

## HIS FAVOR 21

### CHAPTER 21: THE HANDLE

"You mean you won't amend it?" Huo Shi sneered

"Of course~" Pan Yuexiang was proud

The phone in Huo Shi's hand was ready to dial up a number, but An Chu stopped it and then lightly said

"Teacher, do you know Pan Hanying?"

Teacher Pan suddenly became nervous: "What do you mean, how do you know this person?"

An Chu's face is still meek and coquettish opening: "Teacher, this you do not care, you have an illegitimate daughter of the matter whether - published with the public, all rely on the teacher you decide, is not it?"

At this moment, Lan Min and Du Ruan looked at the girl who was so docile, and in their hearts they secretly sighed in praise of the bullying ah

Pan Yueying's expression became compromised and said, "Okay, I will withdraw your punishment from the school, but you have to keep your mouth shut about this, she is still a child, you do not want to ruin her, right?"

"The company's main business is to provide a wide range of products and services to the public.

The company's main business is to provide a wide range of products and services to its customers.

Anchu also smiled: "Once by chance, once I met a little girl on the road outside the school, about five years old, I saw no adults beside her, so I asked her how to be alone, do you know their parents' names, she reported the name is Pan teacher, at that time I thought it was a coincidence, but when she pointed me to see the teacher's statue hanging on the wall outside the school, I knew it was I was ready to take her to Mr. Pan, but she seemed reluctant, saying that her mother would not let her into the school, and then I waited outside with her for a while, as if she had been carried away by her grandmother.

Pan teacher taught us for two years, we all know that her husband is our school teacher Wei, only two years ago gave birth to a son, so I guessed whether it was her illegitimate daughter, was not sure, but just mentioned her, Pan teacher's look became flustered only to determine the ...."

After listening, Lan Min sighed: "An sister you strong, this kind of big melon even did not find someone to share gossip ...."

An Chu smiled: "What ah, this matter did not not put on the heart, just coincidentally happened to this matter."

"But don't advertise, this thing as not knowing is good..." Huo Shi opened his mouth

"Of course, we will digest the news internally, will not spread." Lan Min said

"But Mr. Wei is quite miserable, married such a daughter-in-law ....." Du Ruan exclaimed!

The four people were silent, they also know that this matter is unfair to Mr. Wei, but what they can do is to pretend not to know anything.

The notification criticism was quickly withdrawn, the next day was changed to a verbal warning, Pan teacher also said a lot in the class for the future of the university entrance examination, independent admissions and so on for An Chu good words, although we are also surprised at why Pan teacher will be lenient, but also acquiesced to this one thing.

The day they stay at school is still rare, but they all acquiesce to listen to An Chu's tutorials obediently.

The school bell rang, An Chu walked on the campus road, Guan Xing Yuan followed up

"Xiaochu~"

"Xing Yuan," An Chu greeted back.

"I've booked two tickets for the Busan movie, let's go see it together tonight ....."

An Chu was about to refuse when Guan Xing Yuan took over: "I don't mean anything else, I just think it's too miserable to watch a movie alone, so I'm simply looking for you to go see it ....."

"This .... I still have... matter..."

"But I bought all the tickets, besides you believe me, I really just consider you as a friend only ...."  
The official line far as the sunny eyes cover over the gloom, lost said

"OK," An Chu reluctantly agreed

"Little Chu is really kind-hearted ....."

Inside the cinema, Guan Xing Yuan gave An Chu a glass of juice and a glass of popcorn

An Chu whispered to a: "Thank you"

To be honest this is her first movie since the death of her mother, not long after the film's characters picture to captivate, began to wholeheartedly into it, naturally did not find a side of the teenager is seriously watching her.

Suddenly is a more bloody plot, the entire cinema sounded a scream, An Chu was also scared of a shrink

The whole person shrank towards the side of Guan Xing Yuan, just in time to find Guan Xing Yuan looking at her, An Chu unnaturally missed the eyes

When he found her panic, Guan Xingyuan smiled slightly and gently took her over, whispering comfortingly, "I'm here, don't be afraid."

For some reason, An Chu suddenly felt that her heart was comforted at this moment.

Solely this scene is very short, An Chu reacted and immediately sat upright, as if just that all did not happen at all, Guan Xing Yuan also just a gentle smile.

Huo Shi You Yan: "Damn, Laofei was green ....."

The official line far: "you own straight man blame who, get along so long have not even seen the movie ...."

Huo Shi weakly said: "I did not expect ....."

Author Jun comfort: "It's okay, hat green in to you float over ...."

Huo Shi: "....."

Two hours of the movie soon finished, An Chu looked very happy, but also very serious, "Xing Yuan brother, thank you, this is my first time watching a movie ...."

The first time I saw a movie, I had to go to the movies.

"This ~" An Chu seems to be some tangled

"Anyway out are out, not more play a while how to up today's out ...." The official line far added a fire "

"Well good ~ that will trouble Xing Yuan brother"

"Gladly to the extreme"

.....

The two did play this time, until 12 o'clock in the evening to almost home.

The next day, there was no doubt that An Chu's face had two big black circles under his eyes

Huo Shi ran over and asked, "An An, what's wrong, did not sleep well yesterday, why so heavy dark circles ...."

The actual key words Huo Shi caught accurately, and Xing Yuan, play together, Happy Valley, too late, grinding his teeth opened: "Just the two of you?"

"Well, Xing Yuan said he didn't have a partner, and then he looked for me," An Chu suddenly felt that the atmosphere was not quite right, and her intuition told her it was better to explain.

Huo Shi squeezed a few words out of his mouth: "Then ..... He is really pathetic ah," damn, he knew that is a heart bitch man, while he was not in the beginning of the abduction An An

"Ah... What?" An Chu did not understand

"Nothing, it's just that in the future he can come to me when he doesn't have a partner again, I'm happy to help people" Huo Shi said, word by word
