

Chapter 271 Your Friend Popped Up Out of Nowhere

Su Bei had been working for a day yesterday and had a general understanding of Director Guo's shooting preferences, way of operating the camera, and the overall location of the camera.

After using the wires, she rolled and moved several times in a row, and her every move was smooth and efficient, making Director Guo satisfied.

"Let's try to shoot the formal scene. Others, get ready!" Director Guo was satisfied with the young man's performance.

Su Bei started to shoot. She had worked with these actors yesterday, so it was completely okay for her to shoot again today.

Director Guo said to his assistant, "Is Fang Shaocong really not coming?"

"Director Guo, I called him again. He said sincerely that he is sick now. He hopes you can give him more time to recuperate."

Hearing this, Director Guo felt a little relieved. He didn't want to know how Fang Shaocong would behave. He just wanted to use Lu Bei now!

It was said that talents were very common, but the people who could find them were not common. But in fact, meeting a talent also needed the right opportunity!

He was extremely satisfied with the young man in front of him and thanked Fang Shaocong for his discomfort.

He said to his assistant, "Comfort Fang Shaocong and let him have a good rest."

After the shooting, Su Bei's forehead was covered with sweat.

She put down her sword and ran towards Director Guo.

"Director Guo, what do you think? Can I do the job?" Su Bei asked worriedly.

"Come with me!" Director Guo took her directly to his office. He took out the contract and put it in front of her. "I want you!"

Lu Weijian had talked to him and asked him to keep the person as long as he thought the person was appropriate.

Director Guo had filmed many movies and was famous in the entertainment industry. He debased himself to shoot the advertisement this time in order to have a rest and adjust his mind. When he met Su Bei and Lu Bei, the two talented young people, the wrinkles at the corners of his eyes began to reduce.

Su Bei was very happy to be recognized. She took up the pen and wanted to sign it. Suddenly she felt that she could hide it from others, but not from Director Guo.

Director Guo asked gently, "Why didn't you come with Su Bei? If you two act together, I think you will make a great history. This is exactly what I imagined when I was young. Young people hold their swords to travel around the country. They have a strong sense of what is right. And they are not afraid to act on it. They lit the world up, as their stage."

He was so happy that he began to give a lecture, and his eyes looked gratified.

"Director Guo, in fact, I am Su Bei..." Su Bei said in a low voice.

Director Guo was shocked and looked at Su Bei carefully. Su Bei gave him a standard smile as usual.

"Why didn't you tell me earlier?" Director Guo was surprised, but more delighted, "Your friend popped up out of nowhere, right?"

Su Bei said, "Because I can't find a better candidate for the time being, so I want to have a try first. Director Guo, didn't you say that the heroine and hero could shoot their own scenes respectively and then combine the scenes in post-production? So I used this bold idea."

Director Guo thought for a moment and clapped his hands, "Okay, I'm acknowledging you. Go ahead!"

"Then I'll go!"

After Su Bei went out, she began to shoot the main actor's part.

Because it was an advertisement, in fact, there were not many scenes, and the difficulty was using wire and shooting the action part.

But Su Bei had proved with her ability that these two missions were not difficult to her.

Chapter 272 I Have to Come Here As Long As I Am Alive

So after a whole day, she almost finished the shooting of the hero's part.

Fang Shaocong was enjoying the service of young beauties in the private club.

Su Bei was a tough woman. He was determined to make her suffer!

She thought she could make a difference with Lu Weijian's support?

"I want another woman!" Fang Shaocong shouted at his agent, "I want a high woman, with long legs and a small face. I don't want the woman who had a plastic surgery!"

The standard was completely based on Su Bei's appearance.

But how could his agent find anyone who was similar to Su Bei? Those women were all substitutes.

On the last day, Su Bei's shooting was finished. The last shoot of Lu Bei was finished too.

In fact, it only took them two and a half days to finish the shooting, which was supposed to be three days. Besides, Fang Shaocong didn't come. It was a waste of time.

Director Guo was relieved to see that Su Bei's work was getting better and better. He said to Su Bei, who was in men's clothes, "It's faster than expected. You can have a good rest in the afternoon. I have to ask Mr. Weijian for your bonus!"

