The school bell rang, Huo Shi still sitting in the same position, seems to be thinking about what life events

The company's main business is to provide a wide range of products and services to its customers.

The first thing you need to do is to get a good idea of what you're doing. Not strict at all, I asked for things, little uncle almost all agreed ...."

"Are you sure this afternoon? The actual fact is that you will not have any more situations?" Huo time to look at him again to confirm, remember the last racing, direct car field temporary a big customer directly pack field, and once to race motorcycle, the result of the opponent directly disappeared, and once to .... In short, these projects where to bring blue Min this second, the final are no end.

"Of course sure, my little uncle said also to guide me on the side, and then out of what condition, I screwed my head off to throw you and Du Saner kick?"

"Is that so? I'm not sure what you're talking about. Du Ruan did not know when to come up, thievingly spoke

"Fuck off, no way~"

The three of them reached an agreement, however, walking on the road, Huo Shi asked Lan Min with a thoughtful face

"Blue two children, do you think An An will really like school bully?"

"Holy shit, Brother Huo, why are you still obsessing about this? Who hates school bullies?" Du Ruan's shocked face

"Roll~, didn't ask you ...."

Blue Min instead pretended to think deeply for a moment, and then looked at Huo Shi with a lofty face: "Why is that?"

"Two days ago An An also wanted to give me a tutorial to ....." Of course the matter was stared at by Guan Xing Yuan did not say

"Then did you agree?"

Huo Shi shook his head: "No, I caught this level of my remedial classes also useless ah ...."

"Brother Huo, I suddenly feel that Du San is right?"

"Right what?"

"You're fucking fit to be single!"

Huo Shi: "....."

"Yes, brother Huo, what a good opportunity to see sister An up close and personal, how dare you turn it down, bully," Du Ruan also tsked in wonder

The rare Huo Shi did not speak out to refute, the heart seems to have made a decision

Then I heard Lan Min say in my ear, "Damn! Huo, isn't that the transfer student and An Chu?"

The three of them looked and found An Chu and Guan Xing Yuan, two people talking and laughing, walking away from the corner in front of them

"Huo, you are green ...." Du Ruan eat melon expression

Huo time a slap in the past: "You are green ....."

"Adulterer\*\* , born for each other" Lan Min added

Huo Shi is angry: "do not know how to use adjectives do not use"

"But then again, this transfer student has two brilliance ah, just the first day back and hooked up with An Chu ...." Du Ruan sighed

"This is definitely a sea king, it's a pity that An sister just became a small fish fry ...."  
Blue Min also pity

"You two say another word, I'll get you killed believe it or not ...." Huo time sorrowful opening

Two people immediately stop this topic, in case it hurts the young virgin's young mind is not good

As expected, we heard Huo Shi gloomy open: "afternoon car field you go by yourselves..." said and walked forward. After saying that, he took a big step forward

"Then why are you going, Huo?"

"To make up for the lesson."

The two looked at each other, see it still hurt the little virgin heart

This side, Guan Xing Yuan and An Chu

.....

"Thank you for today, I really can't figure out for a while where?"

"A show of hands, it just so happens that I also go to the library"

Guan Xing Yuan spoke: "It's quite a coincidence, I didn't think we could be in the same class"

"It is indeed quite a coincidence" An Chu nodded and agreed

"I didn't expect that the crybaby when I was a kid would have grown up to be a poseur now, if I didn't know you were Uncle An's daughter, I wouldn't have believed it ....."

"Xing Yuan brother is also" An Chu smiled

"I'll definitely go visit Uncle An some day ...." I noticed An Chu's smile faded a bit

I heard that Xiaochu is an academic bully, so I will have to ask Xiaochu for advice often, I hope Xiaochu will not be bored..."

"Xing Yuan brother, you are too modest, I heard from the teacher that you are also very good, where is the need to ask me"

"Hahahaha ..... Exchange, exchange is always okay..."

An Chu lightly smiled: "Anytime welcome"

"An An ~" voice from behind

The first of these is the one that is the most popular.

Huo Shi trotted over and looked at An Chu: "An An who is he?"

"Oh, let me introduce you."

Said looking at Huo Shi: "This is Guan Xing Yuan, my brother from the Lin family when I was a child, just returned from abroad ...."

Then looked at Guan Xing Yuan briefly spoke: "Huo Shi, my brother ~"

The first thing you need to do is to get your hands on the right one.

Huo Shi but turned his head to talk to An Chu, Guan Xing Yuan naturally put down his hand

"Brother~, how come you're here?" An Chu spoke up

"I'm looking for you..." Huo Shi had a serious face

"But don't you want to make up for it?" An Chu was puzzled

"I've changed my mind."

He said and looked at Guan Xing Yuan

Official Xing Yuan smiled and promised to speak: "In fact, my grades are also okay, if Huo students agree then I can also ....."

Let the love rival make up for the lesson, he would rather zero duck eggs

"Thank you, no, An An can do it himself, I am dizzy, allergic to being made up lessons..."

The perfunctory attitude should not be too obvious, but Guan Xinyuan still has a light smile on his face

Blue two is right, so can still face should not color, is the sea king confirmed

An Chu awkward smile, looking at the front to the library

The first thing you need to do is to get in front of the library, so I won't go in and give my brother a tutorial ~"

The government has a pity face: "so ah, would have liked to catch up with the old days, then go visit Uncle An some other day"

Huo Shi: "....." This is definitely intentional
