

Chapter 151 A Man with All the God's Favors

"Lin Yu, my baby, you are the most precious gift! I love you!"

"Lin Yu, please take a look at me. I will do anything for you."

Most of these fans had waited a long time to catch a glimpse of their hero.

Some of them burst into tears, some screamed, and some fainted. The scene was in chaos.

A tall young man's head popped out of the crowd. His delicate and fair face was very eye-catching. The crowd was almost tearing him apart.

Su Bei saw Lin Yu at a glance. His mask that was supposed to cover his face slipped out of place and hung pitifully on his ears, exposing his face. No wonder his fans recognized him.

She didn't expect that he had so many fans. It was so horrible.

Actually, Su Bei didn't tell anyone that her partner today was Lin Yu because she was afraid that his arrival would cause chaos.

But he was still chased by so many fans and paparazzi as soon as he showed up.

Such a terrible scene!

An idea suddenly occurred to Su Bei. She grabbed the megaphone used by the photographer and shouted, "Everyone, don't panic. Come and line up here. Hurry up, form your line!"

When the fans heard her voice, they hurriedly queued at Su Bei's side, thinking that they would see Lin Yu in this way.

They were willing to behave well in front of their idol, so they quickly lined up.

Su Bei then rushed into the crowd, grabbed Lin Yu's hand, and covered his head with a coat.

"Squat down! You are too tall and conspicuous."

Reminded by Su Bei, Lin Yu lowered his body and was soon drowned among the fans.

Since the crowd had lined up, the scene was temporarily quiet.

Su Bei and Lin Yu took advantage of this opportunity. They escaped from the complicated crowd and entered the shooting location.

When Lin Yu's agent found that the fans had lined up properly, he immediately said, "Right now, Lin Yu has important work to do. Please leave first. You don't have to wait here. Later, I will post his photos on Weibo."

Still holding Lin Yu's hand, Su Bei finally felt relaxed when they were out of the fans' sight.

"I was wondering why you were so late even if there was no traffic jam. It turned out that the fans had blocked you outside. What a tragedy!" She dragged him to the shooting location.

"I didn't expect to see my fans here either. My schedule for today is actually confidential. I don't know why my fans have still shown up here. By the way, Xiao Bei, where is my crayfish, hotpot, and roast meat?" As he spoke, Lin Yu's voice was clear, gentle, and pleasing to the ear.

His face was more delicate than a woman's. He had fair, clear skin that people couldn't see even the slightest pores. It was enough to make women feel ashamed.

It was hard to imagine that he was a man who often stayed up late, ate spicy food and hotpot, drank wine, and overate.

Su Bei stopped walking and said, "I will give you what you want after the shooting."

"That's good." Lin Yu looked satisfied.

Looking at his thin figure, Su Bei was a little jealous. His skin was white, and he was always in good shape. He often ate a lot, but he never gained weight.

God simply showered him all the favors.

No wonder his fans often called him "Beautiful Jade." His figure and complexion were so good.

And every time she felt a little jealous of him, she would tease him and call him "stone."

While the two of them were walking towards the shooting location, they found a strange silence around.

Chapter 152 What's the Meaning of Life?

Su Bei and Lin Yu looked around. It was only then that they realized that everyone's eyes fell on them.

To be exact, they were all staring at Lin Yu.

Before the two of them could react, a burst of screams resounded through the studio. "Lin Yu!" "Lin Yu!" "It's Lin Yu!"

It was hard to imagine that these shouts were actually coming from the staff in the studio. They were even crazier than the fans outside.

"Wait! Am I not seeing things? Is he really Lin Yu? He is the one who has signed the contract with the biggest modeling agency in the United States and started his career at the age of thirteen, right? He was able to win all the model awards at the age of sixteen."

"Right! And when he was seventeen, he appeared in a famous director's movie. Many people even called him The Beacon of Global Chinese."

"Is he the Lin Yu who became famous all over the world before he turned twenty?"

"Ahhh! Lin Yu, my prince charming! I want to be the mother of your children."

All of a sudden, people from all directions swarmed over Su Bei and Lin Yu.

