

Chapter 1091: My Fate

Originally, Lu Heting would only answer questions related to Su Bei. This was the second time the reporter had mentioned Jia Shiyun's name today. He frowned and said, "Of course not. I don't know Jia Shiyun. Please don't spread the news by mistake."

With that, he became extremely impatient with the reporters in front of him. Lu Weijian hurriedly said, "Everyone, make way. We're leaving."

The reporters didn't dare to block Lu Heting's way. They immediately stepped aside and watched as the three of them entered the elevator and went downstairs.

Only then did everyone remember in surprise that they had yet to take a photo of Mr. Lu!

But it was clearly too late to follow him now.

Among the reporters downstairs who didn't have the time to come up, many of them received news that Lu Weijian and the people around him had already left.

Everyone was very regretful that they did not get to take a photo of Mr. Lu.

However, on second thought, the group of reporters upstairs had already spoken to Mr. Lu personally. This was already the peak of their careers. Why did they still need photos?!

Moreover, everyone recalled that Mr. Lu even responded to the scandal with a female celebrity. This content was enough for them to produce a few news articles.

Moreover, Mr. Lu had personally said that he didn't know Jia Shiyun. This news could even be combined with tonight's grand award.

The reporters were about to leave when they saw Jia Shiyun appear nearby.

Everyone suddenly became excited again. "Isn't that Jia Shiyun?"

"Yeah, there's no mistake. She's wearing exactly what she was wearing on the red carpet tonight."

.....

"Didn't Mr. Lu say that he didn't know her? Why is she here, then?"

Everyone was puzzled. "Isn't the top floor reserved for Mr. Lu and Mr. Weijian?"

"In that case..." Everyone suddenly understood. Could Jia Shiyun really be Mr. Weijian or Mr. Lu's girlfriend?

However, hadn't Mr. Lu and Mr. Weijian already left?

If they didn't have that kind of relationship, it wouldn't explain why Jia Shiyun came to the top floor!

The reporters were instantly excited. No matter what, it was impossible for them to miss out on such big news. All of them followed solemnly.

When Jia Shiyun came to the top floor, she didn't even change her clothes so that the reporters could capture her. She still wore the same outfit as she did earlier. However, she had enhanced her makeup, looking even more exquisite and charming.

The reporters did not follow openly, afraid of disturbing Jia Shiyun and missing the big news.

Jia Shiyun gently tucked her hair behind her ear. She was trembling with excitement as she walked to the door of the room the attendant had pointed out to her.

This was the first time she was on the top floor of this hotel. In the past, the top floor was not open to the public. Even if some people wanted to buy their way in, they could not find their way here.

Today, the attendant personally escorted her to the top floor before leaving.

She couldn't suppress the wild emotions she felt. She knew that from now on, her fate would change drastically.

She even felt light-headed. She didn't even mind the reporters around her.

In the room, Wang Juntang was also waiting for Jia Shiyun. He was very excited. Lu Heting and Su Bei had helped

him a lot to prepare this room, so he made sure the decorations were very romantic. It was an ideal romantic spot.

Chapter 1092: Caught On Camera

He knew that he was indeed too single-minded and spent too little time with his fiancée. Therefore, he had to make up for everything today.

From now on, he would never let his fiancée suffer again.

Jia Shiyun stood in the doorway, reapplying her lipstick and adjusting her appearance before ringing the doorbell.

Wang Juntang opened the door eagerly. When he saw Jia Shiyun, he smiled. "Shiyun!"

At that moment, the reporters hurried to catch up, hoping to capture the scene. Jia Shiyun was ready to do the same. She turned her face slightly so that she would be photographed at her best angle.

However, she did not expect that the person who opened the door would be Wang Juntang!

Shock, disappointment, and disgust flooded through her as his face came into view.

However, the reporters had already arrived and even took photos of Wang Juntang.

Because Wang Juntang was not in the industry, he had no experience in avoiding reporters. He was caught off guard. When he saw the reporters, he was even stunned. He did not expect Jia Shiyun to bring reporters up.

