

Chapter 261 It's Not a Trouble for Me

Although it was just a simple sentence from her, there was a surge of sweetness in the bottom of Lu Heting's heart, like a honeyed sentence, so gentle that his ears were intoxicated.

His ears turned red at a visible speed.

It seemed that what Su Bei said was the substantial item and really touched his ear.

Seeing that he didn't say anything more, Su Bei didn't continue. But when they arrived at the intersection, she said, "I have to see a friend tonight. I can't have dinner with you and Gun Gun."

"It doesn't matter." Lu Heting canceled a lot of work just to have dinner with her.

In fact, he was a little disappointed.

But it was enough to pick her up and get along with her for a short time.

"Could you please send me to a place?"

"Su Bei," Lu Heting called her name solemnly.

"What?" When Su Bei looked back, she met his deep eyes.

Lu Heting said in a low voice, "Everything about you is not a trouble for me."

Hearing his voice and eyes, Su Bei was immediately attracted. The deep look and the unhurried look in his eyes...

Su Bei turned around and patted her chest. 'Oh my God! What a great man! Why is he always so handsome with just a simple sentence and a simple action?'

After calming down for a while, Su Bei took the initiative to say, "Because the staff of Mr. Weijian said that it might be difficult to find a partner for a male artist at the moment. Some male artist don't have time and some male artists are other games' ambassadors. It is impossible to change their working hours in such a short time. So I want to ask my friend."

Hearing her words, Lu Heting knew that she was going to meet Lin Yu.

Since it was for work, Lu Heting didn't say anything more and sent her there as she said.

"Then I'll go. You can go back first. I can take a taxi later." Su Bei waved at him.

Turning around, Lu Heting planned to find a place to wait for Su Bei.

He was really worried about leaving her alone.

He drove to the parking lot, and a car honked to greet him.

It was Lu Weijian.

Lu Weijian stopped the car and rushed over, "Brother, are you here to see Da Bao?"

“See Da Bao?” Lu Heting frowned.

“It’s that powerful hacker and game expert. According to the IP address you found, I found that he lives nearby. It was probably in that community. I’m here for further investigation. Aren’t you here to see him?”

“No. I came here for some personal affairs,” Lu Heting said calmly.

“If you are not busy, let’s have some food here. I’ll check which floor and which room he lives on.” Lu Weijian invited.

Lu Heting happened to be free, and he planned to stay here to wait for Su Bei. So he agreed to Lu Weijian’s proposal.

Su Bei was here for Lin Yu.

She guessed that Lin Yu might stay at Lin Moli’s place to eat hotpot.

Where could others find Lin Yu?

The answer was hotpot restaurant.

However, there were too many crazy fans, and the paparazzi were also emerging one after another. Every time Lin Yu appeared in the hotpot restaurant, on the second day, others could even find out what he had eaten and whether he had put oyster sauce in it.

So Lin Yu seldom went out to eat hotpot. He usually ordered take out at home.

It was boring to eat alone. Most of the time, he would choose to eat with Lin Moli.

Chapter 262 An Old Father’s Tone

So Su Bei came here directly to look for Lin Yu.

Lin Yu always had a loose schedule. So Su Bei thought that maybe he could adjust his schedule.

If he couldn’t change his working hours, Su Bei still had another choice.

She took out her cell phone and saw a video in which a girl was putting on makeup for a while. Soon, the girl disappeared and was replaced by a handsome man.

This was the video left by Feng Feifei. With her excellent makeup skills, Feng Feifei disguised herself as a handsome man. With the height of Su Bei and Feng Feifei, it was a natural advantage for them to disguise themselves as men.

Feng Feifei was Feng Ze’s sister. She could pretend to be Feng Ze.

When Su Bei just knew them before, she once thought they were two brothers.

When she knew that Feng Feifei was a woman, Su Bei’s world view was about to collapse.

Therefore, as Feng Feifei had disguised herself as a man for many times, it was not difficult for Su Bei to cope with an advertisement shooting.

'Fang Shaocong, do you really think you are the only man in the world?'