“Thank you, Director Guo!” Su Bei bowed.

“You have to consider my movie at that time. We already have an oral agreement. Don’t stand me up.”

Su Bei was flattered by Director Guo’s fondness for her. But considering her illness, it was impossible for her to support the shooting for such a long time. If she hadn’t finished shooting and... Then she would incommode Director Guo!

Seeing that she didn’t respond enthusiastically, Director Guo thought she was just tired, so he didn’t say anything more. After all, the filming of two people was finished in advance. The hard work that Su Bei had done in the past few days really exceeded her physical limit.

When they were packing up, Fang Shaocong and his agent arrived at the shooting site.

Fang Shaocong could put Su Bei in an embarrassing position and ignore Lu Weijian, but he couldn’t offend Director Guo too much.

At least, he had to put on an act. In the remaining half a day, he had to finish what he should shoot.

“Director Guo, Mr. Shaocong is here. He has been put on a drip and didn’t finish it until now. As soon as he finished the treatment, we came here without a stop.” Fang Shaocong’s agent held Fang Shaocong’s arm and said.

Director Guo’s impression of Fang Shaocong had been greatly reduced, but he didn’t show it on his face. He smiled and said, “Mr. Shaocong, you should take good care of yourself in the hospital.”

“No, I can’t do that! Director Guo, even if I am sick, I have to come here as long as I am alive.” Fang Shaocong smiled weakly.

He was really good at acting, but he had gone too far.

Director Guo continued to smile, “But unfortunately, we have finished shooting. Mr. Shaocong is so sick. We really don’t dare to hurt your noble body.”

Fang Shaocong’s agent and Fang Shaocong sensed the mockery in Director Guo’s words. But before they cared about it, they asked in surprise, “Have you finished shooting?”

“Yes.”

“So you used a substitute for the hero’s part?” Fang Shaocong asked immediately. Subconsciously, he didn’t think there was anyone better than him.

“No, I used another actor. He is Su Bei’s friend.” Director Guo turned around and saw that Su Bei was walking towards them in men’s clothes. He asked her to come over.

Standing in front of Fang Shaocong, Su Bei was about the same height as him. Her clothes fluttered in the wind, and she was as handsome as a perfect man.

At the sight of her, Fang Shaocong’s eyes lit up, but then he felt a great pressure.

Chapter 273 Said Something Publicly

The entertainment industry had always been a place where there were a large number of newcomers. Displacement could happen at any time. The cruel reality was the most frequent and was performed every day.

The man standing in front of Fang Shaocong was much younger than Fang Shaocong. Besides, his temperament and appearance were all better than Fang Shaocong.

If this man became popular, it would take Fang Shaocong a lot of time and energy to keep his own popularity.

How could Su Bei introduce someone to steal his thunder? Fang Shaocong was not happy at once, but he just gave a glance at his agent and asked his agent to give advice.

His agent said, "Director Guo, it's not that Mr. Shaocong can't finish the work. The shooting is still in the contract period. I think it's unfair to Mr. Shaocong."

"I only care about shooting, and I don't care about anything else. Why don't you ask Mr. Weijian for help?" Director Guo had lost his interest in continuing to communicate with him.

Fang Shaocong had no place to vent his anger. He looked up and down at Su Bei in men's clothes and walked up to Su Bei in a few steps.

He was used to being bossy and everyone was obedient to him. How could he be replaced by such an unknown newcomer?

He raised his eyebrows and looked at Su Bei provocatively, as if he was going to attack her the next second!

"What are you doing? Stop!" Lu Weijian rushed over with bodyguards to separate Fang Shaocong and Su Bei.

He also heard that Fang Shaocong had come, so he rushed here as soon as possible in case that Su Bei would suffer losses. When Lu Weijian saw that Fang Shaocong provoked the newcomer, he immediately stepped forward to protect the young man.

Fang Shaocong didn't intend to do anything, because dozens of people were watching him.

He spread out his hands and said, "Mr. Weijian, don't you think you should give me an explanation? As the CEO of the Lu Group, don't you know the spirit of the contract?"

