

Chapter 361: I've Done Too Much For This Family

However, everyone hoped that Su Bei would return to the Lu family.

"Then make the arrangements..." Lu Heting ordered Lu Weijian.

...

After work, Lu Weijian took Da Bao and Gun Gun to the amusement park.

Da Bao looked at the various attractions in front of him with disdain. "Childish!"

Gun Gun's eyes lit up. "Uncle, can I sit here?"

"Of course! Well, you can choose for yourself. I'm here to accompany you today. I'll sit wherever you want me to," Lu Weijian said, patting his chest.

Da Bao was not interested.

Gun Gun held Da Bao's hand and said, "Brother Da Bao, can you ride with us too? This is fun. You'll love it."

"No. Your uncle will accompany you."

"But I want Brother Da Bao to be with me. Brother Da Bao is the best!" Gun Gun started speaking in his cute voice.

Lu Weijian stood aside. What had he done to deserve this? After being tortured by his brother and sister, he was now being tortured by two little kids.

In the end, the three of them went on the rides together.

Da Bao looked uninterested, while Gun Gun was extremely happy. Lu Weijian seemed to be the extra one.

After playing for a while amidst all the screams and yells that filled the air, Lu Weijian felt dizzy and... threw up.

Da Bao looked at him disdainfully. "Go and have a rest. Gun Gun, let's go ride that one."

"Okay!" Gun Gun followed Da Bao with his short legs.

Lu Weijian cried out, "I've already done too much for this family!"

...

Su Bei was busy with work in the afternoon.

There was a company called Sheng Tang that had been reaching out to her. Su Bei had refused twice in a row, and she had also clearly expressed her current plans for her career. She was only willing to take short-term jobs and spend the rest of her time with her family and enjoy life.

However, the other party did not give up and reached out to her again.

This time, the other party was even willing to give in and told her, "We're willing to cooperate with you for your short-term work. We can sign a short-term contract for three or four months. You can try joining the company first to see our sincerity and what your prospects will be. If you think that you don't like it here, we can terminate the contract immediately. If you think we're a suitable company for you, then we can sign an official contract."

The boss' name was Tang Xinru, and she was a very capable woman in the workplace.

Since Su Bei came back to the country, Tang Xinru had been paying attention to her. She had high hopes for Su Bei's future, so she had reached out to her several times.

This was the third time she had come to see Su Bei in person.

It was only then that Su Bei decided to meet her.

Her proposal was very considerate of Su Bei.

However, the more Tang Xinru acted like this, the more guilty Su Bei felt. "President Tang, I'm really afraid that I'll be a burden to the company, so..."

"Su Bei, you don't have to feel guilty. Even if you sign a short-term contract with us for three months, we can still make money from you. I'm giving you this chance because I think that if we don't cooperate, I'll regret it, and so will you. How about it? Do you dare to make a bet? Don't tell me you don't even dare to do this?" Tang Xinru looked at Su Bei seriously.

"Then I'll give you an answer tomorrow," Su Bei said.

Indeed, the conditions proposed by Tang Xinru were very good for Su Bei. She also yearned to join a big company like Sheng Tang.

Chapter 362: Mother's Concern

Besides, Sheng Tang was a professional model training company.

"I'll wait for your answer," Tang Xinru said with some hope.

When Su Bei got home, she found that the house was not as lively as usual.

Da Bao and Gun Gun were not there. Were they reading in Da Bao's room?

She pushed the door open and found that Da Bao's room was empty.

"Da Bao? Gun Gun? Aunt Chen?"

"They're all out. I'm in the kitchen," Lu Heting's voice came from the kitchen.

Su Bei hurried over and saw him with his sleeves rolled up, revealing his muscular forearms. He was holding a spatula with all kinds of ingredients on the side.

"What are you doing?" Su Bei knew that he could not cook.

Lu Heting also had an emergency training session that lasted the whole day. He planned to spend more time alone with Su Bei and cook dinner for her.

He regretted that he had never cared about cooking previously. Otherwise, he would not need to work so hard to train his skills at the last minute.

Lu Heting smiled. "I've learned how to cook, so I plan to be responsible for cooking three meals a day for our family."