Su Bei was walking towards Lin Moli's home when Fang Shaocong sent messages one after another.

Without reading them, Su Bei deleted them directly.

Then her phone rang. It was Fang Shaocong.

Su Bei hung up the phone directly.

But she didn't blacklist him directly because she wanted to see how angry he was when he couldn't get through.

Su Bei turned her phone to mute mode, walked upstairs slowly and arrived at Lin Moli's home.

Both Lin Moli and Da Bao were there. Su Bei hugged Da Bao and kissed him from left to right on his face.

Da Bao had the same face and the same temper as Lu Heting. Although Da Bao felt a little helpless in his heart, he enjoyed the passionate expression of Su Bei.

After Su Bei sat down, Da Bao looked at her up and down and said, "Did someone bully you?"

"Who can bully me? I look pretty good, right?" Su Bei smiled.

Da Bao nodded, "Xiao Bei has grown up. You can protect yourself now."

He sounded like an old father.

Both Su Bei and Lin Moli couldn't help laughing.

Lin Moli went to serve the dishes and said, "I knew you would come today. I had a hunch when I got up this morning. And you really came!"

"Where is Lin Stone?" Su Bei asked.

"Oh, didn't you know? He went back to the United States. He said there was an important activity. I remember he said it in the chat group, didn't he?"

Su Bei immediately opened the group chat. Well, it was true that Lin Yu had said that, but there were too many messages from others, and she had not seen Lin Yu's words in time.

Su Bei knew that she could only use the second plan!

There were many photos of her dressing as a man in her mobile phone. She chose a few and sent them to Lu Weijian and Director Guo respectively.

Soon, Director Guo replied, "Su Bei, who is this young man? Can you introduce him to me?"

"He is my friend. Director Guo, do you think he is suitable for this commercial shooting?" Su Bei asked.

"From these photos, I think he could take on this position. Please bring him here tomorrow."

From Director Guo's manner, Su Bei drew the inference that he was satisfied.

After receiving the photos, Lu Weijian quickly sent them to Lu Heting and said, "Brother, my sister-in-law wants to introduce a friend to replace Fang Shaocong."

Lu Heting took the phone and looked at the photos. This man's eyes looked clear and sincere. He was pure and charming and was not inferior to Lin Yu.

Where did Su Bei get so many high-quality male friends?

Lu Heting was speechless.

What he didn't know was that Su Bei still had many other male friends.

Chapter 263 Feng Ze Is Here

Lu Heting frowned imperceptibly.

Even Lu Weijian, an unromantic person, could see the jealousy in Lu Heting's eyes, and the air was filled with a strong sense of jealousy.

"Brother, look at this man. Although he is good-looking, he has a good character. He is much better than Fang Shaocong, right? It's better for us to choose someone with good character than to let my sister-in-law shoot the advertisement with Fang Shaocong, isn't it?"

His words made sense.

At least, Su Bei's friend wouldn't bully Su Bei.

Lu Heting nodded and said, "Then we can choose him."

Lu Heting took a closer look at the man in the photo, and the more Lu Heting looked at the man, the more he liked the man. Lu Heting felt that there was a sense of familiarity in the man's eyes, as if he had seen the man somewhere.

Since he felt that he had seen the man before, his mood was not so messy.

Lu Heting agreed to Lu Weijian's proposal. So Lu Weijian replied to Su Bei, "Okay, Sister Bei Bei. Your friend is good. Ask him to come to the shooting site tomorrow."

Su Bei flashed the victory sign. The process was going smoothly as expected. Director Guo and Lu Weijian took a fancy to her in men's clothes at a glance.

Director Guo also said that this was a game advertisement, and many scenes could be combined in the production, so it was totally okay for her to finish the double duty.

She wanted to know how would Fang Shaocong handle this problem.

Everyone could understand that he was not feeling well, but he had always been putting on airs. At that time, not so many people would forgive him!

Sitting on the sofa, with her cell phone in her hand, Su Bei was thinking about the scenes of tomorrow's part happily.

Suddenly someone knocked on the door.