"Of course, I know." Lu Weijian smiled innocently, "Go and talk to my lawyer."

After saying that, he didn't want to look at Fang Shaocong anymore. He turned to look at Su Bei, who was wearing men's clothes, and asked, "Where is Sister Bei Bei?"

Not wanting to reveal her true identity in front of Fang Shaocong, Su Bei said, "She's leaving. Mr. Weijian, thank you for helping me out."

"It doesn't matter. Because you are a friend of Sister Bei Bei. I'll ask someone to send you out." Lu Weijian patted her on the shoulder.

In Su Bei's opinion, Lu Weijian was really a nice person. He even took good care of her friend. It seemed that the Lu Group was really a great group.

Noticing that both of Lu Weijian and Director Guo had given up talking to him and ignored him directly, Fang Shaocong turned around and left.

Okay, Lu Weijian. And Su Bei. Just wait and see!

In the afternoon, Fang Shaocong directly posted an article on Weibo. In the article, he mentioned Lu Weijian's ID—Invincible Swordsman, and publicly announced, "I have signed a contract with Mr. Weijian to become the ambassador of his game. For this, I specially cancelled other endorsement and work, and spare time to shoot the advertisement. But when I arrived at the scene today, Mr. Weijian arranged for someone else to shoot the advertisement. Mr. Weijian, shouldn't you pay me three times of the penalty for breach of contract and apologize to me by the way?"

He didn't give the lawyers of the Lu Group any chance to negotiate, but he chose to directly attack Lu Weijian in public.

He couldn't afford to offend the Lu Group, but he wasn't afraid of Lu Weijian.

He had predicted that the Lu Group wouldn't mind such a trifle, so he took this opportunity to humiliate Lu Weijian.

Fang Shaocong was currently a popular male artist, and his TV series were broadcasting on TV stations. There was a large number of fans, and his fans of Weibo was twenty million, and it was increasing at a very fast speed.

Chapter 274 Didn't Use Any Mouthpiece

After he said this, a shocking number of fans on his side swarmed into Lu Weijian's Weibo to express their own opinion.

Lu Weijian was famous in the game industry and the personification of perfectness in many men's heart, but after all, he was not that popular as Fang Shaocong. The number of his fan couldn't be compared with that of Fang Shaocong.

Soon, his Weibo was occupied by Fang Shaocong's fans.

"Lu Weijian, say something! Come out and explain! Give Fang Shaocong and all of us an explanation!"

"A big boss not only sucks blood, but also is shameless. You take up our prince charming's time, but then you stood him up. You are way out of line!"

"We are determined to fight against the evil forces to the end. We will never let go of anyone who bullies Fang Shaocong!"

"No wonder he is called the Invincible Swordsman. He really has a thick skin. His face is really invincible!"

"I feel sorry for my idol. He worked hard, but was cheated by the boss. I want to hug him!"

Fang Shaocong looked at Weibo with satisfaction. As a popular young star, he didn't even need to buy online board message. He just needed to play victim, and his fans would positively fight for him.

Because Fang Shaocong didn't use any mouthpiece. He attacked Lu Weijian on Weibo in person. So the topic like "Fang Shaocong asked for salary online" immediately became the top search on Weibo.

From the title, it could be seen that Fang Shaocong was delicate and pitiful, and Lu Weijian was a bully.

Many common people who had experienced the same tragedy also joined the Fang Shaocong's fans to attack Lu Weijian.

A rich person was heartless. It was perfectly unbearable.

Moreover, he was not merciful to a popular male artist with a good reputation.

Lu Weijian soon became the target of thousands of people's criticism on Weibo.

In the office, Lu Weijian was furious to see this Weibo.

But he quickly calmed down. It was a chance for his brother and sister-in-law, wasn't it?

Now that Fang Shaocong had taken the initiative to stir up trouble, everything was within his brother's expectations. Of course, Lu Weijian would give Fang Shaocong what he wanted.

