He said, and then pulled Lan Min away

"Hey, hey, what are you pulling me for, I don't have anything to do?"

Du Ruan scolded in a low voice: "You two-bit"

.....

After walking a distance, Du Ruan let go of Lan Min's arm and spoke, "You can go home now."

"The first thing you need to do is to get back home.

"No, how did I become a big light bulb Crap!!! Brother Huo is interested in An Chu," Lan Min reacted with a shocked face

"The actual fact that you are there is not all stirred up," Du Ruan white glance at him

Here, Huo Shi and An Chu walked side by side on the street

An Chu dumbfounded to listen to Huo Shi finished, heard the end can not help but laugh

"Brother, you called the police and had them arrested, you are too bad"

"Who let them mess with us first, this semester was ready to be a good student, it seems to be unable to be" Huo Shi looked up to the sky

"Brother, I think this time they even know your prestige, should not come to mess with you again, emm When a good student is what I think that means?" An Chu said to good students when the voice with a hint of doubt

"Of course, the school dregs also have the heart of a school bully"

An Chu was amused: "In that case, then I hope my brother can become a school bully, and get a good university in the coming day, and then have a bright future..."

"Thank you An An's blessing, I also want to ah But," Huo Si aggravated the tone of voice

And then quickly said: "school bully is not possible to school bully, at most is the top of the skin with a school bully's heart"

"Brother, do not be presumptuous, this is not the senior year there is a year, anything can happen" An Chu smiled and spoke

"Then it's a fucking miracle," Huo Shi said vaguely, this is The experience of the dregs of the school for so many years

"But the miracle is not man-made? Brother, it is not possible for you to become the next miracle" The more An Chu said the smaller his voice the less breath he had

Huo Shi: "....." Feel the personality was scorned, suddenly eyes to a place, open mouth

"An An, you wait here now, brother to a place, soon back"
