

# HER COMEBACK

## HC Chapter 17 - 18

The breath on Fu Beijiu's body suddenly turned cold.

He clipped up the wet money in his arms, and the corners of his mouth curled up into a cold smile.

This was the first time that he had been hit with money.

This woman, she was really a bit insensitive!

If he hadn't been mindful of yesterday's one-sided encounter, how could he have taken off his clothes and draped them over her!

Fu Beijiu laughed coldly.

As soon as he looked up, he saw a group of brothers on the shore surrounding Ye Yunla.

His eyebrows grew even colder and he followed them with quick steps.

Ye Yunla was surrounded by seven or eight men, but her face was not the least bit embarrassed or embarrassed.

Her gaze slowly panned over everyone present.

Sun Yan, the second youngest of the Sun family.

Wang Changqing, the heir to the Wang family.

The youngest of the Zhou family .....

All were prominent members of the gentry circle.

Four years ago ..... No, I should say five years ago when she was still in trouble, she had met with these people.

Only, these people all thought she was dead.

It was only impossible to think out of their heads that the one standing in front of them was Ye Yunla, the eldest Miss of the Ye family who had died four years ago.

"Beauty, why are you in the river?" Sun Yan hurriedly came up to strike up a conversation, "The clothes on you are wet, let me take you to the mall to buy a set?"

Since Fu Beijue couldn't hold this beauty, he would leave it to him.

He had been in love for so many years, there was no woman he couldn't take!

However!

However, Ye Yunla didn't even give him a look, her lips opened in a cold voice: "Get out of the way."

"Beauty, we've booked this venue for today, so it's not my turn to get out of the way, right?" Sun Yan smirked as he moved over, "Tell me your name and give me your contact information and I'll let you go."

The next second!

A pig-like howl rang out.

The crowd didn't even see how everything happened, and they saw Sun Yan being dropped to the ground in a very miserable manner.

Ye Yunla clapped her hands indifferently, "Second young Sun, you're still as shameless and nasty as before."

She kicked Sun Yan away and stepped away.

The crowd had long been shocked and no one dared to stop them at all.

"Sun Yan, are you alright?"

"I, I'm fine!" Sun Yan got up with difficulty, not caring at all about the pain on his body, and said with surprise, "Did you guys hear that, just now Beauty said that I'm still as shameless and nasty as before! That means that Beauty knows me, I told you, I definitely know her, I just can't remember for a while!"

Wang Changqing rolled his eyes, "Your Young Master Sun's reputation as a philanderer is unknown to everyone in all of Hai Cheng?"

Fu Beijue walked over indifferently, all cold air.

Wang Changqing pulled Sun Yan, "This woman is the one that Beijue has taken a fancy to, so you can take it easy."

Sun Yan said with a big grin, "What the hell, do you still want to find a stepmother for those two brats of yours?"

Fu Beijue snorted coldly.

He didn't even plan to marry his two sons' real mother, let alone marry a stepmother into the Fu family .....

Moreover, it seems that that woman also has a daughter .....

He was about to warn Sun Yan that it was best not to mess with married women who had children when his phone vibrated.

He scanned it and it was the Fu family's bodyguard.

"Sir it's not good, the young master has sneaked out again!"

.....

Ye Yunla left from Wangjiang Zhuang and didn't dare to drive to the cemetery again.

She wrapped her black jacket tightly and walked to the main road to take a taxi.

She was so beautiful and her figure was so extraordinarily attention-grabbing that the driver who was driving kept glancing at her in the rear-view mirror.

Only, her face was too cold and her eyes were like two cold knives, which was intimidating to look at.

The driver had the heart of a thief but not the guts to take the person to the lakeside villa area.

Ye Yunla paid the money and walked towards the district.

One foot had just stepped into the neighborhood when, behind her, a soft and sticky voice rang out.

"Woman, stand still."

This voice, déjà vu .....

Ye Yunla turned around and saw a white and tender little bun standing behind herself.

This child, wasn't it the one she had met at the airport the day before?

She was surprised, "Why are you here?"

Fu Ziling looked at her and took a step forward, his pair of eyes greedily staring at the woman in front of him.

As soon as the bodyguard found out about her, he couldn't think of anything else and came over.

He just wanted to see her!

He didn't know why!

Ye Yunla looked behind him, empty, and she frowned, "This time, you're not sneaking out again, are you?"

"No, I didn't!"

Fu Ziling denied it without even thinking about it, only the denial was so quick that it had the implication of a desire to hide the truth.

He pursed his thin little pink lips, "The cat I have is missing, I'm here to look for it, can you help me look for it?"

Ye Yunla had no way to refuse a child who was only four years old, she spoke softly, "What colour is your cat and how old is it?"