Lu Weijian quickly replied, "Yes, we have a contract with Mr. Fang for three days. But today was the last day of the deadline. Mr. Fang didn't arrive at the shooting site until afternoon. In the first two and a half days of shooting, Mr. Fang didn't show up. I called the director again and again, but Mr. Fang still didn't show up. We had no choice but to use another actor. Everyone knows how much the equipment and staff salary of the crew will cost for a day. Although we are rich, we can't afford such a loss. The staff can't afford such a loss too. They need the money to provide for their family. Mr. Fang, please compensate us three times of the penalty for breach of contract, okay?"

Then he attached the picture of the contract.

The picture of beginning and ending dates.

The picture of staff arrangement

The picture of the shooting site.

Lu Weijian's direct response made some people shut up.

After all, many people were reasonable. They said, "If what Mr. Weijian said is the truth, then it's really inappropriate for Fang Shaocong to do so. There are so many people waiting to make money to support their family. How can they do nothing and wait for a star?"

"Let's wait and see. I'd like to see how Fang Shaocong will explain it."

"I haven't seen such a wonderful online battle for a long time. I want to order cola, melon seeds, peanuts and watermelon. I'm in high spirits and waiting to watch the war of words!"

"What will Fang Shaocong say about this?"

“Let’s wait and see!”

“I’m different from you. I’ll wait for them to fight!”

On the other side.

In tomorrow’s update, Mr. Fang was going to expose Su Bei’s secret!

Chapter 275 Lu Weijian Uses His Strength against Fang Shaocong

Lu Weijian’s response was exactly what Fang Shaocong wanted.

Fang Shaocong immediately released the picture of his intravenous drip with full confidence, and mentioned Invincible Swordsman, “Mr. Weijian, it’s not fair for you to say so. I’ve told you early that I suddenly felt uncomfortable and couldn’t be there, so I’m very sorry. Besides, as soon as I took off the intravenous drip tube, I directly rushed to the scene to cooperate with the shooting in the last half of the day, trying to live up to my partner’s expectations. I don’t want to let my fans down. Mr. Weijian, why did you confuse right and wrong?”

Then he added a picture that he put on a drip.

Fang Shaocong’s reply aroused his fans’ strong desire to protect him.

Under his Weibo, his fans said, “It was heartbreaking. I want to hug you, my baby!”

“Baby, have a good rest. You will be stronger after being slandered!”

“We will always be with you and support you! Baby, take care of yourself. Please get better soon.”

“My prince charming has always been very hardworking and dedicated. Everyone know this in the industry. But a rich boss oppressed you like this and even slandered you. I declare that I will never play any game created by Lu Weijian and will never watch any news about him again.”

Some rational common people also expressed their understanding to Fang Shaocong, “It’s really understandable that illness could not be decided by himself at all. I’m on Fang Shaocong’s side.”

“But Mr. Weijian spent much money. Of course he wants the actor to shoot on the site. If everyone uses the excuse of illness to delay their work, then our world will completely out of order, right?” Some of them stood on Lu Weijian’s side.

“You just hope that you will never get sick. You have no sympathy at all. In my opinion, you are just a lackey of rich people!”

“That’s right. Next time when you get sick and can’t get up, your boss also asks you to complete all kinds of work and not to ask for leave. Then I want to know what you will say!”

Many people shared the same feeling with Fang Shaocong, so they would certainly help him.

Lu Weijian didn’t say anything more and directly posted several pictures.

“Everyone, look at the pictures yourself.”

In the first photo, Fang Shaocong was holding red wine in his left hand and cigar in his right hand. A woman was wearing a skimpy dress and massaging for Fang Shaocong.

The third picture enlarged the valuable watch in Fang Shaocong's hand. The date and time were clearly shown on the watch. It was Fang Shaocong who said that he was having an intravenous drip in the hospital. But at this time, he was not only smoking and drinking, but also enjoying the massage.

Fang Shaocong was well-known for his self-discipline in the entertainment industry. The pictures on his Weibo were either for exercise or for script reading, which was very similar to his main character in his TV series—an elite with affections, and cleverness. Besides, when he was cooperating with an actress, his ears would be red.

Many female fans liked him very much and completely treated him as their dream lover.

Many people believed that he was not only not in love, but also had his first kiss. They firmly believed that he loved reading, was smart and had his own opinions.

He even had a group of male fans who were persistent and worked hard to learn from him, hoping to become excellent men like him.