The staff also admired Zhuang Wenhao, but they were able to restrain themselves when he arrived. But now, they were very vocal about their crazy admiration and love towards Lin Yu.

Zhuang Wenhao had become the best actor, and everyone approved his acting skills and character. But he was not the ideal man in their eyes. They admired him, but they admired his talents more.

Lin Yu, on the other hand, had a lot of female fans. Almost every woman wanted to sleep with him.

In fact, someone had posted on Weibo before with a caption, "What's the meaning of life if I can't sleep with Lin Yu?"

This post had been the topic of the most discussion on Weibo at that time.

A polite smile crept across Lin Yu's face. And the women around him seemed to revel in it.

He then said in a clear and gentle voice, "Do you want my autograph? I can give everyone a chance to have it."

His smile seemed to have illuminated the whole world.

The staff screamed one after another again.

Lin Yu patiently took their notebooks and pens and signed his signature.

"Lin Yu, why are you here?"

"I'm here to shoot a video for Feng Shang. If you like it, please consider supporting it." Lin Yu was like a handsome young man who had just come out of a comic book. And every time he said a word, he would get countless screams as a response.

Standing next to him, Su Bei murmured, "Such a two-faced man! You are so real in front of me. But you put on a mask in front of your fans."

Su Huixian and Zhuang Wenhao were currently shooting, surrounded by some Feng Shang employees who were temporarily out of work. They were watching Zhuang Wenhao with admiration.

"Mr. Zhuang is worthy of being the best actor. He is more expressive than other actors."

"Su Huixian is not bad too. She is a supermodel after all."

While the employees were watching, Su Huixian and Zhuang Wenhao kept changing their poses for the photographer to take photos.

But all of a sudden, they heard the employees whispered to each other. Then they left and ran outside.

Su Huixian was confused. She had no idea what was going on. She also wondered why there was such a loud noise outside. And why did those employees suddenly leave them?

However, those employees were not on duty right now. They could go anywhere they wanted, and she had no right to complain.

After their first session, no one else was watching Su Huixian and Zhuang Wenhao except for a few essential employees.

"What is happening outside?" Su Huixian asked.

"I heard that Su Bei's partner has arrived," Qiu Minxuan replied with a smile. "I don't know who she has invited. Almost everyone is watching and cheering for him right now."

Chapter 153 Someone Very Attractive

Su Huixian smiled and said, "Lv Shan is not an amiable agent. Perhaps she has found a funny partner for Su Bei."

Qiu Minxuan also smiled. "I wonder who he is. Maybe it is one of those actors who specialize in harlequins or a comedian who is funny but not fashionable at all."

Su Huixian secretly nodded in agreement. Other than those Qiu Minxuan had mentioned, she couldn't think of anyone else who could cause such a sensation.

People were naturally fond of watching comedy shows and funny performers, hunting for excitement and strangeness. Only those kinds of actors could gather a crowd.

"Well, let's go and have a look too," Su Huixian suggested.

Kang Peng, the photographer, also hurried outside. Su Huixian smiled. It seemed that even the photographer liked watching funny shows.

"Mr. Zhuang, do you want to go out and have a look too?" Su Huixian turned to Zhuang Wenhao, who was resting on the side and asked with a smile.

Zhuang Wenhao smiled. "No. I'll just wait here."

As the best actor, he felt that being a part of the crowd was beneath his dignity.

Besides, he thought that there was nothing good to see there.

Su Huixian and Qiu Minxuan were about to leave when Kang Peng walked in with a tall young man.

He was wearing a simple white T-shirt, jeans, and white sneakers. But he looked like a beautiful walking jade, shining with warm light, making the simplest clothes as luxurious and eye-catching as the customized ones.

Around him was a group of fans, screaming and giggling crazily. Their faces flushed with excitement.

It turned out that these fans were not outsiders who came all the way here to see him. They were all the staff in the studio who hadn't started working yet.

So this man must be someone very attractive.

Su Huixian suddenly felt that the man looked familiar. Was he Lin Yu? Lin Yu was a famous model who had been developing in the United States. He had won all awards and started to enter the film industry. Countless great directors had applauded him for his acting skills. Many people even called him "The Beacon of Global Chinese."

