over all the yum yums in the world and eat them all . ” I said , making her smile . ” You know ... What if Chris is your

mate ?” ” There’s a chance he could be ... ” She said wistfully , playing with a strand of her hair . ” Two days , we will find out in two days . ” I said softly . She nodded , her heart racing as our eyes met . Two days .

87. My Decision RAIHANA The blood moon ... My heart had been pounding since morning and I was terrified , scared of a million things ... Night had fallen , Mom was now working on my hair . I had done my own make – up and , despite feeling like a mess inside , I remained as composed as I could . Delsanra didn’t leave my side all day and I appreciated it . Even when I had my henna done the night before , I couldn’t think of anything but Chris .

I hadn’t seen him for the last few days and I missed him . I hated that he was telling me to wait . Didn’t my love mean anything to him ? I now looked at the black stain of my henna as it weaved up my arms ... my eyes landing on the small name I had told the lady to add . ‘ CHRIS ‘ I had already made my decision . ” Raihana ... ” . ” Mom said with concern . I looked up . ” Hmm ? ” ” Are you alright ? ” She asked softly .

I placed my hand on top of hers on my shoulder and nodded . I was glad I had her back ; I won’t ever forget the night I came home . She had apologised , broken down , and begged for forgiveness . ” I’m fine . ” I said , my heart thudding . ” You don’t need to go if you do not wish to . ” She said softly . I looked up at her and I knew she knew why ... Delsanra stood next to us , removing my earrings from the box . ” I need to . ” I said . He had said just one blood moon ... “

Ok .” Mom said softly as she applied some hair spray to my hair . I breathed heavily , standing up , looking in the mirror . I looked like a bride or a princess ... I smiled . Perfect , because this was my last blood moon .” You look beautiful .” Delsanra said , Mom nodded her agreement .” This is it , isn’t it ?” She said softly . I nodded , slipping on my embellished heels .

” I know what I want , and I will get it .” ” That’s my girl .” Dad said from the door , my heart skipped a beat seeing both he and Rayhan standing there . When had they arrived ? Rayhan was smirking , and Dad was smiling warmly . Did they all know ? I frowned at Rayhan , who raised his hands defensively . 11 ” I said nothing .” Now you did .” Delsanra said disapprovingly . I smiled watching Rayhan’s eyes run over her , the love and desire in his eyes so strong ... I wanted a love like that , like Dad and Mom’s , like Uncle’s and Kiara’s . I wanted him .” Well , time to get dressed .” Delsanra said , picking up my dress as I put on the earrings she had passed me . I took a shuddering breath . Taking the dress from her , I walked to the bathroom , my heart pounding with every step I took .” She’s going to be ok .” Mom whispered as if I couldn’t hear .

I smiled though , she wasn’t mind linking because of Del , I loved that . I shut the bathroom door behind me , and I leant against it , the coolness of the wood pleasant against my silk gown as I took a deep breath . Fear had begun to plague me , and all I could think of was Chris . What if he somehow came to the ball ? What if he found his mate ? What if ... Stop it Ri ! My wolf’s restlessness wasn’t helping either . Ok , I got this . Deep breaths and focus ! I slid my nightgown off and looked in the large mirror opposite . My entire body glowed with shimmer , I wore a lacy nude strapless bodysuit as my lace dress was sheer , my arms and hands

were covered in a henna tattoo and my nails were fresh nude acrylics with a glitter tip .

My eyes were smoky and alluring with winged liner , my lips were painted a gorgeous brown nude and my highlighter popped perfectly . Diamond studs were in my additional ear piercings , with large statement earrings in my front piercings . My hair was in a quiff with a fringe , and the rest was styled into lush curls and pinned to perfection . My hands trembled ever so slightly as I unzipped the dress . It was stunning in a champagne colour , the entire dress was made with embroidery on a luxurious net with some beads detailing . Thin straps and a dipping sweetheart neckline completed it .

It was figure – hugging and trailed to the ground . There were tulle layers on the right side of the dress , along with a thigh – high slit . I slipped it on , my hands shaking when there was a light tap on the door . ” Come in . ” I said , the door opened and Del slipped in . ” I thought you might need some help . ” She said , I smiled slightly . ” Yeah . ” I said , unable to even string two words together . She walked over to me , slipping the zip up . Mom and Dad were going to the ball ,

but Delsanra and Raynan weren't . Although she had asked me if I wanted her there , I told her to enjoy the time with Rayhan . He had been busy too , their extensive research on trying to crack down on the witch hunter was taking up a lot of his time . Tonight , I heard they were going to watch a movie , but I doubt there'd be much movie watching . ” I'll be awaiting the good news tomorrow . ” She said softly . I nodded . Good news ... Chris ... An hour had passed , and I was now arm in arm with Dad , Mom on his other side as we reached the venue where the mating ball would be hosted . Dad looked handsome in black , and Mom , as always , looked gorgeous . Tonight she was in a deep maroon gown , her hair up in an elegant bun .