As soon as Lu Weijian released these photos, everyone was shocked. And the whole Weibo was in an uproar.

Fang Shaocong and Lu Weijian's names appeared in all kinds of hot topics—"Lu Weijian uses his strength against Fang Shaocong?" "Fang Shaocong drank, smoked, played with women?" Other topics like "So what is the truth?" had also been a bit of talking point. These hot topics became the most popular ones of the hot search list.

Chapter 276 Women's Harassment of Men

"I don't believe this. Everyone knows that my idol is the best!"

"The rich person don't bully my idol! "My idol was sick and was receiving a massage!" "Don't you understand the massage? Why do you make associations with sex? Do you dare to say that you won't massage for the rest of your life?"

"You're right. Shaocong was injured when he was filming. Why can't he have a massage? It just happens that the masseuse is a woman. Why are you so bad? Why do you think that he has done something wrong?"

"And some people also said that Fang Shaocong smoked and drank. Come on, he is an adult. What's wrong with smoking? What's wrong with drinking? Do you think he must cut off all the desires after entering the entertainment industry?"

"Lu Weijian is so bad. He deliberately posted such a photo to slander our idol. I will never forgive Lu Weijian!"

"No, I don't think this person is Fang Shaocong. He just looks like Fang Shaocong. Look, Fang Shaocong's mole doesn't appear here..."

The war of words in the entertainment industry was much more indirect. Very few people would shout abuse and be too provocative. After all, they were in the same industry. They would meet each other in daily life. So they would give each other some breathing room.

Unless one side had the ability to completely ruin the other side, otherwise, the war of words would only last for a short time.

But this time, Lu Weijian and Fang Shaocong had always been tough. Especially Lu Weijian, it seemed that he wanted to ruin Fang Shaocong. It not only caused a strong counterattack and abuse from Fang Shaocong's fans, but also aroused the great interest of the onlookers.

The reason why Lu Weijian didn't stop attacking was that he had the ability to ruin Fang Shaocong!

And according to his brother's order, he must ruin Fang Shaocong!

Seeing that things were going on, Lu Weijian posted two more pictures, in which Fang Shaocong was holding the woman in his arms and walking towards the room.

The time happened to be the two days when he was recuperating as he said!

The public opinion was in an uproar!

If it was true, then Fang Shaocong's recuperation was fake, and it was true that he violated the contract. Lu Weijian could completely hold him accountable!

Moreover, Fang Shaocong's perfect image would also collapse.

In fact, it was not a big deal for a man in his twenties to have a woman.

But for a male artist who boasted that he was single, kept his chastity and had a lot of female fans, this was a big deal!

Under Fang Shaocong's Weibo, although most of his fans still defended him, a small number of them cried and asked him to make an explanation.

This time, Fang Shaocong didn't respond in time.

Fang Shaocong asked his agent angrily, "When did he take this photo? What the hell were you doing?"

His agent said helplessly, "Although we are well protected, the paparazzi are everywhere. It's not surprising that they have those photos."

"Resolve this crisis right now," Fang Shaocong said angrily.

In fact, his agent couldn't think of a good way for the moment. After all, their opponent was Lu Weijian!

Who knew what Lu Weijian was holding in his hand.

Fang Shaocong picked up his phone and input directly, "The message is true, but I don't have a woman. The photo is just a composite shot. Don't believe it. In fact, there is another reason why I didn't appear on the scene for shooting. The female artist in the same group has always invited me to drink in the hotel, but Lu Weijian turned a blind eye to it and even encouraged the bad tendencies.

Women's harassment of men is also a kind of harassment. Please understand that I only want to shoot the advertisement, and I just want to keep the professional and the personal separate."

Chapter 277 Frame Su Bei

Fang Shaocong edited the article and sent it out directly regardless of his agent's dissuasion.

Fang Shaocong finally realized that Lu Weijian wouldn't yield. In that case, he would stop fighting against Lu Weijian.

After this incident, although his image was slightly damaged, it was enough for him to get his fan's sympathy.

Now that he had brought trouble to Su Bei, he would stay out of it!

