

The Heir's Revenge by Twine Twin Chapter 16

Hide Tiara

In the morning, Tiara woke up from her sleep. She looked around the room that looked very foreign to her, clearly a room with that size was not her room, and the soft bed was definitely not her bed. Tiara held her head in pain, she just remembered, last night when the lights in the middle of the party went out, Tiara tried to find Dennis, but in the end she tripped. Her head hit a table before she fell to the floor. After that, Tiara didn't remember anything else.

“Hmmh, looks like I fainted last night,” Tiara muttered. Suddenly ... Tiara's eyes widened when she found herself wearing a pajama that clearly didn't belong to her. But what surprised Tiara the most, who changed her clothes?

The door to the room was open. It looks like Dennis has just entered the room. “You're awake, Tiara? How are you?” asked Dennis.

Tiara immediately threw a sharp glare at her boss. “Mr. Dennis, what did you do to me last night huh?”

Dennis furrowed his brow. “What do you mean?”

“Why can I be at your house? And why can I wear these clothes? Are you ...” Tiara was unable to continue her words, “Have you done anything to me? Oh, God! I can't take all this. I do work for you, Mr. Dennis. But that doesn't mean you have the right to touch my body all you want. cursed Tiara.

Dennis gaped at Tiara cursing him like that. Dennis couldn't understand why Tiara could think like that.

While Tiara seemed to start packing.

“Tiara where are you going?” Dennis held Tiara's arm, but Tiara immediately brushed it off.

“Let go of me! Don't touch me again!” “Tiara? Why do you think like that to me? I didn't even touch your skin. The maid changed your clothes because I felt you wouldn't be comfortable sleeping in that long gown. The maid is also a woman.”

Dennis explained the real incident to Tiara. “Is it really like that?” Tiara didn’t seem to fully believe it. “Hmmm.” Dennis sighed. “Just check yourself, is there something missing from you? Or is there something wrong with your body?” Tiara was silent for a moment. “Wait here a moment.” Tiara enters the bathroom. In the bathroom, she checked her body to make sure no one had touched her last night. Tiara breathed a sigh of relief when she couldn’t find any traces, after that she went back outside to meet Dennis.

“All right, sir. I trust you. And I’m sorry that I accused you of all sorts of things.”

“You know I should have fired you for what you did to me earlier,” Dennis replied.

Tiara’s eyes immediately widened. “Please don’t fire me, sir. If you fire me, I don’t know where else to look for work”

Hila

“That’s why, be polite to me next time.” “Yes, sir. I’m sorry.” Tiara lowered her head while holding back embarrassment. Knock! Knock! Knock!

“Dennis!”

Dennis gasped when he heard his grandmother’s voice. Even though Dennis had intended to tell Tiara to leave the house before Mrs. Berlin woke up. “Dennis! Open the door!” cried Mrs Berlin again. “Hurry and hide, Tiara!” Tiara was still confused by her boss’s orders. Why did she have to hide? And who’s calling out there? But Dennis did not explain anything to Tiara, he immediately pushed Tiara to hide in the closet.

Unfortunately, Mrs Berlin opened the door first. Mrs Berlin was wide-eyed when she saw her grandson in the room with a girl. Mrs. Berlin actually had a report from Lewis that last night Dennis came home with a woman, that’s why Mrs. Berlin came to the room to make sure. “Who is this woman, Dennis?” Mrs Berlin asked Dennis. “Why did you bring a woman into this house without asking me first?”

Dennis stuttered, not knowing what to say. “I-I’ll explain, Grandma. Please calm down,” said Dennis.

“Explain now.”

“Hmm, this woman’s name is Tiara, Oma. She is my new secretary at the office. Last night she also accompanied me to a wedding. But there was an incident at the party and Tiara fainted there. That’s why I brought her here,” said Dennis.. “You brought your secretary to the party? Why don’t you come with Bella Cathlin? Bella Cathlin should be more worthy to be with me than this woman who doesn’t know where she comes from.”

Dennis and Tiara were both silent. But Tiara was sad to hear Mrs. Berlin’s words which seemed to be condescending. “Take this woman out of our house, I don’t want to see her any longer!” said Mrs. Berlin before leaving the room.

“I’ll do it Grandma.” Dennis answered quietly. As soon as Mrs. Berlin came out of the room, Dennis turned around to Tiara.

“Tiara, you have to leave this house right now. I’ll order Lewis to take you home,” said Dennis. “Why do you treat me like this, sir? Why do you humiliate me and make me have to accept such insults? Even though I never asked to accompany you to the party last night, but you asked me. I don’t come from a rich family, neither do my family. not a respected family like yours, but I still have self-respect. But what your grandmother said before, it really hurt me,” said Tiara with tears in her eyes.

In that very second, Tiara came out of the magnificent house. “Lewis, take Tiara to her house.” Dennis hurriedly ordered Lewis.

“Let the girl go home alone, sir. There are more important things to do right now.” “You’re denying me, Lewis? Didn’t I tell you, take Tiara home right now! Just because you raised me doesn’t mean you have the right to control me!” Lewis snapped. So Lewis was forced to obey Dennis’ orders. It was Lewis who had reported to Mrs Berlin that Dennis had brought a woman into the house last night. Lewis did that because he didn’t like seeing Dennis caring too much for the girl named Tiara. Lewis is more supportive of Dennis with Bella.

“Miss Tiara! Hurry up!” Lewis stopped his car on the side of the road.

“I can go home alone. I don’t want to get in that car again because I don’t want to be insulted again.”

“I don’t really want to drive you either, but if you don’t want to get in this car then Mr. Dennis will be mad at me. Hurry up! Don’t waste my time! What can you afford to go home to barefoot like that anyway?”

Tiara just realized that at that time she was also not wearing sandals or shoes, so Tiara entered the car until Lewis was finally driven home by her.

Meanwhile at Mrs Berlin's residence, Mrs Berlin was face to face with Dennis.

"Do you like that woman?" Mrs Berlin asked Dennis.

"No, Grandma." "Then why did you take her to the party?" "It's only because I don't have a partner." "You can take Bella Cathlin." "Grandma, didn't I tell you, I don't want to be close to a woman right now. If I ask Bella Cathlin she will think more and more that I want to date. I don't want to disappoint her."

"But if you date an obscure woman, then I will be disappointed. Dennis, you must realize, now you are the CEO of Argonius Company, you are my heir. You will be the center of people's attention. Whatever you doing, people will be talking about. Then you should also think about my every action. I don't want something like this to happen again."

Dennis was silent. Now he understands why his parents chose to run away from home. It turned out that Mrs. Berlin was not only strict in character, but also liked to impose her will.
