

HIS FAVOR - CHAPTER 3: ESCORT

After the bandages were finished, An Chu and Huo Shi walked out of the infirmary.

An Chu's hand is still holding some of the ointment, at the moment the straight man Huo at all, did not realize that with girls to help girls carry things, even if it is some not heavy ointment.

"Thank you, Brother Huo, for bringing me to the infirmary." Anchu pursed his lips for a moment and opened his mouth

Huo when a puzzled face: "... The first thing you need to do is to apologize to me for being sarcastic?"

Anchu ignored the wound on his arm and hurriedly waved his hand: "No, brother Huo, I did not mean it."

I just want to thank you, in the past, even if others saw her receive hurt, most of the time they would choose to ignore

"Forget it, even if you have this meaning is also right, today you hurt this thing is really because of me." Huo Shi opened his mouth, he is also not that right and wrong people.

"I really want to

Huo Shi glanced down and then impatiently picked up the phone

"Hey ~, Du Saner, you are the soul of it, right?"

"What do you mean, it's your birthday, what do you mean you're late to the party?"

"All right, I'll be right there."

"You said ah, hurry up and come ah."

Huo hung up the phone and looked at An Chu.

An Chu immediately waved his hand and replied, "Don't worry about mine, you hurry is busy with yours."

"Today is my birthday," Huo Shi was serious, for some reason, he just wanted her to know.

"Huh?" An Chu's eyes were wide open and confused.

"So I want to see my birthday present tomorrow, or you'll have to wait..." When he said the last sentence Huo Shi's voice had a hint of threat in it.

An Chu hung his head and spoke in a small voice: "Got it, Huo"

This time Huo Shi was satisfied, for the first time in his life, he had expectations for his birthday gift, what will send him? Huo Shi thought while walking away.

After Huo Shi left, An Chu looked at the sky overhead, the sun was about to set completely, the yellow light shining through the layers of trees on the ground, it looked spotted beautiful.

But An Chu does not have the slightest desire to appreciate, she is only worried about one thing, the bus is not there?

.....

The moon is on the top, a group of people collapsed in the box.

The actual fact is that you can find a lot of people who have been in the business for a long time, but they are only slightly drunk, Lan Min has completely passed out on the sofa of the compartment, Du Ruan is still defiantly fighting with a person.

Huo Shi looked at the time and got up to find someone to send them all away, and the moment he got up, he seemed to see a familiar silhouette.

Huo Shi shook his head, fixed his eyes to look down to see, indeed a small girl slightly lowered his head, in the moonlight slowly walking forward.

I don't know what comes to mind, Huo Shi's face changed, damn it ~, quick steps down the road.

Suddenly a shadow hit down on An Chu, An Chu looked up in confusion

"Brother Huo?"

"Well, why are you here?" Huo Shi opened his mouth.

"I'm going home~"

"Going home, walking home?" Huo Shi was about to laugh

"There's no bus," An Chu explained.

It was still a soft voice, as if it was no big deal.

"There's no bus?" Huo Shi sneered: "An Chu, do you know how long we have been separated? Three hours or so, heck, three hours you've been walking here, trying to walk home? Don't you know how to contact your family? Contact me?" The last sentence he did have a selfish intention, I don't know why but he wanted to tell her that he could be her dependant.

Anchu lowered his head slightly: "I'm sorry~"

Huo Shi felt like he was hitting the cotton with a ball of gas, let out a deep breath and said calmly: "An Chu, this is not a question of who is right and who is wrong? I just want to let you know what things can not be alone to resist? You still have the old man?"

When An Chu heard this, he looked up in slight confusion: "But Brother Huo, what is our relationship again?"

Huo Shi: "....." Damn, he all said in vain.

"Good, An Chu I tell you, from today onwards you are Laozi's sister, anything can come to me, we are this relationship know?"

"Brother, brother?" An Chu repeated.

"Yes, from today onwards you are Laozi's sister, from now on you have to tell Laozi anything you want to do know?" Huo Shi didn't know that his decision today would not change the concept of a young girl's brother even after his intestines were all regretted.

"Brother ~" An Chu raised his eyes to shout seriously.

"Hey, now you wait for brother here for a while, brother go to do some business."

"Okay~" An Chu obediently agreed.

The company's main business is to provide a wide range of products and services to the market.

The first thing he did was to ask, "An An, where is your home?"

"At the An family in the Royal Garden."

The first thing you need to do is to get a good idea of what you're doing.

.....

The first thing you need to do is to get a good idea of what you're getting into.

The first thing you need to do is to get your own bag and walk towards the door.

The first time I walked into the hall, I heard a mean voice: "Yo, you still know how to come back."