Maybe he couldn't defeat Lu Weijian, but he could defeat Su Bei, right?

After this incident, his small gossip would disappear in the history sooner or later, and be replaced by countless fans' love and care.

Others would mock Su Bei, but it had nothing to do with him.

As expected, after Fang Shaocong's words were released, although he did not mention the name of Su Bei, he drew the key point. At that time, there was only one female artist in the same group with him—Su Bei. Fans and onlookers immediately remembered Su Bei!

How could Su Bei harass Fang Shaocong?

No one cared about whether Fang Shaocong or Lu Weijian broke the contract or whether Fang Shaocong hugged a woman.

The gossips between female and male stars were obviously more interesting than that between the two men!

People started rushing to Fang Shaocong's Weibo.

People also started rushing to Su Bei's Weibo.

"I can't believe that Su Bei wanted to seduce Fang Shaocong with her body? It's so amazing!"

"That's impossible. How could Su Bei be such a person?"

"Why is it impossible? Fang Shaocong is a well-known and popular man with abundant resources. Now he has popular TV series, and there are still several plays to be broadcast later. It's normal for Su Bei to ride on his coattails."

"But I heard that Su Bei already has Lu Weijian's support."

"The more the better. Everyone wants to have more support, right?"

"Su Bei, shame on you! Don't seduce my idol, okay? My idol only wants to focus on his own career!"

"Who do you think you are? How dare you seduce my idol? Please get out of here as far as you can!"

“Tut, tut, tut, a shameless female artist. You are so ugly and disgusting. Yes, I’m talking about that supermodel!”

“Su Bei is beautiful and attractive. Please don’t slander her.”

The fight between the fans of both sides was fierce, but Su Bei didn’t have too many fans on Weibo, so her fans were no match for Fang Shaocong’s fans at all.

The server of Weibo was in a mess because of this.

After returning home, Su Bei picked up her phone and was about to check the news, but she couldn’t log in her Weibo for a long time.

Soon, Lv Shan made a phone call to Su Bei, “Su Bei, have you logged in Weibo? Fang Shaocong said you wanted to have sex with him! Our boss also wants you to go back to the company!”

“Okay!” Su Bei had to go downstairs first.

Su Bei took a look at the harassment messages sent by Fang Shaocong. Obviously, they were not sent by Fang Shaocong’s own phone, so even if she took them out, they could not be used as evidence.

She didn’t expect that Fang Shaocong would frame her in this way.

When she arrived downstairs, the server of Weibo was finally restored. She saw the words posted by Fang Shaocong. The comment area of her Weibo had been completely occupied by Fang Shaocong’s fans.

When she was waiting for the car, her phone rang. It was Lu Heting.

“Hello, Heting,” said Su Bei in an aggrieved voice.

“Don’t worry about Fang Shaocong’s matter. Mr. Weijian has arranged everything,” Lu Heting said in a soft and gentle voice with pity.

Chapter 278 Su Bei, Apologize

Lu Heting said word by word, “I won’t let you get hurt in this matter.”

Su Bei calmed down.

“Where are you?” asked Lu Heting in a low voice.

“I’m going to the company. I should be back soon.”

“I’ll pick you up later. Don’t run around. Wait for me at the gate of the company, okay?”

“Okay,” Su Bei said in a brisk tone.

After hanging up the phone, a touch of coldness flashed through Lu Heting’s eyes.

From the moment Fang Shaocong harassed Su Bei, Fang Shaocong had been dead in Lu Heting’s heart.

Lu Heting gave him time to go crazy. Then Lu Heting would let him come to no good end.

And now, Fang Shaocong took the initiative to provoke, which accelerated his steps on the road of destruction.

When things were getting more and more complicated, Fang Shaocong received an interview.

The reporter asked, "Mr. Fang, can you tell us something about the female artist in the same group?"

"It's hard to explain it in detail. I hope she can realize her mistake and give me an explanation. After all, the misunderstanding between me and Mr. Weijian was also caused by her."

"Mr. Fang, are you really sick before?"

Fang Shaocong said, "Of course it's true. If I'm not sick, I will definitely go to the filming site. I'm sick, and I happened to meet such a female artist, so I had a misunderstanding with Mr. Weijian..."

