

## HIS FAVOR 30

### CHAPTER 30: PROTECTING

An Chu in the moment of falling, the last thought is surprisingly death in the hands of such a person is really wrong, blurred, seems to also see a black shadow pouncing on her.

An Chu smiled to himself, how is it possible, what people are willing to pay the price of life to save another person.

The moment he landed on the airbag, An Chu felt himself being hugged tightly by a person, An Chu saw the person clearly and opened his eyes wide: "Brother ~"

Huo Shi kept saying: "Brother in, brother in"

Landing on the airbag, the two people did not suffer much damage, but the shock suffered a lot, instantly squeezed out from the crowd of blue Min Du Ruan approached to support them both

"Huo, you are too impulsive ...." Du Ruan opened his mouth

"Yes ....." Blue Min dissatisfied, these months, they have a good feeling about An Chu, but this is far from the friendship with Huo Shi more than ten years.

"What nonsense, the old man's sister, can still be left alone?" Said, turned his head, a serious face looking at An Chu: "Later in education you ...."

At this moment two police officers also brought Pan Yuexiang down, Pan Yuexiang looked at them with the same indignant eyes.

Huo Shi rushed up directly to Pan Yuexiang's stomach is a punch: "Laozi never hit women, you should be honored you are an exception ...."

Pan Yuexiang immediately wanted to open his mouth to dry heave, Huo Shi again a punch: "You really fucking heartless ...."

Then Huo Shi was pulled away by the other two police officers, causing others to jump from the rooftop down, two punches to vent is perfectly fine, but not if it is too much.

Pan Yuexiang suddenly angrily looked at Huo Shi, just Huo Shi close to her ear and a sentence that others did not hear: "eat jail time for life ....."

Anchu still did not slow down from Huo Shi's behavior just now, this straightforward life choice, Huo Shi's first choice is actually to accompany her.

The teachers have come around, looking at Huo Shi and An Chu asked questions, and the principal is a long breath of relief, if the back of two lives, he is also finished.

The matter is almost over, and the people have dispersed, leaving Huo Shi and them.

Du Ruan pulled a hand on Lan Min, signaling to leave them alone.

"Brother ...." An Chu just opened his mouth and was interrupted by Huo Shi

"Brother what brother, don't you know how dangerous you just were? Knowing full well that Pan Yuexiang has no good intentions, and still dare to follow her alone to the rooftop, if Pan Yuexiang did not wait for us to come over, if Pan Yuexiang pushed you down directly, if the police did not arrive in time, what should we do? Hmm?" Huo Shi was really angry, he really didn't dare to think of another consequence at all

An Chu lowered his head and said in a small voice, "I'm sorry..."

Huo Shi reflexively wanted to say that the next not for example, but is the opening: "You give Laozi think about ...."

said the big step towards the classroom.

The first thing you need to do is to get a good idea of what you're getting into.

The first thing you need to do is to get a good idea of what you're doing.

Blue Min looked like a curious baby: "Brother Huo, where is sister An?"

"Let her reflect on it ...."

Blue Min looked confused: "Reflection? Reflect on what?"

"Going to see Pan Yuexiang alone, putting her safety at risk ....."

Blue Min dizzy: "Huo, even I know this time to comfort people, right"

I'm really impressed with his brother Huo's brain circuit, generally people should not take advantage of the frightened people when a good comfort to give a sense of security, and then think about the relationship further? The actual fact is that the actual person is not a person who is not a person. The actual fact is that the actual person is not a person.

Huo when a serious face opened: "It is this time, to remember more profound ...."

Du Ruan looked up and smiled with a deep meaning: "Huo, you do not comfort, this is not someone ....."

Huo Shi sniffed and looked, found An Chu and Guan Xing Yuan came in together, two people are still talking and laughing

The actual fact is really wrong Anchu, Anchu said really met on the road and came back together.

Huo time gritted his teeth: "This grandson ....."

Du Ruan face speechless: "Huo brother, this is your own choice, right ....."

Immediately after saying this, he felt a sorrowful gaze, and immediately changed his mouth: "It's so villainous, taking advantage of the danger of others, simply shameless myself ....."

.....

Racing Circuit.

Huo Shi drove a Ferrari Enzo, Du Ruan's was a Lamborghini Murcielago and Lan Min's was a Porsche CarreraGT

Du Ruan spoke: "Brother Huo, don't be merciful this time ....."

Huo Shi narrowed his eyes: "Naturally"

Blue Min spoke: "Hurry up and start, I'm going crazy ....."

"Or how about we make a bet this time?" Huo Shi opened his mouth

The two were silent for a moment, Huo Shi mocked: "What? No guts?"

"Shit, to bet on a bet, I'm not afraid of it, say what to come?" Blue Min fried

Huo Shi smiled wickedly: "Simple, wash my socks for a month, hand wash ...."

Du Ruan and Lan Min looked at each other: "Huo, this time we'll let you experience the feeling of washing socks"

"Then let's do it ....."

.....

Crap!!! The first time I saw the car, I had to get out of the car.

Du Ruan got out of the car and said breathlessly, "Brother Huo, you called us to come to the car park is not that you can not abuse sister An to abuse us, right ....."

"Du Saner, I suddenly think you have a point, and An sister angry, came to abuse us, shameless to the extreme"

"As you wish, a month socks," Huo time spoke

The two people suddenly wailed in unison, Lan Min sat to cover up sobbing: "Huo brother ah, I have not even washed their own socks, you change a line can ...."

The company's main business is to provide a wide range of products and services to its customers.

"We are shameless, we are!!!" But they all spoke in unison.

Huo Shi opened his mouth, "All right, three days."

Meanwhile, Lan Xuan Jingwen on the high platform saw a certain person below who was supposed to be at school and narrowed his eyes.

On the side of the total Li, see in this scene, carefully and politely asked, "General Lan, what's wrong?" The capital chain to run properly will have to rely on this single.

"Nothing, the family's small children disobeyed and ran here ....." Blue Xuan Jingwen cloudy and breezy

"Ah?" General Li followed the line of sight of Lan Xuan Jingwen and saw three teenagers.

"I wonder which one is your son?"

Blue Xuan Jingwen spoke, "I want to attach a condition to this contract, I don't know what Mr. Li thinks?"

"You please say?" As long as this contract can be signed, not to mention one, even ten he is willing.

"30 percent of the shares."

"What?" Mr. Li doubted his own ears, there is still such a good thing, the one in front of him is the one from the blue family in the imperial capital.

"Mr. Li is unwilling?" Xuanjingwen asked rhetorically

"Willingly, willingly, with great pleasure ....."

While saying that, go down.

At this moment Huo Shi three people are preparing to leave, just in time to run into each other.

"Little, little uncle ....." Lan Min's heart was weak

"Uncle Blue ~" Huo Shi and Du Ruan shouted

"Hmm," Lan Xuan Jingwen nodded

"Little Min, how come you guys are here, if I remember correctly, it's class time ....." Lan Xuan Jingwen asked carelessly

The three of them at once: "....." They skipped class to come

Huo Shi stood out, "Uncle Lan, I brought them here"

Blue Min hurriedly raised his hand at the back to pick up: "I volunteered ...."

The first thing you need to do is to get a good idea of what you want to do. You do not get angry, okay?

And you now have business to discuss, we will not bother you ....."

Said then directly slipped away from the side, taking the other two people with him.

Lan Xuan Jingwen: "....."

"Children are naughty, let Mr. Li laugh ...."

"Where where, children well ...."

"In the future, they are forbidden to enter this place," said Blue Xuan Jingwen, seemingly at random