When Su Huixian got closer, she couldn't help but smile. Indeed, he was Lin Yu.

But why was he here? Would Feng Shang feature him on their next issue?

It was such a surprise to see him here.

In the past two years, Lin Yu had obviously reduced his workload, but his popularity remained the same. After all, he was the only native of S Country who had conquered both the United States and S Country markets and gained high popularity in both countries.

But he seldom appeared in S Country. He didn't attend any other activities except film conferences. Why did he come here all of a sudden?

A layer of pink crept across Su Huixian's face. She felt so lucky today. Aside from having Zhuang Wenhao as her partner, she also got the chance to meet Lin Yu. Maybe she could make friends with Lin Yu later and get his phone number.

Maybe she could get a chance to work with him in the future.

Su Huixian was about to walk towards Lin Yu when she heard him say to the fans around him, "Everyone, can you give me some time and let me work first? Please..."

His pleasant voice and doting tone made all the women around him nod.

"Photographer, can we start working now?" He smiled like a gentleman.

Kang Peng, who felt flattered, hurriedly said, "Sure! Lin Yu, this way, please."

Su Huixian paused and asked herself, 'Lin Yu is going to work now? What is he going to shoot?'

Chapter154 It Was Really Unfair

Su Huixian's question was immediately answered when Lin Yu pulled Su Bei out of the crowd and said, "Xiao Bei, let's start working now."

Su Bei was almost squeezed to the floor. Fortunately, Lin Yu pulled her, so she was able to make her way through the crowd.

Everyone was in awe when they heard what Lin Yu said.

It turned out that he was the partner that Su Bei had invited.

Even Lv Shan was shocked. She had thought that she was going to clean up the mess for Su Bei today. She didn't expect that Su Bei had secretly invited Lin Yu.

She definitely had no capability of inviting him. Even the director of Qian Yu Entertainment Company might not be able to do so.

Everyone gasped in surprise.

Su Huixian's face darkened at once. How could this be possible?

But the fact was already in front of her. Lin Yu was there with Su Bei.

Moreover, compared to Zhuang Wenhao, who had always been putting on airs and only treated her in a businesslike manner, Lin Yu was friendlier to Su Bei. He even called Su Bei by her nickname.

Lin Yu grabbed Su Bei's hand and walked forward naturally. It was as if what they did was just normal between them.

The staff didn't chase Lin Yu anymore. But their eyes followed him all the time.

Su Huixian was so jealous that she felt like her heart was about to jump out of her chest.

Even Zhuang Wenhao felt that Lin Yu's arrival had greatly reduced his charm. He lost his own advantage just now.

Su Bei withdrew her hand from Lin Yu's grip and said in a low voice, "Lin Stone, do you want me to be killed by your fans' gazes?"

Lin Yu let go of her and just shrugged.

When Kang Peng saw the spark between Lin Yu and Su Bei, he thought that it was a good chance for him to take better photos.

Su Huixian was beautiful, and Zhuang Wenhao was handsome. But when the two of them posed in front of the camera for the photo shoot, their images looked really dull.

On the contrary, Su Bei and Lin Yu had very good chemistry. They were like childhood sweethearts who grew up in the same neighborhood together. It was easy for Kang Peng to capture images with a sense of story.

"Su Bei, Lin Yu, how about we take a few sets of lively photos?" Kang Peng stepped forward to communicate with them.

"Okay," Su Bei and Lin Yu agreed in unison.

Lin Yu's fans were still there. Although they didn't disturb him anymore, they didn't leave. They wanted to watch until he finished his job.

When they found that his partner for the shoot was Su Bei, a new model, they were a little dissatisfied.

"Can Su Bei do it? Her partner is Lin Yu. He has always been working with big shots."

"If it's Su Huixian, I can rest assured. At least she has been famous for a long time."

"Or even if his partner is Luo Li, I think I'm okay with it. I really don't think that Su Bei is good enough for him."

Everyone felt that Su Bei was too inexperienced.