He shifted all the blame, including the war of words with Lu Weijian, to Su Bei.

"Mr. Fang, have you thought about how to solve this problem?"

"If she apologizes to me, I can forgive her. It was inevitable for young people to make mistakes by taking shortcuts. I will give her a chance to apologize!"

Fang Shaocong's bold speech not only pushed Su Bei on the cusp again, but also gained a lot of favorable impression.

"Oh, baby, you are so kind. You are willing to forgive her even though so many things have happened!"

"I really have a perfect idol. Baby, please take a look at me."

"Did you hear that, Su Bei?" My idol has given you the chance. Don't be so stubborn!"

"Su Bei, you must apologize!"

"Su Bei, you must apologize! Maybe my idol will forgive you, but we may not! Unless you are sincere enough to apologize to us!"

In Qian Yu Entertainment Company.

Many people stood at the gate.

Fang Shaocong's fans gathered around the gate one after another.

As soon as Su Bei got off the car, she felt a great pressure.

When she was thinking about how to enter the company, several bodyguards quickly came over and surrounded her.

The leader said, "Miss Su, we are professional bodyguards of the Lu Group. We are here to protect you."

It suddenly occurred to Su Bei that they were the men arranged by Lu Heting.

She looked at him gratefully and followed them inside.

The angry fans of Fang Shaocong shouted loudly, "Su Bei, apologize!"

They gathered around.

The bodyguards protected Su Bei and soon entered the company.

At this moment, Su Bei was not in the mood to reason with those angry fans. When people were being irrational, they turned a deaf ear to other people's words.

Lv Shan stepped forward, held Su Bei's hand and said, "Director Song asked us to go to the office. The situation is rapidly reaching boiling point, and the company is under a lot of pressure."

The two of them came to Song Ruinian's office together. When they were about to knock on the door, Su Huixian walked out slowly with a mysterious smile on her face.

Chapter 279 Calm the Situation Right Now

Su Huixian glanced at Su Bei and said, "Su Bei, are you here?"

Her eyes were full of gloat. She didn't expect that Su Bei would fall into such a big crisis. This matter even shocked Fang Shaocong's company and Fang Shaocong's father.

Su Bei was being criticized publicly. No one in the entertainment industry dared to cooperate with her.

However, Su Bei didn't reply to Su Huixian. Despite being snubbed, Su Huixian was still in a good mood. With a big smile on her face, she said, "Good luck, Su Bei!"

After Su Bei and Lv Shan entered the office, Su Huixian left with satisfaction.

In the past, she was very jealous that Su Bei could be the ambassador of Lu Weijian's game. Now, it seemed that Su Bei was just an unlucky person. Su Bei didn't even have the chance to enjoy the good resources.

Seeing Su Bei come in, Song Ruinian said directly, "Su Bei, apologize to Fang Shaocong now. Record the video and apologize to him in front of the reporters!"

"I didn't do it. Why should I apologize? Director Song, don't you think it's a little unreasonable? If I apologize, it means that I have done those things. But those things are fictitious rumors!"

Song Ruinian stood up abruptly, "You know Fang Shaocong's reputation in the entertainment industry. You also know you are not as popular as him, right? He said you did it. How can you deny it? I'm telling you, if you apologize now, the company can still protect you from being banned, but if you refuse, your fate will be very miserable!"

"I'm sorry. No matter how miserable my fate is, I will accept it. But I will never apologize!" Su Bei said calmly, stressing each word.

Song Ruinian was enraged by Su Bei's words. "Don't ruin yourself and the company!"

"Director Song, I'm telling you the truth. My matter will be clarified soon. It won't destroy myself or bring any bad impact to the company. I hope you can give me more time and opportunity, Director Song." Su Bei was neither overbearing nor servile, and her attitude was gentle and reasonable.

Her attitude made Song Ruinian feel exasperated.

He didn't believe what Su Bei said at all. How could she clarify it? She could solve it?

How could she handle the pressure from all sides?

"Su Bei! What's wrong with you?"

Su Bei calmed down and said, "I can solve my problem."