Su Bei snorted with laughter and said, "Mr. Lu, you're already very busy with work every day. If you busy yourself with cooking, who's going to help Mr. Weijian?"

"No matter how busy I am with work, it doesn't mean that I can't take care of my family." Lu Heting picked up the vegetables. "I'm also a part of this family."

Su Bei raised her eyebrows and smiled. "Do you need my help?"

"No, thanks. Go and have a rest. I made dessert and it's outside. Try some first. But don't eat too much, or you won't be able to eat dinner."

"Okay." Su Bei sat down and tied her long chestnut-colored hair into a bun, revealing her beautiful neck.

The dessert that Lu Heting made was sweet soup. As for the taste, Su Bei could only say that if a person was willing to make it, his attitude was worthy of praise.

The kitchen was bustling with activity, but Lu Heting was quick. Soon, he brought out several dishes and a soup.

This was the result of his hard work all day.

He started off not knowing how to wash vegetables. Now, he could finish cooking an entire meal. Lu Heting had indeed conquered many mountains, using his excellent brain and memory to finish cooking these dishes.

Seeing the look on his face, Su Bei could not help but laugh. She took the chopsticks, picked up a piece of vegetable that looked like eggplant winter melon but was actually potato, and slowly tasted it.

"The presentation is lacking..."

Lu Heting was a little disappointed.

"But the taste is not bad," Su Bei said sincerely.

Plus, his attitude was very good!

Lu Heting raised his eyebrows, and a trace of joy appeared on his usually calm face.

"Have some too!" Su Bei handed him the chopsticks.

Lu Heting took a bite. The taste was not as good as Su Bei's cooking, but it was passable.

"This fish is really delicious," Su Bei praised. It was a rare dish and tasted really good.

Lu Heting picked up more of it with his chopsticks and said, "Have more, then."

Most importantly, the recipe of this dish was simple. All he needed to do was steam and season it.

“What about Da Bao and Gun Gun? When are they coming back? What will they eat?” Su Bei was suddenly worried, displaying a mother’s concern.

“Lu Weijian is free today, so he took them out to play. They can eat outside tonight.”

“But this is your first time cooking an entire meal. It’s a pity that they won’t get to eat it. But the fish can’t be kept. It won’t taste good...”

Chapter 363: The Man At The Bottom Of The Family Hierarchy

Lu Heting felt sad. Indeed, he could not compare to Gun Gun and Da Bao. He wanted to spend more time with her, but all she could think about was Da Bao and Gun Gun.

Su Bei took another bite of another dish and said, “Oh, this tastes good too. If only Da Bao and Gun Gun were here.”

She took another bite. “Gun Gun loves this spicy meat dish the most. It’s so delicious. It’s a pity that he’s not here.”

“Baby Da Bao loves steamed fish the most...” she murmured.

Lu Heting said in a low voice, “I’ll cook for them when they come back.”

“Okay. Thank you. Have some fish too. Help Da Bao eat more.” Su Bei pushed the fish to him.

It seemed that in family hierarchy, Gun Gun and Da Bao were of the same level but were also a level above Lu Heting.

Su Bei, on the other hand, was an existence beyond the hierarchy. She was carefully protected by the three of them.

Lu Heting shut himself up.

Gun Gun and Da Bao would always be around.

When Su Bei finally stopped talking about Gun Gun and Da Bao, Gun Gun and Da Bao came back.

“Brother, I’ve brought them back.” Lu Weijian winked at Lu Heting, wanting to say that he had given him enough time to better his relationship with Bei Bei.

Lu Heting was depressed. The time was not even enough for Su Bei to talk about the two children.

If Su Bei’s heart could be divided into a hundred pieces, maybe only 0.05 pieces would be given to him.

Lu Heting looked at the two children seriously.

Back then, he should have fallen in love with Su Bei first before having a child...

At that time, he should not have been so anxious in the car.

However, when he looked at Gun Gun, he felt a little depressed. Gun Gun was different from Da Bao. Even Lu Heting and Su Bei could not be sure about him.