Besides, when she was not working, she always kept a low profile. So her aura was often overwhelmed by others. She was very beautiful. But it seemed that she didn't have an outstanding character. That was why everyone's worries were not superfluous.

Soon enough, Su Bei and Lin Yu changed their clothes.

With their figures, they looked excellent no matter what clothing they put on.

Lin Yu had stopped walking on the stage for a long time. But he was still able to keep his figure.

Su Bei glanced at him. It was really unfair. How could a person who ate and drank too much every day have such a slim waist and long legs?

He even had the perfect V-shape body.

Chapter 155 Otherwise, We Can't Be Friends

The clothes that Su Bei and Lin Yu wore were full of vitality and vigor. When they started shooting together, they were funny and playful. There was a trace of youthfulness on their faces.

Su Bei was about the same age as Su Huixian, but she looked younger and more innocent, although she was already a mother. Usually, it was difficult for other women to maintain such a girlish character like she did.

But she was good at learning the characteristics of different people, such as the look in young women's innocent eyes, and their body movements.

Lin Yu also had a face that could make people ignore his age. With such makeup and clothing, people believed that he was just a high school student. He was full of youthfulness. So their photos together looked very dynamic.

Kang Peng was so satisfied that he used up all of his memory cards.

He had been a photographer of Feng Shang for a long time, but he hadn't encountered such excellent collaborators who could make him capture such exquisite photos of their every move.

Whether he could take good photos or not unquestionably depended on his own ability, just like a good chef who could make tempting food.

But the best fresh ingredients were the basic requirements in making delicious food, and it could also make the chef do more with less.

Right now, Su Bei and Lin Yu were the perfect fresh ingredients placed in front of Kang Peng.

Even the fans who were watching around could also see the transformation on Su Bei. She didn't usually have a strong aura, but she was really good during the shooting.

The way she moved and the expressions on her face were agile and eye-catching.

Everyone was there to watch Lin Yu. But in the middle of the shooting, half of them were already looking at Su Bei, and the other half began to imagine that the two of them were a delightful young couple.

Su Bei did it! She and Lin Yu were so perfect for each other that they looked pleasing to the eye.

Su Huixian clenched her fists. Just like the onlookers around, she could clearly see that Su Bei and Lin Yu's pictures were far superior to the other models' pictures, including she and Zhuang Wenhao's.

She and Zhuang Wenhao were both a little uptight. They couldn't do what Su Bei and Lin Yu did. The two looked really natural and interesting.

The corners of Su Huixian's mouth and eyes had Botox. She did this to remove the lines on her face. But because of this, she couldn't make too many expressions at will.

Zhuang Wenhao, on the other hand, was a real actor. He couldn't possibly show vitality like Lin Yu. It was totally incompatible with his own characteristics.

Soon, Su Bei and Lin Yu finished the photo shoot. Tomorrow, they would come back to shoot the short video.

"Su Bei, Lin Yu, you can go home and rest first." Kang Peng was very satisfied with the photo shoot, and he was in a good mood.

The people around them were also satisfied. It had been a long time since they enjoyed their work. If this happened every day, they could work seven days a week. They wouldn't even ask for overtime pay.

Lv Shan walked towards Su Bei and said, "Su Bei, you invited Lin Yu. Oh my God!"

"Yes. So don't worry about my work for the time being." Su Bei smiled at her. "But please, don't use the close relationship between Lin Yu and me as the selling point. Otherwise, we can't be friends anymore."

"I understand." Lv Shan understood that it was really not easy to invite Lin Yu. She was not stupid to offend him for some talking points.

Chapter 156 Has Always Wanted to Be Da Bao's Father

A large number of fans gathered outside the studio.

After shooting for a long time, Lin Yu was very tired. Su Bei found a man's suit, took it in her hand, and said to him, "You and your agent can go out through the back door. I will leave through the front door."

"Hey, Xiao Bei, how about my hotpot?" Lin Yu was thinking about all the food she owed him.

"Once your fans are gone, I will definitely come to the back door to find you." When they were in the United States, she promised to take him to a hotpot restaurant. But Da Bao suddenly had a fever, so she was not able to fulfill her promise.