Seeing that he couldn't persuade her, Song Ruinian said to Lv Shan, "Lv Shan, make an arrangement! Ask Su Bei to apologize right now! Calm the situation right now!"

Lv Shan said indifferently, "Su Bei didn't do anything wrong. I won't accept this arrangement."

Song Ruinian and Su Bei looked at Lv Shan in surprise at the same time.

Lv Shan used to be a tough agent in Qian Yu Entertainment Company, because she was a bad tempered woman who only sought profit and rarely cared about the personal feelings of the stars.

But now, she was totally different. She supported Su Bei!

Su Bei didn't expect that Lv Shan would be on her side this time.

"If you are on Su Bei's side, then you and I and the company, will be the victims!" Song Ruinian was very angry. He was under great pressure now. The senior executives of the company were asking about it, and the Fang family was also secretly putting pressure on him. The company where Fang Shaocong was working in also said that he had to compromise.

It was impossible for him to offend so many people to protect Su Bei, not to mention that he had no personal friendship with Su Bei. Even Su Huixian had brought the words of the Su family, telling him not to worry about the dignity of the Su family and to do what he should do!

Chapter 280 Both of You Get out of Here

"Why do you have to sacrifice the interests of our own company's artists to help others when something happens? If Su Bei apologized, then her whole career would be ruined! Besides, you know the truth, don't you?"

"Lv Shan, you are the agent. You have to obey the company's arrangement and think for the interests of the company! Otherwise, I have the right to fire you!" Song Ruinian said.

"Then you can fire me. Since the company has such a bad attitude and doesn't care about the personal interests of the stars, I think there is no need to stay in such a company," Lv Shan said firmly.

"Well, you are fired! But Su Bei had to apologize! You can leave now. But Su Bei's contract still belongs to the company. She must obey the arrangement!" Song Ruinian became angry from embarrassment.

He wanted to take out his phone and called the reporters and assistants, asking them to come immediately and take Su Bei to make an apology to save Fang Shaocong's face.

As for whether Su Bei was right or wrong, it was not an important thing for him.

Lv Shan held his hand with a smile and said, "Director Song, the fact that you received kickbacks in the company is not completely confidential. Call the reporters over. I can also talk to them about it."

“You!” Song Ruinian’s face darkened.

He had worked in the company for many years, and he indeed did such things. He had thought that no one knew it, but he didn’t expect that Lv Shan would say it out directly.

Since she dared to say it, she must have the evidence.

Song Ruinian didn’t dare to act rashly.

“Director Song, I hope you won’t make things difficult for Su Bei. People outside don’t know what kind of person Fang Shaocong is, but you know, right? He had done so many evil things, he will not come to a good end. If you still want to collude with him, sooner or later, you will ruin yourself.”

Song Ruinian’s face was as dark as ink. He had a private friendship with Fang Shaocong, and he had played with women in the clubhouse with Fang Shaocong. Of course he knew what kind of person Fang Shaocong was.

Song Ruinian was threatened by Lv Shan’s words. After a while, he waved his hand and said, “Get out, both of you.”

It was not because he was convinced by Lv Shan, but because Lv Shan had known his secret, he didn’t dare to risk his future.

As for Fang Shaocong, would he really have a miserable end? Thinking of the huge Fang family, Song Ruinian couldn’t believe it at all.

As soon as Lv Shan went out, she said, “Su Bei, I’m going to submit my resignation. That’s all I can do.”

After she fought against Song Ruinian, there was no room for her to stay.

“Lv Shan, in fact, you don’t have to do this for me...” Su Bei said sadly.

“It doesn’t matter. You have seen it anyway. I don’t want to stay in such a company. Although we only have interests to do with each other, you also let me remember my original intention to enter this industry. You remind me of myself. You need to keep going. And take good care of yourself in the future. I can ask my friends in the entertainment industry to help you with this scandal, but I can’t bring down Fang Shaocong.”

“You have helped me a lot to resist Song Ruinian’s pressure.”

Lv Shan laughed and said, “Ha-ha, as long as you don’t hate me. Now you know why I’m so mean and bad tempered, don’t you? I’ve been in this industry for a long time. Sometimes the bad temper is actually my protection.”