My beautiful parents , the perfect couple . I looked at the shimmering lights of the venue . With each step , my heart was twisting . I wanted to turn back , turn away , We walked up the shimmering marble steps , the guards that flanked the doors bowed their heads and music filled my ears , but I couldn't do it . ” Raihana ... ” Dad said softly , I looked at him , realising I had stopped . My chest was heaving and I shook my head . ” I ... I don't want anyone else . ” I whispered , my eyes blurring with tears . Mom and Dad exchanged looks before they smiled at me . ” Above all , what matters is what is inside ... If it's Chris , then go to him . ” Dad said . I smiled , I didn't need to say anything for my parents to know . ” Thank you , Dad . ” I said softly . Mom caressed my cheek . ” He's a good kid . ” She said as I leant into her touch . Dad leant over , kissing my forehead .

” Whatever you decide , we will support your decision . ” He said softly . I looked up at him . How could a girl be so lucky to have an angel for a father ? I hugged him tightly , trying not to cry . ” Hove you , Dad . ” @ ” ” I love you too , princess , I always will .. He said , smiling warmly . I nodded , brushing away my tears before I spun around , lifting my dress as I ran down the stairs . I'm sorry , Chris , but I don't need to see my mate to know I want you ... I'm coming ... I ran as fast as I could , getting into the car that drove us here . ” Back to the pack . ” I said breathlessly , slamming the door shut behind me , startling the driver . Cole , Dad's driver smiled and nodded , despite being alarmed by my abrupt entrance . ” 1 ” Yes , miss Ri . “

My heart was thumping as he drove us back . The fifteen – minute drive was driving me crazy . The moment I saw the trees signalling we were close , I took a deep breath . ‘ Chris ? ‘ I called through the link . ‘ Ri . ‘ His voice sounded almost afraid , as if I was going to tell him something he didn't want to hear . ‘ I'm sorry- ‘ ‘ Hey , it's ok , I'm happy for you . ‘ ‘ Fuck you . Do I mean so little to you ? I'm sorry

because I am breaking our agreement . I'm not going to that ball , I want you , Chris . Fuck . I'm admitting this , and I swear if you turn me down I'm going to fucking castrate you . If I can't have you , no one can . ‘ His weak chuckle came through the link , but I could feel his relief . Was this his test to prove that I really loved him ? ‘ Ri , are you sure ? Because if you make this

choice , there's no turning back , I want you forever . ‘ His words made my stomach erupt with butterflies . ‘ And I want to be with t you forever . ‘ I whispered . ” Stop the car ! ” I said , making Cole break sharply . ” Thank you ! ” I said opening the door as I got out quickly . ” Princess ! ” ” I'm ok ! ” ‘ Ri ... I- ‘ ‘ I promise . Every blood moon , let's hole up , away from the world . We can binge watch N \*\*\*\*\* x , anything you want , we'll stay inside ... together . Forever . I promise I'll always be there . ‘ I whispered through the link as I ran towards his house . My heart was thundering as I saw the lights were on . ‘ Forever is a long time princess . ‘ ‘ Do you want forever ? ” I asked as I ran through the gates , sliding between his two cars and reaching the door .

‘ I want more , then forever . ‘ Came his reply , sending my heart pounding even faster , just as I knocked on the door . ‘ Good , because so do I. ‘ I whispered back , my heart aching . I wanted him , so much . The door opened to reveal a shirtless Chris and I froze . He was in nothing but a pair of blue jeans , a glass of alcohol in his hands , his hair a sexy mess and his sharp , gorgeous green eyes that ran over me , blazing gold before he stared into mine . But it was not his killer looks that had rendered me speechless . It was the mind blowing scent that enveloped me completely . Spice , winter snow and that seductive undertone that was making me dizzy . His eyes widened in shock as we stood there frozen . My mate . He's my mate .

**Her Destined Alpha By Moonlight Muse Chapter 88**

88. This Special Night CHRIS I stared at the goddess before me , thy heaven on earth . Her scent hit me like a fucking orgasm . Everything about her was a thousand times more fucking breath taking if that was even possible . The dress she wore wrapped around her curves alluringly , and there was not one fucking thing about her that didn't beg for me to worship it . Above all ... She was made for me ... My mate , MY fucking heaven on earth . ” You're mine . ” I growled , not even realising how possessive I sounded until those words left my lips . Her chocolate – coloured eyes widened , and she smiled softly . ” I'm yours .

