

HIS FAVOR 23

CHAPTER 23: PUBLIC OPINION

About three or four days later, An Chu where to leave school alone or go alone, Huo Shi will follow her, these days, Pan Yuexiang incident also caused a furore on the Internet

The key high school of this c-city is also on the hot search

Netizens' opinions are polarized.

Netizens comment

"No, let such a tainted teacher teach our children, what good will the children learn?"

"Hey ~ is the thinking upstairs too pedantic, unmarried children can only prove that she was wrong in the past, but can not prove that it is now good?"

"Yes, no, unmarried child, the teacher is also a ruthless ah, now say that teachers teach by example, teach bad children in their own homes are not good"

"You are not a fool, this teacher has been teaching students for so many years, only to teach your children bad, your children are pigs? Don't you have the ability to distinguish between right and wrong?"

"My child is studying in a middle school, honestly I don't want my child's teacher to be her, call me biased or selfish, I just don't want her to teach my child, don't bar, would you let a teacher who has never had a child teach your child?"

"To be honest, I am also very selfish, I also do not want to let such a teacher to teach my children"

"I understand the upstairs, but I don't agree"

"....."

"Am I the only one who thinks this is the fault of the man who let this teacher have a child out of wedlock? This society is really harsh on women, the fault is not just her, but she has to bear the consequences alone"

"Agree with the upstairs"

"This teacher's teaching achievements are obvious to all, why do parents always grab the teacher's private life and not let go of it? Are you fed up with it?"

"Oh, the matter of children's education, naturally a little can not be taken lightly, excellent teacher a lot, but a teacher with moral problems, really can not agree"

"Just want to know you so baby your child, can test God University?"

"....."

This matter two levels of division, but strictly speaking or on the side of the teacher Pan more people, the times are progressing, society - the degree of tolerance is naturally getting stronger and

stronger, Pan teacher of such things in a new generation of young people seriously is not a particularly serious matter.

But this brings pressure to the school since it is very big, even the provincial education bureau are beginning to pay attention to this matter, pressure to the principal is bound to deal with this matter, to the school to the community a satisfactory answer.

Pan teacher can only stay at home, looking at the comments of netizens, the corners of the mouth raised, sent a microblogging

Thank you all for your attention these days, now divorced. Everyone will pay for the mistakes she made, I have also tasted the bitter fruit, these years dedicated, abide by the restoration of rites, so please also give me a chance.

This microblogging, immediately caused a one-sided public opinion, all the words began to favor the side of the teacher Pan

"This teacher has been divorced, some parents still seize people pigtail not to let go, really mouth face ugly"

"Heartache this teacher ~ hug!"

"This thing is Pan teacher's own fault? The man is finished with the pants and left, leaving Pan teacher alone to raise the child, should not scold the scum?"

"Right, look at the comment section there are a lot of women, really feel disgusting, women why suffer for women ah"

"This teacher has been teaching for so many years, the test God University, into the Academy of Sciences also - many, are these people are taught badly, see is that some parents catch wind of their own poor education of their children, the blame on the teacher"

"Yes, teaching is a profession, if placed in other industries, it is estimated that this matter will not even splash it"

"fart, teaching is a profession, but also has been given many different meanings, teaching and raising people, leading by example is the job"

"There are fools every year, this year in particular, it is unfortunate that upstairs is"

This matter concerns a middle school, a middle school students are naturally extremely concerned, especially the class led by a class Pan Yuexiang

People in the class are also talking about it

"It looks like Ms. Pan can flip ah"

"Who knows, flip is her ability, not flip is also deserved"

"That's right"

"....."

For Mr. Pan, a class of students said, Mr. Pan is also an ordinary teacher, treating students also extra snobbish, class inside the people in eight out of ten are very annoyed with her, which has the Internet said so dedicated, but they will not be online with the wind black what, a word is, I have nothing to do.

Anchu also understand one or two of these news, said no other views, but Huo when they are concerned about the changes in the state of affairs every day, especially the blue Min, a change began to make a lot of noise, living like a walking gossip

The principal is also in the office anxious scratching his head and ears, now c city high school phone are about to be broken, all inquiring about the results of this matter, there are even messages, if this time to deal with the teacher Pan, then a middle school is definitely a garbage no doubt

In addition, the second and third middle schools are watching the good show of the first middle school, at this time the principal can not help but have some regrets when knowing this news why not the first time to order a blockade.

When he was scratching his heart, another phone call came in, calling his personal cell phone number

The principal's cold sweat broke out when he saw who was on the display, the higher-ups

"Hello, how are you?" the principal spoke

"Well, Little Tang, do you know what the call is about?"

"Or is it about Teacher Pan?" The principal opened his mouth

"Well, these days, your first middle school is famous"

"Shame shame shame, you see this matter the instructions given by the superiors are?" The principal asked vainly

"Small soup, you are confused, you are the principal of the first middle school, naturally you to deal with, do not cause social discontent."

"Yes, I understand."

Hanging up the phone, Tang Zhijian opened the microblog again, re-browsed the comments underneath, and combined with the actions of Mr. Pan, and made a decision

When he was about to call the political education office and announce that Mr. Pan could teach normally next week, he suddenly received a -folder in his computer, which contained some videos and some long articles.

After reading it from beginning to end, Principal Tang took a deep breath, the school's crisis was lifted, but felt the panic of what this person's purpose was, and why it had not been released to the public until now but sent directly to him.

I thought about it and made a phone call to the political education office.