Sure enough, when Su Bei saw that the two munchkins were back she rushed over and hugged them while quickly avoiding Lu Heting.

She had clearly sensed how Lu Heting felt about her, so she had been avoiding talking to him at dinner.

There were some things that she could not give or promise, so she could not let anything slip.

Du Luo was taken to the hospital by the security guard. When he woke up, he sat up with a splitting headache.

In his memory, he had seen Su Bei. However, it seemed that she did not want to pay any attention to him. She did not even want to talk to him.

Indeed, if it were him, he would not have bothered with a man like himself anymore... It was all his own fault.

The nurse led someone in.

It was Qiu Minxuan. When she came over, she sat in front of Du Luo with red eyes.

“Mr. Luo, Huixian is suffering from depression. She’s seriously ill, so when she heard the news, she couldn’t come to the hospital to take care of you. But Mrs. Xu and I have always been here.”

Du Luo smiled sarcastically. Was she really suffering from depression?

What about the child?

Du Luo really could not tolerate this lie.

Qiu Minxuan said while sobbing, “In order to get pregnant with your child, Huixian has been conditioning her body and taking all kinds of medicine. Look, this is her medical record.”

She took it out to prove how difficult it had been for Su Huixian.

“She really wanted to give birth to your child, and she also wants to give Mr. and Mrs. Du an explanation,” Qiu Minxuan said, “Although she may have hurt Su Bei, her love for you hasn’t changed. Besides, she really didn’t collude with Dr. Chen. She wanted a child too much, so she had a knot in her heart and thought that she was really pregnant...”

Chapter 364: The Balance In Her Heart

Du Luo had a splitting headache.

Memories of the past flooded his mind.

The love between him and Su Huixian had hurt Su Bei...

Su Huixian had indeed done a lot for him. She was gentle, generous, and worked hard to win his love.

“You went to look for Su Bei last night, but she ignored you and only asked the security guard to send you here. She really doesn’t care about your past relationship,” Qiu Minxuan added.

Du Luo held his head and said, “Don’t say anymore. Let me have some peace and quiet.”

Seeing this, Qiu Minxuan walked out quietly.

The scales in Du Luo's heart were still tilted toward Su Huixian.

He needed a woman to love and worship him. Su Bei was too self-centered. She could never prioritize him over everything.

...

Su Bei and Lu Heting chatted about Sheng Tang.

Lu Heting said that Sheng Tang had a good reputation in the industry, and the people in charge were all women. Hence, Su Bei could consider signing the contract to see if it would do her well.

"Then I'll take your advice."

"The person in charge is a woman. She'll understand your work better. I'll be more relieved if you go there." Lu Heting agreed with her joining Sheng Tang.

Su Bei finally made up her mind. She would sign a contract with Sheng Tang, and she would take up some work. Even if she did not have much time left, she was still willing to work hard for her career.

Su Bei asked Lv Shan about Sheng Tang.

"Sheng Tang is not bad. They have a unique way of training models. In recent years, their company has introduced two models who have gained a foothold on the international stage. Su Bei, if Tang Xinru likes you, you can consider it."

"But I already told them that I'll only sign a short-term contract with them. I don't want to extend the contract."

Lv Shan smiled and said, "I know that you have a husband. Although I don't know his identity, I've always felt that he'll give you a stable family and life. You don't need to work so hard for your career."

"Then, Lv Shan, can you come back and help me?" Su Bei asked.

Lv Shan was stunned. She did not expect that Su Bei to be fond of her.

"Aren't you afraid that the ugly things I've done in the past will affect your reputation?"

Su Bei smiled and said, "It's precisely because I went to inquire about your background that I found out you didn't become a mistress of your own volition. When you were with that man, you only knew that he had lost his wife but you didn't know that he had already married a rich man's wife in a low-profile manner. When you found out, you immediately left."

Lv Shan's eyes suddenly turned red. She had never mentioned this matter to anyone before because that man was a big shot. Later, when his marriage was announced, the couple became known for their love. Even if she told anyone about it, no one would believe her.

Su Bei had hit the nail on the head.

"I'll help you. Sheng Tang won't let me be your agent, but I can be your assistant," Lv Shan said solemnly.