Then, suddenly delighted, he said, "You want to make our relationship public, Shiyun?"

Previously, Jia Shiyun had said that she didn't want the engagement to affect her development in the entertainment industry, so she didn't want to announce it to the public at all.

Therefore, Wang Juntang had always been the person behind her. He didn't even tell Jia Shiyun about his relationship with Lu Heting because he didn't want to hurt Jia Shiyun's pride.

Now, was she willing?

.....

During this moment of hesitation, the reporters had already surrounded them. They quickly took photos of the roses and romantic decor in the room. They could see them from the corner of the door!

If it were Lu Heting, they might not dare to take photos so boldly. However, this was Wang Juntang. They had nothing to fear. They frantically pressed the shutter and asked all kinds of questions.

"Miss Jia, are you planning to announce your relationship?"

"Miss Jia, how long have you been in love?"

"Miss Jia, you didn't win the Best Actress Award tonight. Are you planning to shift the focus of your life to your family in the future?"

"Miss Jia, are you engaged? How long have you been engaged?"

Dizzy, Jia Shiyun pushed the reporters away and rushed into the room. She slammed the door behind her.

Wang Juntang apologized helplessly, "I'm sorry, Shiyun. I couldn't get through to your phone, and you didn't answer my messages. I had no choice but to ask the attendant to invite you over..."

Jia Shiyun refused to listen. All her beautiful dreams were shattered.

She originally thought that she could rise again, but it was all Wang Juntang's arrangement.

She put her head in her hands and slumped down.

...

In the car, Su Bei and Lu Heting thought of Wang Juntang and couldn't help but smile. "I wonder if Doctor Wang's affair went smoothly. Doctor Wang is quite infatuated. He said that he's been engaged to his fiancée for several years and has plans to get married. But for the sake of his fiancée's reputation, he refuses to even tell us his fiancée's name. He's protecting her quite well."

"You seem to have been talking about him all night?" Lu Heting raised his eyebrows, feeling a little jealous.

Su Bei stuck out her tongue. "Okay, then let's get back to you. Why did the reporters ask if you were dating Jia Shiyun? What's going on?"

Chapter 1093: The Awards Must Have Been Bought!

Lu Heting rubbed his eyebrows. "That's the first time I heard this name. Do you believe me?"

“Do you think I believe you?” she asked, looking up at him.

Lu Heting stole a kiss on her red lips and smiled.

Of course, Su Bei didn't believe in the nonsense spreading outside. She believed in her man.

Besides, Lu Heting was always busy working. He had no time to catch feelings for other women.

Speaking of which, Su Bei thought of Jia Shiyun. She felt that that woman was ambitious but not capable enough. She couldn't help but find her to be a little greedy. If Lu Heting had really taken a fancy to such a woman, he should see an ophthalmologist.

After being kissed by Lu Heting, she quickly sat up straight. The driver and Lu Weijian were sitting in front. Did he have to be so unscrupulous?

Lu Weijian asked, “Brother, Sister-in-law won two awards tonight. Where should we go to celebrate?”

“We're not going anywhere. I'll celebrate it with her alone.” Lu Heting hadn't seen enough of her in her red dress, so he naturally had to go home to enjoy it.

Lu Weijian thought, ‘Alright, I was just asking to be humiliated.’

That night, Su Bei occupied the top three trending searches on Weibo.

#SuBeiBestActress

#SuBeisBestNewcomerAward

.....

#SuBeiLookedStunningOnTheRedCarpet

The popularity and high box office sales of Boxer allowed Su Bei to win the two awards without much doubt.

Those who had seen the movie knew how stunning she was in it.

After seeing the photos of the red carpet, everyone was even more stunned by Su Bei. This time, what made them stunned was her overall performance.

In the movie, she was unpretentious and reserved. There was something especially introverted about her, which was a stark contrast to her super-bright red ensemble for tonight's red carpet.

The fans showered her with praise. [She's such a versatile fairy! I love her.]