” She whispered . I pulled her into my arms , one hand going behind her neck . Our eyes met for a split second , her arms locking around my neck as our lips crashed against each other with deep passion . My glass fell to the floor , shattering into a thousand pieces , but neither of us cared . Explosive sparks coursed through me , blood rushed south , and never had anything felt so good . My eyes fluttered shut and all I could focus on was the feel of her body crushed against mine , her sweet , honeyed mouth and the feel of her hands and lips on me . A soft moan left her lips as our lips fought for dominance , moving in perfect sync . The hunger , relief , love and passion in our touch were everything I could have dreamt of and more .

She pushed me inside , slamming me against the wall , her hands running down my bare chest . I pushed the door shut , turning us so she was the one pressed against the wall . I broke away from her lips breathlessly , trailing kisses down her neck . My hands roaming every inch of her body . I crushed myself against her , sucking hard on her neck . The urge to mark her right now was strong . So fucking strong . My wolf's restlessness only heightened .

She moaned when I sucked on her neck , my own dick throbbing . Her hand tangled in my hair , yanking my head away from her neck before she kissed me hungrily once more , her other hand raking down my back before it landed on my ass : ” Fuck . ” I groaned , pressing myself against her . I squeezed her lush ass , making her sigh wantonly . ” Are you already hard for me , baby ? ” She teased , breathless . ” Fucking hard or is that not clear enough . ”

I murmured back , kissing her along her collar bones and down towards those lush tits of hers . Fuck , this woman was blessed with more beauty than one woman ever should be , but I’m not complaining . I get her , all of her ... My hands roamed over her dress , searching for her zip . ” Maybe it’ll be clear if you weren’t in those jeans . ” She whispered . Her arousal hung in the air , and all I wanted was to bury my head between her thighs and eat her out like I was fucking starved .

” Glad we’re on the same page , ” I murmured , pulling her zipper down . I stepped back , slowly slipping her dress down from her shoulders , my eyes . darkening as her body came into view now clad in only a nude bodysuit . Her breasts were half spilling out of it , I took a moment to simply stare at her as she slipped her dress down , it reached her hips before she hooked her fingers into it . Turning around slowly , so her ass was towards me . She shimmied the dress down and I swore the moment her lush ass came into view . ” Fuck ... ” ” Like what you see , handsome ? ” She teased . Fuck , her confidence was fucking sexy . ” Hell yeah . ” I murmured , delivering a sharp tap to her sexy booty . She gasped , pressing herself back against me . I cupped her breasts , squeezing them hard , kissing her neck sensually . ” Goddess , that’s it , Chris . ” She whimpered . My hands massaged her breasts .

” Oh fuck ... ” I groaned , sucking hard on her neck as she cried out , before she turned , crashing her plump lips against mine as she unbuttoned my jeans , pulling the zipper down . She slipped her hand inside , making me groan . It was a fight for dominance , a dance I didn't mind playing . I pulled her hand out , kissing her harder before I cupped her ass , lifting her and she instantly locked her legs around my waist . I didn't stop kissing her as I carried her up the stairs and towards my room . “

Oh , fuck Chris . ” She moaned , kissing my neck hungrily . ” Fuck princess ... ” I groaned . Kicking the door open . I entered , slamming it shut behind us . Walking over to my bed , I dropped her onto it , climbing on top of her and feeling for the hooks of her bodysuit . ” Not so fast ... ” She whispered , placing a heeled foot against my chest and pushing me away as she hoisted herself up onto her elbows . ” Strip . ” I smirked , getting off the bed .

” If that's what my girl wants . ” I said huskily as she bit her lip . I slowly lowered my jeans , enjoying the way her eyes flashed . The desire only grew as she pressed her sexy thick thighs together . There was already a damp patch forming and it only made me fucking throb harder . Once the jeans were gone , I slipped my boxers down , watching the way her heart pounded , the way she licked her lips . I got rid of my boxers and she motioned for me to come to her ,

I smirked and obliged . Confidence was so fucking natural to her , and I loved it . I climbed on top of her , biting back a groan when she reached down to stroke my balls and dick , a soft whimper leaving her lips as we kissed each other sensually . My own hands working on the hooks to her bodysuit . With each hook , I placed a hungry kiss down her neck and between her breasts . I was halfway done when I lost my patience . Fuck

this . I ripped the entire fucking thing off her , making her gasp slightly , a smirk playing on her lips .

