

HIDDEN WIFE : BEST HUSBAND

Chapter 10 - 10 - Crocodile Man

Dae Hyun laid down on the bed while waiting for Soo Yin to wash up. He saw his phone was ringing from Jo Yeon Ho, his only son from Aeri.

Jo Yeon Ho was six years old.

Dae Hyun immediately picked it up. It had been a week since they hadn't met because Aeri and Jo Yeon Ho went on vacation to Japan.

"Hi Daddy, I miss you so much," Said Jo Yeon Ho cheerfully on the phone.

"Hi dear, daddy also missed you very much. When are you going back to Seoul?" Dae Hyun asked.

"Mom said, we will return home the day after tomorrow," Jo Yeon Ho replied.

"What is your mother doing at this time?" Dae Hyun asked.

"Mother is going somewhere else. I am at the hotel alone, so I call you, Daddy," Said Jo Yeon Ho.

Jo Yeon Ho enthusiastically shared his vacation in Japan. The father and son were joking cheerfully.

Soo Yin heard Dae Hyun's laughter in the bathroom. She was curious who Dae Hyun was talking to, so she put her ear on the door.

But there was no sound other than Dae Hyun's laughter.

'What a player! Indeed he was calling the other mistress,' Said Soo Yin.

The girl then poured her head under the running water.

After finished taking a shower, she looked for a towel. She forgot not to take it because she was in a rush.

Soo Yin was very panicked. There was no way she could come out wearing nothing on her body.

'What should I do?' Soo Yin thought.

She saw her shirt lying on the floor, and it was already wet. There was no way to put it back on.

It was also impossible to stay in the bathroom because the weather was so cold.

She already felt cold.

Soo Yin stayed in the toilet for almost half an hour.

Dae Hyun got up after finishing the call with his son. It didn't seem like they were calling long enough.

Dae Hyun stepped towards the front of the bathroom, apparently not hearing any activity inside. The running water was no longer heard either.

"Soo Yin! Are you still there?" Dae Hyun asked, knocking on the bathroom door.

"Yes, I...." Said Soo, Yin softly. She intended to ask for help but was immediately discouraged.

"What are you doing? Let's have breakfast!" Said Dae Hyun.

"Can I ask for help?" Said Soo Yin hesitantly while biting her lower lip.

"Of course, you want me to bathe you?" Dae Hyun teased.

"If you don't want to help me, go away!" Soo Yin shouted, feeling irritated.

She ended up wearing wet clothes and sat on the side of the bathtub.

"I'm just kidding, don't you want to come out?" Dae Hyun asked.

"Please bring me a towel! I forgot to bring it," Soo Yin exclaimed, embarrassed.

"Why didn't you tell me earlier? Wait a minute, I'll take it," Said Dae Hyun. He then walked to the cupboard to take the towel.

"Open the door! Here it is." Said Dae Hyun, who was standing at the door.

Soo Yin opened the door slightly. She only took out one hand. Dae Hyun just frowned at Soo Yin's behaviour.

Soo Yin immediately closed the door after getting the towel.

Once she put it on, the towel was too small. It only covered the chest to her inner thigh. Her thighs were also almost all visible.

"Dae Hyun! Isn't there a towel bigger than this? I can't go outside like this!" Soo Yin exclaimed, getting more and more annoyed.

Dae Hyun scratched his head because this girl was different from his first wife, Aeri. She had never been shy to him.

Dae Hyun was forced to get clothes for Soo Yin as soon as possible.

"I'll get clothes for you," Said Dae Hyun.

Soo Yin reopened the door slightly and reached out to take it.

After wearing it, it turned out that the dress was even more tragic than the towel earlier.

The chest was open, and the thighs were also exposed freely.

Annoyed, Soo Yin came out while covering her chest with a towel. She didn't want Dae Hyun to see her.

Even though they were married, they have never had a love relationship, unlike common couples.

As soon as Soo Yin came out, Dae Hyun was amazed to see Soo Yin's smooth thighs. He didn't even blink his eyes as he unconsciously gulped.

"Turn around quickly and keep your eyes away from me!" Soo Yin exclaimed, then rushed to the changing room to find suitable clothes.

Dae Hyun just shook his head lightly. It was funny seeing Soo Yin's childish behaviour.

Soo Yin must be more mature since they were husband and wife. She should be more open to him.

But Dae Hyun realised that Soo Yin still hated him.

Soo Yin looked for appropriate clothes to wear in winter, but she didn't find any of many clothes there.

Soo Yin finally found a dress that was a little more covered.

"Aren't there clothes that are more suitable to wear?" Soo Yin snorted in annoyance when she changed.

She wore a light blue knee-length dress with a frilly chest and short arms.

"You like it, don't you?" Dae Hyun asked, frowning. Dae Hyun was sitting while leaning on the bed.

"It suits your wife more, Mrs Aeri," Said Soo Yin, rolling her eyes.

The girl sat in front of the dressing table, drying her hair.

"Aren't you my wife too?" Dae Hyun walked over to Soo Yin and stood behind her.

"I don't want to have a husband like you! A player who likes to make fun of women!" Soo Yin stared at him sharply from the mirror.

"Let me dry your hair!" Dae Hyun stretched out his hand to take the towel from Soo Yin's hand.

"No need!" Soo Yin brushed off Dae Hyun's hand.

"Can't you be nice to me?" Said Dae Hyun.