It was not easy to find trustworthy partners in this industry.

She thought that she had found one.

...

Tang Xinru was overjoyed. "Su Bei, you won't regret your decision. I can guarantee that Sheng Tang can provide for you in ways Qian Yu Entertainment Company will never be able to."

"President Tang, can I look for my own agent?"

"Well... We have a professional agent who'll lead you well. If you have a suitable person, get them to be your assistant."

Chapter 365: Little Third Brother

Su Bei and Lv Shan had already expected this and were prepared for it, so there was no problem.

Su Bei agreed. "Okay then. I'll bring my assistant here. I hope that we can cooperate happily in the next three months."

"It's a pleasure to have this chance to work with you. After these three months, I'm certain you'll officially sign with Sheng Tang," Tang Xinru said confidently.

After signing the contract, Su Bei notified Lin Yu and Lin Moli in the WeChat group. Of course, Feng Feifei and the others also knew about it.

Soon, she received a call from Lin Yu. "Eldest Brother said that he wants to help you celebrate this new milestone."

"No, it's okay. We don't have to celebrate it. It's just a test period. I don't know how things will go after three months. It's too embarrassing to mention it." Su Bei wanted to keep a low profile.

"But Eldest Brother said that if you don't seize this opportunity, you'll really reconcile with Lu Heting. He has too many bargaining chips. A marriage certificate and a son. If that's the case, what should Eldest Brother do?"

Su Bei thought to herself, 'Feng Ze, you know as well that Lu Heting has a lot of tricks up his sleeve. Da Bao can only be with Lu Heting. He can't choose Feng Ze. You'd better find a woman to have a child with him.'

"Tell Eldest Brother not to do it. I really don't want to celebrate it. I'll treat you all to hotpot when I come back."

"Hey..." Before Lin Yu could finish, Su Bei cruelly hung up the phone.

Soon, another call came.

This time, it was from Gu Xifeng. He was the third oldest among the group, so Su Bei always called him her little third brother.

"Little Third Brother."

Gu Xifeng was speechless.

“Can you exclude the first word?”

“Okay, Third Brother,” Su Bei said seriously.

Gu Xifeng was speechless.

What did Eldest Brother like about her?

“Third Brother, how have you been? Did Lin Shitou bully you? Did Feng Feifei steal the specialties from S Country that I sent you? If he did, tell me. I’ll help you deal with them.”

Gu Xifeng was a man of few words. It was common for him to be suppressed by Feng Feifei and Lin Shitou’s words.

Of course, it was also because of Gu Xifeng’s good temper that he let them have their way.

“...”

Indeed, Su Bei was worthy of being liked.

“Little Fifth Sister, the eldest wants to celebrate your new milestone for you, so get ready.” Su Bei was the youngest among them, so she was called Little Fifth Sister.

“Hey...” This time, it was Su Bei’s turn to be cruelly hung up by Gu Xifeng.

If she had known this would happen, she would not have posted it in the WeChat group.

However, if she did not announce it, they would always be worried that Qian Yu Entertainment Company would squeeze her dry. They could not wait to appear together and save her from the abyss of suffering.

Life was really difficult.

...

“Let’s prepare a welcome party for you,” Tang Xinru said.

“No need. It’s just a three-month-long cooperation.” Su Bei did not expect that even Tang Xinru would say this.

“Even if we’re only working together for three days, you’ll still be under my protection,” Tang Xinru said domineeringly.

Besides, she was looking forward to working with Su Bei for much longer than just three months.

Su Bei nodded. “Then, Mrs. Tang, shall we just have a simple welcome party?”

“Alright, let’s make it simple. I’ll just let you meet my main partners. We can go to the hotel and have dinner together.”

“Okay. I’ll be there on time.”

Chapter 366: Already Thought Of Switching Companies

At the same time, Su Huixian had also recovered from the incident.

She had suffered a huge blow, but Qian Yu Entertainment Company was still supporting her as they had lost Su Bei.

Du Luo also chose to forgive Su Huixian. In fact, he even put in a good word for Su Huixian in front of his parents and gave them his guarantee.