Su Bei was tall, so she just put on a man's suit casually and went out. A wave of crazy fans outside immediately swarmed to her.

"Lin Yu! Lin Yu!" "Lin Yu!" The screams of the crowd were so loud that her eardrums were about to break.

The fans only realized that it was not Lin Yu when Su Bei removed the suit.

At this moment, Lin Yu had already walked out of the back door. If Su Bei had not taken the initiative to attract the attention of his fans, he didn't know how long he would have to stay here.

When Su Bei met him at the back door, she took a photo of his side face.

What a perfect face! Even though she just took a candid shot, he was still very handsome.

"Why are you taking a photo of me? Do you have a crush on me? Do you want my autograph too?" Lin Yu grabbed Su Bei's phone and looked at his photo she had taken. Then he got in the car with her.

The agent knew that he and Su Bei had a lot of catching up to do, so she consciously got out of the car. But before she left, she repeatedly reminded Su Bei, "Su Bei, keep an eye on Lin Yu. I will leave him to you. If anything happens to him, I have to hold you responsible for anything."

"Don't worry, I will never let anything happen to him. Go ahead." Su Bei then started the car.

Lin Yu was very satisfied with the photo taken by Su Bei and enjoyed looking at it for a few seconds.

Su Bei said to him, "I let so many of your fans wait outside for so long. So this photo is a little consolation for them. You can post it online. To help you escape, I have become the bad guy and let them wait in vain. I feel so sorry for them."

"Okay." Lin Yu then posted the photo on Weibo.

In just a short while, the number of likes and shares surged.

"By the way, why did you come back?" Su Bei felt strange. Actually, she didn't have plans of inviting Lin Yu to be his partner. It just so happened that while she was thinking about who she should invite, he sent her a message on WeChat and volunteered to be her partner.

"Because I miss my Da Bao," Lin Yu replied affectionately. Then he turned to look at her. "Xiao Bei, have you returned Da Bao?"

"Not yet. Da Bao said that he wants to observe Lu Heting's situation again."

A puzzled look surfaced on Lin Yu's face. "I don't understand, Xiao Bei. We all feel that you are too impulsive this time. Why do you suddenly want Da Bao to know his father? What happened? Is he really that good? You just don't know how much I miss Da Bao."

Su Bei smiled. "Why can't Da Bao know his father? Everyone wants to know who their father is, right?"

Only Lin Moli knew about her illness.

She didn't tell her other friends that she was sick.

One reason was that she didn't want them to worry about her. And the other reason was that there were too many people who wanted to raise Da Bao. She didn't want to cause chaos.

For her, no one was more suitable to raise a four-year-old child than the child's own father.

Lin Yu leaned towards Su Bei. "That man has always wanted to be Da Bao's father. You know that, right?"

Chapter157 Acting Like a Dissatisfied Woman

Su Bei almost choked on her own spit.

She knew that Lin Yu was referring to Feng Ze, the man who had been wanting to be Da Bao's father for a long time now.

But he didn't only want to be Da Bao's father. He also wanted to be her husband. It was something that she couldn't accept.

Su Bei had never forgotten that she was a married woman. In fact, in the past five years, she did not forget Lu Heting for a moment, although she seldom thought of him actively.

After all, he possessed an unforgettable face. And Da Bao looked exactly like him.

With this thought, Su Bei couldn't help comparing Feng Ze and Lu Heting. Consequently, she realized that Feng Ze was only rich. But apart from that, Lu Heting was far more superior to him in other aspects.

In terms of personality, appearance, work attitude, and care for children, Lu Heting was an excellent choice.

Su Bei smiled and squinted her eyes slightly. The man she had randomly chosen before was really good. It could be said that he was a perfect father.

Seeing her smile, Lin Yu asked, "Am I right? Feng Ze is the right man, isn't he?"

"No. My husband is the only right man." In her heart and mind, Su Bei had already chosen Lu Heting.

"Boo..." Lin Yu spat out the water he had just drunk.