[Su Bei deserves the awards!]

[When will Su Bei's next movie be released? My wallet is ready!]

The fans of the other three Best Actress candidates also congratulated Su Bei. They knew that the other three candidates had good acting skills as well.

However, in terms of movie popularity, the works of the three actresses' were indeed inferior.

Venus Film Awards was an award show that judged based on one's acting skills and popularity. Therefore, these fans acknowledged their loss wholeheartedly.

Jia Shiyun's fans were the only ones who couldn't take it. Previously, they were overwhelmed with Jia Shiyun and her manager posting all kinds of news and so on. They felt that this time, Jia Shiyun would definitely win an award.

The message from Jia Shiyun's team only strengthened their beliefs.

Therefore, the fans were especially disappointed that Jia Shiyun did not win any awards this time. Su Bei won these awards as a newcomer, which made it even more difficult for the fans to accept.

They started to mock Su Bei's acting skills, saying that she was ugly in the movie and that she had failed.

Some extreme fans even left comments on Su Bei's Weibo account. [The awards must have been bought! I don't want to say this, but how could Su Bei have won those awards?]

[I think so too. This award show is not fair at all. There's no justice! Su Bei must have done a lot of things in secret. Otherwise, why wasn't Shiyun able to defeat a newcomer?]

Chapter 1094: The Pure And Innocent Jia Shiyun

??

However, soon, a reporter released the content of their interview with Mr. Lu.

Although there were no videos or photos, the reporters had personally heard Mr. Lu say, 'This is a fair and just award.'

Mr. Lu's authority in the entire circle was self-evident, especially since Di Xing Media Company was also under him. Even Mr. Lu had said so, and he did not side with any artist under him. Hence, what more could be said about the opinions of others?

Jia Shiyun's fans were quickly mocked online. [Can your opinions be better than Mr. Lu's?]

[That's right. So many judges came to the decision on who to give the award to, but you're so carelessly voicing your objections? Even Mr. Lu has acknowledged the results, so why are you making irresponsible remarks?]

Jia Shiyun's fans quickly became as quiet as chickens. After all, who would be stupid enough to criticize Mr. Lu?

Hence, they changed their tone and changed their words to praise Jia Shiyun instead. [No matter what, Shiyun is the purest existence in this circle. It doesn't matter if she didn't win an award. We can see her efforts. As a pure person in the entertainment industry, she has never had any scandals. She has always been clean and honest. Our Shiyun is the best!]

[That's right. So what if someone won an award? It's all because of her scandals and a bunch of other bad things. In the past, she was always involved in such things as well. If the trophy is given to such a person, it would be an insult to the award.]

[It's just a trophy. Our Shiyun doesn't care! Shiyun, even if you don't win an award, we'll always support you! You're the purest! You're the most innocent beauty in the entertainment industry! I'll always be proud of you.]

Some of these comments were posted by fans themselves, while some were marketing accounts hired by Tian Jinnuo.

Jia Shiyun didn't win an award this time, but they couldn't give up on the chance to gain popularity. They had to make the best use of the situation. They wanted to make others trample on Su Bei as much as they could. When these comments were posted, no mercy was shown.

Come to think of it, Jia Shiyun indeed did not have any scandals since she debuted. Her reputation was clean, and everyone naturally had a good impression of her.

She walked the path of innocence. Even the characters she played in movies were all kind and young. Now, Tian Jinnuo was deliberately creating this persona for Jia Shiyun. She planned to continue this for a few more years. Even though Jia Shiyun didn't win an award, Tian Jinnuo wanted to distinguish Jia Shiyun from Su Bei's scandalous image and snatch resources from her.

Therefore, #PureJiaShiyun quickly ranked fourth on the trending searches.

However, just as the hot search for the fourth place entered everyone's sight and everyone was talking about there being such an innocent and pure woman in the entertainment industry, the news that reporters had taken photos of Jia Shiyun meeting a man on the top floor of a hotel was leaked.