She still had people backing her up, which meant that the rumors on the internet had not yet threatened her prospects.

Of course, several of her endorsements and commercials had been canceled.

However, who in the entertainment industry did not have any dirt on them?

Fans were always forgetful. Soon, new scandals would be exposed and the old ones would become the dust of history.

Song Ruinian warmly welcomed Su Huixian and Du Luo into the office.

Du Luo sat down and said, "On behalf of the Du family, I'll invest in Qian Yu Entertainment Company and become its second-largest shareholder."

This was a big deal. In other words, Su Huixian would become one of the bosses of Qian Yu Entertainment Company in the future.

Her scandals were absolutely buried with this huge amount of money.

"We welcome your investment, Mr. Luo."

Song Ruinian could not help but look at Su Huixian in a different light.

She was really capable. How could she have Du Luo wrapped around her finger? In the future, she could have anything she wanted.

"Make some arrangements. I want to hold a grand investment ceremony to show my support for the company and Huixian," Du Luo said.

"Okay, I will!"

Du Luo and Su Huixian walked out of the office. "Du Luo, thank you. I knew you'll always treat me the best."

"If I don't treat you well, who should I treat well?" When Du Luo thought of how she had wholeheartedly wanted to bear his child, he was actually quite touched.

"By the way, Du Luo, Su Bei has terminated her contract with the company. She took out ten million yuan in one go..." Actually, Su Huixian was a little jealous. She had just gotten into trouble when Su Bei immediately terminated her contract.

It was easy to imagine that Su Bei had already been disloyal.

Maybe she had been preparing to terminate her contract for a long time. No wonder she could find out about Doctor Chen. It must be because she had a new company backing her up.

Du Luo had the same thought. 'She actually paid ten million yuan for the penalty fee. I wonder who gave it to her.'

Su Huixian thought about her own future prospects. With the support of the Du family, things would definitely improve for her.

However, when she thought of the ten million yuan that she had spent on Doctor Chen, she felt depressed for a long time. She could not find out the truth behind where that money went.

However, Su Huixian could only comfort herself that she could always earn more money after losing it. She could not let this matter continue to be revealed in the public. Otherwise, the scandal that she had worked so hard to suppress would come back to light.

Du Luo planned to celebrate investing in Qian Yu Entertainment Company.

This way, not only would the company's reputation grow but it could also allow Su Huixian's popularity to rise. At the same time, it could also appease her fans who were still persisting.

He arranged everything with his assistant. "Do everything according to the plan. We have to make this investment into a piece of good news that'll encourage everyone."

Su Huixian also arranged for Qiu Minxuan to be there. "Du Luo will publicize the investment this time, so we can't neglect it. Invite all the employees in the company. Also, prepare a few new dresses for me."

Everything was arranged.

At the same time.

Lu Weijian was also discussing with Lu Heting about celebrating with Su Bei.

Chapter 367: Of Course, You'd Have A Way

"Bei Bei freeing herself from the tiger's den is something we must celebrate. Brother, do you have any good ideas?"

Lu Heting had a lot of ideas. He could not wait to offer the best things in the world to Su Bei.

However, this was not what Su Bei wanted.

Lu Weijian also noticed Lu Heting's distress.

He was not afraid of what a woman wanted, but he was afraid that she did not want anything... He would rather her be a little materialistic.

Finally, Lu Heting said, "Let's just do it like this. We must handle it well."

"Okay, I think Bei Bei will like it. It's low-key, classy, and enjoyable. Brother, of course, you'd come up with a way!"

The next day, a group of inconspicuous people arrived at the largest airport in Jingdu City.

All of them were wearing branded clothes and carried large and small bags in their hands. They looked like elite killers in movies. They were elegant, calm, and domineering.

Their high-end luxury car stopped, and professional receptionists served them. They got in the car and drove straight to the hotel.

The group of people came and left mysteriously, attracting the attention of many passersby. However, no one knew who they were, where they came from, or where they went.

That night, Su Bei went to the banquet.

Tang Xinru organized a simple meal for Su Bei to let her meet the others in the company and for her to meet her agent as well.