The two of them searched for the cat everywhere in the neighbourhood, while the Fu family, in a mess .....

## **HC Chapter 18 -**

Ye Yunla searched the whole neighbourhood with her little one, but couldn't find the cat.

She finally realised that she might have been tricked.

She stared coldly at the child in front of her, "Are you really here to look for the cat?"

Fu Ziling's heart tingled at such a look.

He was not a child who liked to lie.

But, without lying, he would have no valid excuse to stay with this woman.

The little one bit his lips tightly and didn't say anything.

Ye Yunla knew she had guessed correctly, she said lightly, "What's your name, where does your family live, I'll send you back."

Fu Ziling suddenly felt aggrieved.

He had travelled so far and risked so much to meet her, but not even half an hour after meeting her, she had to kick him out.

His eyes turned red with aggression, "I don't want to go back!"

He stared stubbornly at Ye Yunla, the aggression in his eyes almost turning into tears.

Ye Yunla's heart was instantly squeezed, and the feeling of suffocation spread throughout her body.

The two children in her family, the older brother who was obedient and understanding, and the younger sister who was well behaved and withdrawn, neither of them were crybabies.

It could be said that in the past four years, the two children had not cried more than five times combined.

But now, someone else's child was on the verge of tears in front of her.

She didn't know why she was suddenly a little heartbroken.

Ye Yunla sighed as she squatted down and said in a soft voice, "If you don't want to go back, then sit here for a while, but you always have to go home, otherwise your parents will worry."

Her voice was soft and gentle, like candyfloss, making Fu Ziling's aggression disappear instantly.

He could no longer control the turbulent emotions inside him and rushed over and jumped into Ye Yunla's arms.

Ye Yunla was caught off guard and was almost knocked over by him.

She picked the little one up and whispered, "There's a children's amusement park over there, I'll take you over there first to play for a while ....."

Only, just as she turned around, the sound of messy footsteps suddenly rang out behind her.

Before she had time to react, she was surrounded by people herself.

A dozen bodyguards dressed in black, with an aura that was even greater than the Ye family's bodyguards.

Ye Yunla thought it was Ye Xueying who had sent someone after her again, until behind the black-clad bodyguards, a man slowly walked up.

It was Fu Beijue.

His powerful aura was spread out, his body was full of ice and cold, and wherever his gaze went, it instantly became a cold winter moon.

Ye Yunla clearly felt the child in her arms tense up and tighten her body.

She hugged the child tightly and raised her eyebrows and said lightly, “Mr. Fu, it’s quite a coincidence to see you twice in the middle of the day.”

Fu Beijiu looked at the black jacket she was wearing, the same one he had draped over her two hours ago.

This woman hadn’t even changed the clothes on her body yet, and she was actually trying to get close to his son!

He narrowed his eyes, and there was a sneer in his voice: “You have investigated my Fu family so well, and what exactly do you want by approaching the Fu family again and again?”

His two sons were so well protected by him that the outside world didn’t even know that he had sons.

But this woman, however, managed to approach Fu Ziling with precision!

Fu Ziling shrank into Ye Yunla’s arms, his little face turning white with fear.

He sensed Daddy’s anger.

He was afraid that he would end up miserable .....

Ye Yunla gently patted his back, her brow furrowed as she said coldly, “Mr. Fu, I still want to ask you, what exactly do you want when you barge into the neighborhood where I live with so many bodyguards?”

The two men faced each other with all eyes, and the smell of smoke filled the air.

The sneer on the corner of Fu Beijue’s mouth grew deeper and deeper.

This woman, she was really not afraid of death.

The tip of his tongue plodded against his upper jaw and he spoke coldly, “Fu Ziling, come here.”

As his voice fell, Fu Ziling’s body trembled.

Ye Yunla glanced at the child in her arms, and then at Fu Beijue, and suddenly raised her eyebrows.

She pursed her lips and opened her mouth to ask, "Your name is Fu Ziling?"

The little one's face turned even whiter.

"I'll count to three, if you don't come over again, you know what the consequences will be."

Fu Beijue's face was filled with cold ice, and impatience surfaced in his eyes.

Before he could even shout, Fu Ziling jumped out of Ye Yunla's arms.

He moved slowly, and before he could walk over, he was picked up by the back of Fu Beijue's collar and thrown into the arms of the bodyguard behind him.

"Take the little young master away!"

Duke Fu ordered coldly.

The bodyguard dared not disobey and carried the young master away.

Fu Ziling stubbornly yelled, "Daddy, I snuck out on my own to find this woman, it has nothing to do with this woman, I admit to whatever punishment, don't take it out on others!"