At first, Tian Jinnuo thought that the man inside the hotel room was Mr. Lu, so she didn't think of doing public relations at all. With Mr. Lu involved in the matter, why would she bother doing public relations?

Besides, this was exactly what she wanted for Jia Shiyun. This news would help her rise in popularity.

Unfortunately, the man in the photos and videos was not Mr. Lu!

Even though most people did not know what Mr. Lu looked like, Wang Juntang's aura was completely different. When he appeared in the videos, he was obviously confused and flustered. He had no experience in dealing with anything.

Chapter 1095: Who Do You Think You Are?

??

That was definitely not how Mr. Lu would react.

Jia Shiyun's date with him and her entering the honeymoon suite had been photographed by reporters.

If Jia Shiyun had really met up with Mr. Lu, the reporters would definitely have published the content selectively.

However, they had already received confirmation from Mr. Lu that he did not know Jia Shiyun.

Secondly, it was true that Jia Shiyun had a private tryst with another man.

Therefore, the reporters did not have any qualms and directly posted the content.

For a moment, the image of the pure and innocent Jia Shiyun became a joke.

Why would a virgin meet a man in private at night?

What kind of pure woman would sleep with a man so carelessly?

All of this did not match her persona.

The fourth trending topic was simply a slap in Jia Shiyun's face now.

Su Bei's fans had long been dissatisfied with Jia Shiyun's fans. Previously, they mocked Su Bei and said that Su Bei's awards were attained through unscrupulous means.

Now that Su Bei's fans were occupying a good position, they couldn't help but mock them. [How pure of her. Getting a room in a hotel is really a good habit.]

[What a beautiful innocent lady. While doing such a thing, she mocked others for being embroiled in scandals.]

[Tonight's Best Actress Award should've really been given to Jia Shiyun. How can our Su Bei compare to her? With her acting skills, she can only act in movies. She's not like her who can act so well even in real life.]

Jia Shiyun and Tian Jinnuo had originally planned to use tonight's incident to hype up Jia Shiyun's popularity.

They also used Mr. Lu's identity and Jia Shiyun's development in the industry to set up a foundation.

Who knew that Jia Shiyun would end up becoming the target of ridicule?

The news had even spread in the industry. The reporters had personally heard Lu Heting say that he didn't know Jia Shiyun.

Jia Shiyun was really furious.

She scolded Wang Juntang fiercely. When she saw the news, she was disheartened.

She really did not expect Lu Heting to say that he did not know her at all.

She slapped Wang Juntang and said, "It's all your fault! You ruined everything for me!"

"I'm sorry." Wang Juntang apologized sincerely. He didn't expect things to turn out like this.

"If it weren't for you, I would've become famous long ago. If it weren't for you, Mr. Lu would've been more willing to support me! It's all because of you. I've already said that I wanted to break up with you. Why are you always pestering me?" Jia Shiyun was furious and shouted incoherently.

Wang Juntang was stunned. "Shiyun, I'm sorry. It's indeed my fault today. But I never thought that reporters would be able to come to the top floor, nor did I think that announcing our matter would cause problems for your career. I can help you beg Mr. Lu to give you another chance..."

"You want to beg Mr. Lu? Who do you think you are?" Jia Shiyun was indifferent to his words.

“He’ll help me. Previously, he promised me that he’d let you come to Di Xing and have the company support you...”

Stunned, Jia Shiyun stared at him in disbelief. “I beg your pardon?”

“Mr. Lu is very willing to help me. I treated a family member of his, so he’s been helping you in the entertainment industry,” Wang Juntang said in a low voice. “I’m sorry I didn’t tell you about this before. But if you need his help, I can...”

Chapter 1096: She Won’t Let Her Boyfriend Do Anything

Jia Shiyun was about to go crazy. She laughed wildly and finally understood what Wang Juntang was saying.

It turned out that everything she had was given to her by Wang Juntang. Mr. Lu didn’t know her at all.

Everything she had depended on her fiancé’s medical skills. It turned out that everything she thought she had was just a joke.

