

### Chapter 1449: My Eternal Princess

Holding Su Bei's hand, Lu Heting took off his jacket and draped it over her shoulders. Surrounded by bodyguards, he walked through the crowd and got into his car.

The bodyguards fended off the reporters and fans, and the two of them got into the car. The windows rolled up, shutting out the noise and bustle, leaving only the quiet space.

Lu Heting was still holding Su Bei's finger. She tilted her head and smiled sweetly. "In the future, everyone will know that you're my husband. You won't be able to fool around even if you want to."

"Do you think I have any intention of fooling around? I can't wait for the whole world to know that I'm your husband so that more people will know my identity." Lu Heting laughed and rubbed his fingers on her face. At this moment, she had sharp eyebrows and thin lips. Her smile was extremely sweet, making people fall for her contradictory yet harmonious charm.

"You make me sound like a queen."

"You're not a queen. You're my eternal princess." He brushed a hand over her long hair, then placed his fingers on the back of her neck. He pulled her close to his thin lips.

He kissed her. Su Bei raised her neck and gave in to him. He brought her close to him again and took the initiative to ask for more.

...

Tonight was destined to be a sleepless night on Weibo.

Every one of the articles the reporters published was explosive.

Anyone who was related to Lu Bei and Su Bei rushed to the front of the trending searches.

[Lu Bei was framed by Wang Jiarou.]

[Lu Bei reprimands scumbag for lying to him.]

[Zhang Yang arrested.]

[Zhang Yang is suspected of tax evasion and fraud.]

[Lu Bei and Su Bei are the same person!]

[Su Bei was disguised as a man!]

[Su Bei and Lu Heting are married.]

[Lu Heting shows off his love in public.]

[How to repay kindness with kindness.]

Below each post, fans were making all kinds of comments.

[Wang Jiarou can't be trusted at all. Lu Bei is a girl! How did she get Wang Jiarou pregnant?]

[Since she could lie about being pregnant, she's definitely a bad person. To think that someone like Zhang Yang would help her. It's obvious that Zhang Yang is not a good person either.]

[Previous poster, Zhang Yang truly isn't a good person. He has already been exposed by Lu Bei, no, Su Bei. He was just using the excuse of helping the weak to swindle people. He wasn't helping people at all; he was simply swindling them!]

[No wonder. A lie like Wang Jiarou's can be exposed so easily, yet Zhang Yang still dared to ask for money so openly. It's obvious that he did it for the sake of benefits. He might have the guts to do this sort of shady business because he thought that Mr. Lu wouldn't care about Lu Bei anymore. Unfortunately, Lu Bei is Su Bei. Mr. Lu probably thinks of him as a clown, right?]

[Speaking of which, Su Bei actually disguised herself as a man and deceived my feelings.]

[What did he lie to you about? Lu Bei didn't do any public activities, nor did he earn money in the name of an artiste. He was just having fun with Mr. Lu. Why can't he do that? You guys are the ones who wanted to take advantage of Mr. Lu. Now that you're done, you're blaming him? Mr. Lu isn't a public figure either, right? He was extremely low-key previously, and he never asked you for your support.]

[That's right. I couldn't understand Su Bei before, but when I thought about it carefully, it does make sense. Lu Bei didn't do anything, nor did he endorse anything. I can accept that.]

[Speaking of which, Lu Heting and Su Bei are very loving. They've been married for six years, but they're still so in love with each other. I think some people shouldn't be jealous, especially people like Wang Jiarou. If you don't understand the situation, don't kick up a fuss or you won't know what sort of deep trouble you'll get into.]

[In the end, it's all Wang Jiarou's fault. Previously, she wanted to marry into the Lu family but left for her true love. Now that Lu Heting and Su Bei are married, she reappeared to talk nonsense. If Lu Bei wasn't Su Bei disguised as a man, this matter wouldn't have been cleared up. Even if it was, what state would Lu Bei be in? So girls and boys, you have to protect yourselves out there!]

Some fans who liked Lu Bei and Lu Heting had indeed abandoned the ship.

However, the data also showed that more fans had accepted Su Bei and Lu Heting.

After all, looking at Su Bei's and Lu Heting's faces, it was difficult for the fans to refuse.

Lu Heting's face was especially abstinent and cold, making people feel that he wasn't from this world.

However, when he stood with Lu Bei, they looked very compatible.

Now that he was with Su Bei, they looked good together.

Was there anything about them that didn't match?

Fans of the Double Lu ship were still discussing. Everyone decided that in the future, they would still be called the Double Lu ship!

Su Bei's fans smiled like middle-aged women. [I was really worried about what kind of husband Su Bei would find in the industry in the future. But now, I'm not worried at all! My daughter is really good. She quietly found herself a great husband!]

[That's right. I originally thought that I would be satisfied as long as she could find someone of Lu Weijian's level. I didn't expect it to be Mr. Lu! It's Mr. Lu! Oh, I feel like an old mother whose daughter has found a good husband. In the entire S Country, who else could be better for Su Bei besides Mr. Lu?]

[Fans of any other ships, hurry up and retreat!]

[Su Bei is really something. She did what I could've never imagined. She got married at 18!]

There were also some opposing parties who started criticizing Su Bei's marriage.

[An idol was actually secretly married. Is that not considered idolism? Is that not considered deceiving fans?]

However, these comments were quickly refuted by Su Bei's fans. [Su Bei isn't an idol! Su Bei has been a capable artiste since she debuted! She used to be a model, but now she's a proper actress! She doesn't need to report her marriage to anyone, and she has never been an idol!]

[Those idols who don't have any skills must be squirming in their seats right now. They're starting to get jealous, right? Besides, when did our Su Bei become an idol? Have you ever seen her act in an idol drama? Two Phoenixes, Boxer, and Mother... There was also that political movie. Which movie has to do with idols?]

[An actor who speaks with their strength doesn't need to reveal their private life to the public! Su Bei doesn't owe anyone anything!]

The discordant voices quickly dissipated with these well-founded arguments. All that was left were blessings and envy.