Who the hell was Lu Heting? What happened between him and Su Bei was just a flash marriage. Why was she giving more importance to it than the relationship she had built with Feng Ze for so many years?

Who was he compared to Feng Ze?

Su Bei drove directly to Lin Moli's house.

She preferred the hotpot cooked by Lin Moli at home because it was really amazing.

And more importantly, they wouldn't be chased by paparazzi and fans if they ate hotpot in Lin Moli's house.

Lin Yu's fans were so powerful. He had not developed much in S Country, but he had such a large number of crazy fans here. He was really a star of enviable popularity.

When they arrived at Lin Moli's house, Lin Yu saw Da Bao. He ran towards Da Bao and hugged the little boy so tight. His warm hug made Da Bao feel a little helpless. He whispered, "Lin Yu, I'm almost out of breath. Can you use your enthusiasm on your fans instead?"

"My fans are not as lovely and cute as you, Da Bao. Only you deserve my warmest embrace." Lin Yu rubbed Da Bao's chubby cheek.

Since Da Bao was born and raised in the United States, he had a very good relationship with Lin Yu. So although he disliked it, he still let Lin Yu rub his face.

"I miss you so much. You've never been away from me for a long time like this. If you will have your dad in the future, will I be no longer important to you?" There was a trace of complaint in Lin Yu's voice.

Su Bei's mouth twitched. For sure, Lin Yu's fans would not have imagined that a man who was as bright as the sunshine like him had such a bitter side. He was acting like a dissatisfied woman.

She rolled up her sleeves and went to help Lin Moli in the kitchen.

Lin Moli didn't say hello to Lin Yu. After all, he only focused on Da Bao right now. Perhaps he would only come to the table once he smelled the delicious aroma of the hotpot.

Sure enough, as soon as Lin Yu smelled the aroma of the hotpot, he let go of Da Bao and quickly ran to the table. After rolling up his sleeves, he picked up the chopsticks and started cooking the meat. He didn't even bother to exchange pleasantries.

Instead, he shouted, "Xiao Bei, Moli, Da Bao, come here! Let's eat!"

Lin Yu was so famous that even Feng Shang was proud that he was invited to take part in their video.

Chapter 158 Putting Her on the Back Cover to Protect Her

Therefore, shortly after Lin Yu and Su Bei left, Feng Shang directly released several photos of them during the shooting to give back to Lin Yu's fans.

As expected, Lin Yu's fans flocked on Weibo and praised his handsomeness.

His perfect face, youthful temperament, and outstanding figure made him far superior to a large number of young stars nowadays.

Those young stars were also handsome, but he had something that they didn't have.

Wei Lan, the editor-in-chief of Feng Shang, was about to go on a holiday. But since Lin Yu had arrived, and he had to shoot a short video tomorrow, how could she not be there?

So she immediately canceled her ticket and went straight to her office. She gave up the opportunity to take a holiday.

The entire editorial department held a brief meeting, and everyone had agreed to give the chance to be on the front cover of their magazine to Lin Yu and Su Bei this time.

Su Huixian and Zhuang Wenhao's picture would be on the back cover.

The other four models and their partners would be on the inside pages.

When Su Huixian received the news, she was particularly shocked. "Why are they going to put us on the back cover? You've promised me that I'll stand in the middle of the other models and appear on the front cover."

Wei Lan said regretfully, "Huixian, what we had at that time was a verbal agreement. Yes, I said that you would be in the middle of the other models. But do you think it's appropriate to put Lin Yu on the back cover or on the inside pages? If I do that, do you think the others won't be scolded? Huixian, I'm just protecting you."

Su Huixian remained silent. In the entertainment industry, fame and power were the most important things. So now that Lin Yu was invited, Feng Shang couldn't continue focusing on promoting her. If they put her picture on the front cover, the other seniors would not feel good about it, and Lin Yu's fans would definitely scold her harshly.

Indeed, Wei Lan was trying to protect Su Huixian.

And no matter how reluctant Su Huixian was, it was an indisputable fact.

However, she was really unwilling to accept it.