Lin Moli said, "I'll open the door!"

"It's so late. Who is it?" Su Bei asked casually.

She and Da Bao looked at the door together.

Lin Moli had opened the door, and a tall, slender man was standing at the door. He was wrapped in a well tailored white suit, and his features were as delicate and beautiful as a woman's.

There was a diamond earring on his left ear, shining brightly.

"Feng...Feng Ze?" Suddenly, Su Bei was a little scared. She turned over and was about to roll down from the sofa and hide herself.

But she failed. Instead, she hit her knees and squatted down with her arms around her knees.

Lin Moli shouted in surprise, "It's Feng Ze! It is Feng Ze! Come on in!"

"Feng Ze!" Da Bao walked towards him. He always had a good relationship with Feng Ze, and used to treat Feng Ze as his biological father. When Feng Ze appeared, Da Bao's face showed a rich expression, which was rare to see.

However, Da Bao stopped after a few steps. It seemed that he had seen through something.

Feng Ze looked in the direction of Su Bei evilly.

How Su Bei wished she could dig a hole in the ground to hide herself from his burning eyes.

Feng Ze had always liked her, and it had never changed since she went to the orphanage.

But at that time, Su Bei liked Du Luo and had never thought of being with Feng Ze.

Therefore, Feng Ze's love put a lot of pressure on Su Bei. Anyway, Su Bei didn't know why, but she didn't dare to accept Feng Ze's love. Every time she saw Feng Ze, she was so scared that she wanted to hide.

Maybe it was because Feng Feifei always pretended to be Feng Ze and Su Bei couldn't distinguish the two of them? What's more, Feng Ze looked very beautiful. His appearance made many women feel inadequate.

She always felt that if she was in love with Feng Ze, she would have a feeling of being a lesbian.

She didn't like women, so she had no feelings for Feng Ze for so many years.

Chapter264 She Could Not Distinguish between Them

Among this group of people, Feng Ze always showed his leadership and exercised his influence. Everyone respected him and liked him, but only Su Bei was afraid of him.

Su Bei closed her eyes, hoping that it was an illusion.

She muttered in a low voice, "Feng Ze is so busy with a lot of things in the United States. How could he come here? It's definitely not him, not him, not him!"

But Feng Ze still walked gracefully towards Su Bei. The familiar footsteps made Su Bei nervous.

Su Bei felt like weeping but had no tears. It was not easy for her to come to Lin Moli's house, but Feng Ze happened to come here. Why didn't he stay in the United States? Why did he come back to S Country?

Things really went contrary to her wishes.

Su Bei could feel that Feng Ze was getting closer to her.

Su Bei didn't want Feng Ze to hug her. She didn't like the man like Feng Ze!

Feeling that he was getting closer and closer to her, Su Bei was worried. What if he really hugged her?

However, the hug didn't arrive as expected. Instead, there was a burst of girl's laughter. "Hahaha, Xiao Bei, you are successfully deceived by me again!"

With her eyes wide open, Su Bei looked at "Feng Ze" in front of her and saw the evil grin on the face of "Feng Ze." She said, "Feng Feifei, you lied to me again!"

It was not Feng Ze at all. Instead, Feng Feifei pretended to be Feng Ze.

"You are so gullible. You are always fooled by me. You've been cheated by me so many times, and you're still so stupid that you still can't differentiate between Feng Ze and I!" Feng Feifei knocked on Su Bei's forehead and said in a sweet and lovely voice, which was totally different from Feng Ze's.

However, the two of them were twins of opposite sex and looked very similar. It was normal for Feng Feifei to disguise as Feng Ze, so Su Bei had never distinguished them.

"Well, not bad!" Su Bei patted her chest, frightened to death.

Lin Moli stood aside, dumbfounded. "Feifei, you not only deceived Su Bei. I was also deceived! I didn't expect it to be you!"

Feng Feifei's image was good enough to deceive a large group of people as long as she wanted to dress up carefully. But Su Bei was easily tricked. Besides, she had the most interesting reaction, so Feng Feifei liked to deceive Su Bei most.