” Better . ” She said breathlessly , pulling me to her , kissing me roughly I kissed her back , before pulling away and grabbing her breasts . This was fucking happening ... She was mine .... I licked and sucked her deep pink nipple , sucking hard . She was fucking gorgeous ... I inhaled her scent , paying equal attention to the other breast before kissing her down her stomach . She moaned , arching her back as I ran my tongue down her stomach . She tasted sweet and perfect . ” Fuck Chris . ” I loved the way my name sounded on her tongue . Our hearts were racing erratically , and the closer I got to her core , the more I was losing control of my emotions . I stroked her lush thighs , my gaze falling to her perfect little pussy .

A thin strip of hair ran from her slit , a perfect Brazilian wax . Fuck she was gorgeous . As much as I wanted to lick and suck her pussy , I was going to leave the best for last . Running my tongue along her inner thighs , I placed a few kisses and bites along the way . She cried out in pleasure , her arousal perfuming the air . Her hand was tangled in my hair , her moans getting to me . I placed my tongue against her ass , sliding my tongue in between those perfect cheeks , making her gasp , running my tongue up through her pussy , groaning as her juices filled my mouth . Never had I fucking tasted anything better . Fuck .... I ran my tongue up , rolling it over her clit and up the strip of hair making her gasp . ” Stop teasing me . ” She breathed , glaring at me with lust coated eyes . ” I’ve been wanting to worship this body for a while , princess . Let me enjoy the moment . “

I whispered . For the first fucking time it wasn’t about me , I didn’t care . Pleasuring her was fucking turning me on too . It was different . This wasn’t just sex ... She pulled me up , kissing me softly . I slid my hand

between her legs , rubbing her clit with my fingers . She cried out , her nails digging into my shoulders . ” Fuck ! ” She moaned , I knew she was near and I pushed her back gently , pressing her legs open . I went down on her , plunging my tongue into her hot core . She cried out as I ran my tongue over her clit , flicking , sucking and twirling my tongue on her little button .

She whimpered against me , moving her hips against my face . ” Fuck Chris , that’s it .... Oh fuck ..... Goddess ! ” Moments later , I felt her tense , her words becoming incoherent , her back arching . ” Faster Chris ! Faster please ! Fuck ... ” Her orgasm tore through her , her cry of pleasure making her head hit the bed , her back arching , her entire body trembling as she shook from her orgasm , struggling to push me away , but I didn’t stop . ” Fuck Chris ... ” She moaned , but I wasn’t done , licking up her juices that leaked from that pussy of hers . ” I want you . “ ” 1 And I fucking want you ... I moved on to the bed , kissing her lips passionately , my fingers running between her pussy . She whimpered at first , trying

to close her legs , but slowly she allowed me to continue my teasing of her overly tender pussy . ” You’re beautiful everywhere , princess . ” I whispered . ” 1 ” Guess we’re the perfect match then . ” She said softly , kissing my neck and shoulders . She pushed me onto the bed , straddling me , and began kissing me down my chest . I smirked as she went lower , her breasts rubbing against my dick . I groaned . At this fucking rate , I was going to come right here ... She smirked , squeezing her breasts around my dick and licked the tip . Her eyes locked with mine . I throbbed hard . That was fucking hot ... Sitting up , I yanked her up , flipping us , so she was on the bed . ” I want you , princess . ” I murmured , kissing her lips as I pressed against her entrance . She bit her lip , her smirk vanishing , and she locked her arms around my neck .

” I want you too . ” She whispered , her heart was pounding . Our eyes locked as I positioned myself at her entrance . ” Are you sure ? ” I asked softly . Despite wanting to ram into her right now , her heart was beating too fast and she seemed suddenly nervous . ” Yes , it’s just that it’s my first time , so go easy on me . ” She whispered . My eyes flew open in shock . What ? How the fuck ... She was fucking confident ! She didn’t act like a virgin ?! She rolled her eyes . ” Are you being a sexist pig again ? Just because I’m a virgin , what were you expecting ? Me to act shy and lost ? ” She asked with a pout , despite kissing my lips in between her words . ” Kinda ... ” I replied , with a cocky smirk . ” Don’t believe I’m a virgin ? ” She asked , twisting her hand in the back of my hair . I smirked .

” How about I find out . ” I whispered , gently pressing at her entrance . I knew she was , from the way she was nervous despite her confidence . And yes , I was fucking proud that she was all mine and no one else had what was mine ... Yeah double standards since I’ve been a fucking whore , but I was still feeling cocky about it . I looked down at her , caressing her hair as I eased into her slowly . She hissed , her nails digging into my shoulder .