“Why didn’t you tell me this before? Did I ask you to give me these? Who told you to change my life? What gave you the right?” Jia Shiyun shouted wildly.

However, she forgot that she had failed to get into the film academy many times. She never even had a successful audition before this.

It was Wang Juntang who gave her the chance to enter Di Xing. It was also Di Xing who found a very good teacher to train her in everything, allowing her to truly gain a foothold.

All of this was given to her by this fiancé she looked down on.

...

Li Qisheng was also a little flustered when something happened to Jia Shiyun.

He quickly called Lu Weijian.

Lu Weijian said, “Just wait. I’ll ask.”

Li Qisheng waited patiently. He thought that Lu Weijian was going to ask for Lu Heting’s opinion.

In fact, Lu Weijian went to ask Wang Juntang about the situation. He had been making arrangements for Wang Juntang. This time, Jia Shiyun and Wang Juntang were photographed together. Lu Weijian naturally wanted to know if Wang Juntang planned to make it public and how to deal with it.

.....

Wang Juntang and Jia Shiyun had completely fallen out. Jia Shiyun chased him away without any regard for their relationship and even blamed him.

When he received Lu Weijian’s call, Wang Juntang said in disappointment, “Mr. Weijian, there’s no need to arrange for anything else. That’s it. She said that she doesn’t need me anymore.”

Lu Weijian asked, “What’s wrong?”

“She blames me for being photographed by the reporters and for arranging her life for her.” Wang Juntang didn’t know what she wanted anymore.

Lu Weijian didn’t know how to comfort him. Anyway, in the past few years, he knew about everything Wang Juntang had done for Jia Shiyun.

In order to protect Jia Shiyun’s pride, Lu Weijian didn’t even tell Li Qisheng that Jia Shiyun was someone Wang Juntang had asked him to help.

After hanging up, Lu Weijian called Li Qisheng.

“Mr. Weijian, how’s the situation?” Li Qisheng had already prepared 108 ideas for Jia Shiyun to clear up the situation.

“Don’t worry about Jia Shiyun anymore.”

“Huh? Why?” Li Qisheng was indeed very surprised.

“Why should we care when her boyfriend doesn’t?”

Li Qisheng asked, “Boyfriend? The one who was photographed today is really Jia Shiyun’s boyfriend?”

He was shocked. His eyeballs were about to fall out.

“Yeah. Her boyfriend’s my friend, so I’ve been asking you to take care of her. But they’ve fallen out now and broken up, so it doesn’t matter anymore. You guys can do whatever you want.”

After Li Qisheng ended the call, he was still shocked.

It took a while to digest what was going on.

‘Boyfriend? Jia Shiyun?’

In other words, she had nothing to do with Mr. Lu?

Oh my, what had he been doing all this time? All the resources were given to Jia Shiyun. Even Su Bei had never enjoyed such treatment.

He had always thought that Jia Shiyun was Mr. Lu’s lover... It was also hinted at by Jia Shiyun.

Thinking of this, Li Qisheng wanted to slap himself. Lu Heting had personally introduced Su Bei to him and handed her to him to take care of. However, he didn’t even care that much about her compared to Jia Shiyun.

Chapter 1097: Not As Important As Su Bei

He did not expect things to turn out this way!

Was it too late to go back and beg Su Bei for forgiveness now?

Su Bei didn’t have time to watch the news at all. After returning home, Lu Heting brought her back to her room and punished her on the spot, not giving her any time to play with her phone.

When she woke up in the morning, the sky was already bright. Lu Heting had already left. He only left her a WeChat message to tell her to eat well.

During breakfast, Su Bei clicked on her phone and saw the news about Jia Shiyun and Wang Juntang.

She was so shocked that she dropped the spoonful of porridge on the table and hurriedly called Lu Heting.

“Honey, do you know anything about Jia Shiyun?”

Lu Heting smiled helplessly. However, it was his wife. What could he do? He could only dote on her.

His voice was slightly husky. “Baby, I think I already proved to you last night that I only belong to you?”

