Chapter 1630 Would Give Up Her Soul For Him

“Tsk, tsk, tsk. If Doctor Lin doesn’t like such a good man like Brother Haoyang, then no one else will be worthy of her attention, right?”

“Have you forgotten about Guo Xintao?”

“Guo Xintao can’t compare to Brother Yang!”

When Lin Wenyu rushed down, everyone was still discussing.

Seeing her, everyone stood up in unison. “Sister-in-law!”

Lin Wenyu pursed her lips and held back her tears. She looked at the faces of the group of people in front of her and sneered silently. It turned out that this group of people had joined forces to trick her into Yuan Haoyang’s bathroom!

She finally understood that these people did not have any sense of respect!

They were no different from Guo Xintao!

She glanced at them and walked out with her head held high.

“What’s wrong with Sister-in-law?”

“She looks like she’s been crying.”

“Did we go a little overboard?”

“What the hell is Brother Haoyang doing upstairs?”

“Sister-in-law... looked at us with disdain. Did we really do something wrong?”

While everyone was still in a daze, Yuan Haoyang rushed downstairs in a mess.

“Brother Haoyang, what’s wrong with Sister-in-law?”

Yuan Haoyang’s mind suddenly flashed as he glared at them sternly. “What the hell did you do?”

“We called Sister-in-law and told her that you fainted... Hey, hey, hey, Brother Haoyang, don’t do anything rash. We did it for your own good. Otherwise, she’ll be engaged and married to someone else...”

The crowd was in chaos, but before Yuan Haoyang could punch and kick them, he had already rushed out.

Lin Wenyu strode to the car she had abandoned just now. The car she had hit was still parked at the side.

She got into the car, and there was a knock on the window. A familiar face was outside. He stretched out his finger and knocked on her window in a measured and regular manner.

She rolled down the car window and looked at Guo Xintao outside. For a moment, she felt like she was in a dream. Her rationality returned, and she knew that this was a villa area. Because it was a private neighborhood, there were many celebrities staying here. It was not strange for Guo Xintao to be here.

“What?” Lin Wenyu’s tone was not very good.

Guo Xintao did not expect that someone would talk so coldly to him since he was a big star, let alone someone who was a former fan. It seemed that he was not very likable.

“Doctor Lin, did you leave this for me?” Guo Xintao held a business card in her fingers.

Only then did Lin Wenyu realize that the car she had hit just now was his.

Since that was the case, she had no choice but to get out of the car and apologize. “I’m sorry. I drove a little too fast just now and hit your car. Let’s report it to our insurance companies. I’ll compensate you and get your car fixed.”

Guo Xintao glanced at her. She looked cold on the surface, but there were probably many ways to get close to her.

He then glanced at her car. It was a beautiful sports car typically driven by women. It was expensive. It was either she was rich or her family was. She was not the kind of person who approached men for money.

Looking at her appearance again, she was not inferior to that night. Her facial features were exquisite and beautiful. She was a little charming and full of temptation. Although she had a straight expression and her eyes were a little red, it made her look even more... beautiful.

Guo Xintao said in a low voice, “Reporting it to my insurance company... I can’t afford to waste my time. Besides, I don’t want the outside world to know about this.”

“Then what do you want me to do?” Lin Wenyu asked.

“Why don’t you... have a drink with me?” Guo Xintao said with a smile.

Lin Wenyu naturally wouldn’t agree to that. It was already her greatest kindness to not step on him after leaving the fandom. Even though Guo Xintao appeared gentle, his gentleness couldn’t pierce her heart at all.

She was about to mock him when Yuan Haoyang, who was a few steps behind, ran over with an anxious expression. “Wenyu, listen to my explanation!”

Lin Wenyu crossed her arms and looked coldly at Yuan Haoyang. He had changed into a T-shirt and a denim jacket. He was barefooted and running over while panting.

She couldn’t bear to see him like this, but the teasing just now was too outrageous. It was hard for her to forgive him for making such a joke, and it was even harder for her to forgive herself for showing her true feelings and being caught red-handed.

She felt guilty, embarrassed, angry, and uncomfortable as if she had been caught. Hence, she could only hide her true emotions with indifference.

“Yuan Haoyang?” Guo Xintao looked at the man in front of him and could not believe that he was being so antsy.

“Guo Xintao!” Only then did Yuan Haoyang notice that Guo Xintao was standing beside Lin Wenyu.

He felt as if he had been suddenly struck. The huge stone in his heart pressed down on him, making him unable to breathe. Lin Wenyu liked Guo Xintao so much that she could give up her soul for him... Wasn't what he had done a little too stupid?

Yuan Haoyang's usual lazy expression appeared on his face again, replacing the anxiety from before. He said, “Doctor Lin, I want to say a few words to you.”

The address was changed to Doctor Lin, and a sense of estrangement arose between them.

Lin Wenyu said calmly, “If you have anything to say, just say it.”

How could Yuan Haoyang say anything in front of Guo Xintao?

His pride could be stepped on by Lin Wenyu, but he could not be stepped on by Guo Xintao!

“I want to talk to you alone.”

“Wasn't it just a physical examination? Is there anything that can't be said out in the open?” Lin Wenyu said.

She was severing ties with him. They went from being casual friends to a strictly doctor-patient relationship.

Yuan Haoyang gritted his teeth.

“Since you have nothing to say...” Lin Wenyu looked at Guo Xintao. “I agree to your offer just now. Let's have a drink together.”

“My car was hit,” Guo Xintao said with a smile.

“Get in my car,” Lin Wenyu said.

Yuan Haoyang clenched his fists. Guo Xintao smiled at him. When Guo Xintao walked past him, he said in a low voice, “I originally suspected that she being my fan and liking me was fake. Now, I know that she's just being arrogant.”

Yuan Haoyang really wanted to punch him in the face and wipe that fake smile off of his face!

He took a deep breath and restrained himself.

Lin Wenyu's car slowly drove out.

She was driving, but she was not in a good mood. Guo Xintao had chosen a cafe, so she stopped the car and followed him in.

This was a very expensive cafe, so no one was surprised to see Guo Xintao here.

On the contrary, they were only paying attention to him because of the excessively beautiful woman standing beside him.

Guo Xintao pulled out a chair for her and ordered.

Lin Wenyu did not say anything the entire time. She had a lot on her mind.

Guo Xintao could tell that her relationship with Yuan Haoyang was definitely not that simple.