I caressed her thigh with my other hand . ” I love you Raihana ... You were and are the only woman who has ever made me feel this way ... A woman I want forever . My one and only love ... ” I whispered quietly . Her eyes were filled with emotions , and she kissed me once more as I penetrated her . She cried out in pain and I stilled , kissing her softly , I didn’t want to hurt her , yet the urge to begin fucking her was taking over . I fought against it , slowly pushing myself in completely . Her eyes stung with tears and I kissed the corner of her eyes softly .

” I’m Sorry , ” I said softly . ” I’m ok ... keep moving . ” She whispered , taking a deep , shuddering breath . ” It gets easier . ” I

whispered back . I moved slowly , relishing the feeling of her , hoping she could feel how much she meant to me . Our eyes never left each other as we made love , and soon she began to relax . I sped up ever so slightly . Holding out my own release . ” Fuck that’s it , Chris ... ” She whimpered , and I knew that pleasure was overriding the pain .

” Mark me ... ” I didn’t need telling twice . Feeling her nearing , I tangled my hand into her hair , tilting her head as I bit into her neck . She cried out as her orgasm ripped through her , making her entire body react . I groaned as her insides clamped around me , her juices and blood coating my dick . I extracted my teeth , licking the wound as I continued to move inside of her , speeding up . She reached up , pulling me down and sinking her teeth into my neck . Pleasure

erupted through me and I slammed into her , finding my own release . Fucking euphoria . Never had anything felt so fucking good ... I groaned as I rode it out , pulling out of her . Spent . ” I love you , Chris . ” She whispered . “ Love you too , princess . ” I said , moving away gently . I got off the bed , grabbing a T -shirt I had discarded earlier and gently wiped her clean between her legs , before wiping my own dick off . ” Thanks . ” She said , blushing lightly .

She looked stunning . Her hair that had been styled perfectly , was a mess , her cheeks were flushed and her lips looked even more plumper . Her body was a work of art , one I had left my mark all over . My mark ... My heart thudded as I tossed the T – shirt aside . This was fucking real ... Pulling the top duvet off the bed , I rolled it up , tossing it aside and moved back the blanket . She got in and I slid in next to her , wrapping my arms around her and pulling her to my chest .

” I hope this isn’t a fucking dream . ” I muttered . ” I assure you it isn’t . ” She said softly . “ But it feels like one ... I never thought you’d

be my mate ... I hoped once or twice ... I hugged her tightly , smirking when she squeezed my ass . My naughty little princess ... ” Yeah ? I don't think I deserve you . ” Well , I am amazing . ” She said airily . I chuckled . Yeah , that's my sassy sexy princess . My mate , one I thought I never wanted , fuck was I wrong .

89. Fated RAIHANA ” That's it ! Fuck ! ” I gasped as my orgasm rushed through me , the water from the shower pouring down on us , but all I could focus on was the pleasure he inflicted upon me . Chris , my forever sexy boy . I crashed my lips against his just when he shot his load into me , making me moan . We were breathing hard . He had me pinned against the shower wall , my legs pressed against his side , his hands cupping my ass . Goddess , I would never tire of him .... ” You're fucking heaven , princess . ” He whispered , making me shudder with renewed pleasure . ” Love you girl . ” ” I smiled . ” ” I love you too . ” I hugged him tightly , our lips meeting in an enchanting kiss that made the world fade away ...

Three hours later , we were dressed , fed and cuddled up on the sofa in Chris ' living room . He currently lived alone , now that his youngest sibling had gone off to university down south . But I knew how much Chris did after his parents ' deaths . I was proud of this man , despite all his faults . He was a good son , brother , friend , delta , and above all , my mate . ” I know I'm incredibly handsome , princess , but you don't need to stare so much . ” He remarked with a sexy smirk , his hand playing with my G – string from the top of my jeans . His finger running soft circles there , making my entire body tingle . I rolled my eyes . ” Don't get too full of yourself , I was just wondering how much time you spent on pampering this face of yours . “

I said , squeezing his jaw tightly . ” Not anywhere near as much as I’ll spend pampering you . ” ” His reply threw me off , my heartbeat quickening . He smirked sexily , his gaze falling to my chest . I hate that he renders me speechless . I pouted , hugging him . I’d never admit that though .... He snickered cockily , ” Are you actually shy ? ” ” No ! There is a difference between being shy and just being surprised that you can actually be charming . ” I said , smacking his arm . “

Ouch , that hurts . ” He faked massaging his arm . ” Whatever , I know it didn’t . ” I said . We were tangled together , me lying right on top of him . It felt so perfect though , me and him , us . This was how it was always meant to be . I kissed him softly , then he kissed me back deeply . I moved away from his lips and stared at my mark that graced his neck . A moon and the silhouette of a wolf with its head raised . His mark on my neck was a howling wolf , a shimmer of green running through the black mark .