Su Bei blushed. What was he thinking so early in the morning?

She was clearly talking about something serious!

“I’m talking about Wang Juntang. Jia Shiyun is Wang Juntang’s fiancée! They’ve been together for four years. Last night, the reporters caught them together.”

Su Bei recalled the various things that Jia Shiyun had done previously. She really didn’t expect that she actually got into Di Xing Media Company through Wang Juntang.

.....

“That’s why whenever Wang Juntang had any requests, I’d get someone to help settle it.” Lu Heting didn’t pay much attention to the name Jia Shiyun, but Su Bei wanted to thank Wang Juntang.

“Forget it. If anything happens, I’ll look for you again. Dr. Wang hasn’t reached out yet.”

“Yes, remember to have breakfast.”

Su Bei put down the phone and went to Weibo again. Only then did she realize that Jia Shiyun’s reputation was completely ruined.

It was mainly because she had hyped herself up too much in the past. Now that it was suddenly revealed that she had a fiancé, coupled with the fact that everyone in the industry thought that she really had something going on with Mr. Lu, all these people wanted to step on her.

Her reputation had completely collapsed.

In this circle, it was not about how much dirt a person had on them. It was about how much gossip a person could stand before drowning. It was also about how different a person’s true personality and public persona were.

From now on, Jia Shiyun had no hope of making a comeback.

...

Di Xing Media Company had invested in Su Bei’s previous movie, Two Phoenixes.

Now that Su Bei was popular and the post-production of Two Phoenixes was almost done, Di Xing Media Company wanted to take this opportunity to release it.

Li Qisheng received the information and called Lu Heting for approval.

Lu Heting pondered for a moment and said, "Let's postpone it for a month."

"But if we release it now, we can maximize the benefits and use Boxer to drive it." Li Qisheng conveyed his professional's opinion.

"I know. But that will consume too much of Su Bei's popularity. Push it back."

Li Qisheng immediately understood that how much money Lu Heting earned was not as important as Su Bei.

Besides, Lu Heting probably didn't care how much Di Xing Media Company could earn. Just like before, he couldn't even be bothered with Di Xing Media Company.

If it weren't for Su Bei, this company would only be one of the small companies under his name. He wouldn't care about it or treat it specially.

Li Qisheng obediently postponed the release date of Two Phoenixes by a month.

Chapter 1098: As Expected Of Your Son

??

Not long after Lu Heting hung up on Li Qisheng, Lu Hang came over to report, "Mr. Lu, Mr. Gu Xifeng wants to see you."

"Let him in." Lu Heting pondered for a moment and agreed.

Gu Xifeng was quickly brought upstairs by Lu Hang.

Sitting in front of Lu Heting, Gu Xifeng looked a little serious and said, "I came over to apologize to you, Su Bei, and Gun Gun."

As soon as he found out about this, Gu Xifeng rushed back.

However, he only came to see Lu Heting this time.

Lu Heting raised his eyebrows and looked at him. He did have a grudge against Gu Xifeng about Gun Gun.

It was Gu Xifeng who caused Gun Gun to leave Su Bei's side and caused so many misunderstandings over the years.

Lu Heting's voice was calm. "I accept your apology, but the person you should apologize to is Su Bei."

"I wanted to go over and apologize to Su Bei, but when I was about to look for her, I backed out." Gu Xifeng laughed dryly. "I'm very happy for Su Bei that she's able to find her child. But I made a mistake. I know that Su Bei can't bear to blame me. If I apologize, she'll definitely forgive me. But if she forgives me, she'll feel quite bad herself... So, I should just forget it. Instead of making her feel bad, it's better for me to feel bad alone."

“You’re right. Su Bei does feel terrible,” Lu Heting said calmly. “However, she’s not as petty as you think. She’ll continue to feel terrible, but she’s very open-minded. It’s the best reward for her to get Gun Gun back. She won’t pursue the rest.”

It was rare for the two men to talk so much to each other. They both had their own understanding of Su Bei.