Feng Shang's 20th anniversary was something big. But she could only be featured on the back cover of their magazine's anniversary issue. She had tried so hard to get along with relevant people before just to get here. But she just ended up helping Su Bei.

However, she really couldn't compete with Su Bei this time. Lin Yu's sudden appearance kept Feng Shang so busy. It was as if everyone was busy picking up the pie that fell from the sky.

"Su Bei!" Su Huixian said through clenched teeth.

Since Lu Heting had created his account on Weibo, and paid special attention to Su Bei, he saw Lin Yu and Su Bei's photos posted by Feng Shang.

His attention was all on Su Bei. His wife was smiling happily. Her hair was so beautiful, and every dress she wore looked perfect on her.

He was very proud of her. Of course, she was his wife!

He then looked at the comments below the photos to see how others praised his wife.

There were some buzzwords that Lu Heting couldn't understand, so he had to search for them.

After finding the meanings of those words, his face darkened.

After all, the first comment was, "Wow! They look like a sweet couple. Oh, my God! I want to fall in love again."

Although the following comments were interspersed with the words from Lin Yu's fangirls, many people had also imagined that Lin Yu and Su Bei were a young couple.

"I can be single, but my idol must get married. Lin Yu and Su Bei are so sweet as a couple!"

"Lin Yu is my boyfriend. All the other fans, go away!"

"They look young and beautiful. Oh my! I want them to be together."

Chapter 159 He Felt So Sorry for Feng Ze

Lu Heting's eyes darkened as he read all the comments.

His attention was then focused on Lin Yu. The man was indeed young and good-looking. But he didn't look like Su Bei's boyfriend at all.

Those fans must be blind.

When Lu Weijian came over to deliver some documents, he saw the frown and the pensive look on Lu Heting's face. He thought to himself, 'This is not good. I'd better run away before he finds me.'

"Lu Weijian!" Lu Heting called out to him.

He had no choice but to stop in his tracks. He turned cautiously. "Yes, brother? What's up?"

“You’ve just shown up at my office door. And now you’re asking me what’s up?” Lu Heting said sharply.

Lu Weijian had to bite the bullet and handed over the documents to him. “Brother, here are the documents that need your signature.”

‘Don’t lose your temper, please,’ he added inwardly.

Lu Heting took the documents. But his eyes froze as if he was thinking about something.

Lu Weijian felt that his scalp stiffened, and his hair stood on end.

“Lu Weijian, do I look old?” Lu Heting asked a question that had nothing to do with work out of the blue.

The look on Lu Weijian’s face abruptly changed. He couldn’t understand what was going on.

He immediately adjusted his expression and said, “Brother, why are you saying that? You are not old at all. You’re only twenty-eight years old, still young, strong, and handsome. You’re actually in the prime of your life.”

However, Lu Heting frowned. “But I’m still five years older than her.”

He checked Lin Yu’s profile and found that Lin Yu was only one year older than Su Bei. No wonder people said that Su Bei and Lin Yu were a perfect match.

Was he too old for Su Bei?

Five years older than her? Lu Weijian pondered on these keywords. Recently, it seemed that only Su Bei, who hadn’t come back for five years, could shake Lu Heting’s mind.

He hurriedly stepped forward and massaged Lu Heting’s shoulders fawningly. “When a man is five years older than a woman, I think it’s just perfect. People always say that if a woman is three years older than a man, they will become a wealthy couple. And if a man is five years older than a woman, they will become a happy couple. And women always prefer mature men.”

Lu Heting’s eyes slightly narrowed. Would Su Bei really like a man who was several years older than her?

Or would it be better if he started dressing up as a young man?

After thinking for a while, he realized that he didn’t have any other styles of clothes in his wardrobe. He only had three types of clothes: suits and shirts for his daily life, pajamas at night, and sportswear for his exercise.

Other than those, there was nothing else.

Lu Heting sent Su Bei a message on WeChat, telling her that he would pick her up after work.

He was worried that she was too busy with her work to answer her phone if he called. So it was safer to inform her through WeChat.

Su Bei was still eating hotpot when she received Lu Heting’s message.