” They’re beautiful . ” I murmured . ” Yeah .... ” Chris said , brushing his finger down my neck . I shivered under his touch , sighing softly .. He chuckled and I raised an eyebrow . ” What is it ? ” ” Rayhan said your parents want us to come for dinner . ” He said , smirking , his gaze dipping to my breasts and I felt him throb . My stomach fluttered . ” Did you say we’re fated mates ? ” ” No , I didn’t even say we’re here right now . ” He smirked . ” Rayhan annoyed ? ” ” Na , he just sounded stiff . ” . He snickered . ” Oh goddess , you are going to taunt him , aren’t you ? ” I asked . ” Definitely . ” He replied . ” I can’t wait for you to meet Uncle Al as It my mate . “

” Oh , I’m not afraid , because as much as he’ll probably want to castrate me , he’ll know this blond hunk equals his niece’s happiness . ” He said

cockily . I rolled my eyes . ” Ok , I get it , urgh ... You are just going to be ten times cockier now , aren't you ? ” ” Yeah , obviously . You're my mate , meant for me , so you know I must be worth something . “

He said , stretching before tightening his arms around me . I rested my head on his chest , listening to his beating heart . ” You're priceless , baby . ” I whispered , closing my eyes . Neither of us spoke , simply basking in the other's company ... Night had fallen , Chris and I had just arrived back home . My cheeks were burning , and despite the fact that we last had sex at 2pm , my lower region felt very sore . Urgh this is so awkward ! Returning home knowing the entire world knows you did the deed is weird !

” Relax , Ma Chéri . ” He said , making my stomach knot . Did he just call me ... I blushed , thinking that was hot . I was so distracted that I didn't even notice the door opening to reveal Rayhan and Delsanra until she called me . ” Ri ! ” I looked at her , smiling , before I hugged her tightly . ” Del ! I'm so sorry I was meant to call and ” www ” You're forgiven , I don't think anyone can think of calling when you're with your love . ” She whispered , moving away from me . ” ” Well , you should have called to ask . ” ” I thought I'd let you two enjoy the morning . ” She said , winking , making Chris chuckle and Rayhan frown . I smiled at her , how did I get so lucky to have an amazing friend and sister ? One who will always be in the same pack as me ? I was lucky , that was for sure .

We both looked at Rayhan , whose face was emotionless , his jaw set in its usual way that just made him look arrogant . I knew he didn't know how to react . I turned to Chris , who had a small smirk on his lips , but I knew he was not being cocky he just didn't know how to act either . I realised smiling and smirking was his natural reflex most of the time . ”

I have news .” I said , making Rayhan’s attention snap to me , his gaze falling to my neck .” You’re marked .“

” Yes , but that’s not what I wanted to tell you guys ... ” I said as Delsanra subtly , or tried to , pushed Rayhan towards me .” What is it ? ” Rayhan asked , sighing as he gave me a tight hug ,” Fuck , you smell of him .” He stepped away , wrinkling his nose , making Chris snicker .” Well , obviously .” He said , earning himself a glare from Rayhan .” I thought you wanted us happy .” ” Yeah , still it’s weird .” Rayhan said ,

running his fingers through his hair as Delsanra locked her arms around his waist . He hugged her , inhaling her hair , I knew it calmed him .. Ok now was my chance !” We actually are fated mates . Destined by the moon goddess for one another .” I stated proudly . Rayhan’s eyes snapped to Chris , then frowned .” Wow ... ”

” Yeah wow .” Chris said pulling me into his arms and cupping the back of my head , kissing my lips softly ..” This is going to take time .” Rayhan groaned , making Delsanra giggle .” I love how men think it’s ok to do as they wish yet when it’s their sisters ... ” Delsanra trailed off , amused as we all trooped inside . She looked at us both and smiled .” I am happy for you two ... I really am . I think you two are the perfect couple . Right my yum yum ? ” I smirked at the way her voice dipped and became soft .

Yes , she was my brother’s undoing and he knew it .” Yeah , sure kitten . If they’re happy , I’m glad and I’m happy for them , but doesn’t mean it’s going to be easy to see it .” He replied , smiling down at her . I knew he was happy for us ; Chris had told me this morning the small exchange between them about us . My only issue was , why hadn’t Chris fought for me ?! He had got a smack for that ... They were just about to kiss when Mom and Dad entered the hall .” You guys were taking

forever , so we thought we'd pop out !” Dad said smiling as Mom’s gaze fell on me .