Gu Xifeng smiled. “Then I’ll apologize to them when I go to see Gun Gun next time.”

With that, he stood up, nodded his head, and left.

...

Just as Lu Heting had said, Su Bei long forgot about the mistakes Gu Xifeng made. She was already very grateful for being able to reunite with Gun Gun.

The process wasn’t important. The results were.

She had always been like that.

When Gu Xifeng came to see her, she was playing with Gun Gun at the amusement park.

Da Bao followed them. Clearly, he was only interested in rock climbing. Other rides that were too gentle did not interest him.

“Little Third Brother!” Su Bei greeted Gu Xifeng when she saw him.

Gu Xifeng was full of apologies, but when he saw her, he couldn’t bring himself to say anything. She had already put things behind her. The past was in the past, yet he kept remembering it. This was the predicament of a gentleman.

“Is Gun Gun alright?” Gu Xifeng did not apologize and only asked this.

“He’s doing very well. Gun Gun, come over here! This is Uncle Gu!”

This was the first time Gu Xifeng had seen the little guy. His round face was extremely cute, and when he smiled, he looked cute. He had two small dimples.

Gungun called out obediently, “Uncle Gu.”

Gu Xifeng’s heart melted as he said in a low voice, “Su Bei, he looks like the first time I saw you. As expected of your son.”

Su Bei smiled and said, “Yes, this is my son!”

Gun Gun was extremely happy. He had always wanted to be Bei Bei’s cute son. Every time he heard Su Bei say this, he would feel proud from the bottom of his heart. He wished he could pat his chest and tell others that he was Bei Bei’s cute son!

Chapter 1099: Hit It Off At First Sight

Gu Xifeng reached out to hug Gun Gun. Gun Gun did not reject him at all and obediently let the man carry him. This surprised Gu Xifeng. He was completely different from Da Bao.

He looked down at Da Bao and understood the difference between the two children. One was like the father, while the other was like the mother. No wonder Gun Gun had hit it off with him at first sight.

After seeing Su Bei and Gun Gun, Gu Xifeng felt relieved and told Su Bei, "Feng Ze's current situation isn't very good."

"Is he in the hospital now, then?"

"No. He doesn't want to stay in the hospital. Besides, there are very few doctors who can deal with his condition." Gu Xifeng sighed softly.

Su Bei thought of Feng Ze's situation and felt a little sad.

"But fortunately, he didn't do anything outrageous. Don't worry, I'll keep an eye on him."

With Gu Xifeng around, Su Bei was relieved.

...

After finishing the previous projects, Su Bei started another round of auditions.

Because of the success of Boxer, Su Bei had many offers at the moment. However, most of the movies were similar to Boxer. The female leads had the spirit to fight and dared to make a living on their own.

Su Bei didn't want to cement a particular image, so she said no to all those scripts.

For her, breaking through limits was all that mattered.

.....

Qiao Mei patiently handed her another script. "Take your time with it. I won't rush you."

"Yes, I'll give it a good read when I get back. Sister Qiao Mei, if there's a better script, you must help me get it."

"I know." Qiao Mei's expression was serious, but in fact, she thought very highly of Su Bei. She also hoped that the artist under here would not be a fast-extinguishing product on the market. She hoped Su Bei was someone who could withstand the test of time.

"By the way, Su Bei, you've been invited for several endorsements recently. I've rejected some of the more tasteless ones. The rest are still feasible. I'll arrange for you to have a meal with the president of a skincare company tonight. We can take on this brand," Qiao Mei said.

Su Bei nodded. "Understood."

In fact, for Su Bei, advertising endorsements were optional. However, she didn't have much to do at the moment, and skincare products were commonly used by women. As long as the quality was passable, she felt that she might as well accept the job.

Su Bei's skincare endorsement deal was what Jia Jia had been trying her best to get.

It was a foreign brand. It was not particularly high-end, but it was a very famous brand in S Country. It was a brand that many rising female artists liked because such endorsements would definitely be promoted by the brand, directly increasing the exposure of female artists.