After changing her clothes, Gun Gun ran over and gave her a small cake that had been wrapped. "Congratulations, Bei Bei. You've found a new company. You can try the cake after you make a wish. It'll bring you luck."

"Thank you, Gun Gun. Come, let me give you a kiss."

Da Bao also came over and watched Su Bei leave. He looked at her as though he was an old father sending his daughter to work for the first time.

The two brothers sent her straight to the elevator.

Su Bei went out and met up with Lv Shan.

"I heard that Tang Xinru arranged for us to have dinner in Hall 5 of Huiyao Hotel tonight. It seems that she thinks highly of you," Lv Shan said with a smile.

Soon, the car drove into Huiyao Hotel.

Tonight, the atmosphere in Huiyao Hotel was a little special.

Lv Shan asked curiously, "Why is it so quiet today? Huiyao Hotel usually has guests from all over the world."

"Maybe someone booked the whole venue." Su Bei did not think it was strange. After all, there were many rich people around.

Lv Shan was dumbfounded. "How much does it cost to book Huiyao?"

If even she felt that it was expensive, it was obvious that not many people could afford it.

"There seems to be a banner outside to welcome you. Tang Xinru is really good to you."

Su Bei had already told Tang Xinru to keep a low profile because she did not want to use up too much of the company's budget.

Unexpectedly, Tang Xinru still made thorough preparations.

She said to Lv Shan, "Lv Shan, after parking the car in the underground parking lot, let's go directly to the nearest elevator and go to Hall 5. I don't want to attract too much attention."

“Okay.” Lv Shan was already familiar with Su Bei’s style of doing things now, so she followed her instructions.

After parking the car, the two of them entered Hall 5 in a low-profile manner.

Tang Xinru and the others had not arrived yet, so they waited for them.

Tonight, Du Luo’s banquet was also held here.

Compared to Su Bei, who was trying her best to keep a low profile, Du Luo was trying his best to be high profile and luxurious. He asked his assistant to have the banquet be as extravagant as possible. He had also asked the reporters to be here.

Chapter 368: It Turned Out That The Entire Hotel Was Booked

Su Huixian could see Du Luo’s painstaking efforts. This was not only a banquet to restore her reputation but it was also a good opportunity to introduce the Du family’s investment this time.

She and Qiu Minxuan arrived at Huiyao Hotel early.

In another car were Zhu Fenfen, Zhong Xiu, and the other artists who were close to Su Huixian.

Su Huixian was considered one of the two hosts of this banquet, so she came early.

As soon as Qiu Minxuan entered Huiyao Hotel, she took in the luxurious atmosphere. She could not help but say, “Mr. Luo booked the whole venue. I thought he only booked Hall Six.”

The banquet arranged by Du Luo tonight was held in Hall 6. The invitation letter that everyone received also said that it was in Hall 6.

Thinking that Du Luo had booked the entire venue and chased away all the irrelevant people just to host her a banquet, Su Huixian smiled.

She did not take the car to the underground parking lot. Instead, she got out of the car at the entrance of the hotel and appreciated the sight of Huiyao Hotel that was specially booked today with Qiu Minxuan.

Zhu Fenfen and Zhong Xiu also hurriedly got out of the car and followed Su Huixian.

Zhu Fenfen exclaimed in amazement, “Wow, Mr. Luo is so generous! It turns out that he’s booked the entire venue. No wonder the journey here was so smooth.”

“Of course, Mr. Luo had to book the whole venue. Huixian has too many fans. Otherwise, it’ll be too crowded.”

Zhong Xiu complimented Su Huixian.

Qiu Minxuan looked at the exquisite tulips in front of her and said with a smile, “There are all kinds of tulips of all colors. There’s even the rarest kind, the Augustus Tulip. This tulip is favored among aristocrats. In its native country, the price of an Augustus is about the same as the price of a house from hundreds of years ago. Even now, the price is not that much lower. It was probably flown here by air.

“These Ice Cream Tulips look like ice cream. They’re very beautiful, but they’re only in bloom for a short while. You can only see them in April and May. It’s already August, but we can still look at these Ice Cream Tulips. Mr. Luo really worked hard this time.”

