

Hidden 1628

Chapter 1628 Amazing!

All of them followed behind Lin Wenyu fawningly.

When Lin Wenyu's phone rang, she accepted the call without thinking. She pressed the speaker button and placed it on the notebook she was holding. "Hello?"

"Wenyu, let me tell you a piece of news. Your mother is planning to arrange a blind date for you. Be mentally prepared."

Lin Wenyu: "..."

Lin Wenyu said, "Yeah, I'm gonna prepare."

She was gonna prepare to argue with her mother when she got home!

She didn't need a blind date at all, okay?

If there was someone in the family's social circle that she liked, she wouldn't have waited until now!

Su Bei hung up.

The group of people behind Lin Wenyu was so frightened that they didn't dare to look at Yuan Haoyang's expression.

Sister-in-law said that she was preparing to go on a blind date!

Was Sister-in-law not with Brother Haoyang yet? Why hadn't Brother Haoyang confessed?

"I'll get some more water."

"I'll get more ice cream."

Everyone dispersed.

Lin Wenyu put away her phone and took a deep breath.

Yuan Haoyang stood beside her and asked in a lazy tone, "Are you going on a blind date?"

"Why should I go on a blind date?" Lin Wenyu asked.

Yuan Haoyang stood up straight. Before his face was filled with joy, he heard her say, "I have someone I like. Of course, I won't go on a blind date."

The person she liked? Guo Xintao?

The joy on Yuan Haoyang's face disappeared.

After saying that, Lin Wenyu looked a little unnatural. She lowered her head and continued to evaluate the equipment.

Of course, she had long disliked Guo Xintao. Now, he had been replaced by someone else.

She did like him, but she did not dare to like him very much.

Even Guo Xintao, whom she had known for a long time, turned out to be such a two-faced hypocrite. What would the others be like behind the fans' backs?

Lin Wenyu glanced at Yuan Haoyang from the corner of her eye. She did not dare to think about what kind of person he truly was.

Once bitten, twice shy.

"Is Guo Xintao that good?" Yuan Haoyang snorted.

Lin Wenyu didn't say anything. She wouldn't say anything bad about him just because she had stopped being a fan. After all, she had liked him for so long. All she could do now was quit being a fan and stop paying attention to Guo Xintao.

But she couldn't slander him.

After Lin Wenyu finished her evaluation, Yuan Haoyang did not personally send her off. Instead, Ah Guo sent her off.

Yuan Haoyang lay down on the sofa, dug out a can of beer, and took a big gulp.

"Brother Haoyang, what's wrong with you and Sister-in-law?" the violinist asked as he sat beside him.

He gave him a kick. "Who's your sister-in-law?"

"Doctor Lin, of course. Doctor Lin is so good, capable, and beautiful. She's good enough to be our sister-in-law."

"Don't call her that. She might not even be willing to be your sister-in-law." Yuan Haoyang took another sip of beer.

"Why? Brother Haoyang, you have good looks, a good figure, and come from a good family background. Sister-in-law isn't someone without good taste. How can she not be willing?"

Yuan Haoyang sat up, his body shrouded in indescribable loneliness. "She likes Guo Xintao."

However, Guo Xintao's style was completely different from his. He could not even change it.

He had seen the photos of Guo Xintao she edited, the videos she made, and the cartoons she drew. She had put her heart and soul into those things.

She did all that for Guo Xintao, but he was not touched at all.

Not at all.

The violinist was stunned. "Guo Xintao?"

He also remembered that Lin Wenyu was once Guo Xintao's fan, but Yuan Haoyang was Guo Xintao's biggest rival!

From the moment the two of them debuted, the fans of the two had been fighting fiercely. There had never been a moment of peace.

It was said that a pair of biological mother and daughter would also turn against each other for them. Sisters would be irreconcilable, while brothers would fight each other!

Therefore, if Lin Wenyu was Guo Xintao's fan, she would definitely not like Yuan Haoyang!

The violinist also felt that the matter was far more difficult than he had imagined.

He rubbed his hands and comforted him. "But she doesn't like Guo Xintao anymore. Haven't you seen that she hasn't even edited a photo for Guo Xintao yet?"

"Who knows?" Yuan Haoyang lowered his head.

She could just change her Weibo account and continue to give her soul to Guo Xintao.

Meanwhile, he was just a patient she had accidentally saved.

The violinist thought for a while, patted Yuan Haoyang's shoulder, and said, "Brother Haoyang, don't be discouraged. You also have super awesome fans! Don't you know that you've gained a really awesome fan recently? Her photoshop skills are simply superb! You don't lack what Guo Xintao has! Here, take a look at your photos. They're simply amazing!"

If it were any other time, Yuan Haoyang would have kicked him and said, "I'm handsome to begin with." Then, they would laugh and mingle.

However, at this moment, the man who had always been in control of the entire stage did not raise his head. It was as if he did not hear anything. He maintained his previous position and did not move at all. He was like a statue.

The sunlight shone in and shone on him, outlining a deeper sense of loneliness.

The violinist was about to say something when someone stepped forward and covered his mouth, taking him away.

The guitarist couldn't help but scold him, "What do you think you're doing? Does Brother Haoyang lack a fan? He lacks a wife!"

...

In the past few days when Lin Wenyu was at work, Ah Guo often came.

Sometimes, he would ask her about the first aid method. Sometimes, he would just buy some snacks to thank her.

He came often and finally found out that the Lin family had arranged a blind date for Lin Wenyu at eight o'clock on Saturday night.

"I've asked around. It's eight o'clock on Saturday night. He's the son of a family friend. I heard that he's a young talent with money and good looks." Ah Guo immediately spread the news to the people on the team.

"But didn't you say that the person Doctor Lin likes is Guo Xintao?" someone asked.

"He's just a celebrity she likes. Life is life. Do you understand?"

“Oh, so Doctor Lin is going to attend the blind date, get engaged, get married, and have children?”

“Shh!”

Ah Guo said, “Stop arguing. Think of a way.”

Everyone put their heads together to think of an idea.

Saturday afternoon.

Lin Wenyu had just finished surgery and looked tired.

When she received Qin Zufang’s call, she sounded a little tired. “Mom.”

“Are you ready for tonight’s date? He’s your Uncle Ling’s son! You have to go see him and have a meal with him. You can’t ignore him, do you understand?”

“Mom, I already said I’m not going!”

“That won’t do! We’ve already agreed!”

“I still have an operation to do!”