"Xiao Bei, are you so afraid of Feng Ze?" Feng Feifei sat down and said, "Look at you. He won't really eat you."

Su Bei was afraid that he would eat her. Every time Feng Ze looked at her, his loving eyes could not hide, as if he was really going to grill her and eat her.

His eyes were no different than Lin Yu's eyes when Lin Yu saw the hotpot.

Feng Feifei waved at Da Bao and said, "My Da Bao is the best. He recognized me at the first sight. He knew that I'm not Feng Ze. Come on, I want to hug my Da Bao."

Su Bei also felt strange. Da Bao seemed to have installed a radar. With so many people unable to distinguish Feng Feifei and Feng Ze, Da Bao could always distinguish them at once.

Every time she asked Da Bao how he had distinguished them, his answer would only be—intuition.

As time went on, everyone stopped asking. Intuition was a thing that others would never be able to grasp.

Except for Su Bei, other people thought that there was no difference between meeting Feng Ze and seeing Feng Feifei. Anyway, they were the same.

However, Da Bao was a little regretful that he didn't see Feng Ze. He asked, "Where is Feng Ze?"

chapter265 What a Blind Woman

"He is busy and can't come. Besides, there is someone who doesn't want to see him, right?" Feng Feifei glanced at Su Bei playfully.

She didn't understand why Su Bei couldn't accept Feng Ze. In terms of personality, appearance, wealth and status, Feng Ze was almost at the peak.

Because Su Bei couldn't forget her first love, Du Luo?

Hearing that Feng Ze couldn't come, Da Bao looked a little dejected. Different from Su Bei, he liked Feng Ze very much. He learned computer skills and hacker skills from Feng Ze. He was four years old and he had spent more time with Feng Ze.

He had a deep and special feeling for Feng Ze.

So he felt it was a betrayal to Feng Ze if he went back to find Lu Heting.

Lin Moli had already served the dishes on the table, but she felt that they were not enough to entertain Feng Feifei, so she suggested, "Let's go out for the meal, okay?"

"Okay." Feng Feifei stood up immediately.

Looking at her suit, which was shining with diamond radiance on her left ear, and her hair and clothes, which were the same as Feng Ze's, Su Bei was under great pressure. "Feifei, can you change your clothes?"

If she went out with Feng Feifei like this, she always felt that Feng Ze was standing beside her, which made her very stressful.

"No, I can't." Feng Feifei stood up and held Su Bei's wrist. "Don't dislike me like that. Let's go. I'm hungry."

Su Bei had no choice but to go out with her. Da Bao and Feng Feifei had a good relationship and actively responded too.

Su Bei felt too stressed. When she was in the United States, Da Bao deliberately made a match between her and Feng Ze, which made her very embarrassed.

In fact, Da Bao had been thinking about Feng Ze all the time. Perhaps he didn't understand at all why Su Bei didn't choose Feng Ze.

Su Bei had also asked herself what was wrong with Feng Ze.

There was nothing wrong with him. He was very tall. He had a strong leadership. He was one of the top three handsome men that Su Bei had ever seen.

There were a lot of women chasing after him, and many of the women just wanted to have him for one night.

But for Su Bei, she didn't like him.

She had thought that she wouldn't fall in love with Feng Ze because of Du Luo.

But as time went by, Du Luo had become a dust in the history. She still treated Feng Ze as a friend.

Maybe other people's words were right. Love was not about touching other's heart unilaterally. Only resonance could spark the stirrings of love.

"Let's go, Xiao Bei. What are you thinking about?" Feng Feifei held her hand.

What was she thinking about? At that moment, the face of Lu Heting suddenly appeared in Su Bei's mind.

She hurried to get rid of such a scene.

She went to the restaurant downstairs with Feng Feifei, Lin Moli and Da Bao and ordered some food.

Standing in front of Feng Feifei, Da Bao was talking with Feng Feifei. Their conversation was closely linked to Feng Ze.

Feng Feifei was also willing to mention Feng Ze. She didn't understand what was wrong with Feng Ze. Why didn't Xiao Bei like Feng Ze? What a blind woman Xiao Bei was!

