

## Hidden Billionaire Chapter 34 - Super Gold Card!

### C34 Super Gold Card!

"Is that so?" Hearing that the card was from Old Master, Wu Tian couldn't help but look at the card again.

The card is made of fine obsidian. Other than the Globe Club emblem on the card, the card also had the picture of a golden dragon.

Since it was a card from Old Master, it definitely wasn't an ordinary card. He guessed that this card contained a huge amount of authority and power.

Staring at the black card for a while, Wu Tian looked up at Long Yun, "Hurry up and finish up with the matter on the driving school. I'll be leaving first."

With that, he turned around and quickly left.

Wu Tian took a taxi to Global International Club, the highest ranked club within Luzhou. Only people with trillions of assets were allowed to enter.

The club looked like a huge blue pearl inlaid between two tall buildings. It was designed to be mighty and magnificent.

As he entered the club's hall, he saw the blue glass ceiling, which was as dazzling as the starry sky.

The moment Wu Tian entered the hall, he was shocked by this domineering aura. He couldn't help but take a few more glances at the blue glass ceiling.

As soon as he entered the hall, several attendants came to greet him.

This was indeed a high-class place. The waiters at the high-end places were all different.

The waiters were poles apart from other places. They were all beautiful and tall, and dressed in branded clothing, their standards much higher than those of ordinary waiters.

One of them, a tall and beautiful waitress, stood in front of Wu Tian and said, "Sorry, you don't have the qualifications to come in."

From the nameplate of the waiter, he knew that this beauty was named Su Ya. This woman looked at Wu Tian with a gaze of disdain and contempt.

"Why am I not qualified?" Wu Tian asked in displeasure. He had no good feelings towards this arrogant waiter.

"All the guests who come here to eat have net worths over a hundred million." Saying this, the corners of Su Ya's mouth curled up. "Do you think you have the qualifications?"

"Of course."

"Very well, please show me your gold card." Su Ya stretched out her hand and impatiently demanded.

The gold card was the customer's identity in the club. Only those with over 100 million gold coins were qualified to obtain the gold card.

She knew the man was poor. He couldn't have a gold card. She just wanted to get the man out of here as soon as possible.

"Is this it?" Wu Tian took out a card from his pocket and handed it over.

This was the Globe Club's supreme gold card, the one that Liu Jun had given him when he purchased the Huiyue Restaurant. The annual fee for this card is 300,000 yuan.

"Super... A gold card? "

When she saw Wu Tian take out the card, Su Ya was instantly dumbfounded. She was even more surprised than if she had just eaten an elephant.

She didn't expect that this man in front of her who wore cheap clothes and looked seemingly poor would possess such a golden card, that symbolized a very high status.

For a moment, she felt as if someone had slapped her in the face.

"Then do I have the qualifications to enter now?" Wu Tian shook the golden card in his hand and asked expressionlessly.

"Yes."

Su Ya came back to her senses and nodded her head repeatedly. "Since you have a gold card, of course you have the right to enter."

The smile on her face was very awkward. Her pretty face was uglier looking than a paraffin.

She was really surprised. She hadn't thought that a cheap looking person like him would actually possess the Supreme Golden Card of the club.

"Don't look down on others again." Wu Tian put his gold card away and advised with a cold tone.

"Yes sir!" Su Ya gritted her teeth and lowered her head in embarrassment. At this moment, her face turned a shade of red and white.

At this moment, Liu Jun walked into the hall and waved at Wu Tian with a smile, "Xiao Wu, you're here."

"CEO Liu ..."

"Ai, don't call me CEO Liu from now on, just Uncle Liu will do." Liu Jun quickly walked over and smiled to Wu Tian.

"Uncle Liu."

Wu Tian quickly changed his form of address. From the beginning, he had a good impression of this man called Liu Jun.

"Wu, I'll take you to relax tonight." After Liu Jun said this, he extended his hand and gestured, "Let's go to the private room."

"Uncle Liu, I'll treat you tonight." Having said so, Wu Tian stretched out his hand and prepared to push open one of the golden rooms.

In the end, he was once again blocked by the waiter named Su Ya, "Sir, yours is a gold card. You can only go to the normal rooms, you don't have the right to go to the golden rooms. "

"Don't worry, I'm not short on money." Wu Tian waved his hand impatiently. He felt that the service here was too poor.

"It's not a matter of money, it's just that your card isn't high enough ..."

Su Ya looked at Wu Tian like he was a country bumpkin. She didn't even know how the Club could produce such a filthy person.

"Yo, isn't this Director Liu?"

Just as the waiter was patiently explaining, a middle-aged man in a suit and leather shoes walked over with his girlfriend in his arms.

The middle-aged man glanced at Liu Jun, then his gaze landed on Wu Tian. He mocked him sarcastically, "Yo, Director Liu sure has time, he actually brought a beggar here to play!"

"He's my friend Wu Tian." Liu Jun glared at the middle-aged man and said with a displeased expression.

This middle-aged man in front of him was called Chen Hao, and he was his enemy within the business community. He used to go against him.

"Tsk tsk tsk tsk, CEO Liu, why are your tastes so bad? You actually befriended a country bumpkin." After Chen Hao said this, he couldn't help but laugh.

When he smiled, the girl beside him also couldn't resist laughing.

"I still have things to do. Goodbye." Liu Jun gritted his teeth in anger as he prepared to leave this place with Wu Tian.

"Halt!"

Chen Hao straightened his body and blocked their way, "I heard that your country bumpkin friend wants to enter the golden room?"

"It has nothing to do with you." The anger in Liu Jun's eyes became more and more intense.

Chen Hao paid no attention to Liu Jun's angry expression.

He glanced at Wu Tian with disdain and mocked, "With your country bumpkin appearance, you still want to enter the golden room?"

It was said that beating a dog was to show it to the owner. The reason why he purposely humiliated Wu Tian was to embarrass Liu Jun in front of everyone.

"Of course." Wu Tian replied in annoyance.

Seeing that this brat was so rude to Liu Jun, he was secretly unhappy. He wanted to purposely teach him a lesson.

"A poor bastard like you wants to go to the golden room? Go and take a look at yourself in the mirror." Chen Hao made a few sarcastic remarks, raised his head and said to the waiter Su Ya, "Tell this kid, who is qualified to enter this golden room?"

"Only customers with diamond cards are qualified to enter." When Su Ya replied, she couldn't help but glance at Wu Tian. A look of disdain appeared in her eyes.

"Diamond card."

Chen Hao stretched out his hand and took out a club diamond card from his pocket. He shouted proudly, "This is a diamond card, a symbol of status and identity. It's a hundred times better than a gold card. "

After a long while, he smiled and waved the diamond card, "Country bumpkin, this is a diamond card, do you have it?"

"Nope." Wu Tian curled his lips and didn't think much of it.

"Without the diamond card, what qualifications do you have to enter the golden room?"

"Even without the diamond card, I can still enter the golden room."

"Bah!"

Chen Hao spat on the ground. He said in a provocative tone, "If you can get into this golden room today, I'll eat all the trash here."

Without the diamond card, this brat didn't even have the qualifications to enter the golden room.