Moreover, such brands generally did not pose any risks. It was a sure win.

The reason why Jia Jia could become a candidate for this brand was mainly that Jia Shiyun was in a decline now. Di Xing no longer allocated resources to her.

Besides, Jia Jia's Basketball Baby was still popular.

Tian Jinnuo was also her manager. She said to her, "Jiajia, you must seize the opportunity this time. Take advantage of this wave of popularity and go to the next level. Try to accept another movie of acceptable quality to stabilize your status."

"I know. But Sister Shiyun..." Jia Jia really didn't expect Jia Shiyun to be a liar. She even dared to use Mr. Lu's name. Now that she had failed, she was the laughing stock of the entire Di Xing.

Chapter 1100: The Foundation Of Cooperation

Tian Jinnuo was also a little angry. "Stop talking about it. Even I was deceived by her. Even Di Xing doesn't like me now. Fortunately, I wasn't completely dragged down by her. Otherwise, we'd both be in trouble. This endorsement deal was originally for Jia Shiyun. You should seize such an opportunity."

Jia Jia secretly made up her mind to win this endorsement!

In the past, she could still rely on Jia Shiyun. Now that Jia Shiyun had fallen from the top, she could not even protect herself. Jia Shiyun could not even get an endorsement now, so how could she help Jia Jia?

In the evening, Qiao Mei and Su Bei arrived at the hotel they agreed on and waited for President Du from the skincare brand to come over.

Qiao Mei said to Su Bei in a low voice, "This skincare brand is from the United States. President Du is a regional representative from the country and is in charge of the brand's operations here. Therefore, President Du has always been in charge of choosing the spokesperson. Although this brand is only a mid-tier brand, it's especially good at marketing, so this endorsement can be very beneficial to the promotion of artists. That's why I helped you get it."

Su Bei nodded gently.

"However, everything depends on how the discussion with President Du goes. Although I would like to sign this endorsement deal, you don't have to do anything you don't want. If you think something is inappropriate, we'll just reject it," Qiao Mei said.

As soon as she finished speaking, President Du appeared.

The middle-aged man was in his early 50s and had already put on some weight. However, he was in a high position, so his decent clothes hid his figure well and concealed his true age.

When he saw Su Bei, President Du's eyes lit up with greed.

Originally, the person he had decided on was Jia Shiyun. He had taken a fancy to Jia Shiyun because she had Mr. Lu backing her up, so he wanted to rely on this to gain connections with Lu Group.

However, Jia Shiyun was actually a liar. President Du naturally couldn't use her anymore, so he decided to consider Su Bei.

President Du had seen countless people. But female celebrities like Su Bei who looked hundreds of times better than on camera were not very common.

.....

"Miss Su!" President Du came forward to shake hands with Su Bei. The secretaries, assistants, and bodyguards behind him also came forward.

After Su Bei and Qiao Mei greeted him, they politely sat down with him.

President Du took a fancy to Su Bei almost immediately. He sat down and chatted casually for a while before saying with a smile, "Miss Su, you're quite talented. Our foundation for cooperation is very solid."

Qiao Mei had always been gentle on the inside and serious on the outside. She smiled and said, "Thank you so much, President Du. Why don't we talk about the details of the contract? This is the contract I brought."

"Sigh, we can talk about the contract later. Let's have a meal and drink some wine first." President Du's meaning was obvious.

He was the largest representative of the brand in the country, and he had been in the industry for more than ten years. The previous years were naturally spent choosing suitable female celebrities to endorse the brand. However, as time passed and the power in his hands expanded, his nature as a man became more and more exposed.

The other party needed to catch his eye before he would mention signing the contract.

For example, he favored Jia Shiyun previously because he thought she had an incredible backer.

At this moment, Su Bei was the center of attention.

After the incident with Jia Shiyun, President Du had already let go of his desire to build a good relationship with Lu Group. The Lu family was a wealthy family that was too unattainable. Since he had no connections, so be it.

However, he couldn't give up on someone like Su Bei.
