

The Heir's Revenge by Twine Twin Chapter 13

New Secretary

“You made a fatal mistake on your first day on the job. You’ve made our talk show ratings go down,” the producer said to a young girl who was bowing her head in front of him. “I’m sorry, sir. I really didn’t mean to. I promise not to repeat that carelessness again,” said the girl named Tiara. “Your mistakes cannot be tolerated. That’s why I have to fire you.” Tiara’s head that had been bowed down immediately lifted. Her eyeballs widened. “Sir, please don’t fire me, sir. I really need this job. Please give me a second chance.”

The producer shook his head. “As Mr. Dennis said on the show before, there are no second chances for people who waste their first chance. So please take off your cokarde.” Tiara felt her chest tighten, but she couldn’t do anything but take off her cokarde and leave the television office. Tiara went home with a sad feeling. Tiara is a fresh graduate who just finished her studies three months ago. After applying for jobs in many places, Tiara was finally accepted as a crew member at a television station. Tiara was so happy because that way she could support her life and her aging mother. Tiara’s mother originally worked in a laundry place. When Tiara was accepted for work, Tiara immediately asked her mother to stop working. But sadly, now she too has lost her job. The next day, very early in the morning Tiara was dressed quickly and left the house. She didn’t tell her mother that she had been fired because she didn’t want to make her sad. She was carrying a folder containing a job application letter, although she was still confused about which company to apply to. Suddenly a luxury car stopped by her side. A man got out of the car. “Miss, Mr. Dennis wants to meet you,” Lewis said to Tiara. Tiara seemed to frown upon hearing the words of a foreign man in front of her. “Who are you?” replied Tiara who didn’t recognize Lewis. “I am Mr. Dennis’ assistant. Come with me, Miss. Mr. Dennis is waiting.” “But, why does he want to meet me?” asked Tiara.

“You will get the answer after meeting with Mr. Dennis later.”

Tiara was scared and curious at the same time. But in the end she also agreed to enter the luxury car and left for the Argonius Company with Lewis. On the way, Tiara kept asking Lewis about what Dennis wanted to meet her for. But Lewis never explained.

Tiara was thinking, is Dennis angry because of the chaos on the talk show last night?

A few minutes later they arrived at the Argonius Company. Lewis immediately took Tiara to Dennis' room.

Dennis looked at the young woman in front of him. "What's your name?" asked Dennis who sounded cold, making Tiara feel even more scared. "N-my name is Tiara Margaretha, sir," replied Tiara with a bit of a stutter.

"I heard you were fired from the television office because of the mess last night, is that true?"

Tiara nodded her head. "Master, I am truly sorry for the mess last night. Please don't punish me either!" lamented Tiara. She fell to her knees for fear of being punished by Dennis.

"Stand up! I will not punish you," said Dennis later.

Tiara got up again. "I just want to give you a new job," continued Dennis. Tiara was dumbfounded to hear that, like she couldn't believe the cold-looking CEO would give her a job. "I know you accidentally made a mess at last night's show. That's why I don't think you deserve to be punished. It just so happens that I'm also looking for a secretary, are you willing?" Dennis asked, her tone already sounding friendlier. "Ready, sir. I am ready," said Tiara directly. She certainly would not refuse a new job that was given to her, especially at that time she really needed a job. "But I don't like people who are careless. I hope you can do your job well." "I promise I will do the best, sir," said Tiara earnestly. "Alright, then you can go straight to work from today on." "Today, sir?" "Yeah, right, Any problem?" "Nothing." "Lewis will explain what your duties are later," said Dennis.

Tiara nodded her head after that Dennis invited Tiara to get out of his room.

In the afternoon, after attending a meeting, Lewis approached Dennis. "Master, are you going to attend Raymond and Jesselyn's wedding tonight?" "Is the wedding tonight?"

"Yes, Sir."

"Oh, of course I will attend. I don't want to be called as a looser just for not attending their wedding." "You'd better not come alone to the party, I can contact Miss Bella Cathlin to be your partner tonight," said Lewis. "Do not do it. I'm not

going with Bella,” Dennis argued. “Why, sir?” “Hmmm, Lewis, don’t you feel Bella Cathlin getting closer to me? I started to feel uncomfortable. So I don’t want to make her even more hopeful of being able to have a special relationship with me.” “Then, are you going to come to the party alone, sir?”

Dennis was silent for a moment, his eyes moved to glance at Tiara who was standing behind them. “I will go with Tiara to the party.” Not only Lewis, Tiara was surprised to hear Dennis’ words. “Are you sure, sir?” said Lewis. “Yes, of course.” Dennis turned his head to face Tiara. “Tiara, get ready, you have to accompany me to a wedding tonight. Put on your best dress. Think of this as an overtime assignment from me,” Dennis ordered. “B-b-but I don’t have a dress, sir,” said Tiara, who was nervous at the thought of going to a party with the CEO. Dennis immediately took out a card from his wallet. “Buy an expensive dress and do your makeup at the salon. Use this card!”

Tiara also received the card and then excused herself to carry out Dennis’ orders earlier. Meanwhile, Dennis turned his body back to face Lewis. “Lewis, what about your plan to destroy Raymond and Jesselyn?” Dennis asked his assistant. “I’ll do it tonight, sir,” Lewis said. “Okay. Make sure everything goes according to plan.”

“Yes sir.”
