

HIS FAVOR 20

CHAPTER 20: INFORMED CRITICISM

The next day, An Chu sat down in the class

Just sitting down, the person next to An Chu told An Chu: "An Chu, yesterday the teacher has removed you from the class and made Fei Fei Dai a study committee member"

An Chu nodded: "Understood..." She originally didn't care too much

"Okay..." The person next to her was disappointed to see An Chu's faint reaction and spoke resentfully

Two classes later was the recess, An Chu found that the crowd came back to look at her differently, with a hint of pity

An Chu was puzzled and went out to look and found a report from the school posted on the notice board

Notice of criticism

An Chu, a senior class, was absent from class yesterday afternoon for no reason, causing a very bad impact.

We would like to criticize you and put you on file, so I hope you will take this as a warning!

Four people skipped class together, but only An Chu was criticized.

In this regard, An Chu did not think otherwise, it is better for one person to be criticized than for all of them to be criticized.

The first thing you need to do is to get a good idea of what you're getting into.

"What?" Anchu was also shocked, and then hurriedly followed Lan Min to the teacher's office

Meanwhile in the office

Huo Shi Zhan looked cold and handsome in front of Teacher Pan and spoke, "Why?"

The teacher Pan pretended not to understand: "Huo Shi, what are you talking about, the teacher does not understand"

"Why should An Chu be informed and criticized?" Huo Shi spoke again

"Of course she did something wrong, she missed class for no reason, shouldn't the teacher punish her?"

"Even if she missed two classes for no reason, it wouldn't be to the extent of reporting her for criticism" Huo Shi spoke again

This level will affect An An's future college entrance exams

"If she was on her own, she wouldn't have been informed, but there are four of you, aren't there?"
The three people she dared not move, An Chu she still dare not? An ordinary family origin even if the notification of how.

"You" Huo time clenched his fist

"Change the briefing, replace it with me, these years I fought and brawled, skipped class more times than I can count, more should be me only"

Du Ruan just rushed over tired and panting to hear this sentence: "Huo brother is right, should be replaced with us"

Pan teacher smiled more contemptuously: "This can not dare, you are in a middle school is known to have power and authority, who dare to provoke it, the teacher also dare not ah, so let An Chu suffer for you is not better" A few kids still dare to spill their guts on her head

"Teacher Pan, you are shameless" Du Ruan spoke up loudly

"Hahahaha, what's wrong with shamelessness, it's you who will feel guilty later, you few young masters have joined hands to ruin an innocent girl, tsk~ later even after some years when you think about it, it will be engraved in your bones"

"Pan Yuexiang you" Huo Shi took a step closer and grabbed Pan Yuexiang's collar

Pan Yuexiang did not have the slightest fear instead raised his head: "Do you dare to fight?" The fight her in the whole body and retreat no way

This world how rich hatred she knows, the rich son skipped class after beating the teacher, the teacher in charge was seriously injured tsk this is not a big news, once her fame publicity to the public in want to move her can not be so easy

"Come on, you fight ah, you do not fight is a coward"

Huo raised his fist in his hand, he has never heard such a cheap request, line ah meet her

Just a moment before it is ready to fall

"Brother, stop" An Chu a foot into the office, Lan Min is also next to

"Hmph~" Huo time again threw teacher Pan on the chair again

Then turned his head to look at An Chu: "An An what brings you here?" Then swept a glance at Lan Min

Lan Min lowered his head sheepishly

"Brother, are you going to hit the teacher if I don't come?"

Then looked at teacher Pan and spoke, "Teacher, I apologize to you for him"

Pan Yuexiang smiled smugly: "Barging into the teacher's office, disturbing the teacher's office, questioning the teacher's decision, I wouldn't dare to accept this apology"

"Teacher, you misunderstood, I am to brother in want to hit you apologize, other than that I think my brother did not wrong."

Pan Yuexiang's smile froze at the corner of his mouth, "What do you mean?"

"Teacher may not understand, is - literally," An Chu said word for word

"An Chu, you dare to speak to the teacher like this, you don't want to stay in the first middle school anymore?"

An Chu smiled and said: "Naturally, I want to, but I think the teacher's punishments are targeted," said a pause

"One is to look at the family background, the teacher rich and powerful dare not offend, naturally can only take the ordinary people, the second depends on the financial situation, the teacher in these years not a lot of bribes received by the parents of students, right, by the teacher of innocent punishment, by the teacher discouraged are ordinary people, right, j even if those ordinary students what is not at fault, but as long as the teacher can not see or annoy the teacher are driven away by the teacher The teacher has been expelled, right?"

It seems to be An Chu said in the heart of the matter, Pan Yuexiang look angry: "An Chu, is this how you talk to the teacher? I think the punishment for you is still light"

"Crap! Teacher you really refresh the lower limit ah," Lan Min spoke: "Do you have no sense of responsibility as a teacher?"

Although he was a bit of a jerk all these years, he still had some respect for her, but I didn't expect his heart to be mispaid.

"Teacher, if you punish me normally for skipping class, of course I won't have any complaints, but at this moment teacher are you sure you don't have a personal vendetta?"

"So what? An Chu, don't forget that I'm the teacher"

"Of course, this is a fact that no one can deny, but in the first middle school you are not a handful, right?"

"Even if it is not a handful, for you, the teacher is still more than enough"

"Do you know who An Chu is? Who gave the teacher the confidence to make you feel more than enough for An Chu?" Du Ruan mocked at the side

Pan Yuexiang heart disdain, who is An Chu, of course she knows, enrolled in three consecutive years of family background column there are filled in the ordinary

The first thing you need to do is to get a good idea of what you're getting into.
