

## HIS FAVOR 34

### CHAPTER 34: SLANDER

When An Chu went out with Huo Shi again after that incident, she found that she was always being whispered about.

An Chu frowned and did not know why, Guan Xing Yuan also came over and looked at An Chu wanting to say something

The first thing you need to do is to get a good idea of what you're doing.

Guan Xing Yuan spoke: "Nothing ...." The actual fact that there are only a few days left, it's good not to hear

"If there is something about me, please tell me ....." An Chu spoke

Cough cough ~ Guan Xing Yuan first coughed low twice, then organized his vocabulary and tried to say it in a more euphemistic way

"Zhong Wenya seems to have some prejudice against you and used some not so good words to describe you in front of everyone."

Then realizing that it didn't seem good to speak ill of others, he added: "Some of her vocabulary was indeed excessive"

Yes, Guan Xing Yuan had already retorted back then, but it didn't seem to be of much use because he didn't even come out to clarify, not even realizing that An Chu was probably unaware of the matter.

An Chu first thought about who Zhong Wenya was, then opened his mouth to say thanks: "I know, thank you Xing Yuan brother ...."

"What are you polite with me?"

This matter An Chu did not tell Huo Shi them, but asked where Zhong Wenya's tent is.

Walked to Zhong Wenya tent in front of it heard someone inside loudly said

"Hahahaha ~ do you know who I told you about the other day? I just learned today, her name is An Chu, is a cousin, or an illegitimate daughter ....."

An Chu sniffed directly a push open the tent door and walked in.

She saw Zhong Wenya and the other two girls insulting her again.

Zhong Wenya's back was against An Chu, the other two people saw An Chu come in, immediately felt embarrassed, tried to hint Zhong Wenya, but it was obvious that she did not hear

"Really, you have not seen, obviously they invited me to go, An Chu on the side is very demonic, a moment brother I want this ~, a moment brother I want that ~ really disgusted me..."

"Finally, ah, also said to them, do not want me to stay there, that boobs are about to rub those boys ....."

"Hahahahahaha - ~ really a good big green tea ~"

Then realizing what opened: "Hey ~ how come you guys don't talk anymore? Not funny? hahaha~"

"Finished?" A calm, unmoving voice rang out, An Chu's eyes sharply looked at Zhong Wenya

Zhong Wenya turned his head and was startled

"Why is it you? How did you get in?" Opened her mouth and shouted

An Chu took a step closer to look at her: "How did I get in, of course I walked in"

The words fell and took a step further: "The person you are talking about should be yourself, right?"

"No one invited you, it's you who went to the party, isn't it?"

"You couldn't please my brother, and he drove you back, didn't he?"

"Don't you feel disgusted when you talk about your brother?"

"Who the hell is that green tea?"

With each sentence, he took a step forward and walked to Zhong Wenya's front to meet her eyes bending down to look at her: "Apologize!"

"I don't, who am I to..."

The words did not finish, An Chu directly snapped ~ a hit in the past

"Do you really think I am a soft persimmon to pinch? Apologize!"

"Ah~ Who are you to hit me?" Zhong Wenya shouted

"Just because your mouth is not clean, apologize!"

"I'm not wrong, originally you are a cousin ....." Zhong Wenya looked up at An Chu

Pa ~ there is a slap up and hit the other face looks very symmetrical

"Apologize!"

"Ah ah ah ah ah ~" was hit twice on the face, plus just the crowd smelled and felt the tent, so Zhong Wenya only feel embarrassed.

Struggling to stand up, wanted to swing and hit back, but directly another person grabbed the arm

"Apologize!"

An Chu spoke: "Brother ~"

Huo Shi responded, his hand became stronger, and repeated: "Apologize"

Zhong Wenya's face twisted slightly in pain and spoke loudly, "You are bullies~, who are you to move me?"

"Because I am her brother, for the last time, apologize!" The words fell, Huo Shi twisted Zhong Wenya's arm a little harder

"Ahhhhh~ pain~" Zhong Wenya's face was more distorted, but Huo Shi did not have the slightest intention of letting go.

"I'm sorry, I'm sorry Anchu~" Zhong Wenya shouted, Huo Shi's hand strength stopped but did not let go.

"Sorry for what?" An Chu asked back at her

"I, I shouldn't have said bad things about you, slandered you behind your back, called you a cousin, said you have a heart ....."

Hearing the word cousin, Huo Shi's face changed slightly, and with a click, Zhong Wenya's arm dislocated.

"Ahhhhh~ Didn't you say no hands?" Zhong Wenya shouted as he covered his arm aside, it felt like it had broken

"That's because I don't know what you've done ....." Huo Shi coldly opened his mouth

said, glanced around the people watching, warning: "If any of you dare to make up behind the back of my sister, I will abolish him"

The people are silent, at least now they have the numerical advantage ah.

After saying that, he took An Chu's hand and left, followed by Du Ruan Lan Min, while Zhong Wenya also quickly went to find the winter camp doctor on duty.

"Crap! Huo brother, you just simply handsome ...." Blue Min rainbow fart

"Is that so?" Huo Shi had a smug look on his face, his eyes glanced at An Chu

An Chu nodded: "Yes~, but brother, when did you get there ....."

"Arrived when you were beating that woman, saw that you didn't suffer so I didn't make a move ...."

Thinking of his heroic deeds, An Chu blushed slightly

"Thank you brother~"

"Self family thank what ...."

.....

In the blink of an eye, it was the 20th of December, this evening, the staff distributed everyone's school bags to everyone, saying that tomorrow at 1 pm after the collection of good will have a car to send them back en masse.

Blue Min looked at the long-lost beef jerky, small snacks excited tears: "Huo, there is life can still see them really ....." It's worth dying ...."

Huo time skimmed: "Is that so? Then your death is really not worth it ...."

"Aww~ An sister~ Huo brother said me, you help me teach him a lesson..." directly jumped on An Chu, like a small lion

Du Ruan had the eyes to pull away: "Still not long enough to live is it?"

Lan Min sniffed and looked over and found Huo Shi was looking sorrowfully at ah, suddenly shrieked: "Ah ~ Huo brother, I did not mean anything else, just express my friendliness ...."

Several people fought and also went out and went around again, Du Ruan also took a camera and took many pictures.

Come back but found that the summer camp a commotion

The four people walked over unaccountably and found a girl, also known as Zhong Wenya, crying to a workman

"How could it be lost, that necklace is worth two million ah, you must find it for me ah ....."

"Miss Zhong, we have searched around, you think carefully to see where you put it..." The staff obviously also some of the headache 2 million of the necklace, not a small amount

"No, I put it on my pillow, then today went to play with them for a while, came back and disappeared ...." Zhong Wenya pointed to her two little sisters and said

The staff looked at her little sisters and found that her little sisters nodded their heads.

Then one of them spoke weakly: "This .... will not be stolen ah?"

This statement, the crowd looked at each other, they almost all come from rich families, 2 million of the necklace is rare, but will not steal it .....

The youngest sister immediately waved her hand, "Don't take it personally, I just said it casually ....."

And Zhong Wenya, as if he had caught something, spoke seriously: "Yes, someone must have stolen ....."

"This ....." The crowd was suddenly talking, also surprised at Zhong Wenya's brain circuit.

An Chu naturally did not have other ideas, quietly watching the show

Zhong Wenya's gaze swept around a circle, and finally settled on An Chu's body

The actual fact is that you are the one who has to be the one who has to be the one ....

Huo Shi shielded An Chu behind: "What are you talking about, An An has always been with us, who would scarce your stuff?"