Lu Heting and Lu Weijian were having a meal in a private room.

Lu Weijian took out his phone and located the signal of Da Bao's phone according to the method taught by Lu Heting.

"Brother, look, it seems that we have found him. Look, he is very close to us, right?" Lu Weijian said excitedly.

Chapter 266 A Walking Killing Machine

"Yes, he is nearby." Lu Heting agreed.

Lu Weijian hurriedly called the waiter to pay the bill and said, "Let's go out to try our luck and see if we can see him with our own eyes."

At the same time, Su Bei also paid the bill. Feng Feifei said, "I want an ice cream. Let's go shopping together."

"Okay, I want to eat too," Su Bei replied immediately.

Da Bao didn't like desserts. He shook his head and said, "You can go by yourselves."

“I don’t want to eat either. I’m not as excellent as you. No matter how much you eat, you won’t gain weight.” Lin Moli touched the flesh on her belly, and took Da Bao’s hand and said, “Let’s go back and wait for them. I will let them quit trying to get us to eat the ice cream.”

When Lu Heting and Lu Weijian came out, they happened to see Lin Moli leaving with a child.

Lu Heting’s eyes followed the little boy. He only saw the boy’s back and missed the boy’s face.

Lu Weijian had been staring at his phone, but now he had no energy to do so. Because he saw a man holding Su Bei’s shoulder and walking out intimately.

The man, who was taller than Su Bei, looked very beautiful. The diamond on his ears was dazzling, and there was a trace of evil in his expression. With a lazy expression, he put one hand on Su Bei’s shoulder and walked forward.

‘They are a perfect match, ‘ thought Lu Weijian.

Su Bei was unaccustomed to Feng Feifei’s action. If Feng Feifei was wearing women’s clothes, Su Bei would even take the initiative to hold Feng Feifei’s arm.

But now Feng Feifei was not only wearing men’s clothes, but also looked like Feng Ze. Su Bei was so stressed that she took Feng Feifei’s hand away.

In less than a second, Feng Feifei put her hand on Su Bei’s shoulder again.

Su Bei removed Feng Feifei’s hand, but Feng Feifei put her hand on Su Bei’s shoulder again.

Lu Weijian looked at the two people with enjoyment. A handsome man and a beautiful woman were always so pleasant to the eye.

But it suddenly occurred to him that Su Bei was his sister-in-law!

As expected, when Lu Weijian turned his head to have a look, he saw the frosty expression on Lu Heting’s face. Lu Weijian also felt and the cold air around Lu Heting, which almost froze him.

Lu Weijian started shaking and said in a low voice, “Brother...”

At this moment, he had already forgotten to track down where Da Bao was. When he saw Lu Heting’s face, he was sincerely terrified. He didn’t know what to do.

Lu Heting walked towards Su Bei.

Lu Weijian hurried to catch up with him. What Lu Weijian saw was just a scene of breaking the debauchery!

If his brother and his sister-in-law fought later, Lu Weijian was not sure whether he should help his brother or sister-in-law!

He stepped forward in a panic and followed around with Lu Heting’s side. If they really fought, he had to stop his brother. His sister-in-law was so delicate. What if she got hurt?

Feng Feifei and Su Bei had already bought ice cream, and the two of them had bought different flavors. Feng Feifei wanted to have a lick of Su Bei’s ice cream.

Su Bei rolled her eyes at Feng Feifei helplessly and handed the ice cream to her. "Don't lick too much. Leave some for me."

As soon as Feng Feifei took a bite of the ice cream, she felt that the surroundings were full of murderous will!

The endless murderous will was the coldness that she hadn't felt for a long time!

She suddenly stopped and entered a defensive state. Her instinct told her that there was an enemy!

Sure enough, the man in front of her strode over with a cold and murderous look, which made people tremble with fear.

He was like a walking killing machine!

Chapter 267 A Wife Who Had Been Caught Cheating

By instinct, Feng Feifei immediately sensed the identity of this man. He was probably Da Bao's biological father, the man that Xiao Bei had been thinking about returning Da Bao to him, Lu Heting!