She came over quickly , hugging me tightly .” Raihana ... ” ” Mom ... ” I said , hugging her back . Her heart was racing , and I could sense the relief from her .” Son .” Dad said hugging Chris before he met me , I hugged him tightly . I moved back as Mom gave Chris a kiss on the forehead .” Dad ... Mom ... Chris is my fated mate .” Is said , even though I had said those words minutes earlier to Ray and Del , they still felt surreal . Mom gasped , she looked between Chris and me before a smile crossed her lips as Dad smiled .” That’s great news !” He said .” And one that calls for a celebration .” Mom said . “

” I’m sure the set up in there is one ” Rayhan ! That was a surprise !” Del hissed , as Mom glared at him unhappily .” Ya Hayati .” She scolded .” Sorry .” Rayhan said , as Dad chuckled .” Well come on in , the food is waiting for us ... ” He said patting his flat stomach . I smiled as Chris took my hand , and we all walked towards the lounge . I couldn’t stop the smile from crossing my lips , life really was great .

Undoing DELSANRA It has been a week since the ball , and everything was going great . Rayhan had found a lead on the witch hunter group , and last night he had gone to question his cousin Alpha Zain after finding some information on them too . This morning we learned that he and Alpha Amir had questioned him , and found out that although he wasn’t part of the group , he funded it . Zain refused to give more information , that was not the smart thing to do

when it came to someone like Rayhan . Maria was worried , as Rayhan’s anger was well known , and Papa Raf was clearly concerned too . Would Alpha Zain have the answers ? Rayhan was adamant that he would know

who he was funding . I couldn't even focus on anything as I stared at the periodic table ... I was finally advancing a little to secondary education , but today nothing was helping me focus . My phone beeped and I picked it up ,

glancing at Papa Raf who was massaging his temples . ‘ Want to go out for a bit ? I was going to the shops anyway . Chris is working .

‘ Raihana's message read . I think I could use a breakaway . ’ Papa Raf , Raihana and I are going to go out for a bit . ’ I said , standing up . He looked up , concerned . ’ Out ? ’ ’ Yeah , to the shops . ’ I said . ’ I don't think it's safe . I don't want to be controlling , but you are a target , Delsanra . Let Rayhan return at least . ’ He said , standing up , looking at me apologetically . I sighed , ’ No , I understand . Then I'll just go over to Raihana's and we'll just chill together .

’ I replied . I quickly texted Raihana the update . He smiled , giving my shoulder a squeeze . ’ That sounds good . Come on , I'll drop you there . ’ He said warmly . I smiled , not bothering to argue – as we both left the house . The sun was out and the leaves on the trees rustled . Spring was here , and with it , plenty of warmth . ’ Well , you girls have fun . ’ Papa Raf said looking up at the house . Although we saw Raihana daily , I knew he missed having her at home . He followed me to the door , greeting Raihana before he left us , telling us to contact him when we wanted to leave the house . We nodded before we went inside and shut the door behind us . ’ Hey . ’ I said , walking through to the living room .

’ Listen ... Blake just linked , saying he wanted to have a word with me . He's stopping by , is that ok ? We won't be long . ’ She said apologetically . I nodded , I knew that Chris had wanted him removed

from the position of her bodyguard and that things had been tense between Raihana and Blake anyway , but I think they did need this talk . ” I still haven’t seen the man . Maybe I could say hi after you’re done . ” I said with a smile . She smiled and nodded just as the doorbell rang . ” Shit , that’s him . ” She said , sounding stressed out . ” Relax , it’ll be ok , he’s probably just a little hurt .

” I whispered . She had told me what had happened between them , and I think he was just having a hard time getting over her . ” I should let you two talk alone before I show up . ” I whispered . She nodded and I motioned that I’d go wait in the kitchen . I leant against the kitchen counter , hearing her open the front door . ” 1 ” Hey Blake , come on in ... ” ” Hey , Raihana . ” A man’s low voice came and I heard their footsteps go into the living room . I honed them out , not wanting to listen in

on their conversation , at least giving them some privacy . I walked over to the kitchen sink , looking out at the small garden , Chris’s house was one of the larger properties and had its own garden . I heard coughing and Raihana’s exclamation . ” Oh , are you ok !? Del can you get some water ! ” I grabbed a glass , snapping out of my reverie . Filling it , I rushed to the lounge where Blake was hunched over coughing . ” Here . ” I said as Raihana rubbed his back . ” Is he ok ? ”