Hearing Qiu Minxuan’s words, Zhu Fenfen and Zhong Xiu could not help but click their tongues. Du Luo was really generous.

“I really envy you, Huixian.”

Su Huixian walked all the way in. Besides these rare and exotic flowers, there was also an exquisite banner with the words “I wish Miss Su a bright future.

“I wish you luck and happiness. I wish you both success in love and career.”

It looked like the hotel had prepared the banner.

When they entered the hall, they found that it was empty. However, the tables were all set up.

In the lobby, there was a large and expensive chandelier. The shiny silver cutleries were very eye-catching and luxurious.

The hotel manager came forward with a respectful smile. “Miss Su, please come in. Staff, hurry up and serve tea to the guests.”

Su Huixian and the others sat down at the table and enjoyed the delicious tea.

When Zhu Fenfen came back from the restroom, Zhong Xiu asked, “Why did you take so long?”

Zhu Fenfen said in a low voice, “The hotel is too big. I made a mistake just now and walked to the kitchen by accident. I saw a top chef checking the ingredients for tonight’s dinner. I heard that the ingredients are all the best and super fresh as they were flown in by air. He’s one of the best chefs around. We can really eat our fill tonight.”

Chapter 369: It’s The Same Wherever I Eat

“Really? Do you know anything good here?”

“I didn’t hear much, but I know they serve top-notch bluefin tuna.”

“That’s nothing. Although top-notch bluefin tuna costs more than 5,000 yuan a fish, it’s not something Su Huixian can’t afford to eat. Look at you making a fuss over nothing.” Zhong Xiu pouted.

Su Huixian smiled reservedly.

Obviously, Zhong Xiu was more sophisticated than Zhu Fenfen.

Zhu Fenfen said, “Yes, but I heard from the people over there that this fish is not just the meat of a top-notch deep-sea bluefin tuna but the flesh of its cheeks. The meat in its cheeks is the most tender and expensive. But you can only get two pieces of meat the size of a small fingernail for every fish. Usually, this kind of meat is not sold to outsiders. But tonight, the chef wants to serve such a dish. Isn’t it extravagant?”

Zhong Xiu was completely shocked.

Even Qiu Minxuan, who often followed Su Huixian around, could not help but feel touched. Rich people really knew how to enjoy themselves.

The discussion stopped, and Zhu Fenfen suddenly saw someone in the next hall.

There was a delicate and elegant screen between Hall 5 and Hall 6. If one did not pay attention to it, they would not notice the person opposite them.

Zhu Fenfen subconsciously thought that Du Luo must have reserved the whole hotel, so why were there other customers?

“Huixian, look, Hall 5 is still welcoming guests. Is the hotel not ready yet?” Zhu Fenfen asked.

“Let them be.” Su Huixian was in a good mood today, so she did not want to argue with them. “As long as it doesn’t affect us.”

Zhu Fenfen looked at the people across them seriously and said, “No, they look like Su Bei and Lv Shan.”

Everyone looked over and could see the two figures clearly.

This made Su Huixian a little unhappy.

Although the fake pregnancy incident had already died down, Su Huixian’s reputation had not recovered.

It was just that she was shameless enough to walk freely in the company. Any other female artist would have to rest for two or three months before showing up again.

Su Bei’s presence here would remind everyone that she had faked her pregnancy and miscarriage.

Su Huixian said to Qiu Minxuan, “Minxuan, go and have a look.”

What she meant was that Su Bei and Lv Shan had to have their meal somewhere else.

Qiu Minxuan immediately understood what she meant and walked toward the two women.

Zhu Fenfen and Zhong Xiu also went to watch the show.

Su Bei and Lv Shan were drinking tea and chatting when they saw Qiu Minxuan coming from Hall 6.

“Su Bei, what a coincidence,” Qiu Minxuan said with a smile, “But I remember that Qian Yu Entertainment Company didn’t invite you to their party today.”

“What party?” Su Bei was completely confused. She had not paid attention to anything related to them since she left Qian Yu Entertainment Company.