Feng Feifei slowly took a bite of the ice cream, and the expression on her face instantly became Feng Ze's.

"Why did you bite so much again? I won't give you my ice cream next time!" Looking at the ice-cream that had been bitten a large mouthful, Su Bei complained.

Feeling the cold air outside the ice cream, she suddenly raised her head and bumped into the dark and thick eyes of Lu Heting!

"Lu Heting..." With an embarrassed smile, Su Bei quickly distanced herself from Feng Feifei.

In fact, she knew clearly that Feng Feifei was just a woman, but when she was suddenly bumped into by Lu Heting, she still felt embarrassed, like a wife who had been caught cheating, and didn't know how to explain it.

She knew that something bad would happen when she came out with Feng Feifei in men's clothes!

Especially for Feng Feifei, she had been pretending to be Feng Ze the whole night!

Judging from the expression on Lu Heting's face, Su Bei felt something was wrong.

Should she tell Lu Heting the identity of Feng Feifei right away? Should she also explain what happened to Feng Ze?

Thinking of so many things, Su Bei had a headache.

Lu Heting's eyes fell on Feng Feifei.

Feng Feifei also raised her eyebrows and looked at Lu Heting evilly. This was indeed the man whom Xiao Bei was looking for. What kind of a person was he? How could he let Xiao Bei marry him so early?

He looked graceful and manly. But Feng Ze had the sense of responsibility. Feng Ze was powerful and loved Xiao Bei very much. Could this man do that?

The two pairs of eyes intertwined, and an amount of silent rivalry between them started in an instant.

The two of them acted like peacock, showing their male charm and great hostility to each other.

Of course, Feng Feifei was on behalf of Feng Ze.

Standing aside, Su Bei was really afraid that the two people would fight the next second.

Feng Feifei was good at fighting. Even professional boxers in the United States were no match for her. If she couldn't stand Lu Heting and punched him...

After all, Lu Heting was just a driver. He couldn't bear her punch!

Thinking of this, Su Bei quickly stood beside Lu Heting and stood between him and Feng Feifei. "What a coincidence to meet you here. Oh, Mr. Weijian is also here."

Once someone made a sound, the intense scene would be like a punctured balloon, slowly losing its momentum.

All of a sudden, an inexplicable intuition came to Lu Heting's mind—the "man" in front of him was a woman who dressed like a man!

This idea came all of a sudden. He couldn't explain why, and he immediately had such a determined idea.

She dressed like a man and even the Adam's apple was well modified by cosmetic, with no flaws. But with this idea, Lu Heting's face was not stamped with a lot of hostility.

Although Lu Heting was still jealous, he could accept the fact that a woman liked Su Bei.

Su Bei was popular and liked by others. He was also proud of her. His girl was so excellent and perfect!

Chapter 268 I Don't Understand It

Su Bei was born to be liked. She was such a good girl and deserved everyone's love.

The coldness and cruelty in Lu Heting's body faded away gradually because he saw through the identity of the "man" in front of him, and was replaced by warmth and gentleness.

What's more, just now, Lu Heting faintly felt that Su Bei was very protective of him.

When he looked down at Su Bei, his eyes were full of warmth.

The other three people all felt Lu Heting's change.

Feng Feifei was surprised, 'Does he recognize that I'm a woman? It's impossible. Usually, only Da Bao can accurately distinguish me from Feng Ze, and no one else can do that. In particular, Miss Su had never been able to accurately recognize me. How could this man do that? He is indeed a threatening enemy.'

The father-son relationship was amazing! They had the same acute intuition.

Lu Weijian, on the other hand, was still in a state of shock. He didn't know what his brother's sudden change meant. He didn't know whether his brother would become more terrible or it was just the temporary calmness before the storm.

He looked at Su Bei, trembling with fear. Seeing that the expression on Lu Heting's face calmed down, Su Bei also calmed down.

