Pan Yuexiang thought of that daughter, her expression was cold: "What does it have to do with me? I should not have listened to my parents and left her behind, I should have strangled her when she was born, or thrown her into a corner, and now it would not have ruined me."

An Chu spoke: "If you regret giving birth, why didn't you abort the pregnancy in the first place, you dislike it like this, don't you feel cruel to her?"

"Heh~ cruel, do you think I don't want to abort her? But the doctor said that aborting her would cause irreversible harm to the body afterwards, and this sinful child only managed to survive."
