C32 That's What I'm Gonna Do to You!

*

After hearing this, Liang Jun's legs went soft and he directly fell down from his chair onto the floor. He seemed to have received quite a bit of shock. He lay paralyzed on the ground for a long time, and at this moment, he felt a stinging pain on his face, as if someone had slapped him a few times. He had put out his entire five million assets to invest. He thought he could pretend to be a rich Tycoon, but he didn't expect that this would be the result. He acted like a retard in front of Shen Xue and Wu Tian. In the end, Wu Tian humiliated him without saying a word. He had utterly lost his face. Who would have thought that the owner of the restaurant, where he wanted to use his assets and buy shares from, would belong to Wu Tian. He felt like he had no way out of this embarrassing situation

"Are you alright?" Chen Gang hurriedly helped Liang Jun up from the ground and asked with a concerned smile.

"I ..." Liang Jun's expression was stiff and he felt very uncomfortable.

How could he be fine after suffering such a huge blow?

"Our Boss Wu is a very nice person. Why don't you talk to him about buying the shares?" Chen Gang suggested with a smile.

*

Liang Jun turned around and looked at Wu Tian as he fiercely swallowed his saliva.

If he were to talk about buying shares with Wu Tian now, he wouldn't be even have the face to open his mouth at all.

Wu Tian, whom he looked down upon, suddenly became the person he had to look up to. What kind of experience was this?

"Boss Liang, you want to buy shares in my restaurant?" Wu Tian looked at Liang Jun with a cold tone.

"I want to buy shares ..."

Liang Jun clenched his teeth bitterly, but before he could finish, he was interrupted by Wu Tian who said in a deep voice: "Don't even think about it. One, our restaurant is not short on money and doesn't accept any investments. Two, our restaurant doesn't accept trash."

"You ..." Liang Jun was so angry that the corner of his mouth trembled, but he didn't know how to

respond.

In an instant, he felt like there was a huge difference between him and Wu Tian, as if there was a huge mountain separating the two of them.

"If there's nothing else, Director Liang, you can leave." Wu Tian leaned his body against the chair and warned coldly, "I hope that Director Liang won't disturb Xiao Xue in the future. Otherwise ..."

*

Before he finished, Wu Tian threw the cup in his hand onto the ground.

A shocking crisp sound rang out. Liang Jun was so shocked that his body shrank and his heart tensed up uncontrollably.

He raised his head and glanced at Wu Tian, then turned around and dispiritedly left with his bank card.

Right now, he no longer had his usual arrogance and might. He was like a rooster that lost in a battle, dejected and disheartened. He probably wouldn't have the courage to fight with Wu Tian for a woman again in the future.

After Liang Jun left, the atmosphere in the restaurant gradually eased up.

"Thank you." Glimmers danced in Shen Xue's eyes as she revealed a slight smile, "After being scared by you, Liang Jun probably won't dare to bother me anymore."

"I hope he knows his limits and doesn't force me to make a move." Wu Tian did not think much of it. He did not even put Liang Jun in his eyes.

"Alright, I'm full. Let's go." Shen Xue wiped her mouth with a tissue and raised her head to look at Chen Gang. "I'll pay. How much?"

"How much is it?" Chen Gang turned his head and looked at Wu Tian as he asked in an inquiring tone.

Logically speaking, if the boss brought his woman to his restaurant for dinner, it was usually free of charge.

However, if he didn't collect the money with the suspicion of flattering him, wouldn't he be scolded by the boss?

"What are you looking at me for? Are you actually planning to ask her to pay the bill?" Wu Tian glared at Chen Gang and asked with an unhappy expression.

"No need to pay." Chen Gang was so shocked that he hurriedly waved his hand.

Meeting such a boss who didn't play his cards according to the rules truly made him tremble in fear, scared that he would accidentally make a mistake.

*

Seeing Chen Gang being so timid in front of Wu Tian, Shen Xue laughed.

Her smile immediately eased up the tense atmosphere

At this moment, a waiter came up with a pastry, "Boss, this is our restaurant's newly released couple cake."

"Good."

Wu Tian nodded in satisfaction and said to Shen Xue with a smile, "This pastries will help us digest the food. Let's finishing eating this before we leave."

"There is no way I'm going to eat it. You go take your time and eat it yourself." Shen Xue threw down those words, got up, and ran out of the room in a huff.

*

Only then did Wu Tian remember that it was a couple's cake. No wonder Shen Xue was angry. He could only say that this girl was too sensitive.

"Both of you better eat this, don't waste the food."

Wu Tian instructed Chen Gang and the waiter before quickly catching up to Shen Xue.

After dinner, the two returned to the driving school to practice their driving skills.

The coach was a young man in his thirties, named Shao Qiang. He was especially strict with the male students and much friendlier towards the female students.

Shao Qiang took special care of Shen Xue and gave her the most chances to practice.

Wu Tian soon found out the problem in this. Shao Qiang looked at Shen Xue as if he was a greedy cat looking at a fish, with his eyes wandering all over her body.

From the looks of it, this shameless coach was trying to take advantage of Shen Xue.

At first, it was fine. However, Shao Qiang became bolder and bolder. When Shen Xue wasn't paying attention, he reached out his hand to take advantage of her.

Wu Tian grabbed Shao Qiang's hand and berated him, "Coach Shao, you are really shameless! You actually try to taking advantage of a student!"

"It's none of your business. Let go!" Shao Qiang had been caught red-handed, but not only did he not repent, he was even acting extremely arrogant.

*

Wu Tian swung his fist and punched Shao Qiang in the face, "Scum, I have already tolerated you for a long time."

Previously, when this scum was trying to take advantage of the other female students, he pretended not to have seen it. However, this time, Shao Qiang was planning on taking advantage of Shen Xue. How could he endure any longer?

"You actually dared to hit me ..." Before Shao Qiang could finish his sentence, he was punched in the face once again and screamed miserably.

"I think you really do deserve a beating." After Wu Tian said this, he rushed forward, then punched and kicked Shao Qiang.

Soon, a piercing scream akin to a pig being slaughtered resounded from the driving school. Shao Qiang was beaten bloody and bruised. He bared his teeth and threatened fiercely: "My uncle is the principal, you actually dare to hit me. You are going to die ..."

Upon hearing the scream, many students gathered around to watch the commotion.

This was the first time that everyone had seen a student beat up a coach.

However, when they saw that Shao Qiang was beaten up, the students all secretly felt relieved and couldn't help but applaud in their hearts.

Especially those female students, they were often taken advantage of by Shao Qiang. Some students were even threatened to have sex with Shao Qiang.

In order to get the driver's license, many people chose to remain silent. After all, Shao Qiang's uncle was the principal of the driving school, so no one dared to offend him.

Shen Xue was stunned. She didn't expect Wu Tian to pummel and pound the coach because of her.

There were a lot of guys who treated her to a meal, send her flowers or buy her presents, but Wu

Tian Jue was the first guy to fight for her. Seeing this scene, her heart was slightly moved. This incident made a huge impact and soon spread throughout the driving school.

Principal Shao Jinlong rushed over as soon as he heard of this and anxiously shouted, "Quickly stop!"

Wu Tian saw that Shao Qiang was pretty much beaten up — — Only then did he stop his actions. Enduring the pain in his body, Shao Qiang crawled up and threw himself into Shao Jinlong's arms, crying out, "Uncle, I got beaten up, you have to help me punish him ..."

"Qiang, how did you get beaten up like this?" Seeing his nephew's miserable appearance, Shao Jinlong's heart ached for him.
