

HIS FAVOR 19

CHAPTER 19: BOTH PARENTS

In the evening, Lan Min opened his circle of friends and found that the top message was from Si Shao, who had been in the empire: "Really more and more playful, skipping class to make up for it"

The second one is from blue uncle: "The practice is inappropriate, but it's good to make up classes"

The second one is the one that is not the best.

Huo: "How the hell did you still shoot An An in"

.....

Blue Min read on one by one, and then replied to Blue mother: "Mom, what is this, don't talk nonsense, she already has someone she likes..."

The first thing you need to do is to get a good idea of what you want to do.

.....

"Xiaoqiu, Xiaochu, you two get ready, we have to get together with your Uncle Guan tonight"

An Qiu dissatisfied: "Dad, what am I going to do, they want to see An Chu and not me?"

An Yanhua serious: "This is the most basic manners know, to there to say hello to Uncle Shao aunt is not allowed to play Miss temper understand?"

An Qiu skimmed: "Yes, I know."

In the evening, the two families gathered in a luxurious box

An Yanhua took Luo Fenghuan, and the girls, the two families greeted each other, and sat around the face

Shao Lingli seemed very enthusiastic, but this enthusiasm was directed at An Chu alone

"This is Xiaochu, isn't it? I didn't expect it, it's grown up so much in a flash.

An Chu smiled, did not speak

"How is it, how are you doing these years, poor Yan Yan died early, leaving you alone"

An Chu: "These years are fine, but auntie you know my mother?"

"We two ah, or good friends, but also once said that you grow up to marry small far away, but now Hey~"

The two of them are talking and laughing, awkward is An Qiu mother and daughter, Luo Fenghuan for Shao Lingli's blindness to show a virtuous gesture, but An Qiu sitting beside An Chu, disdainful cold hum

Shao Lingli lightly glanced at An Qiu, and then continued to talk to An Chu

An Qiu: "....."

Over there, Guan Yupeng and An Yanhua were also discussing about the company.

Shao Lingli looked at Guan Xing Yuan again and said to An Chu with a smile, "This child, Xiao Yuan, has been particularly caring since he was a child, how have you been getting along in recent days"

An Chu politely replied, "Xing Yuan brother is very good, I treat him like a brother"

Shao Lingli heard, these two children have a play, good impression of each other

"If you want auntie to say ah, you two children should get along well, in the future, ah, you can become auntie's daughter-in-law would be better"

"Auntie you are joking, I am still young this year, I have not thought about these things"

"Well, it's auntie mother who's in a hurry..." Then Shao Lingli looked at Guan Xing Yuan and spoke, "Little Yuan, in the future at school you have to take good care of your little sister in the beginning know it?"

Guan Xinyuan smiled very softly: "Naturally."

Now Shao Lingli is even more satisfied, pulling An Chu to ask around

Suddenly, the juice in An Qiu's hand spilled, coincidentally, all over An Chu's body

An Qiu symbolically said sorry, and then looked at An Chu and Shao Lingli wiping up the mess.

An Qiu spilled a glass of orange juice, and An Chu wears a white skirt, wet on the side of the thigh, the mark is very obvious

An Chu did not say anything, Luo Feng Huan has spoken: "Little Chu, sister also did not mean to, you forgive her, eh?"

An Chu lowered his head: "It's okay, I don't blame my sister"

Instead, Shao Lingli spoke: "Not intentionally the best, is intentionally that little girl's mind is intriguing"

"How can I say this, Xiaoqiu and Xiaochu so many years of sisterhood, naturally not on purpose..."

Shao Lingli skimmed her mouth, when she came back to hear that An Yanhua has a daughter older than Xiaochu angry lungs are going to explode, what does this mean, this means that the Yan Yan sister at the time in the fight into the full operation of their company An Yanhua has cheated on

But now more than ten years have passed, she is not good at saying anything

At this time An Yanhua also spoke: "Children's things, do not take it to heart, Xiaoqiu has also apologized"

Shao Lingli saw that at this time An Yanhua is also protecting An Qiu, nonchalant: "Mr. An is really great, ah, if Sister Yan Yan knows that there is a daughter older than her daughter, I do not know whether it will be angry crawl out of the coffin ah"

The first time these words came out, An Yanhua's face changed slightly, and Guan Yupeng also chided: "Lingli ~"

Shao Lingli hummed and spoke: "Little Chu, go, auntie take you to buy clothes"

An Chu although for Shao Lingli's maintenance is very touched but still said: "It's okay auntie, when I go home to change it is fine" After saying that, he said to An Yanhua, "Dad, I'm going home first"

Shao Lingli spoke: "Xiaoyuan to send his sister, it's not safe at night..."

Anchu naturally also left, leaving two adults, two women, yin and yang talking, both sides over, each showing their skills

An Chu came out, An Qiu also followed, Guan Xing Yuan went to call a car to send them home

When it was time to get out of the car, An Chu said to Guan Xing Yuan, "Thank you, Xing Yuan..."

Guan Xinyuan still smiled warmly: "You're welcome for what"

On the contrary, Anchu muttered, "Cut ~"

Guan Xing Yuan returned: "If Miss An is dissatisfied, you can not sit, I still have the ability to send Miss An back to the same place"

An Qiu glared at Guan Xing Yuan, then got off, as if others owed her millions

Back to the An family

An Chu spoke: "You did it on purpose"

An Qiu laughed: "My good sister, what's wrong with being deliberate, watching you talk to that woman and then talk about your dead mother, it's disgusting"

Anchu: "Anqiu, you don't go too far"

An Qiu walked down the hall and took an apple and nibbled on it: "I'm tired of hearing this, it's really boring"

Anchu suddenly also laughed: "said disgusting, you and Aunt Luo is more disgusting, is not it? Not everyone can do something like being a mistress?"

An Qiu suddenly turned her head to look at An Chu viciously: "How do you know my mother is the later, my mother and father is a childhood friend, grew up together, the love can be your mother can compare?"

Also, you think that your mother is the original, but do not know that Dad and my mother had a wedding in the old home, so say, who is the junior"

An Chu heart unbelievable, but the surface or snicker: "Wedding? Who knows what you say really fake, my mom and dad is a legally recognized relationship, is a relationship recognized at the national level, now it's the 21st century, you should also know the law to"

An Qiu coldly grunted: "An Chu you do well" and went upstairs

An Chu returned to the room, stroking the portrait of Yan Yan in her hand, and mumbled, "Mom, is this the husband you chose at the beginning? How can your vision be so bad? If it's possible, how I wish I wasn't his daughter. Mom, tell me, what should I do?"