” I’m fine . ” He coughed , taking the glass from me . IFF Our eyes met and my blood ran cold . Blake Blake was ... He may never have shown me his face ... but those eyes ... I’d never forget those eyes ... My heart thundered as a hundred memories returned to me . He dropped something he was holding and it shattered on the floor . ” Shit ... sorry . ”

” No worries , I’ll get it cleaned up .... ‘ Raihana’s voice was distant . His eyes never left mine . The one who had caused me the most pain , had been right here , in this pack all along . I could no longer hear

anything , my heart pounding , my ears ringing , and the familiar nightmare of fear and helplessness threatening to consume me . I was stronger than that ... I knew from the look in his eyes that he knew who I was , and he knew that I knew who he was . The leader of the group that hunted witches ... The one who had killed that couple who took me in , the one who had abused me time and time again . The sickest of them all ... My eyes burned with anger that had lain dormant , flames surrounding me , but he simply smiled .

” It’s too late . ” He said cockily . I glanced at Raihana , seeing her clutching her head as she clutched the wall . Realising that whatever he had accidentally dropped on the ground was making everything fade away . Shit ... No. It fucking wasn’t too late . I took a deep breath , ready to send this bitch to hell where he belonged , when I felt my vision sway . ” I came prepared . ” He whispered coldly . I couldn’t move . My body was shutting down , I watched as Raihana crumbled to the ground . If I couldn’t move ... I’d at least send a signal ... Summoning every ounce of willpower in me , I focused on my demon side , letting the fire roll off and travel through the house . I dropped to all fours , my head pounding . I’m sorry Chris , but I have to cause some sort of signal . ” What the fuck ?! ” He hissed . My eyes flashed as I sent the fire blazing towards him ,

feeling my world darken , but before I succumbed to it , something painful hit my neck , making an agonising pain blister through me as I fell flat on my face . The last thing I remembered was hoping that someone would come before it was too late ... RAYHAN I had spent the entire fucking morning trying to get information out of Zain . He kept saying he didn’t know more , but that was impossible . We had checked his records of payments after he had mentioned that he had funded the hunters but they were made to an anonymous account , I had gotten Dad to probe into it . ” One fucking last time , Zain .

” I hissed , yanking his head back roughly by his hair . I had reached my fucking limit , if playing easy wasn’t working , then I’d do this the hard way . I tightened my grip in his hair , slamming his head onto his desk before hauling him backwards . My alpha aura rolled off of me in waves as I glared into his face . He spat blood out of his mouth as his eyes flashed , glaring back at me with pure hatred , ” This is my pack . You can’t just show up

and attack . You broke protocol , Rayhan ! ” He growled . He shoved me , but I didn’t give a fuck . Slamming his head into the desk once more , my háir fell in front of my eyes , I used my hand to brush it back . ” Fuck protocol . You know more than you are letting on , and if you don’t want to give answers , then I have no fucking use for you . ” I growled menacingly ; I raised my hand , ready to go for the kill when a flicker of fear rushed through his eyes . ” Wait ! ” I paused , my claws out , ready to tear his heart out . I wasn’t sure if I would have done it or not , but it clearly worked . ” I ... I don’t know the name , but the leader of that group is part of your pack . ” He said , smirking victoriously . My stomach twisted , my heart thundering like a fucking drum as I dropped him . ” He’ll make sure that Raihana and your mate are taken care of . ” He laughed sadistically . My eyes blazed .

A growl ripped through him me as I turned back towards him , lifting up and ripping his heart from his chest before it even registered . But I didn’t fucking care . He deserved it . The door burst open and Grandad stood there pale . His gaze flickered to Zain before he looked back at me . ” Rayhan , you need to go home , Delsanra and Raihana have been taken ! ” Those words ran through me like a fucking storm . My worst fucking fear had come true . I was now running through the woods trying to pick up a scent , I had gone on ahead without anyone else , using my abilities to try sniff them out .

Uncle Al had contacted the witches to see if they could locate Delsanra and Raihana , but it seemed there was something blocking them . They were working on a spell but I didn't have time . All I knew was that Chris , Dad , Lola and several others were also on their way . ‘ It was Blake ! ‘ Lola's voice came through the link . ‘ He is the only one unaccounted for . ‘ ‘ Blake ... ‘ Mom's voice came , sounding shocked ... ‘ Mom , what are you doing here ? ” I asked frowning . ‘ Those are my daughters . I may not look like much , but I am a skilled swordsman . ‘ She replied . I didn't argue , the wait of realisation that Blake ; someone Dad had taken in years ago , given a home to and treated like our fucking own , had betrayed us all . When I see him , he was fucking dead .