She thought to herself, 'How could Lu Heting be jealous? I've thought too much! He must have lost control of his emotions just because he thought his self-esteem was hit. When he reacted, he would understand that it was not worth getting angry with another man for me. Look, he is really calm!'

Su Bei's face showed an expression that said, "I knew it!"

Lu Heting kept silent for a while. He thought he shouldn't be too rude since this person was Su Bei's female friend.

As a husband, he should show respect to his wife in front of her friends.

He stretched out his hand and said, "Nice to meet you."

"Nice to meet you." Feng Feifei shook hands with him.

Although Lu Heting felt that the person had strength, he knew that she was a woman.

Feng Feifei shrugged and said, "Miss Su, I'm leaving now. See you another day."

She winked at Su Bei and left in a relaxed and casual pace.

Su Bei heaved a sigh of relief, "Lu Heting, that's my friend. We are just friends."

She didn't specially emphasize that Feng Feifei was just her female friend, because she found that Lu Heting didn't seem to care about it anymore, so she didn't need to explain deliberately.

'But why did I tell him that Feng Feifei is just my friend?

Did I really insert myself into the role of Lu Heting's wife?'

Su Bei immediately dispelled this unrealistic idea.

Lu Weijian was confused. What was going on? Could anyone tell him? Why did his brother, who had been so jealous, suddenly wipe out the jealousy?

'Did I go to the abnormal dimension space just now and miss out what happened in the middle of the story?

I don't understand it!'

Lu Weijian had a lot of questions to ask, but he looked at both Lu Heting and Su Bei and didn't know whom to ask or which question to ask.

"Oh God," Su Bei muttered. It turned out that her ice cream had been melted into a sticky ball in her hand.

She frowned and pouted, "My durian ice cream..."

"Never mind, we can buy another one." Lu Heting took her hand. He wiped the ice cream paste off her hand and took her to the ice cream shop to line up.

Chapter 269 A Single Man Didn't Deserve Ice Cream

Perhaps it was because Lu Heting had been used to taking care of the child that he was particularly skilled when he did these actions. And he also looked very sweet when he did this.

Lu Weijian stood aside and was looking at the affectionate couple with confusion. He was sure that he must have missed something just now. Otherwise, according to the real plot, it shouldn't have been like this!

Lu Heting bought two ice-cream, one with durian flavor and the other with durian flavor.

"You don't eat durian, do you?" Su Bei asked curiously. Since she got the ice cream again, her face looked lovely and sweet, like a cat who had eaten dried fish.

"I don't like sweet food either. I bought it for you," Lu Heting said in a low voice.

'You have the same eating habits with Da Bao. He doesn't like durian or sweet food,' Su Bei murmured.

If it weren't for the fact that she couldn't keep the ice cream, she would like to share it with Gun Gun, because Gun Gun liked sweet ice cream and durian. Their eating habits were a match.

"What did you say?" Lu Heting asked.

Su Bei immediately shook her head. "Nothing. I just said this ice-cream is delicious. And you are really nice."

Lu Heting's mouth immediately curved up into a smile. Su Bei focused on eating the ice cream.

She stole a glance at the ice cream in his hand and thought it might taste better.

Lu Heting noticed her eyes and gave her a hint to take a bite.

Su Bei quickly took a bite and sighed with satisfaction!

There was nothing more delicious than durian ice cream!

If there was something more delicious than durian ice-cream, it must be the durian ice-cream in other people's hands!

Lu Heting reached out his slender fingers and wiped the ice cream off her lips.

Satisfied with the food, Su Bei didn't mind his small movements. She didn't even notice that when Feng Feifei dressed like Feng Ze and wanted to touch her, she would be very resistant and couldn't help moving Feng Feifei's hand away.

But she thought it was normal for Lu Heting to do that. She didn't want to slap him at all.

She accepted his action naturally.

Lu Weijian walked behind them silently. 'A single man didn't deserve ice cream,' he thought.

Lu Heting's fingers were stained with ice cream and the temperature of her lips. He subconsciously put his fingers on his lips.

When the tip of his tongue touched the ice cream with durian flavor, the most unpleasant taste in the past was unexpectedly not repulsive.

