

Hidden Billionaire Chapter 35 - Amazing Identity!

C35 Amazing Identity!

"That's what you said." Wu Tian pursed his lips into a smile. He took out a black card from his pocket and asked Su Ya, "Do I have the right to enter now?"

The card was given to him by his secretary, Long Yun. She said it came from her grandfather — presumably, it had more authority than the gold and diamond cards.

Chen Hao grinned and couldn't help but mock him: "You brought a room card here to act cool, are you joking?"

His girlfriend behind him pursed her lips and laughed. Even the waiters couldn't help but snicker.

At first glance, the black card didn't look dazzling, it really did look like a room card in a normal hotel.

Even Su Ya couldn't help but let out a derisive laugh. But when she clearly saw the card, her face suddenly sank as the smile on her face instantly disappeared.

Her pupils slowly dilated as she stared at the card as if she was looking at a monster. Her expression was extremely exaggerated.

Only now did she realize that the card in Wu Tian's hand was not an ordinary room card, but the legendary black card.

Black card was the highest level membership card, there were only three of these cards in the world.

However, never in her wildest dreams did she imagine that one of the cards would be in the hands of this seemingly ordinary brat.

The black card was not only a symbol of status and identity, but also a supreme power.

Anyone with a black card can mobilize all the powers and resources under Global International at any time.

Staring at the black card blankly for a long time, Su Ya slowly raised her head. She looked at Wu Tian in fear and spoke with a trembling voice, "I really didn't think that ..."

After knowing Wu Tian's identity, her eyes were full of fear and unease when she looked at Wu Tian. She was secretly terrified in her heart.

She had been at the Global International Club for nearly a year. She had only seen the holder of the black card in photos before, and this was the first time she had personally seen the owner of the real black card.

Since Wu Tian had a black card, his identity and status was naturally unparalleled. She felt afraid just by thinking about it.

Previously, she had mocked and ridiculed Wu Tian. However, when she found out his identity, she felt that a great catastrophe was about to befall her.

"Do I have the right to enter your golden room?" Wu Tian waved the black card in his hand, repeating the same tone as before.

"Please wait a moment." Su Ya had no right to receive such a person. She quickly took out her cell phone and made a call to the higher ups.

Not long after the call ended, Global International Club's CEO rushed over with more than ten higher-ups and bodyguards.

Liu Jun and Chen Hao didn't know about the black card, so they naturally didn't know the true meaning behind the black card.

However, when they saw the president of the club appear in the hall, the two of them clearly felt astonished and shocked.

Everyone knew that the club's boss was a mysterious big shot, with several large corporations behind him. He had a very powerful presence within Luzhou.

This kind of important figure rarely appeared, so why would he suddenly appear today? And in such a high profile?

The atmosphere in the hall was extremely tense. The attendants all consciously retreated, curling their bodies up, looking as though they were trembling with fear.

Under the gaze of the crowd, Globe Club Elder Lin An walked over with more than ten attendants.

Lin Ann was a typical square face. Even when he wasn't angry, he looked very imposing. He had a domineering aura about him.

When he looked at the black card in Wu Tian's hand, his square face changed and his expression inexplicably changed,

He quickly walked over and slightly bowed towards Wu Tian. "On behalf of all the members of Global International, I welcome your arrival."

These words instantly shook the entire audience.

They didn't expect that the normally aloof and superior personages would bow and greet a brat with a very humble attitude.

Chen Hao was so shocked that his jaw almost fell off. He did not expect a big shot like Lin An to bow to a country bumpkin like Wu Tian.

Previously, he had tried to curry favor with Lin An many times but was mercilessly ignored. And this time, he personally witnessed with his very eyes how respectful Lin An was to this brat.

This...

What was going on?

Not only did Chen Hao feel shocked and surprised, even Liu Jun was dumbstruck. He also did not expect that such a big shot like Lin An would take the initiative to please Wu Tian.

"Who are you?" Wu Tian had probably guessed Lin An's identity, but he couldn't help but ask.

"I'm Lin An, the boss of Global International Club." Lin Ann replied respectfully and carefully, not daring to be the slightest bit careless.

He didn't know who this young man in front of him was, but he could recognize the card in the young man's hand.

It was the Lin Family's black card, and there were only three black cards in the world. The Lin Family's black card was given to the Lin Family by their Old Master.

Old Master had said that as long as anyone saw these three black cards, it would be like seeing Old Master himself. That was why he was so respectful and courteous.

"So you're the boss of Global International Club." Wu Tian nodded.

He was also very surprised, he had never thought that even the Globe Club Master would be so respectful towards him after he saw the black card.

From this, it could be seen just how powerful this black card was.

"Hello, my name is Wu Tian." Wu Tian took the initiative to extend his right hand and shook hands with the other person in a friendly manner.

"Hello, Mr Wu." Having said this, Lin An led all the higher-ups of the club to bow deeply towards Wu Tian.

"You're welcome." Wu Tian waved his hand and asked with a smile, "Do I have the right to enter this golden room now?"

"Please, Mr Wu." Lin An personally opened the door of the room with his fingerprint, making a "please" gesture.

"Wait!"

Chen Hao came back to his senses and quickly spoke up to stop him: "Boss Lin, according to the regulations, only customers with a diamond card are qualified to enter the Golden Hall."

"Mr Wu doesn't have a diamond card, but he has a black card." Lin An pointed to the black card in Wu Tian's hand and expressionlessly explained.

"Is a black card comparable to a diamond card?" Chen Hao had never heard of black cards before, so he didn't know how powerful they were.

"Even a hundred diamond cards can't compare to a black card."

Chen Hao did not expect the black card in Wu Tian's hand to be so powerful, and was even a hundred times more powerful than his diamond card.

After a slight pause, he tried to ask, "Boss Lin, I'm very curious, just who is he?"

"I don't know who he is." Lin An leaned his head over and whispered, "But one thing is certain, he is someone you can't afford to offend and also someone I can't afford to offend."

*

When Chen Hao heard Lin An's words, Chen Hao's scalp went numb. He was so scared that cold sweat broke out on his forehead. The way he looked at Wu Tian was full of fear.

Lin Ann was a famous person within Luzhou. Even he, who was an important figure, could not afford to offend Wu Tian. Chen Hao did not dare to imagine just how powerful Wu Tian was.

Only now did he realize that brat, who was wearing shabby clothes and was not good-looking, was not a simple person. He was a great yet secretive man.

As for who exactly this brat was, he didn't know.

However, there was one thing that he was sure of, and that was that this brat in front of him was a super big boss that he could not afford to offend.

He couldn't help but feel fear in his heart. If he knew Wu Tian was so powerful, he wouldn't have dared to offend him even if he was beaten to death.

Even the girl behind him looked at Wu Tian with a serious expression.

She also realized that the brat she looked down upon was someone even Chen Hao couldn't afford to offend.
