NANDINI POV :-

After a few drinks i sat and spoke to mukthi while soha and alia danced with each other ignoring the dance requests they got from guys. i think i drank a little not that little but a little more . It was my first time drinking oh it makes me feel so lazy, hazy and manik sick . oh i wasn't homesick i was manik sick i missed him a lot but he hurts people when he is angry but he hurts so much that i feel so dead inside .

"ARE YOU SURE I can't punch him in the face ?" i asked mukthi i wanted to punch manik when i see him next time . she said " YES , YOU CAN'T PUNCH HIM". " What if i broke his nose just a little ?". i left her and went to dance with those girls . We danced for a while i got tired and sat near the bar stool. Alia sat and said " I like this guy i have a crush or something more on him but he acts like such an asshole but let me tell you he is an hot asshole . he ignores my texts replies after a month doesn't call only . i don't know what to do that's why i drank tell me what's your reason for drinking?"

oh girl not just me everyone had their own boys and problems to deal with in life ." Am drinking because of zombies, bees , dragons and vampires" i said keeping my hands on her shoulder " what about manik ? spill the beans already ?"

" He is hot and good in bed but he is being a little crazy and it feels like we are falling apart and i can't do anything about it . i kind of feel helpless and hate being helpless". 'oh baby it will be alright' she said with a small sad smile . i needed to pee so i got up and left to washroom after coming from there i took my phone and called manik he picked on first ring. good he was waiting for me . he wants my attention i will give it to him then

" Nandini , baby you aren't home ? where the hell are you ? you didn't go to college today".

'Manik i need to tell ask you something ? something ? ' my voice was slow and slurred oh i wanted to speak fastly .

" What is it?"

" ARE YOU A CIGARETTE ?"

"What is that question ? why ? "

" Because i think you are injurious to my health you make my heart beat fast and all . but i still want you around me" i said more slowly than before. i heard his chuckle before he asks about my whereabouts i switched off the phone and smiled in the mirror near the exit door. I sat in the parking lot outside looking at the stars while drinking vodka . Mukthi, alia and soha came holding hands after an hour or less. i felt like hearing his voice so i switched on my phone as we went to have the last drinks.

" WHY DO YOU SWITCH OFF YOUR PHONE ? MA COMING TO PICK YOU TELL ME YOUR ADDRESS ?"

oh drunk manik was hot and he is angry i imagine his red face with that scowl on his pretty pretty face and said " Manik i don't want you to pick me up ". i smiled at my drink and had it in one go . i had drink and then a guy sat side of me he smiled and raised his glass in air for me we cheered and drank.

" nandini what are you doing ? " oh i forgot manik was still there on call i closed my eyes and spoke softly "Manik i just had a screaming orgasm with his guy and now bye don't disturb me darling husband " i hang up on him . i jumped off the bar stool ignored the cheering guy and found my girls and went to mukthi's home because it was nearby and cab driver was good to us.

I didn't change my dress i collapsed on her couch throwing my boots in a corner after closing the door .