But she quickly replied, “Okay.”

Then she suddenly remembered that she was at Lin Moli's house, so she sent him another message to tell him the address.

She raised her eyes and glanced at Da Bao. She really wanted to take a picture of him and send it to Lu Heting.

But after thinking about it, she realized that she couldn't act rashly without Da Bao's consent.

She had to respect the child's opinion.

Lin Yu bit his chopsticks and looked at Su Bei. Seeing that she was exchanging messages with Lu Heting, he couldn't help but sneer. Was there really a man in this world more powerful than Feng Ze? How could this man win Su Bei's heart?

He felt so sorry for Feng Ze. Everyone knew how handsome and kind Feng Ze was.

Chapter 160 He Cared So Much

When Lin Yu turned his head, he saw Da Bao's face. It was so exquisite that he even felt ashamed to compare his looks to Da Bao's. He was so impressed with Da Bao. Since Lu Heting had a son like Da Bao, he might be an excellent man as well.

They almost finished eating when Su Bei picked up her bag and stood up. "I have to go. Da Bao, are you really not going back with me?"

"Well, not for the time being," Da Bao replied with a nod.

Lin Yu was moved. He picked up a slice of beef for Da Bao and said, "That's great!"

"Okay. Then I'll go ahead now. I'll come to see you another day." Su Bei smiled gently and kissed Da Bao's forehead.

Da Bao raised his hand and rubbed Su Bei's hair. He was like a real gentleman.

When Su Bei went downstairs, Lu Heting was already there. The Bentley that he usually drove was parked in a conspicuous place waiting for her.

Actually, Lu Heting hadn't changed his car for a long time. He had been driving this Bentley all the time. It was his way of hiding his real identity and avoiding frightening Su Bei.

Su Bei ran over, opened the car door, and got into the car. His car was always clean and fresh, with his cold and clear breath.

The smell of his car and his body was pleasant to the nose. She could always inhale this faint and pleasant fragrance every time she rode in his car.

But this time, she got in the car with the smell of hotpot, so the air inside became turbid. She quickly opened the car window to breathe some fresh air.

"Sorry, I just had a hotpot with my friends," she said.

"With Lin Yu?" Lu Heting asked. Actually, it was not a big deal that she had a meal with her partner, so he didn't mind at all.

But probably because of the too many comments he saw on Weibo earlier from the fans who wanted Su Bei and Lin Yu to be a couple, there was a trace of jealousy in his voice at the moment.

Su Bei nodded. "Yes. Lin Stone has just come back from abroad, and he is helping me a lot right now. So I've invited him to eat hotpot."

"Was he also in the United States before?" Lu Heting didn't want to care.

But he couldn't help it.

He cared about this matter so much. But he still maintained the calm look on his face.

He looked calm on the surface, but no one knew that there was a strong undercurrent of emotions inside him.

Su Bei smiled. "Yes, you're right. How did you know?"

Lu Heting didn't say anything. His thin lips were pressed into a tight straight line.

This was his involuntary reaction when he was unwilling to do or say something. She didn't know why he was upset. Maybe it was because he was too tired from work.

So she didn't say anything more and just looked out of the window casually.

Lu Heting didn't want to stiffen the atmosphere around them, let alone make Su Bei unhappy. But now, the mood in the car had already changed before he knew it.

As he drove the car, he coughed slightly, and said, "Go shopping with me."

"Okay," Su Bei agreed without thinking twice. "By the way, have you eaten yet? If you haven't, what do you want to eat? Do you want to eat at home or outside? I'll accompany you."

"I want to eat hotpot," Lu Heting blurted out.

He usually had a light diet and rarely ate hotpot because it had thick oil and sauce. But when he heard that Su Bei had a hot pot with Lin Yu, he couldn't help thinking of eating it too.

It seemed that doing this thing again with her would wash away what she and others had done.

"Ha-ha! Okay, let's eat hotpot." Su Bei had just eaten hotpot and was asked to eat hotpot again, so she couldn't help sticking out her tongue.

But she had volunteered to accompany him.

So she would do everything he asked of her, let alone have hotpot with him.