Since Lu Heting didn't ask about Feng Feifei, Su Bei chose to pretend that nothing had happened.

The next morning, she went to the filming site.

Lu Heting sat in his office and heard Lu Weijian saying his grief, "Da Bao, my Da Bao. I was one step away from him last night, but I missed him! It must be fate! I chose the wrong time!"

"Give me these in half an hour!" Lu Heting took out a pile of documents and put them in front of Lu Weijian.

Lu Weijian stopped crying, but thought of another question, "Brother, the man who stayed with Sister Bei Bei last night, do you..."

He was really curious. He didn't do anything, but his brother and that man made a reconciliation. What happened?

What did time do to him?

"That's a woman. Not a man." Lu Heting pushed the documents to him, indicating that he had enough gossip and should start the work now.

Chapter 270 My Name Is Lu Bei

"What?! She is a WOMAN?" Lu Weijian immediately recalled that the woman's face was indeed as beautiful as a woman's, but her expression, behavior and action were not like a woman at all!

However, it was indeed the only reason that could explain his brother's behavior last night!

Otherwise, things would never be settled so easily.

So when his brother said that person was a woman, she must be a woman.

Lu Weijian admired his brother from the bottom of his heart. Sure enough, his brother was always the excellent one!

"Then how did you know she is a woman?" Lu Weijian asked.

"My intuition!" Lu Heting pushed the documents down directly, and Lu Weijian hurried to catch them.

In this case, his brother would not continue to instruct him.

Su Bei went to the shooting site early. Before all the staff of the team were ready, she had changed into men's clothes and walked out.

She happened to meet Director Guo.

"Hello, Director Guo!" Su Bei greeted.

Director Guo took a look and found that the person in front of him was Su Bei's friend recommended by Su Bei last night.

Last night when he saw the photo, Director Guo thought the young man was not bad. Today when Director Guo saw the real person, he quickly looked at the person with his professional eyes. This young man was really good!

He looked good. He was very photogenic.

He wasn't very tall, but his height was good enough in the entertainment industry. He was elegant. Director Guo smiled and asked, "What's your name?"

When Su Bei dressed up as a man, she didn't use another name.

In the past, she just dressed like a man in front of her friends. But now, it was inconvenient for her to use "Su Bei" again.

A name came to her mind at once, "Director Guo, my name is Lu Bei."

She subconsciously chose the surname she was most familiar with and liked.

As for "Bei", it had the similar pronunciation with "Bei". So she chose the name "Lu Bei". She thought it was a good name.

"Nice to meet you, young man." Director Guo said, "Come with me and let me know your ability. Mr. Weijian thinks your image is fine, but whether you can do the job or not depends on your performance."

Su Bei immediately followed the staff to change into the ancient costume.

The young man in ancient costume stood in the wind with a sword in his hand, and Su Bei stood still. The picture satisfied Director Guo.

"Lu Bei, think about it. Although you are young, you are a gallant man who loves the world. You should show such a temperament!" Director Guo shouted.

After thinking for a while, Su Bei found that her temperament of dressing up as a man was relatively gentle. After all, she was a woman by nature.

Feng Feifei had told her that after she disguised as a man, she could imitate whatever kind of man she wanted to be.

Su Bei would imitate Lin Yu, but she didn't dare to imitate Feng Ze.

Lin Yu's temperament was pure and gentle, not much different from that of Su Bei.

All of a sudden, a thought came to her mind, and the face of Lu Heting appeared.

He had always been such a considerate and generous man. It was the most appropriate to learn from him.

After thinking for a while, the aura around Su Bei's body was quite similar to that of Lu Heting. Perhaps she was very familiar with him, so she grasped his aura without thinking too much.

All of a sudden, the aura around Su Bei became almost the same as what Director Guo wanted.

Director Guo was amazed. How could he meet such a talented young man!

After the shooting, he had to treat Su Bei a meal to thank her for her recommendation.

On the other side.

'It's so weird. Why would I miss him no matter what I do?' Su Bei thought.
