LOADS OF LOVE - MYRA

NANDINI POV:-

i felt tired and had no energy in speaking lying on manik's chest and we were probably glowing in a ere ects of love making . He was making a face a di erent one that i have never seen before . I smiled and asked him in a low voice " What's with that face ?" , which face he said pushing my hair away from my chest i know he was probably trying to distract me from my question . "What's that face i asked ?" i ordered him to answer in a timid voice he winked and said " Am happy because i know we are okay and you still trust me enough to get intimate it feels like my insecurities ran away from my mind .

I smiled at him i didn't know what to tell him but i know that he would still want with me even and it felt good to finally realize that he choose me over a selfish yet hot homewrecker. I smiled happily letting that go if she tires to take him i will protect him a er all he is mine . I wanted to ask him something from long so i asked looking at the ceiling scared of his reaction "If we declare our marriage in public ? i mean declare the media and all that , do you wish me to change my name ?". He looked at me with a blank face and stared at me for a while i guess he is thinking and his thoughts e ect mine too , he held me in his lap so that we could sit i was eager he was getting serious about whatever he was planning to tell i gulped and got ready squaring my shoulders in a businesslike to let him speak " I don't know about you changing your name i loved you the way you are including your name and i know you are habituated being nandini murthy and i don't think i want to take it away from you because your dad gave it you , i feel for you long ago and then i loved the way your name was and i don't really like the idea that a girl's supposed to change her name a er marriage ".

I looked at him with wide yes purely in shock i didn't expect him to be like this i thought he would go all possessive and tell me to change and make people know am his girl but his words bought tears to my eyes i looked up to stop them from falling on his chest . he smiled and kissed my cheeks " When you are crying your lips get more so and pink " then he kissed my lips ." am so lucky to have you , you have no idea how much your words mean to me or any women in the world no wonder sneha wants you and i never knew you were a feminist ?" I asked in pure wonder , every day with this man was like being in forest you get strong and learn new things everyday .

He sco ed at my words" Oh ! please look at this body all women want a piece of me and am yours. you have to know this all real men are feminists because they are taught to treat women as fucking queen's they are ". i was wondering to invite him for a women's march organised on coming women's day he could be a chief guest then i think it will be success.

He was busy blowing air to my pink points chest while i was looking at him , he smiled when i shivered i think he likes to play with my body and we create our own music of love and passion . " SEX OR SLEEP ? ' i asked boldly wishing him to choose sex because i was feeling the need for him again . " sleep i would like some sleep and even you need some sleep stop frying me it's enough of meat for today , tomorrow i will serve you at your choice of place".

My stomach clenched at his words just a few words and he can make my blood pump crazily inside my veins .i thought not to argue and have meat tomorrow ' baby ! take me to bed i need to sleep i feel tired ' i said and closed my eyes sleepily feeling his chest against my chest i heard him grunt he li ed me o the table and was walking mostly towards the bedroom . But he took me bedroom and wiped my face o with a so we towel and walked to bed room . He dropped me on bed an searched my clothes i called his name and he turned i gestured him to see under my bed .

i was cold without and hot with him roaming in our bedroom naked and giving me chills. I felt an urge to laugh so i laughed loudly manik found his T-shirts i hid under my bed i said " i missed you and so kept them they smell like you and i could sleep . his eyes flashed a look of disappointment and guilt . i wanted him o that mood so i said" You know am laughing because you are not the only guy i saw naked and that's just so weird , he snapped his eyes at me i know his mood is changed "WHAT ? WHO IS THE GUY YOU SAW LIKE THIS ? GIVE ME HIS ADDRESS AND I KNOW YOU ARE A VIRGIN , WHAT WAS YOUR AGE WHEN YOU SAW HIM LIKE THAT ? " i laughed at his outburst and held his hands . HE looked at me gently an slipped his t-shirt on me and pushed me on the bed joining me a er wearing a pair of boxers, thank god i couldn't think straight with him stark naked around and all over me .

"ABOUT THE GUY YOU SAW NAKED OR THE GUYS YOU SAW NAKED I WANT THAT LIST NOW " he said in a dark cold voice , oh i was just joking " guy is the name of my neighbors dog and i think dog's are always naked manik ". i smirked at his face that held shock , amusement and something more . He held me and laughed moodily , it was TAYLOR swi to my ears and i slept in a dreamless sleep
