

# HIS FAVOR - CHAPTER 1: THE FIRST LOOK

Huo Shi looked at the scene not far away, looked for a while, snorted a laugh, this is not the first time he saw this scene.

The next Du Ruan also saw the scene and joked: "What brother Huo? To go comfort that little beauty? It looks like the crying is quite miserable ...."

The company's main business is to provide a wide range of products and services to its customers.

"Hey hey ~, I also just made a joke, you will not get angry like a woman ....." Du Ruan also hurried to follow.

"Roll~"

.....

At this time not far away

Anchu is sitting on the steps crying in a small voice, she is very timid, even if she is treated unfairly, she does not dare to resist, only dare to find a place where no one is secretly crying.

It was only when she heard the preparatory bell ring that An Chu slowly stood up and slowly walked towards the classroom.

The first thing you need to do is to get a good idea of what you're doing. The actual fact is that you can find a lot of people who have been in the business for a long time.

The company has been staring at An Chu to sit down on the seat, Huo Shi reacted to what he was doing.

"The actual fact is that you can't get a lot of people to do this.

The actual fact is that you can find a lot of people who have been in the market for a long time. The eyes looked at: "Oh ~, so it is just the one that was bullied ah? How is not regret, now began to heartache ...."

"Du Saner, are you itchy skin, I fucking hate this kind of cowardly people you do not know."

At this time, Lan Min also came up, gossiping open: "Du San'er, what's wrong, Huo brother look on which?"

Du Ruan pointed in the direction of An Chu: "No~, that's the one."

"I rub ~, I really blinded me, Huo brother when good that mouth." Blue Min equally bitchy face

"Blue two, this you do not understand it, the taste is going to change is not. The actual fact is that you will be able to get a lot more than just a few of these.

The first thing you need to do is to get a good idea of what you're looking for.

"Hey, this you do not understand it, this is the spring is coming" Du Ruan a mysterious face

"Do not understand what? Du Saner, Lan Er, I see you two have grown bold, dare to talk nonsense about anything." Huo Shi turned around at some point and looked at them both gloomily.

"Brother Huo, how did you..."

"Do you two think I'm deaf? Let's get together tonight, come to my house tomorrow night, see you at the training ground." Finally, a final word.

"Ahhhhh~, Brother Huo don't ah, we'll never talk nonsense again." Du Ruan wailed

"Yeah, Huo brother Huo brother think twice ah, my little uncle is coming to see me in a few days, I can't carry an injury ah, or my mother will worry ah ah ....."

Huo Shi ignored them and turned around directly.

The bell rang~, the class bell rang and began their first exam of senior year.

The first is the language, An Chu is the language class representative, so An Chu to start distributing test papers, this time, Huo Shi did not sleep directly on the table as usual, but hands around the chest, slightly leaned back, good and neat look at An Chu towards him in this direction.

This is also the first time Huo Shi saw An Chu up close, long black hair casually draped behind, delicate eyebrows, small nose, curled up eyelashes more like a small fan, the whole person looks like a porcelain doll, may be the reason just cried, slightly red corner of the eyes more aroused the desire to protect others.

The first thing you need to do is to look at An Chu and carefully place the rolls on the table for him, and your heart is strangely raised with a sense of satisfaction.

Damn, he thought he must have been bewitched today.