Thinking that Su Bei was pretending to be stupid, Qiu Minxuan’s face darkened slightly. “Su Bei, Lv Shan, today is a good day for Huixian and Du Luo. We’ve booked the entire hotel. I don’t know why you’re here. But let me give you a piece of advice. You can eat anywhere else you want. There’s no need for you to be an eyesore at this event.”

Su Bei leaned sideways and said calmly, "It's the same wherever I choose to eat, so I want to eat here. Can't I? The manager didn't chase me away. You're really taking the initiative to do this, huh? Why, don't you want to be Su Huixian's manager anymore? Do you want to be a waiter here instead?"

Chapter 370: How Envious!

Su Bei was too eloquent, so Qiu Minxuan was obviously defeated.

Zhu Fenfen spoke up for Qiu Minxuan, "Su Bei, don't you know that Mr. Luo is coming today? There are still a lot of reporters coming. Aren't you afraid that they'll spread rumors?"

"Are you a reporter? Or do you want to provide the reporters with hot news?" Su Bei raised her charming eyes lazily and looked at Zhu Fenfen.

Qiu Minxuan said, "Su Bei, I don't want to argue with you. Tonight is an important occasion. It's not appropriate for you to be here. Please leave with Lv Shan now. Otherwise, don't blame me for being rude."

"How can you be so rude?" A capable woman's voice was suddenly heard.

Tang Xinru walked in.

Her hair was tied into a bun, and she was wearing a professional suit as well as high heels. She looked very imposing.

The assistant and agent by her sides made her look like a queen on a pedestal.

Qiu Minxuan immediately recognized Tang Xinru. She was the vice-president of Shengtang Entertainment Company, and she had a lot of connections. In this industry, Du Luo, Su Huixian, and Song Ruinian combined were still incomparable to her.

Of course, Qiu Minxuan did not want to offend her, so she smiled and said, "Oh, it's you, President Tang. Nice to meet you."

She reached out her hand, but Tang Xinru did not shake it. She just walked past her. Obviously, Qiu Minxuan's attitude toward Su Bei had infuriated her.

Qiu Minxuan awkwardly withdrew her hand and asked, "President Tang, are you also here to attend Qian Yu Entertainment Company's grand event today? If so, please go to Hall 6 to meet Mr. Luo and the others."

She invited Tang Xinru without thinking.

In her heart, she was sure that Su Bei would not know someone like Tang Xinru. She must have come to the hotel because of Du Luo and Su Huixian.

Tang Xinru said calmly, "I have no idea when Huiyao Hotel was acquired by Qian Yu Entertainment Company."

As soon as she heard this, Qiu Minxuan's expression changed. It turned out that Tang Xinru was not here to attend the company's banquet.

Then why did she come here? Qiu Minxuan looked at Su Bei.

Tang Xinru was already greeting Su Bei. The two of them were talking and laughing, looking very intimate.

"Su Bei, come and meet your new agent, Yue Ze. Welcome to Sheng Tang."

"Su Bei, welcome." Yue Ze was a thin young man. He wore a pair of gold-rimmed glasses and looked very refined. He was a famous agent in the industry.

Qiu Minxuan hurriedly left Hall 5 in a sorry state. Zhu Fenfen and Zhong Xiu also hurriedly followed behind her and slipped away.

Seeing that Qiu Minxuan's face did not look too good, Su Huixian asked, "Su Bei refuses to leave?"

"She's signed on to Sheng Tang. Tang Xinru is celebrating with her in Hall 5."

Su Huixian's face darkened.

Sheng Tang had such a good reputation in the industry, and it turned out they wanted Su Bei right after she terminated her contract with Qian Yu Entertainment.

How envious!

Even Zhu Fenfen and Zhong Xiu looked envious. As models, who did not want to go to Sheng Tang?

"Who was there?" Su Huixian asked in a trembling voice.

"Tang Xinru. And she brought an agent and manager with her."

Su Huixian calmed down a little. Fortunately, Tang Xinru was not holding a big welcome party. They were just having a simple meal together, so there was no celebration.

Su Bei was just a small-time model. She did not have any outstanding achievements. How could she have Sheng Tang make such a big fuss over her?
